receipt and which Lender has not committed to the repair or restoration of the Property shall be used first to pay any amount owing to Lender under this Mortgage, then to prepay accrued interest, and the remainder, if any, shall be applied to the principal balance of the Indebtedness. If Lender holds any proceeds after payment in full of the Indebtedness, such proceeds shall be paid to Grantor.

**Unexpired Insurance at Sale.** Any unexpired insurance shall inure to the benefit of, and pass to, the purchaser of the Property covered by this Mortgage at any trustee's sale or other sale held under the provisions of this Mortgage, or at any foreclosure sale of such Property.

**Compliance with Existing Indebtedness.** During the period in which any Existing Indebtedness described below is in effect, compliance with the insurance provisions contained in the instrument evidencing such Existing Indebtedness shall constitute compliance with the insurance provisions under this Mortgage, to the extent compliance with the terms of this Mortgage would constitute a duplication of insurance requirement. If any proceeds from the insurance become payable on loss, the provisions in this Mortgage for division of proceeds shall apply only to that portion of the proceeds not payable to the holder of the Existing Indebtedness.

**EXPENDITURES BY LENDER.** If Grantor fails to comply with any provision of this Mortgage, including any obligation to maintain Existing Indebtedness in good standing as required below, or if any action or proceeding is commenced that would materially affect Lender's interests in the Property, Lender on Grantor's behalf may, but shall not be required to take any action that Lender deems appropriate. Any amount that Lender expends in so doing will bear interest at the rate provided for in the Credit Agreement from the date incurred or paid by Lender to the date of repayment by Grantor. All such expenses, at Lender's option, will (a) be payable on demand, (b) be added to the balance of the credit line and be apportioned among and be payable with any installment payments to become due during either (i) the term of any applicable insurance policy or (ii) the remaining term of the Credit Agreement, or (c) be treated as a balloon payment which will be due and payable at the Credit Agreement's maturity. This Mortgage also will secure payment of these amounts. The rights provided for in this paragraph shall be in addition to any other rights or any remedies to which Lender may be entitled on account of the default. Any such action by Lender shall not be construed as curing the default so as to bar Lender from any remedy that it otherwise would have had.

**WARRANTY; DEFENSE OF TITLE.** The following provisions relating to ownership of the Property are a part of this Mortgage.

**Title.** Grantor warrants that: (a) Grantor holds good and marketable title of record to the Property in fee simple, free and clear of all liens and encumbrances other than those set forth in the Real Property description or in the Existing Indebtedness section below or in any title insurance policy, title report, or final title opinion issued in favor of, and accepted by, Lender in connection with this Mortgage, and (b) Grantor has the full right, power, and authority to execute and deliver this Mortgage to Lender.

**Defense of Title.** Subject to the exception in the paragraph above, Grantor warrants and will forever defend the title to the Property against the lawful claims of all persons. In the event any action or proceeding is commenced that questions Grantor's title or the interest of Lender under this Mortgage, Grantor shall defend the action at Grantor's expense. Grantor may be the nominal party in such proceeding, but Lender shall be entitled to participate in the proceeding and to be represented in the proceeding by counsel of Lender's own choice, and Grantor will deliver, or cause to be delivered, to Lender such instruments as Lender may request from time to time to permit such participation.

**Compliance With Laws.** Grantor warrants that the Property and Grantor's use of the Property complies with all existing applicable laws, ordinances, and regulations of governmental authorities.

**EXISTING INDEBTEDNESS.** The following provisions concerning existing indebtedness (the "Existing Indebtedness") are a part of this Mortgage.

**Existing Lien.** The lien of this Mortgage securing the Indebtedness may be secondary and inferior to the lien securing payment of an existing obligation with an account number of 3052567210 to Chase Manhattan Mortgage Corp. described as: Mortgage Loan Dated 1/12/94 and recored 04/22/94. The existing obligation has a current principal balance of approximately \$49,000.00 and is in the original principal amount of \$55,000.00. Grantor expressly covenants and agrees to pay, or see to the payment of, the Existing Indebtedness and to prevent any default on such indebtedness, any default under the instruments evidencing such indebtedness, or any default under any security documents for such indebtedness.

**No Modification.** Grantor shall not enter into any agreement with the holder of any mortgage, deed of trust, or other security agreement which has priority over this Mortgage by which that agreement is modified, amended, extended, or renewed without the prior written consent of Lender. Grantor shall neither request nor accept any future advances under any such security agreement without the prior written consent of Lender.

**CONDEMNATION.** The following provisions relating to condemnation of the Property are a part of this Mortgage.

**Application of Net Proceeds.** If all or any part of the Property is condemned by eminent domain proceedings or by any proceeding or purchase in lieu of condemnation, Lender may at its election require that all or any portion of the net proceeds of the award be applied to the Indebtedness or the repair or restoration of the Property. The net proceeds of the award shall mean the award after payment of all reasonable costs, expenses, and attorneys' fees incurred by Lender in connection with the condemnation.

**Proceedings.** If any proceeding in condemnation is filed, Grantor shall promptly notify Lender in writing, and Grantor shall promptly take such steps as may be necessary to defend the action and obtain the award. Grantor may be the nominal party in such proceeding, but Lender shall be entitled to participate in the proceeding and to be represented in the proceeding by counsel of its own choice, and Grantor will deliver or cause to be delivered to Lender such instruments as may be requested by it from time to time to permit such participation.

