SECOND ASSIGNMENT OF LEASES AND RENTS

THIS SECOND ASSIGNMENT OF LEASES AND RENTS is made as of the 22nd day of December, 1997 by 1516 South Wabash Associates, Inc., an Illinois corporation (hereinafter called "Assignor"), in favor of INLAND MORTGAGE INVESTMENT CORPORATION, an Illinois corporation (hereinafter called "Assignee").

WITNESSETH:

FOR VALUE RECEIVED, Assignor does hereby sell, assign, transfer, set over and deliver unto Assignee all leases and subleases, written or oral, tenancies and all agreements for use or occupancy of any portion of the premises and/or any of the buildings and improvements thereon, situated in Cook County, State of Illinois, and more particularly described in Exhibit A attached hereto and in the Mortgage or Deed of Trust hereinafter identified (such premises, and all the buildings and improvements thereon hereinafter collectively called the "Premises");

TOGETHER with any and all modifications, amendments, extensions, renewals and replacements thereof and any and all further leases, lettings or agreements (including subleases thereof and tenancies following attornment) upon or covering use or occupancy of all or any part of the Premises (all such leases, subleases, tenancies and agreements, and tenancies heretofore mentioned are hereinafter collectively called the "Leases" and individually, a "Lease");

TOGETHER with any and all guaranties of lessee's performance under any of the Leases, and

TOGETHER with the immediate and continuing right to collect and receive all of the rents, income, receipts, revenues, issues, proceeds, profits, escrows, deposits and security deposits now due or which may become due or to which Assignor now or shall hereafter (including the period of redemption, if any) may become entitled or may demand or claim, arising or issuing from or out of the Leases or from or out of the Premises or any part thereof, including but not by way of limitation: minimum rents, additional rents, percentage rents, parking maintenance, tax and insurance contributions, deficiency rents and liquidated damages following default, the premium payable by

any lessee upon the exercise of a cancellation privilege originally provided in any Lease, and all proceeds payable under any policy of insurance covering loss of rents resulting from untenability caused by destruction or damage to the Premises together with any and all rights and claims of any kind which Assignor may have against any lessee under the Leases or any subtenants or occupants of the Premises (all such moneys, rights and claims in this paragraph described being hereinafter called "Rents");

SUBJECT, however, to a license hereby granted by Assignee to Assignor, but limited as hereinafter provided, to collect and receive all of the Rents.

TO HAVE AND TO HOLD the same unto the Assignee, its successors and assigns forever, or for such shorter period as hereinafter may be indicated.

FOR THE PURPOSE OF SECURING the payment of the indebtedness evidenced by that certain Installment Note ("Note") bearing even date herewith in the principal sum of NINE HUNDRED THOUSAND and NO/100 DOLLARS (\$900,000.00) made by Assignor payable to the order of Inland Mortgage Investment Corporation, and presently held by Assignee, including any amendments, modifications, extensions and renewals thereof and any note or notes supplemental thereto, as well as the payment, observance, performance and discharge of all other obligations, covenants, conditions, representations and warranties contained in the Illinois Subordinated Mortgage and Security Agreement ("Mortgage") or Deed of Trust of even date herewith and any Other Loan Documents, as defined in the Note, and in any amendments, modifications, extensions, supplements, renewals, replacements and consolidations thereof, covering the Premises and securing the Note or (hereinafter collectively called "the Note and Mortgage or Deed of Trust and Other Loan Documents").

TO PROTECT THE SECURITY OF THIS ASSIGNMENT, IT IS COVENANTED AND AGREED AS FOLLOWS:

1. That Assignor represents and warrants: That Assignor is the owner in fee simple absolute of the Premises and that Assignor has good title to the Leases and Rents hereby assigned and good right to assign the same, free from any act or other instrument that might limit Assignor's right to make this Assignment or Assignee's rights hereunder, and that no other person, firm or corporation has or will be allowed to have (without Assignee's prior written consent) any right, title or interest therein; that Assignor has not previously sold, assigned, transferred, mortgaged or pledged the Rents or assigned the Leases from the Premises, whether now due, or hereafter to become due except to Assignee.

