THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANTS. Borrower and Lender covenant and agree as follows:

- 1. Paymen of Principal and Interest; Prepayment and Late Charges. Borrower shall promptly pay when due in a principal of and interest on the debt evidenced by the Note and any prepayment and late charges due unoc the Note.
- 2. Funds for Taxie and Insurance. Subject to applicable law or to a written waiver by Lender. Borrower shall pay to Lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum ("Funds") for: (a) yearly taxes and assessments which may attain priority over this Security Instrument as a lien on the Property; (b) yearly leasehold payments or ground rents on the Property, if any; (c) yearly hazard or property insurance premiums; (d) yearly flood insurance premiums. If any; (e) yearly mortgage insurance premiums, if any; and (f) any sums payable by Borrower to Lender, in accordance with the provisions of paragraph 8, in lieu of the payment of mortgage insurance premiums. These items are called "Escrow Items." Lender may, at any time, collect and hold Funds in an amount not to exceed the maximum amount a lender for a federally related mortgage loan may require for Borrower's escrow account under the federal Real Estate Settlement Procedures Act of 1974 as amended from time to time, 12 U.S.C. § 2601 et seq. ("RESPA"), unless another law that applies to the Funds sets a lesser amount. If so, Lender may, at any time, collect and hold Funds in an amount not to exceed the lesser amount. Lender may estimate the amount of Funds due on the prisis of current data and reasonable estimates of expenditures of future Escrow Items or otherwise in accordance with applicable law.

The Funds shall be field in an Institution whose deposits are insured by a federal agency, instrumentality, or entity (including Lender, if Lender is such an institution) or in any Federal Home Loan Bank. Lender shall apply the Funds to pay the Escrow Items. Lender may not charge Borrower for holding and applying the Funds, annually analyzing the escrow account, or varifying the Escrow Items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. However, Lender may require Borrower to pay a one-time charge for an independent real estate tax reporting service used by Lender in connection with this loan, unless applicable law provides otherwise. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Borrower and Lender may agree in writing, however, that interest shall be paid on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds, showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower, if Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has officed to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The Coday period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. Borrower may cure such a default and reinstate, as provided in paragraph 18, by causing the action or proceeding to be dismissed with a ruling that, in Lender's (200) faith determination, practudes forfeiture of the Borrower's Interest in the Property or other material impairment of the lien created by this Security Instrument or Lender's security Interest. Borrower shall also be in default if Borrower, during the loan application process, gave materially false or inaccurate information or accoments to Lender (or falled to provide Lender with any material information) in connection with the loan evidenced by the Note, including, but not limited to, representations concerning Borrower's occupancy of the Property as a principal residence, if this Security Instrument is on a leasehold. Borrower shall pay to Lender each month a sum equal to one-twelfth of the yearly mortgage insurance provintum being paid by Borrower when the insurance coverage lapsed or ceased to be in effect. Lender will accrum, use and retain these payments as a loss reserve in lieu of mortgage insurance. Loss reserve payments may no longer be required, at the option of Lender, if mortgage insurance coverage (in the amount and for the regions that Lender requires) provided by an insurer approved by Lender again becomes available and in challed. Borrower shall pay the premiums required to maintain mortgage insurance in effect, or to provide a loss reserve, until the requirement for mortgage insurance ends in accordance with any written agreement between Borrower and Lender or applicable law.

Once converted, payments can never be changed back to biweekly due dates.

The Note Holder will determine my new payments by calculating an amount sufficient to repay the balance which would be owed under the Note (assuming all payments had been made on tirne) at the increased rate in substantially equal monthly installments from the effective date of the interest rate increase to the Maturity Date. As soon as the Note Holder elects to convert payments to monthly due dates, a Conversion Notice will be sent to me specifying the effective date of the change to monthly due dates; the amounts of the new monthly payments; the new interest rate; the effective date of the interest rate increase, and the aggregate amount of any past due payments. The effective date of the change to monthly due dates will, however, precede the effective date of the interest rate increase will be calculated at the original interest rate and may include interest and principal payments for any number of days which fall between the last biweekly payment due date and effective date of change to monthly due dates. The amounts of these monthly payments will also be set forth in the Conversion Notice. After Coversion, I will pay all sums due, pursuant to the Conversion Notice, and if I still owe amounts under this Note on the Maturity Date, I will pay those amounts in full on that date in accordance with Section 4 above.
