THE COVENANTS, CONDITIONS AND PROVISIONS PREVIOUSLY REFERRED TO ARE:

1. **Promises of Borrower** -- Borrower represents and warrants that:
 - a. Borrower owns the Property;
 - b. Borrower has the right to mortgage, grant, and convey the Property to Trustee; and
 - c. There are no claims or charges outstanding against the Property except any mortgages or trust deeds that are currently shown in the office where real estate records are filed for the County where the Property is located.

Borrower gives a general warranty of title to Trustee on behalf of the Holder of the Note. This means that Borrower will be fully responsible for any losses which Trustee on behalf of the Holder of the Note suffers because someone other than Borrower has some of the rights in the Property that Borrower represents and warrants to have. Borrower will defend ownership of the Property against any claims of such rights.

2. **Borrower's Promise to Pay -- The Agreement.** Borrower promises to promptly pay all amounts due on the Agreement except as explained in paragraph 9.

3. **Borrower's Promise to Pay -- Charges and Assessments.** Borrower promises to pay all present and future liens, taxes, assessments, utility bills, and other charges on the Property, including any amounts on any prior mortgage or trust deed, as they become due.

4. **Borrower's Promise to Buy Hazard Insurance.** Borrower promises to obtain a hazard insurance policy payable to Trustee for the benefit of the Holder of the Note, and which covers all buildings on the Property. The insurance must be satisfactory to the Holder of the Note and must cover loss or damage caused by fire and hazards normally covered by "extended coverage" hazard insurance policies. The insurance must be in the amounts and for the periods of time required by the Holder of the Note. Borrower will notify the Holder of the Note promptly if there is any loss or damage to the Property. The Trustee or Holder of the Note may file a "Proof of Loss" form with the insurance company. Borrower directs the insurance company to pay all "proceeds" to Trustee for the benefit of the Holder of the Note. "Proceeds" are any money that the insurance company owes to the Borrower under the policy. Unless the Holder of the Note agrees in writing that the Proceeds can be used differently, the Proceeds will be applied to pay the amount Borrower owes the Holder of the Note.

NOTICE: Unless you provide us with evidence of the insurance coverage required by your agreement with us, we may purchase insurance at your expense to protect our interests in your collateral. This insurance may, but need not, protect your interests. The coverage that we purchase may not pay any claim that you make or any claim that is made against you in connection with the collateral. You may later cancel any insurance purchased by us, but only after providing us with evidence that you have obtained insurance as required by our agreement. If we purchase insurance for the collateral, you will be responsible for the costs of that insurance, including interest and any other charges we may impose in connection with the placement of the insurance, until the effective date of the cancellation or expiration of the insurance. The costs of the insurance may be added to your total outstanding balance or obligation. The costs of the insurance may be more than the cost of insurance you may be able to obtain on your own.

If any Proceeds are used to reduce the amount which Borrower owes the Holder of the Note under the Agreement, Borrower will still have to make the regular payments under the Agreement until the entire amount Borrower owes is paid in full. If Trustee forecloses this Trust Deed on behalf of the Holder of the Note, anyone who buys the Property at the foreclosure sale will have all the rights under the insurance policy.

5. **Borrower's Promise to Buy Flood Insurance.** If the Land or any part of the Land is located in a designated official flood-hazard area, Borrower promises to buy flood insurance in the maximum amount available or the amount secured by this Trust Deed, whichever is less. Borrower agrees to direct that any money payable under the flood insurance will be paid to Trustee on behalf of the Holder of the Note, but Borrower will still have to make regular payments under the Agreement until the entire amount Borrower owes is paid in full.

6. **Borrower's Promise to Maintain and Repair the Property.** Borrowers shall (a) promptly repair, restore and rebuild any buildings or improvements now or hereafter on the Property which may become damaged or be destroyed; (b) keep said Property in good condition and repair, without waste, and free from mechanic's or other liens or claims for lien not expressly subordinated to the lien hereof; (c) pay when due any indebtedness which may be secured by a lien or charge on the Property superior to the lien hereof, and upon request exhibit satisfactory evidence of the discharge of such prior lien to Trustee or to Holder of the Note; (d) complete within a reasonable time any building or buildings new or at any time in process of erection upon said Property; (e) comply with all requirements of law or municipal ordinances with respect to the Property and the use thereof; (f) make no material alterations in said Property except as required by law or municipal ordinance.