2. That Assignor covenants and agrees as follows: To observe, perform and discharge, duly and punctually, all and singular the obligations, terms, covenants, conditions and warranties of the existing Leases and of all future Leases affecting the Premises, on the part of the Assignor to be kept, observed and performed, and to give prompt notice to Assignee of any failure on part of Assignor to observe, perform and discharge same; to enforce or secure the performance of each and every obligation, term, covenant, condition and agreement in the Leases by any lessee to be performed; to appear in and defend any action or proceeding arising under, occurring out of, or in any manner connected with the Leases or the obligations, duties or liabilities of the Assignor and any

lessee thereunder, and, upon request by Assignee, will do so in the name and behalf of the Assignee but at the expense of the Assignor, and to pay all costs and expenses of the Assignee, including attorney's fees in a reasonable sum, in any action or proceeding in which the Assignor and/or Assignee may appear.

3. That Assignor further covenants and agrees not to receive or collect any Rents from any present or future lessee of the Premises or any part thereof for a period of more than one (1) month in advance of the date on which such payment is due (whether in cash or by promissory note), nor pledge, transfer, mortgage or otherwise encumber or assign any of the Leases or future payments of said Rents or incur any indebtedness, liability or other obligation to any lessee.

4. That in the event any representation or warranty herein of Assignor shall be found to be untrue or Assignor shall default in the observance or performance of any obligation, term, covenant, condition, representation or warranty herein, then, in each such instance, the same shall constitute and be deemed to be a default under the Note and Mortgage or Deed of Trust and Other Loan Documents hereby entitling Assignee, at its option, to declare all sums secured thereby and hereby immediately due and payable and to exercise any and all of the rights and remedies provided thereunder and hereunder as well as by law.

5. That so long as there shall exist no default by Assignor in the payment of any indebtedness secured hereby or in the observance or performance of any obligation, term, covenant, condition, representation or warranty herein or in the Note, Mortgage or Deed of Trust or Other Loan Documents or in the Leases contained, Assignor shall have the right under a license granted hereby (but limited as provided in the following paragraph) to collect upon, but not prior to accrual, all Rents, arising from or out of the Leases or any renewals, extensions or replacements thereof, or from or out of the Premises or any part thereof, and Assignor shall receive such Rents, and shall hold same, as well as the right and license to receive same, as a trust fund to be applied, and Assignor hereby covenants to so apply same before using any part of the same for any other purposes, in such order as Assignee may direct, to the payment of interest and principal becoming due on the Note; to the payment of taxes and assessments upon the Premises before penalty or interest is due thereon; to the cost of insurance, utilities, maintenance, repairs, replacements and renovation, required by the terms of the Note and Mortgage or Deed of Trust and Other Loan Documents; to the establishment of reserves for real estate taxes, insurance costs and deferred maintenance; to the satisfaction of all obligations specifically set forth in the Leases; and to the payment of interest and principal becoming due on the Note.

6. That upon or at any time after default in the payment of any indebtedness secured hereby or in the observance or performance of any obligation, term, covenant, condition, representation or warranty herein or in the Note and Mortgage or Deed of Trust or Other Loan Documents or in the Leases contained, continuing after the expiration of any applicable grace or cure period, Assignee, at its option, shall have the complete right, power and authority hereunder then or thereafter without notice to exercise and enforce any or all of the following rights and remedies at any time: (a) to terminate the license herein granted to Assignor to collect the Rents, and then and thereafter, without taking possession, and in Assignee's own name, to demand, collect, receive, sue for, attach and levy the Rents, to give proper receipts, releases and acquittances therefor, and after deducting all necessary costs and expenses of operation and collection, as determined by Assignee,

