C. The Declaration provides for, among other things, an easement over Parcel 1 for the benefit of the owners of Parcels II and III, and the parties desire to amend said easement to provide that the owners of Parcel I grant and the owners of Parcel II receive, with the owner of Parcel III's consent, an exclusive, perpetual easement for parking on the easement described in the Declaration for the benefit of the owner of Parcel II, all as there fully set forth herein.

#### **AGREEMENT**

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged Wilkinson, Kazuks, and Curwen do hereby declare that the following rights, easements, covenants, burdens, uses and privileges shall and do exist at all times hereafter among the several owners and mortgagees of the parcels described herein, in the manner and to the extent herein set forth, and that this declaration shall be binding upon and inure to the benefit of each and every grantee or mortgagee of each and every parcel described herein.

1. Wilkinson hereby grants, gives and conveys to Kazuks and their successors and assigns, as an easement appurtenant to Parcel I, an exclusive, irrevocable and perpental easement for the use of the easement area described in Paragraph 8 of the Declaration for the parking of one (1) motor vehicle by one of the current or future owners of Parcel II, or their agents, tenants, invitees or licensees. The area designated for parking shall be an area which is adequate for one (1) standard-size American automobile. No barrier, curb or other improvement shall be erected on the west boundary line of the parking area which would prohibit or prevent ingress to or egress from the parking area from and to the adjacent alley. constructed of similar materials and be similar in appearance and height to the existing wood fence.

The owners of Parcel II shall be entitled to post a towing sign on the outside of the fence, facing the alley, and shall be entitled to enforce same.

- 2. The remaining portion of the easement not covered by the parking area shall be used exclusively for pedestrian, non-vehicular traffic.
- 3. The location of the fence which defines the parking area shall not change without the mutual agreement of all the then owners of 928 and 930 W. Roscoe, Chicago, IL.

- 6. The rule of strict construction does not apply to the grants herein. The grants herein shall be given a reasonable construction to carry out the intention of the parties hereto to confer a commercially usable right of parking enjoyment to the owners of Partiel II.
- 7. The grantee of any easement granted under this Amendment of the Declaration may terminate such easement by recording a release thereof with the Office of Recorder of Deeds of Cook County, Illinois, with directions for delivery of same to the grantor of such easement at its address given pursuant hereto, whereupon all rights duties and liabilities hereby created shall terminate as to such easement except for liabilities incurred hereunder prior to such termination.
- 8. Except as expressly modified by this Amendment, the Declaration shall continue in full force and effect.
