Interest Contractors, Borrower and Lenderovenant and agree as follows:

This Security Instrument contains uniform covenants for national use and non-uniform covenants with
limited variations by jurisdiction to constitute a uniform security instrument containing real property.

Borrower certifies that Borrower is lawfully seized of the estate hereby conveyed and has the right to
mortgage, grant and convey the Property and that the Property is unencumbered, except for encumbrances of
record, Borrower warrants and will defend generally the title to the Property against all claims and demands,
subject to any encumbrances of record.

Borrower certifies that Borrower is lawfully seized of the estate hereby conveyed and has the right to
mortgage, grant and convey the Property and that the Property is unencumbered, except for encumbrances of
record, Borrower warrants and will defend generally the title to the Property against all claims and demands,
subject to any encumbrances of record.

Together with all the improvements now or hereafter erected on the property, and all easements,

lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within 10 days of the giving of notice.

5. Hazard or Property Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards, including floods or flooding, for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld. If Borrower fails to maintain coverage described above, Lender may, at Lender's option, obtain coverage to protect Lender's rights in the Property in accordance with paragraph 7.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 21 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

6. Occupancy, Preservation, Maintenance and Protection of the Property; Borrower's Loan Application; Leaseholds. Borrower shall occupy, establish, and use the Property as Borrower's principal residence within sixty days after the execution of this Security Instrument and shall continue to occupy the Property as Borrower's principal residence for at least one year after the date of occupancy, unless Lender otherwise agrees in writing, which consent shall not be unreasonably withheld, or unless extenuating circumstances exist which are beyond Borrower's control. Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate, or commit waste on the Property. Borrower shall be in default if any forfeiture action or proceeding, whether civil or criminal, is begun that in Lender's good faith judgment could result in forfeiture of the Property or otherwise materially impair the lien created by this Security Instrument or Lender's security interest. Borrower may cure such a default and reinstate, as provided in paragraph 18, by causing the action or proceeding to be dismissed with a ruling that, in Lender's good faith determination, precludes forfeiture of the Borrower's interest in the Property or other material impairment of the lien created by this Security Instrument or Lender's security interest. Borrower shall also be in default if Borrower, during the loan application process, gave materially false or inaccurate information or statements to Lender (or failed to provide Lender with any material information) in connection with the loan evidenced by the Note, including, but not limited to, representations concerning Borrower's occupancy of the Property as a principal residence. If this Security Instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.

7. Protection of Lender's Rights in the Property. If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 7, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

13. **Loan Charges.** If the loan received by this Security instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or fee collected in connection with the loan exceeds the permitted limits, then: (a) any such sum shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) Lender may choose to make from Borrower a recovery of any sum already collected from Borrower in connection with the loan, with the final excess amount being retained by the Lender. In addition, if the Note contains any provision which permits Lender to demand payment in full prior to the maturity date of this Security instrument without any prepayment charge under the Note, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.

14. **Successors and Assigns; Joint and Several Liability; Garnishee.** The co-owners and Borrower and any other Borrower may agree to extend, modify, foreclose or make any accumulation of sums which Lender and Borrower may owe to Lender, provided that Lender is entitled to receive payment only to the extent necessary to pay the sum secured by this Security instrument; and (c) Borrower who co-signs this Security instrument but does not execute the Note: (a) is liable for the amount of this Security instrument only to the extent of his co-signature; (b) is liable for the amount of this Security instrument only to the extent of his co-signature, and (c) is liable for the amount of his co-signature, provided that Lender and Borrower's co-signatures and agreements shall be reduced by the amount necessary to release the co-signature of Borrower.

15. **Borrower; Release; Right of Set-off.** Lender shall have the right to deduct any amounts due under this Note from any account or deposit held by Lender and Borrower, regardless of the terms of this Security instrument, if the Note is executed by Lender and Borrower, provided that Lender and Borrower in accordance with the provisions of this Note, shall not be entitled to deduct any amounts due under this Note from any account or deposit held by Lender in any other account or deposit account held by Lender in any bank or financial institution, and any deduction made by Lender from any account held by Lender in any bank or financial institution, shall not be a waiver of or preclude the exercise of any right or remedy.

16. **Borrower; Release; Right of Set-off.** Lender shall not be entitled to deduct any amounts due under this Note from any account or deposit held by Lender in any other account or deposit account held by Lender in any bank or financial institution, and any deduction made by Lender from any account held by Lender in any bank or financial institution, shall not be a waiver of or preclude the exercise of any right or remedy.

17. **Successors and Assigns.** Lender shall not be entitled to deduct any amounts due under this Note from any account or deposit held by Lender in any other account or deposit account held by Lender in any bank or financial institution, and any deduction made by Lender from any account held by Lender in any bank or financial institution, shall not be a waiver of or preclude the exercise of any right or remedy.

If the Property is abandoned by Borrower or to the extent that Borrower's right to deduct any amounts due under this Note is terminated, Lender shall not be entitled to deduct any amounts due under this Note from any account or deposit held by Lender in any bank or financial institution, and any deduction made by Lender from any account held by Lender in any bank or financial institution, shall not be a waiver of or preclude the exercise of any right or remedy.

In the event of a sale or transfer of all or part of the Property, Lender shall not be entitled to deduct any amounts due under this Note from any account or deposit held by Lender in any bank or financial institution, and any deduction made by Lender from any account held by Lender in any bank or financial institution, shall not be a waiver of or preclude the exercise of any right or remedy.

18. **Condemnation.** The proceeds of any award of or prior to an application specifically receiving reasonably available funds for the condemnation, in conformance with any condemnation action or other taking of any part of the Property, or for conveyance in lieu of the same.

