This is the Key . . . You've Got To Want To

*Whatever it is that you want to be,
Whatever the dream that there is to be reached,
Whatever the goal you strive for and see,
There is one thing sure, and this is the key:*

You've got to want to.

*The parent, the teacher, the counselor, the friend,
Might beg and plead time and time again,
But, the final decision is made by you,
As to your direction, just what you will do.*

*And make no mistake, we all must see,
That there's one great answer, and this is the key:*

You've got to want to.

*So, don't be discouraged if you've fallen or failed,
As the world or the system have tried to prevail,
Be assured it has happened to others before,
No doubt life's problems will plague many more.
But, the greatest vision that one can see,
Is this, my friend, this is surely the key:*

You've got to want to.

*You've got to want to be first,
You've got to want to be good,
You've got to want to reach heights,
And do the thing that you should,
You've got to want to give service,
And be a friend,*

*You've got to want to persevere to the very end,
You've got to want to be honest, and truthful, and fair,
You've got to want to work, and do your share.*

*So make up in your mind that you want success,
That you want to be happy like all of the rest,
That you want your education, and awards, and praise,
And some little contentment for some of your days,
But, take the advice of one who knows this to be,
The vital and sure, and wonderful key is:*

You've got to want to!
