If substantially equivalent mortgage insurance coverage is not available, Borrower shall pay to Lender each month a sum equal to one-twelfth of the yearly mortgage insurance premium being paid by Borrower when the insurance coverage lapsed or ceased to be in effect. Lender will accept, use and retain these payments as a loss reserve in lieu of mortgage insurance. Loss reserve payments may no longer be required, at the option of Lender, if mortgage insurance coverage (in the amount and for the period that Lender requires) provided by an insurer approved by Lender again becomes available and is obtained. Borrower shall pay the premiums required to maintain mortgage insurance in effect, or to provide a loss reserve, until the requirement for mortgage insurance ends in accordance with any written agreement between Borrower and Lender or applicable law.

9. Inspection. Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give Borrower notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

10. Condemnation. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is equal to or greater than the amount of the sums secured by this Security Instrument immediately before the taking, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is less than the amount of the sums secured immediately before the taking, unless Borrower and Lender otherwise agree in writing or unless applicable law otherwise provides, the proceeds shall be applied to the sums secured by this Security Instrument whether or not the sums are then due.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condemnor offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of such payments.

11. Borrower Not Released; Forbearance By Lender Not A Waiver. Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

12. Successors and Assigns Bound; Joint and Several Liability; Co-signers. The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 17. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey that Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without that Borrower's consent.

13. Loan Charges. If the loan secured by this Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.

14. Notices. Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to

Any amounts disbursed by Lender under this paragraph, shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting

7. Protection of Lender's Rights in the Property. If Borrower fails to perform the covenants and obligations contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy), probable, for confirmation or enforcement or to enforce laws or regulations), then Lender may do and receive any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying Lender's attorney fees and entitling Lender to make repairs. Although Lender may take action under this paragraph to recover any sums paid by Lender to protect the Property and Lender's rights in the Property, Lender's actions may never be necessary to protect the value of the Property and Lender may do and receive whatever is necessary to protect the value of the Property and Lender's rights in the Property.

6. Occupancy, Preservation, Leasehold, and Use of the Property; Borrower's Loan Application of this Security instrument and shall continue to occupy, as Borrower's principal residence for at least one year after the execution of this Security instrument, unless Lender otherwise agrees in writing, which consent shall not be unreasonably withheld, or unless the date of occupancy, unless Lender otherwise agrees, in writing, which consent shall not be unreasonably withheld, or unless circumstances exist which are beyond Borrower's control. Borrower shall not destroy, damage or impair the property, allow the property to deteriorate, or commit waste of the property. Borrower shall be in default if any forfeiture or proceeding, whether civil or criminal, is begun that in Lender's good faith judgment could result in forfeiture of the property or otherwise impair the lien created by this Security instrument or Lender's security interest. Borrower may cure such a default and resettle, as provided in paragraph 18, by cause of the action or proceeding to be dismissed with a ruling that, in Lender's good faith determination, precludes forfeiture of the Borrower's interest in the property or otherwise materially impairs the lien created by this Security instrument or Lender's security interest. Borrower shall be in default if it fails to provide, during the loan application process, gave materially false or inaccurate information or statements to Lender (or failed to provide, during the loan application process, in connection with the loan application, information or statements to Lender) in connection with the loan application, or if Borrower's occupancy of the property creates a substantial risk to the property, or if Borrower's occupancy violates any applicable law, regulation, or rule.

Unless Lender and Borrower otherwise agree in writing, any application or proceeds to principal shall not exceed or otherwise than shall pass to Lender to the extent of the sum secured by this Security Instrument.

Unless Lesender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration of repair of the property damaged, if the restoration or repair is economically feasible and Lesender's security is not lessened. If the restoration or repair is not economically feasible or Lesender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, Lender may collect the insurance proceeds. Lender may use the proceeds to repeat or restore the property or to pay sums secured by this Security interest, whether or not then due. The 30-day period will begin when the notice is given.

All insurance policies shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to the insurance carrier and Lender paid premiums and renewal notices. There also may be one or more changes of the Loan Service unrelated to a sale of the Note. If there is a change of the Loan Service, Borrower will be given written notice of the change in accordance with paragraph 14 above and applicable law. The notice will state the name and address of the new Loan Service and the address to which payments should be made. The notice will also contain any other information required by law.

18. Borrower's Right to Reinstatement. If Borrower makes certain conditions, Borrower shall have the right to have enforcement of this security instrument delayed at any time prior to the earlier of: (a) 5 days (or such other period as applicable law may specify) or reinstatement before sale of the Property pursuant to any power of sale contained in this security instrument; or (b) during such time as Borrower is cure the deficiency in this security instrument. If Lender exercises his option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of no less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this security instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this security instrument without further notice or demand on Borrower.

16. Borrower's Copy. Borrower shall be given one conforming copy of the Note and of this Security Instrument.
17. Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property of any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument.
