THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM CO'/ENANTS. Borrower and Lender covenant and agree as follows:

1. Payment of Principal and Interest; Prepayment and Late Charges. Borrower shall promptly pay with due the principal of and interest on the debt evidenced by the Note and any

prepayment and lair charges due under the Note.

Lender, Borrower shall pay to Lender on the day monthly payments are due under the Note, until the Note is paid in this, a sum ("Funds") for: (a) yearly taxes and assessments which may attain priority over this Sacurity Instrument as a lien on the Property; (b) yearly leasehold payments or ground rents on the Property, if any; (c) yearly hazard or property insurance premiums; (d) yearly flood insurance premiums, if any; (e) yearly mortgage insurance premiums, if any; and (f) any sums payable by Borrower to Lender, in accordance with the provisions of Paragraph 8, in lieu of the payment of mortgage insurance premiums. These items are called "Escrow Items." Lender may, at any time collect and hold Funds in an amount not to exceed the maximum amount a lender for a federally related mortgage loan may require for Borrower's escrow account under the federal Real Estate Settlement Procedures Act of 1974 as amended from time to time, 12 U.S.C. § 2601 et seq. "RESPA"), unless another law that applies to the Funds sets a lesser amount. Lender may estimate the amount of Funds due on the basis of current data and reasonable estimates of expenditures of future Escrow Items or otherwise in accordance with applicable law.

The Funds shall be held in an institution whose deposits are insured by a federal agency, instrumentality, or entity (including Lender, if Lender is such an institution) or in any Federal Home Loan Bank. Lender shall apply the Funds to pay the Escribe items. Lender may not charge Borrower for holding and applying the Funds, annually analysing the escrobe account, or verifying the Escrobe items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. However, Lender may require Borrower to pay a one-time charge for an independent real estate tax reporting service used by Lender in connection with this loan, unless applicable law provides otherwise. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Borrower and Lender may agree in writing in one were, that interest shall be paid on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds, showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for an sums

secured by this Security Instrument.

Lender shall account to Borrower for the excess Funds in accordance with the requirements of applicable law. If the amount of the Funds held by Lender at any time is not sufficient to pay the Escrow Items when due, Lender may so notify Borrower in writing, and, in such case Borrower shall pay to Lender the amount necessary to make up the deficiency. Borrower shall make up the deficiency in no more than twelve monthly payments, at Lender's sole discretion.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender. If, under Paragraph 21, Lender shall acquire or sell the Property, Lender, prior to the acquisition or sale of the Property, shall apply any Funds held by Lender at the time of acquisition or sale as a credit against the sums secured

If Lender determines that any part of the Property is subject to a lian which may attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lian. Borrower shall satisfy the lian or take one or more of the actions set forth above within 10 days of the giving of notice.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in Paragraphs 1 and 2 or change the amount of the payments. If under Paragraph 21 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums

Lender will accept, use and retain these payments as a loss reserve in lieu of mortgage incurance. Loss reserve payments may no longer be required, at the option of Lender, if mortgag, insurance coverage (in the amount and for the period that Lender requires) provided by an insurer approved by Lender again becomes available and is obtained. (B) The Index

Beginning with the first Change Date, my interest rate will be based on an index. The "Index" is the Twelve-Month Average, determined as set forth below, of the annual yields on actively trace United States Treasury Securities adjusted to a constant maturity of one year as published in the Federal Reserve Board in the Federal Reserve Statistical Release entitled "Selected Interest Rates (G.13)" (the "Monthly Yields"). The Twelve-Month Average is determined by adding together the Monthly Yields for the most recently available twelve months and dividing by 12.

The most recent index figure available as of the date 15 days before each interest Rate Change Date is called the "Currer, Index". If the Index is no longer available, the Note Holder will choose a new index which is besed upon comparable information. The Note Holder will give me notice of this choice.

(C) Calculation of Changes

Before each Change Date, the Note Holder will calculate my new interest rate by adding Two & Eight Hundred Seventy-Five-Thous milths percentage points 2.875 % ("Mergin") to the Current Index. The Note Holder will then round the result of this addition to the nearest one thousandth of one percentage point (0.001%). Subject to the limits stated in Section 4(D) below, this rounded amount will be my new interest rate until the next Change Date. In the event a new index is selected, pursuant to paragraph 4(B), a new Margin will be determined. The new Margin will be the difference between the average of the old index for the most recent three year period which ends on the last date the index was available plus the Margin on the last date the old Index was available and the average of the new Index for the most recent three year period which ends on that dat a (or if not available for such three year period, for such time as it is available). This difference vill be rounded to the nearest 1/8 of 1%.

The Note Holder will then determine the amount of the monthly payment for would be sufficient to repay the unpaid principal that I am expected to owe at the Change Date in full on the maturity date at my new interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment.

(D) Limits on Interest Rate Changes

My interest rate will never be increased or decreased on any single Change Date by more percentage point(s) (2.000 than Two