including reasonable attorneys' fees, to apply the net proceeds thereof, together with any funds of Assignor deposited with Assignee, upon any indebtedness secured hereby and in such order as Assignee may determine and this Assignment shall constitute a direction to and full authority to any lessee, tenant or other third party who has heretofore dealt or may hereafter deal with Assignor or Assignee, at the request and direction of Assignee, to pay all Rents owing under any Lease to Assignee without proof of the default relied upon, and any such lessee, tenant or third party is hereby irrevocably authorized to rely upon and comply with (and shall be fully protected by Assignor in so doing) any request, notice or demand by Assignee for the payment to Assignee of any Rents or other sums which may be or may thereafter become due under its lease or other agreement, or for the performance of any undertakings under any such lease or other agreement, and shall have no duty to inquire as to whether any default hereunder or under the Note, the Mortgage or Deed of Trust or Other Loan Documents has actually occurred or is then existing; (b) to declare all sums secured hereby immediately due and payable and, at its option, exercise all of the rights and remedies contained in the Note and Mortgage or Deed of Trust and Other Loan Documents; (c) without regard to the adequacy of the security or the solvency of Assignor, with or without any action or proceeding, through any person or by agent, or by the trustee(s) under the Deed of Trust secured hereby, or by a receiver to be appointed by court and irrespective of Assignor's possession, then or thereafter, to enter upon, take possession of, manage and operate the Premises or any part thereof, make, modify, enforce, cancel or accept surrender of any Lease now in effect or hereafter in effect on the Premises or any part thereof; remove and evict any lessee; increase or reduce Rents; decorate, clean, maintain, repair or remodel the Premises; and otherwise do any act or incur any costs or expense as Assignee shall deem proper to protect the security hereof, as fully and to the same extent as Assignor could do if in possession, and to apply the Rents so collected in such order as Assignee shall deem proper to the payment of costs and expenses incurred by Assignee in enforcing its rights and remedies hereunder, including court costs and attorneys' fees, and to the payment of costs and expenses incurred by Assignee in connection with the operation and management of the Premises, including management and brokerage fees and commissions, and to the payment of the indebtedness under the Note and Mortgage or Deed of Trust and Other Loan Documents, and maintenance, without interest thereon, of a reserve for replacement; and (d) require Assignor to transfer all security deposits to Assignee or an amount equal to all security deposits, if security deposits are not separately held by Assignor, together with all records evidencing these deposits, and to deliver to Assignee all the Leases affecting the Premises. For the purposes of this paragraph Assignor does hereby irrevocably constitute and appoint Assignee the true and lawful attorney of Assignor, coupled with an interest, with full power of substitution for Assignor and in Assignor's name, place and stead to ask, demand, collect, receive, receipt for, use for, compound and give acquittance for, any and all sums due or to become due under any Lease, with full power to settle, adjust or compromise any claim thereunder as fully as Assignor could do, and to endorse the name of Assignor or any of them on all commercial paper given in payment or in part payment thereof, and in the Assignee's discretion to file any claim or take any other action or proceeding, either in the Assignee's name or in the name of Assignor or any of them or otherwise, which the Assignee may deem necessary or appropriate to protect and preserve the right, title and interest of the Assignee in and to such sums and the security intended to be afforded hereby. This appointment is to be irrevocable and continuing, and these rights, powers and privileges shall be exclusive in Assignee, its successors and assigns as long as any part of the indebtedness secured hereby shall remain unpaid. Assignor further agrees that Assignee, and not Assignor, shall be and be deemed to be the creditor or tenants in respect of assignments for the benefit of creditors and bankruptcy, reorganization, insolvency,

dissolution, or receivership proceedings affecting such tenants (without obligation on the part of Assignee, however, to file or make timely filings of claims in such proceedings or otherwise to pursue creditor's rights therein), with an option to Assignee to apply any money received by Assignee as such creditor in reduction of the indebtedness secured hereby.