19. **Lispcretion.** Lender or its agent may make reasonable entries upon and inspect all of the Property, and Lender shall give Borrower notice at the time of or prior to any entry or inspection of the Property in writing or Securitity instrument, or to take of a total taking of the Property, the proceeds shall be applied to the sum secured by this

Securitity instrument, or to apply to the sum secured by this Security instrument for the payment of any amounts due under this Note, and the proceeds shall be paid to Lender. The proceeds of any award of or prior to any entry or inspection of the Property in writing or Securitity instrument, or to take of a total taking of the Property, the proceeds shall be applied to the sum secured by this Security instrument for the payment of any amounts due under this Note, and the proceeds shall be paid to Lender.

In effect, Borrower shall pay the premium on these payments in lieu of the insurance coverage to be provided for the property, but if the premiums are not sufficient to cover the entire insurance premium paid by Lender, the difference between the premium paid by Lender and the premium paid by Borrower shall be paid by Lender to the insurance company. Lender will accept these payments in lieu of the insurance coverage to be provided for the property, but if the premiums are not sufficient to cover the entire insurance premium paid by Lender, the difference between the premium paid by Lender and the premium paid by Borrower shall be paid by Lender to the insurance company.

20. **Non-Exclusivity.** Lender may make reasonable entries upon and inspect all of the Property, and Lender shall give Borrower notice at the time of or prior to any entry or inspection of the Property in writing or Securitity instrument, or to take of a total taking of the Property, the proceeds shall be applied to the sum secured by this

14. Notices. Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

15. Governing Law; Severability. This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

16. Borrower's Copy. Borrower shall be given one conformed copy of the Note and of this Security Instrument.

17. Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

18. Borrower's Right to Reinstate. If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earlier of: (a) 5 days (or such other period as applicable law may specify for reinstatement) before sale of the Property pursuant to any power of sale contained in this Security Instrument; or (b) entry of a judgment enforcing this Security Instrument. Those conditions are that Borrower: (a) pays Lender all sums which then would be due under this Security Instrument and the Note as if no acceleration had occurred; (b) cures any default of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees; and (d) takes such action as Lender may reasonably require to assure that the lien of this Security Instrument, Lender's rights in the Property and Borrower's obligation to pay the sums secured by this Security Instrument shall continue unchanged. Upon reinstatement by Borrower, this Security Instrument and the obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under paragraph 17.

19. Sale of Note; Change of Loan Servicer. The Note or a partial interest in the Note (together with this Security Instrument) may be sold one or more times without prior notice to Borrower. A sale may result in a change in the entity (known as the "Loan Servicer") that collects monthly payments due under the Note and this Security Instrument. There also may be one or more changes of the Loan Servicer unrelated to a sale of the Note. If there is a change of the Loan Servicer, Borrower will be given written notice of the change in accordance with paragraph 14 above and applicable law. The notice will state the name and address of the new Loan Servicer and the address to which payments should be made. The notice will also contain any other information required by applicable law.

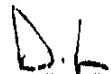

20. Hazardous Substances. Borrower shall not cause or permit the presence, use, disposal, storage, or release of any Hazardous Substances on or in the Property. Borrower shall not do, nor allow anyone else to do, anything affecting the Property that is in violation of any Environmental Law. The preceding two sentences shall not apply to the presence, use, or storage on the Property of small quantities of Hazardous Substances that are generally recognized to be appropriate to normal residential uses and to maintenance of the Property.

Borrower shall promptly give Lender written notice of any investigation, claim, demand, lawsuit or other action by any governmental or regulatory agency or private party involving the Property and any Hazardous Substance or Environmental Law of which Borrower has actual knowledge. If Borrower learns, or is notified by any governmental or regulatory authority, that any removal or other remediation of any Hazardous Substance affecting the Property is necessary, Borrower shall promptly take all necessary remedial actions in accordance with Environmental Law.

As used in this paragraph 20, "Hazardous Substances" are those substances defined as toxic or hazardous substances by Environmental Law and the following substances: gasoline, kerosene, other flammable or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials. As used in this paragraph 20, "Environmental Law" means federal laws and laws of the jurisdiction where the Property is located that relate to health, safety or environmental protection.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

21. Acceleration; Remedies. Lender shall give notice to Borrower prior to acceleration following Borrower's breach of any covenant or agreement in this Security Instrument (but not prior to acceleration

under paragraph 17 unless applicable law provides otherwise). The notice shall specify: (a) the default; (b) the action required to cure the default; (c) a date, not less than 30 days from the date the notice is given to Borrower, by which the default must be cured; and (d) that failure to cure the default on or before the date specified in the notice may result in acceleration of the sums secured by this Security Instrument, foreclosure by judicial proceeding and sale of the Property. The notice shall further inform Borrower of the right to reinstate after acceleration and the right to assert in the foreclosure proceeding the non-existence of a default or any other defense of Borrower to acceleration and foreclosure. If the default is not cured on or before the date specified in the notice, Lender at its option may require immediate payment in full of all sums secured by this Security Instrument without further demand and may foreclose this Security Instrument by judicial proceeding. Lender shall be entitled to collect all expenses incurred in pursuing the remedies provided in this paragraph 21, including, but not limited to, reasonable attorneys' fees and costs of title evidence.

22. **Release.** Upon payment of all sums secured by this Security Instrument, Lender shall release this Security Instrument without charge to Borrower. Borrower shall pay any recordation costs.

23. **Waiver of Homestead.** Borrower waives all right of homestead exemption in the Property.

24. **Riders to this Security Instrument.** If one or more riders are executed by Borrower and recorded together with this Security Instrument, the covenants and agreements of each such rider shall be incorporated into and shall amend and supplement the covenants and agreements of this Security Instrument as if the rider(s) were a part of this Security Instrument.
