"threatened release," as used in this Mortgage, shall have the same meanings as set forth in the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended, 42 U.S.C. Section 9601, et seq. ("CERCLA"), the Superfund Amendments and Reauthorization Act of 1986, Pub. L. No. 99-499 ("SARA") the Hazardous Materials Transportation Act, 49 U.S.C. Section 1801, et seq., the Resource Conservation and Recovery Act, 42 U.S.C. Section 6901, et seq., or other applicable state or Federal laws, rules, or regulations adopted pursuant to any of the foregoing. The terms "hazardous waste" and "hazardous substance" shall also include, without limitation, petroleum and petroleum by-products or any fraction thereof and asbestos. Grantor represents and warrants to Lender that: (a) During the period of Grantor's ownership of the Property, there has been no use, generation, manufacture, storage, treatment, disposal, release or threatened release of any hazardous waste or substance by any person on, under, about or from the Property; (b) Grantor has no knowledge of, or reason to believe that there has been, except as previously disclosed to and acknowledged by Lender in writing, (i) any use, generation, manufacture, storage, treatment, disposal, release, or threatened release of any hazardous waste or substance on, under, about or from the Property by any prior owners or occupants of the Property or (ii) any actual or threatened litigation or claims of any kind by any person relating to such matters; and (c) Except as previously disclosed to and acknowledged by Lender in writing, (i) neither Grantor nor any tenant, contractor, agent or other authorized user of the Property shall use, generate, manufacture, store, treat, dispose of, or release any hazardous waste or substance on, under, about or from the Property and (ii) any such activity shall be conducted in compliance with all applicable federal, state, and local laws, regulations and ordinances, including without limitation those laws, regulations, and ordinances described above. Grantor authorizes Lender and its agents to enter upon the Property to make such inspections and tests, at Grantor's expense, as Lender may deem appropriate to determine compliance of the Property with this section of the Mortgage. Any inspections or tests made by Lender shall be for Lender's purposes only and shall not be construed to create any responsibility or liability on the part of Lender to Grantor or to any other person. The representations and warranties contained herein are based on Grantor's due diligence in investigating the Property for hazardous waste and hazardous substances. Grantor hereby (a) releases and waives any future claims against Lender for indemnity or contribution in the event Grantor becomes liable for cleanup or other costs under any such laws, and (b) agrees to indemnify and hold harmless Lender against any and all claims, losses, liabilities, damages, penalties, and expenses which Lender may directly or indirectly sustain or suffer resulting from a breach of this section of the Mortgage or as a consequence of any use, generation, manufacture, storage, disposal, release or threatened release occurring prior to Grantor's ownership or interest in the Property, whether or not the same was or should have been known to Grantor. The provisions of this section of the Mortgage, including the obligation to indemnify, shall survive the payment of the indebtedness and the satisfaction and reconveyance of the lien of this Mortgage and shall not be affected by Lender's acquisition of any interest in the Property, whether by foreclosure or otherwise.

Nuisance, Waste. Grantor shall not cause, conduct or permit any nuisance nor commit, permit, or suffer any stripping of or waste on or to the Property or any portion of the Property. Without limiting the generality of the foregoing, Grantor will not remove, or grant to any other party the right to remove, any timber, minerals (including oil and gas), soil, gravel or rock products without the prior written consent of Lender.

Removal of Improvements. Grantor shall not demolish or remove any improvements from the Real Property without the prior written consent of Lender. As a condition to the removal of any improvements, Lender may require Grantor to make arrangements satisfactory to Lender to replace such improvements with improvements of at least equal value.

Lender's Right to Enter. Lender and its agents and representatives may enter upon the Real Property at all reasonable times to attend to Lender's interests and to inspect the Property for purposes of Grantor's compliance with the terms and conditions of this Mortgage.

Compliance with Governmental Requirements. Grantor shall promptly comply with all laws, ordinances, and regulations, now or hereafter in effect, of all governmental authorities applicable to the use or occupancy of the Property, including without limitation, the Americans With Disabilities Act. Grantor may contest in good faith any such law, ordinance, or regulation and withhold compliance during any proceeding, including appropriate appeals, so long as Grantor has notified Lender in writing prior to doing so and so long as, in Lender's sole opinion, Lender's interests in the Property are not jeopardized. Lender may require Grantor to post adequate security or a surety bond, reasonably satisfactory to Lender, to protect Lender's interest.