Provided, however, that the acceptance by Assignee of this Assignment, with all of the rights, powers, privileges and authority so created, shall not, prior to entry upon and taking of possession of the Premises by Assignee, be deemed or construed to constitute Assignee a mortgagee in possession nor thereafter or at any time or in any event obligate the Assignee to appear in or defend any action or proceeding relating to the Leases or to the Premises, or to take any action hereunder, or to expend any money or incur any expenses or perform or discharge any obligation, duty or liability under the Leases, or to assume any obligation or responsibility for any security deposits or other deposits delivered to Assignor by any lessee thereunder and not assigned and delivered to Assignee, nor shall Assignee be liable in any way for any injury or damage to person or property sustained by any person or persons, firm or corporation in or about the Premises.

And provided further, that the collection of the Rents and their application as aforesaid and/or the entry upon and taking possession of the Premises shall not cure or waive any default or waive, modify or affect any notice of default under the Note and Mortgage or Deed of Trust or Other Loan Documents or invalidate any act done pursuant to such notice. The rights, powers, remedies and recourse conferred on Assignee hereunder (a) shall be cumulative and concurrent with and not in lieu of any other rights, powers and remedies granted Assignee hereunder or under the Note and Mortgage or Deed of Trust and Other Loan Documents; (b) may be pursued separately, successively or concurrently against any Assignor or the Premises; (c) may be exercised as often as occasion therefor shall arise, it being agreed by Assignor that the exercise or failure to exercise any of the same shall in no event be construed as a waiver or release thereof or of any other right, power, remedy or recourse and the enforcement of such right, power, remedy or recourse by Assignee; (d) once exercised, shall continue for so long as Assignee shall elect, notwithstanding that the collection and application aforesaid of Rents may have cured for the time the original default; and (e) are intended to be, and shall be non-exclusive. If Assignee shall elect to discontinue the exercise of any such right, power, remedy, or recourse, the same or any other right, power, remedy or recourse hereunder may be reasserted at any time and from time to time following any subsequent default.

And provided further, that the right of Assignee to collect and receive the Rents assigned hereunder or to exercise any of the rights, powers, remedies or recourse herein granted to the Assignee shall, to the extent not prohibited by law, extend also to the period from and after the filing of any suit to foreclose the lien of the Mortgage or Deed of Trust, including any period allowed by law for the redemption of Premises after any foreclosure sale.

And provided further, in the event any lessee under any Lease should be the subject of any proceeding under the Federal Bankruptcy Code, as amended from time to time, or any other federal, state, or local statute which provides for the possible termination or rejection of any Lease assigned hereby, Assignor covenants and agrees that if any such Lease is so terminated or rejected, no settlement for damages shall be made without the prior written consent of Assignee, and any payment of damages for termination or rejection of any such Lease will be made payable both to

Assignor and Assignee. Assignor hereby assigns any such payment to Assignee, the proceeds of which will be applied to whatever portion of the indebtedness secured by this Assignment Assignee may elect.

7. Assignee shall have the right and option at any time and from time to time, in its sole discretion (but under no circumstances shall it be required or obligated), to take in its name or in the name of Assignor such action as Assignee may determine to be necessary to cure any default of Assignor under any of the Leases, whether or not any applicable cure or grace period has expired. Assignor agrees to protect, defend, indemnify and hold Assignee harmless from and against any and all liability, loss, damage, cost or expense (including but not limited to, reasonable attorneys' fees and expenses) in connection with Assignee's exercise of its rights, powers, remedies and recourse hereunder, with interest thereon at the default rate set forth in the Note and Mortgage or Deed of Trust and shall be payable by Assignor immediately without demand, and shall be secured hereby and by the Mortgage or Deed of Trust and the Other Loan Documents.

