PROPERTY DAMAGE INSURANCE. The following provisions relating to insuring the Property are a part of this Mortgage.

Maintenance of insurance. Grantor shall procure and maintain policies of fire insurance with standard extended coverage endorsements on a replacement basis for the full insurable value covering all improvements on the Real Property in an amount sufficient to avoid application of any coinsurance clause, and with a standard mortgage clause in favor of Lender. Policies shall be written by such insurance companies and in such form as may be reasonably acceptable to Lender. Grantor shall deliver to Lender certificates of coverage from each insurer containing a stipulation that coverage will not be cancelled or diminished without a minimum of ten (10) days' prior written notice to Lender and not containing any disclaimer of the insurer's liability for failure to give such notice. Each insurance policy also shall include an endorsement providing that coverage in favor of Lender will not be impaired in any way by any act, omission or default of Grantor or any other person. Should the Real Property at any time become located in an area designated by the Director of the Federal Emergency Management Agency as a special flood hazard area, Grantor agrees to obtain and maintain Federal Flood Insurance for the full unpaid principal balance of the loan, up to the maximum policy limits set under the National Flood Insurance Program, or as otherwise required by Lender, and to maintain such insurance for the term of the loan.

Application of Proceeds. Grantor shall promptly notify Lender of any loss or damage to the Property. Lender may make proof of loss if Grantor fails to do so within fifteen (15) days of the casualty. Whether or not Lender's security is impaired, Lender may, at its election, apply the proceeds to the reduction of the indebtedness, payment of any lien affecting the Property, or the restoration and repair of the Property.

EXPENDITURES BY LENDER. If Grantor fails to comply with any provision of this Mortgage, including any obligation to maintain Existing Indebtedness in good standing as required below, or if any action or proceeding is commenced that would materially affect Lender's interests in the Property, Lender on Grantor's behalf may, but shall not be required to, take any action that Lender deems appropriate. Any amount that Lender expends in so doing will bear interest at the rate provided for in the Note from the date incurred or paid by Lender to the date of repayment by Grantor. All such expenses, at Lender's option, will (a) be payable on demand, (b) be added to the balance of the Note and be apportioned among and be payable with any installment payments to become due during either (i) the term of any applicable insurance policy, or (ii) the remaining term of the Note, or (c) be treated as a balloon payment which will be due and payable at the Note's maturity. This Mortgage also will secure payment of these amounts. The rights provided for in this paragraph shall be in addition to any other rights or any remedies to which Lender may be entitled on account of the default. Any such action by Lender shall not be construed as curing the default so as to bar Lender from any remedy that it otherwise would have had.

WARRANTY; DEFENSE OF TITLE.

Title. Grantor warrants that: (a) Grantor holds good and marketable title of record to the Real Property in fee simple, free and clear of all liens and encumbrances other than those set forth in the Real Property description or in the Existing Indebtedness section below or in any title insurance policy, title report, or final title opinion issued in favor of, and accepted by, Lender in connection with this Mortgage, and (b) Grantor has the full right, power, and authority to execute and deliver this Mortgage to Lender.

Defense of Title. Subject to the exception in the paragraph above, Grantor warrants and will forever defend the title to the Property against the lawful claims of all persons.

No Other Liens. Grantor will not, without the prior written consent of Lender, create, place, or permit to be created or placed, or through any act or failure to act, acquire, constitute or contractual (except for a lien for mortgage, voluntary or involuntary lien, whether statutory, constitutional or contractual) except for a lien for ad valorem taxes on the Real Property which are not delinquent), security interest, encumbrance or charge, against or covering the Property, or any part thereof, other than as permitted herein, regardless if same are expressly or otherwise subordinate to the lien or security interest created in this Mortgage, and should any or of the foregoing become attached hereafter in any manner to any part of the Property, without the prior written consent of Lender, Grantor will cause the same to be promptly discharged and released.

EXISTING INDEBTEDNESS. The following provisions concerning existing indebtedness (the "Existing Indebtedness") are a part of this Mortgage.

Existing Lien. The lien of this Mortgage securing the Indebtedness may be secondary and inferior to the lien securing payment of an existing obligation. The existing obligation has a current principal balance of approximately \$109,040.00. Grantor expressly covenants and agrees to pay, or see to the payment of, the Existing Indebtedness and to prevent any default on such indebtedness, any default under the instruments evidencing such indebtedness, or any default under any security documents for such indebtedness.

Default. If the payment of any installment of principal or any interest on the Existing Indebtedness is not made within the time required by the note evidencing such indebtedness, or should a default occur under the instrument securing such indebtedness and not be cured during any applicable grace period therein, then, at the option of Lender, the Indebtedness secured by this Mortgage shall become immediately due and payable, and this Mortgage shall be in default.

FULL PERFORMANCE. If Grantor pays all the Indebtedness when due, and otherwise performs all the obligations imposed upon Grantor under this Mortgage, Lender shall execute and deliver to Grantor a suitable satisfaction of this Mortgage and suitable statements of termination of any financing statement on file evidencing Lender's security interest in the Real Property. Grantor will pay, if permitted by applicable law, any reasonable termination fee as determined by Lender from time to time. If, however, payment is made by Grantor, whether voluntarily or otherwise, or by guarantor or by any third party, on the Indebtedness and thereafter Lender is forced to remit the amount of that payment (a) to Grantor's trustee in bankruptcy or to any similar person under any federal or state bankruptcy law or law for the relief of debtors, (b) by reason of any

Accelerate Indebtedness. Lender shall have the right at its option without notice to Grantor to declare the entire Indebtedness immediately due and payable, including any prepayment penalty which Grantor would be required to pay.