Duty to Protect. Grantor agrees neither to abandon nor leave unattended the Property. Grantor shall do all other acts, in addition to those acts set forth above in this section, which from the character and use of the Property are reasonably necessary to protect and preserve the Property.

DUE ON SALE - CONSENT BY LENDER. Lender may, at its option, declare immediately due and payable all sums secured by this Mortgage upon the sale or transfer, without the Lender's prior written consent, of all or any part of the Real Property, or any interest in the Real Property. amount equivalent to 1/12 of the annual real estate taxes and insurance premiums, as estimated by Lender, so as to provide sufficient funds for the payment of each year's taxes and insurance premiums one month prior to the date the taxes and insurance premiums become delinquent. Grantor shall further pay a monthly pro-rata share of all assessments and other charges which may accrue against the Property. If the amount so estimated and paid shall prove to be insufficient to pay such taxes, insurance premiums, assessments and other charges, Grantor shall pay the difference on demand of Lender. All such payments shall be carried in an interest-free reserve account with Lender, provided that if this Mortgage is executed in connection with the granting of a mortgage on a single-family owner-occupied residential property, Grantor, in lieu of establishing such reserve account, may pledge an interest-bearing savings account with Lender to secure the payment of estimated taxes, insurance premiums, assessments, and other charges. Lender shall have the right to draw upon the reserve (or pledge) account to pay such items, and Lender shall not be required to determine the validity or accuracy of any item before paying it. Nothing in the Mortgage shall be construed as requiring Lender to advance other monies for such purposes, and Lender shall not incur any liability for anything it may do or omit to do with respect to the reserve account. Subject to any limitations set by applicable law, if the amount so estimated and paid shall prove to be insufficient to pay such taxes, insurance premiums, assessments and other charges, Grantor shall pay the difference as required by Lender. All amounts in the reserve account are hereby pledged to further secure the indebtedness, and Lender is hereby authorized to withdraw and apply such amounts on the indebtedness upon the occurrence of an event of default as described below.

EXPENDITURES BY LENDER. If Grantor fails to comply with any provision of this Mortgage, or if any action or proceeding is commenced that would materially affect Lender's interests in the Property, Lender on Grantor's behalf may, but shall not be required to, take any action that Lender deems appropriate. Any amount that Lender expends in so doing will bear interest at the rate provided for in the Note from the date incurred or paid by Lender to the date of repayment by Grantor. All such expenses, at Lender's option, will (a) be payable on demand, (b) be added to the balance of the Note and be apportioned among and be payable with any installment payments to become due during either (i) the term of any applicable insurance policy or (ii) the remaining term of the Note, or (c) be treated as a balloon payment which will be due and payable at the Note's maturity. This Mortgage also will secure payment of these amounts. The rights provided for in this paragraph shall be in addition to any other rights or any remedies to which Lender may be entitled on account of the default. Any such action by Lender shall not be construed as curing the default so as to bar Lender from any remedy that it otherwise would have had.

WARRANTY; DEFENSE OF TITLE. The following provisions relating to ownership of the Property are a part of this Mortgage.

Title. Grantor warrants that: (a) Grantor holds good and marketable title of record to the Property in fee simple, free and clear of all liens and encumbrances other than those set forth in the Real Property description or in any title insurance policy, title report, or final title opinion issued in favor of, and accepted by, Lender in connection with this Mortgage, and (b) Grantor has the full right, power, and authority to execute and deliver this Mortgage to Lender.

Defense of Title. Subject to the exception in the paragraph above, Grantor warrants and will forever defend the title to the Property against the lawful claims of all persons. In the event any action or proceeding is commenced that questions Grantor's title or the interest of Lender under this Mortgage, Grantor shall defend the action at Grantor's expense. Grantor may be the nominal party in such proceeding, but Lender shall be entitled to participate in the proceeding and to be represented in the proceeding by counsel of Lender's own choice, and Grantor will deliver, or cause to be delivered, to Lender such instruments as Lender may request from time to time to permit such participation.

Compliance With Laws. Grantor warrants that the Property and Grantor's use of the Property complies with all existing applicable laws, ordinances, and regulations of governmental authorities.

CONDEMNATION. The following provisions relating to condemnation of the Property are a part of this Mortgage.

Application of Net Proceeds. If all or any part of the Property is condemned by eminent domain proceedings or by any proceeding or purchase in lieu of condemnation, Lender may at its election require that all or any portion of the net proceeds of the award be applied to the indebtedness or the repair or restoration of the Property. The net proceeds of the award shall mean the award after payment of all reasonable costs, expenses, and attorneys' fees incurred by Lender in connection with the condemnation.