8. That Assignor hereby agrees to indemnify, defend and hold Assignee harmless of and from any and all liability, loss, damage, cost or expense that Assignee may or might incur under or by reason of this Assignment, or for any action taken by the Assignee hereunder, or by reason or in defense of any and all claims and demands whatsoever which may be asserted against Assignee arising out of the Leases, including, but not limited to any claims by any lessees of credit for rental paid to and received by Assignor, but not delivered to Assignee, for any period under any Lease more than one month in advance of the due date thereof and any claim which may be asserted against Assignee by reason of any alleged obligations or undertakings on its part to be performed or discharged under any of the terms and conditions contained in the Leases; should the Assignee incur any such liability, loss, damage, cost or expense, the amount thereof, including reasonable attorney's fees and expenses, with interest thereon at the default rate set forth in Note and Mortgage or Deed of Trust shall be payable by Assignor immediately without demand, and shall be secured hereby and by said Mortgage or Deed of Trust and Other Loan Documents.

9. That until the indebtedness secured hereby shall have been paid in full, Assignor will upon request deliver to Assignee executed copies of any and all Leases and any and all future Leases upon all or any part of the Premises and will, if Assignee requests, specifically transfer and assign such Leases upon the same terms and conditions as herein contained, but Assignor acknowledges and agrees that such specific assignment and transfer shall not be required to make this Assignment operative with respect to such future Leases. Assignor hereby covenants and agrees to make, execute and deliver unto Assignee upon demand and at any time or times, any and all further assignments and other instruments and records, including but not limited to rent rolls and books of account, sufficient for the purposes that the Assignee may deem to be necessary or advisable for carrying out the purposes and intent of, or otherwise to effectuate, this Assignment (including assignment of the Rent under any Lease with the United States Government after allowance of the rental claim, ascertainment of the amount due and issuance of the warranty for payment thereof).

10. That the failure of the Assignee to avail itself of any of the terms, covenants and conditions of this Assignment for any period of time or at any time or times, shall not be construed or deemed to be a waiver of such right by Assignee, and nothing herein contained nor anything done or omitted to be done by Assignee pursuant thereto shall be deemed a waiver by Assignee, of any

of its rights, powers, remedies and recourse under the Note and Mortgage or Deed of Trust and Other Loan Documents, or under the laws of the state in which the Premises are situated. The rights of Assignee to collect the indebtedness secured hereby and to enforce any other security therefor, or to enforce any other right, power, remedy or recourse hereunder, may be exercised by Assignee, either prior to, simultaneously with, or subsequent to any action taken hereunder and shall not be deemed an election of remedies.

11. That as of the date hereof, Assignee has not received nor been transferred any security deposited by any lessee with the lessor under the terms of any Lease; that Assignee assumes no responsibility or liability for any security so deposited and that Assignee shall be accountable only for such as it actually receives under the terms of this Assignment.

12. That upon payment in full of all of the indebtedness secured by the Note and Mortgage or Deed of Trust and Other Loan Documents and of all sums payable hereunder, this Assignment shall be and become void and of no effect. No judgment or decree entered as to said indebtedness shall operate to abrogate or lessen the effect of this Assignment until the indebtedness has actually been paid. The affidavit, certificate, letter or statement of any officer of Assignee showing any part of said indebtedness to remain unpaid shall be and constitute conclusive evidence of the validity, effectiveness and continuing force of this Assignment, and any person, firm or corporation, may and is hereby authorized to rely thereon. A demand on any lessee made by Assignee for payment of rents by reason of any default claimed by Assignee shall be sufficient warrant to said lessee to make future payments of rents to Assignee without the necessity for further consent by or notice to Assignor. This Assignment is intended to be supplementary to and not in substitution for or in derogation of any assignment of rents to secure said indebtedness contained in the Mortgage or Deed of Trust or Other Loan Documents.

13. Assignor agrees that this Assignment is primary in nature to the obligation evidenced and secured by the Note, Mortgage or Deed of Trust and Other Loan Documents, and any other document given to secure and collateralize the indebtedness secured hereby. Assignor further agrees that Assignee may enforce this Assignment without first resorting to or exhausting any other security or collateral; however, nothing herein contained shall prevent Assignee from successively or concurrently suing on the Note, foreclosing the Mortgage or Deed of Trust, or exercising any other right, power, remedy or recourse under any other document collateralizing the Note.