**DEFAULT.** Each of the following, at the option of Lender, shall constitute an event of default ("Event of Default") under this Mortgage: (a) Grantor commits fraud or makes a material misrepresentation at any time in connection with the credit line account. This can include, for example, a false statement about Grantor's income, assets, liabilities, or any other aspects of Grantor's financial condition. (b) Grantor does not meet the repayment terms of the credit line account. (c) Grantor's action or inaction adversely affects the collateral for the credit line account or Lender's rights in the collateral. This can include, for example, failure to maintain required insurance, waste or destructive use of the dwelling, failure to pay taxes, death of all persons liable on the account, transfer of title or sale of the dwelling, creation of a lien on the dwelling without Lender's permission, foreclosure by the holder of another lien, or the use of funds or the dwelling for prohibited purposes.

**RIGHTS AND REMEDIES ON DEFAULT.** Upon the occurrence of any Event of Default and at any time thereafter, Lender, at its option, may exercise any one or more of the following rights and remedies, in addition to any other rights or remedies provided by law:

**Accelerate Indebtedness.** Lender shall have the right at its option without notice to Grantor to declare the entire Indebtedness immediately due and payable, including any prepayment penalty which Grantor would be required to pay.

**UCC Remedies.** With respect to all or any part of the Personal Property, Lender shall have all the rights and remedies of a secured party under the Uniform Commercial Code.

**Collect Rents.** Lender shall have the right, without notice to Grantor, to take possession of the Property and collect the Rents, including amounts past due and unpaid, and apply the net proceeds, over and above Lender's costs, against the Indebtedness. In furtherance of this right, Lender may require any tenant or other user of the Property to make payments of rent or use fees directly to Lender. If the Rents are collected by Lender, then Grantor irrevocably designates Lender as Grantor's attorney-in-fact to endorse instruments received in payment therof in the name of Grantor and to negotiate the same and collect the proceeds. Payments by tenants or other users to Lender in response to Lender's demand shall satisfy the obligations for which the payments are made, whether or not any proper grounds for the demand existed. Lender may exercise its rights under this subparagraph either in person, by agent, or through a receiver.

**Mortgagee in Possession.** Lender shall have the right to be placed as mortgagee in possession or to have a receiver appointed to take possession of all or any part of the Property, with the power to protect and preserve the Property, to operate the Property preceding foreclosure or sale, and to collect the Rents from the Property and apply the proceeds, over and above the cost of the receivership, against the Indebtedness. The mortgagee in possession or receiver may serve without bond if permitted by law. Lender's right to the appointment of a receiver shall exist whether or not the apparent value of the Property exceeds the Indebtedness by a substantial amount. Employment by Lender shall not disqualify a person from serving as a receiver.

**Judicial Foreclosure.** Lender may obtain a judicial decree foreclosing Grantor's interest in all or any part of the Property.

**Deficiency Judgment.** If permitted by applicable law, Lender may obtain a judgment for any deficiency remaining in the Indebtedness due to Lender after application of all amounts received from the exercise of the rights provided in this section.

**Other Remedies.** Lender shall have all other rights and remedies provided in this Mortgage or the Credit Agreement or available at law or in equity.

**Sale of the Property.** To the extent permitted by applicable law, Grantor hereby waives any and all right to have the property marshalled. In exercising its rights and remedies, Lender shall be free to sell all or any part of the Property together or separately, in one sale or by separate sales. Lender shall be entitled to bid at any public sale on all or any portion of the Property.

**Notice of Sale.** Lender shall give Grantor reasonable notice of the time and place of any public sale of the Personal Property or of the time after which any private sale or other intended disposition of the Personal Property is to be made. Reasonable notice shall mean notice given at least ten (10) days before the time of the sale or disposition.

**Waiver; Election of Remedies.** A waiver by any party of a breach of a provision of this Mortgage shall not constitute a waiver of or prejudice the party's rights otherwise to demand strict compliance with that provision or any other provision. Election by Lender to pursue any remedy shall not exclude pursuit of any other remedy, and an election to make expenditures or take action to perform an obligation of Grantor under this Mortgage after failure of Grantor to perform shall not affect Lender's right to declare a default and exercise its remedies under this Mortgage.

**Attorneys' Fees; Expenses.** If Lender institutes any suit or action to enforce any of the terms of this Mortgage, Lender shall be entitled to recover such sum as the court may adjudge reasonable as attorneys' fees at trial and on any appeal. Whether or not any court action is involved, all reasonable expenses incurred by Lender that in Lender's opinion are necessary at any time for the protection of its interest or the enforcement of its rights shall become a part of the Indebtedness payable on demand and shall bear interest from the date of expenditure until repaid at the rate provided for in the Credit Agreement. Expenses covered by this paragraph include, without limitation, however subject to any limits under applicable law, Lender's attorneys' fees and Lender's legal expenses whether or not there is a lawsuit, including attorneys' fees for bankruptcy proceedings (including efforts to modify or vacate any automatic stay or injunction), appeals and any anticipated post-judgment collection services, the cost of searching records, obtaining title reports (including foreclosure reports), surveyors' reports, and appraisal fees, and title insurance, to the extent permitted by applicable law. Grantor also will pay any court costs, in addition to all other sums provided by law.