Proceedings. If any proceeding in condemnation is filed, Grantor shall promptly notify Lender in writing, and Grantor shall promptly take such steps as may be necessary to defend the action and obtain the award. Grantor may be the nominal party in such proceeding, but Lender shall be entitled to participate in the proceeding and to be represented in the proceeding by counsel of its own choice, and Grantor will deliver or cause to be delivered to Lender such instruments as may be requested by it from time to time to permit such participation.

IMPOSITION OF TAXES, FEES AND CHARGES BY GOVERNMENTAL AUTHORITIES. The following provisions relating to governmental taxes, fees and charges are a part of this Mortgage:

Current Taxes, Fees and Charges. Upon request by Lender, Grantor shall execute such documents in addition to this Mortgage and take whatever other action is requested by Lender to perfect and continue Lender's lien on the Real Property. Grantor shall reimburse Lender for all taxes, as described below, together with all expenses incurred in recording, perfecting or continuing this Mortgage, including without limitation all taxes, fees, documentary stamps, and other charges for recording or registering this Mortgage.

Taxes. The following shall constitute taxes to which this section applies: (a) a specific tax upon this type of Mortgage or upon all or any part of the indebtedness secured by this Mortgage; (b) a specific tax on Grantor which Grantor is authorized or required to deduct from payments on the indebtedness secured by this type of Mortgage; (c) a tax on this type of Mortgage chargeable against the Lender or the holder of the Note; and (d)

Default in Favor of Third Parties. Should Grantor default under any loan, extension of credit, security agreement, purchase or sales agreement, or any other agreement, in favor of any other creditor or person that may materially affect any of Grantor's property or Grantor's ability to repay the Note or Grantor's ability to perform Grantor's obligations under this Mortgage or any of the Related Documents.

False Statements. Any warranty, representation or statement made or furnished to Lender by or on behalf of Grantor under this Mortgage, the Note or the Related Documents is false or misleading in any material respect, either now or at the time made or furnished.

Defective Collateralization. This Mortgage or any of the Related Documents ceases to be in full force and effect (including failure of any collateral documents to create a valid and perfected security interest or lien) at any time and for any reason.

Death or Insolvency. The death of Grantor or the dissolution or termination of Grantor's existence as a going business, the insolvency of Grantor, the appointment of a receiver for any part of Grantor's property, any assignment for the benefit of creditors, any type of creditor workout, or the commencement of any proceeding under any bankruptcy or insolvency laws by or against Grantor.

Foreclosure, Forfeiture, etc. Commencement of foreclosure or forfeiture proceedings, whether by judicial proceeding, self-help, repossession or any other method, by any creditor of Grantor or by any governmental agency against any of the Property. However, this subsection shall not apply in the event of a good faith dispute by Grantor as to the validity or reasonableness of the claim which is the basis of the foreclosure or forfeiture proceeding, provided that Grantor gives Lender written notice of such claim and furnishes reserves or a surety bond to the claim satisfactory to Lender.

Breach of Other Agreement. Any breach by Grantor under the terms of any other agreement between Grantor and Lender that is not remedied within any grace period provided therein, including without limitation any agreement concerning any indebtedness or other obligation of Grantor to Lender, whether existing now or later.

Events Affecting Guarantor. Any of the preceding events occurs with respect to any Guarantor of any of the Indebtedness or any Guarantor dies or becomes incompetent, or revokes or disputes the validity of, or liability under, any Guaranty of the Indebtedness. Lender, at its option, may but shall not be required to, permit the Guarantor's estate to assume unconditionally the obligations arising under the guaranty in a manner satisfactory to Lender, and, in doing so, cure the Event of Default.

Adverse Change. A material adverse change occurs in Grantor's financial condition, or Lender believes the prospect of payment or performance of the Indebtedness is impaired.

Insecurity. Lender reasonably deems itself insecure.

Right to Cure. If such a failure is curable and if Grantor has not been given a notice of a breach of the same provision of this Mortgage within the preceding twelve (12) months, it may be cured (and no Event of Default will have occurred) if Grantor, after Lender sends written notice demanding cure of such failure: (a) cures the failure within fifteen (15) days; or (b) if the cure requires more than fifteen (15) days, immediately initiates steps sufficient to cure the failure and thereafter continues and completes all reasonable and necessary steps sufficient to produce compliance as soon as reasonably practical.