14. The fact that the Leases or the leasehold estates created thereby may be held, directly or indirectly, by or for the account of any person or entity which shall have any interest in the fee estate of the Premises; the operation of law; or any other event shall not merge any Leases or the leasehold estates created thereby with the fee estate in the Premises as long as any of the indebtedness secured hereby and by the Note, Mortgage or Deed of Trust and Other Loan Documents shall remain unpaid, unless Assignee shall consent in writing to such merger.

15. That all notices, demands or instruments of any kind which Assignee may be required or may desire to serve upon Assignor hereunder shall be sufficiently served by delivering same to Assignor as provided and at the address appearing in the Mortgage or Deed of Trust for the service of notice.

16. That the terms, covenants, conditions, representations and warranties contained herein and the rights, powers, remedies and recourse granted hereby shall run with the land, shall inure to the benefit of and bind all parties hereto and their respective heirs, executors, administrators, successors and assigns, and all lessees, subtenants and assigns of same, and all occupants and subsequent owners of the Premises, and all successors, transferees and assignees of Assignee and all subsequent holders of the Note and Mortgage or Deed of Trust and Other Loan Documents.

17. In addition to, but not in lieu of, any other rights, powers, remedies and recourse hereunder, Assignee shall have the right to institute suit and obtain a protective or mandatory injunction against Assignor to prevent a breach or default, or to enforce the observance, of the agreements, covenants, terms and conditions contained herein, as well as the right to ordinary and punitive damages occasioned by any breach or default by Assignor.

18. Assignor hereby irrevocably constitutes and appoints Assignee its true and lawful attorney, coupled with an interest, with full power of substitution for Assignor, so that in the name, place and stead of Assignor, the Assignee may subordinate, at any time and from time to time, any Leases affecting the Premises or any part thereof to the lien of the Mortgage or Deed of Trust, any other mortgage or deed of trust encumbering the Premises, or any ground lease of the Premises, and request or require such subordination where such option or authority was reserved to Assignor under any such Leases, or in any case where Assignor otherwise would have the right, power or privilege so to do. This appointment is irrevocable and continuing, and these rights, powers and privileges shall be exclusive in Assignee, its successors and assigns as long as any part of the indebtedness secured hereby shall remain unpaid. Assignor further agrees that Assignee, and not Assignor, shall be and be deemed to be the creditor of tenants in respect of assignments for the benefit of creditors and bankruptcy, reorganization, insolvency, dissolution, or receivership proceedings affecting such tenants (without obligation on the part of Assignee, however, to file or make timely filings of claims in such proceedings or otherwise to pursue creditor's rights therein), with an option to Assignee to apply any money received by Assignee as such creditor in reduction of the indebtedness secured hereby.

19. If any provision of this Assignment or the application thereof to any entity, person or circumstance shall be invalid or unenforceable to any extent, the remainder of this Assignment and the application of its provisions to other entities, persons or circumstances shall not be affected thereby and shall be enforced to the greatest extent permitted by law.

20. The rights of Assignee hereunder shall be subject to and subordinate to the rights of the holder of the Senior Mortgage as defined in the Mortgage.

21. It is expressly agreed by Assignor that this Assignment shall not be construed or deemed made for the benefit of any third party or parties.

22. This document contains the entire agreement concerning the assignment of Leases and Rents between the parties hereto. No variations, modifications or changes herein or hereof shall be binding upon any party hereto, unless set forth in a document duly executed by, or on behalf of, such party.

23. Whenever used herein and whenever the context requires it, the singular shall include the plural, the plural, the singular, and any gender shall include all genders.

24. The parties agree that the law of the State wherein the Premises are located shall govern the performance and enforcement of this Assignment.

IN WITNESS WHEREOF, this Assignment has been duly executed by the Assignor as of the day and year first above written.