RIGHTS AND REMEDIES ON DEFAULT. Upon the occurrence of any Event of Default and at any time thereafter, Lender, at its option, may exercise any one or more of the following rights and remedies, in addition to any other rights or remedies provided by law:

Accelerate Indebtedness. Lender shall have the right at its option without notice to Grantor to declare the entire Indebtedness immediately due and payable, including any prepayment penalty which Grantor would be required to pay.

UCC Remedies. With respect to all or any part of the Personal Property, Lender shall have all the rights and remedies of a secured party under the Uniform Commercial Code.

Collect Rents. Lender shall have the right, without notice to Grantor, to take possession of the Property and collect the Rents, including amounts past due and unpaid, and apply the net proceeds, over and above Lender's costs, against the Indebtedness. In furtherance of this right, Lender may require any tenant or other user of the Property to make payments of rent or use fees directly to Lender. If the Rents are collected by Lender, then Grantor irrevocably designates Lender as Grantor's attorney-in-fact to endorse instruments received in payment thereof in the name of Grantor and to negotiate the same and collect the proceeds. Payments by tenants or other users to Lender in response to Lender's demand shall satisfy the obligations for which the payments are made, whether or not any proper grounds for the demand existed. Lender may exercise its rights under this subparagraph either in person, by agent, or through a receiver.

Mortgagee in Possession. Lender shall have the right to be placed as mortgagee in possession or to have a receiver appointed to take possession of all or any part of the Property, with the power to protect and preserve the Property, to operate the Property preceding foreclosure or sale, and to collect the Rents from the Property and apply the proceeds, over and above the cost of the receivership, against the Indebtedness. The mortgagee in possession or receiver may serve without bond if permitted by law. Lender's right to the appointment of a receiver shall exist whether or not the apparent value of the Property exceeds the Indebtedness by a substantial amount. Employment by Lender shall not disqualify a person from serving as a receiver.

Judicial Foreclosure. Lender may obtain a judicial decree foreclosing Grantor's interest in all or any part of the Property.

Deficiency Judgment. If permitted by applicable law, Lender may obtain a judgment for any deficiency

If a court of competent jurisdiction finds any provision of this Mortgage to be invalid or unenforceable as to any person or circumstance, such finding shall not render that provision invalid or responsible for all other provisions in this Mortgage.

Multiple Parties. All obligations of Grantor under this Mortgage shall be joint and several, and all references to Grantor shall mean each and every Grantor. This means that each of the persons signing below is liable in the proportion of his interest or estate created by this Mortgage with any other without the written consent of Lender.

Merger. There shall be no merger of the interest or estate created by this Mortgage with any other interest or used to interpret or define the provisions of this Mortgage.

If it is necessary to use Property for purposes other than Grantor's residence, Grantor shall furnish to Lender, upon request, a certified statement of net operating income from the Property during the period, from all cash receipts less all cash expenses for the year in such form and detail as Lender shall require. If operation of the Property during the period, from all cash receipts less all cash expenses made in connection with the operation of the Property, the amount by which the beginning of the period exceeds the amount by which the end of the period exceeds the amount by which the end of the period is less than the beginning of the period, shall be paid to Lender.

Waivers. Election of Remedies. A waiver by any party of a breach of a provision of this Mortgage shall not constitute a waiver of other remedies. Election by Lender to demand strict compliance with provisions of the Note, to sue in law or equity, or to make expenditures or take any remedy shall not exclude pursuit of any other remedy, but an election to make expenditures or take action to pursue any remedy shall affect Lender's right to declare a default and exercise this provision.

Notice of Sale. Lender shall give Grantor reasonable notice of the time and place of any public sale of the property, or to be made. Reasonable notice shall mean notice given at least ten (10) days before the time of the sale or disposition.

Successors and Assigns. Subject to the limitations stated in this Mortgage on transfer of Grantor's interest, this Mortgage shall be binding upon and inure to the benefit of the parties, their successors and assigns. If ownership of the Property becomes vested in a person other than Grantor, Lender, without notice to Grantor, may deal with Grantor's successors with reference to this Mortgage and the Indebtedness by way of forbearance or extension without releasing Grantor from the obligations of this Mortgage or liability under the Indebtedness.

A waiver by any party of a provision of this Mortgage shall not constitute a waiver of or prejudice the party's right otherwise to demand strict compliance with that provision or any other provision. No prior waiver by Lender, nor any course of dealing between Lender and Grantor, shall constitute a waiver of any of Lender's rights or any of Grantor's obligation as to any future transactions.
