**BENEFICIARY WARRANTIES** that (A) Assignor is the sole owner of the entire lessor's interest in the Leases; (B) the Leases are valid, enforceable and in full force and effect and have not been altered, modified or amended in any manner whatsoever; (C) none of the Rents have been assigned or otherwise pledged or hypothecated; (D) none of the Rents have been collected for more than one (1) month in advance; (E) Assignor has full power and authority to execute and deliver this Assignment and the execution and delivery of this Assignment has been duly authorized and does not conflict with or constitute a default under any law, judicial order or other agreement affecting Assignor or the Mortgaged Property; (F) the premises demised under the Leases have been completed and the tenants under the Leases have accepted the same and have taken possession of the same on a rent-paying basis; and (vii) there exist no offsets or defenses to the payment of any portion of the Rents.

**BENEFICIARY COVENANTS** with Assignee that Assignor (A) shall observe and perform all the obligations imposed upon the lessor under the Leases and shall not do or permit to be done anything to impair the value of the Leases as security for the Debt; (B) shall promptly send copies to Assignee of all notices of default which Assignor shall send or receive thereunder; (C) shall enforce all of the terms, covenants and conditions contained in the Leases upon the part of the lessee thereunder to be observed and performed, short of termination thereof; (D) shall not collect any of the Rents more than one (1) month in advance; (E) shall not execute any other assignment of the lessor's interest in the Leases or the Rents; (F) shall deliver to Assignee, upon request, tenant estoppel certificates from each commercial tenant at the Mortgaged Property in form and substance reasonably satisfactory to Assignee, provided that Assignor shall not be required to deliver such certificates more frequently than two (2) times in any calendar year; and (G) shall execute and deliver at the request of Assignee all such further assurances, confirmations and assignments in connection with the Mortgaged Property as Assignee shall from time to time require.

**BENEFICIARY FURTHER COVENANTS** with Assignee that Assignor may enter into new Leases and proposed renewals or extensions of existing Leases without the prior written consent of Assignee if such proposed Lease or extension: (i) is not for greater than or equal to ten percent (10%) of the gross leaseable area of the Mortgaged Property, or greater than or

equal to ten percent (10%) of the total gross rental revenues of the Mortgaged Property; (ii) shall have an initial term of not less than three (3) years or greater than ten (10) years; (iii) shall provide for rental rates comparable to existing local market rates and shall be an arms-length transaction; (iv) shall not contain any options for renewal or expansion by the tenant thereunder at rental rates which are either below comparable market levels or less than the rental rates paid by the tenant during the initial lease term; (v) shall be to a tenant which is experienced, creditworthy and reputable; and (vi) shall comply with the requirements of the preceding paragraph. Assignor may enter into a proposed lease which does not satisfy all of the conditions set forth in clauses (i) through (vii) immediately above, only with the prior written consent of Assignee, such consent not to be unreasonably withheld or delayed. **BENEFICIARY FURTHER COVENANTS** with Assignee that, except to the extent Assignor is acting in the ordinary course of business as a prudent operator of property similar to the Mortgaged Property, Assignor (A) shall not, alter, modify or change the terms of the Leases or any guarantee of any of the Leases in any material respect without the prior written consent of Assignee; (B) shall not convey or transfer or suffer or permit a conveyance or transfer of the Mortgaged Property or of any interest therein so as to effect a merger of the estates and rights of, or a termination or diminution of the obligations of, tenants under the Leases; (C) shall not consent to any assignment of or subletting under the Leases not in accordance with their terms, without the prior written consent of Assignee; and (D) shall not cancel or terminate the Leases or accept a surrender thereof, except if a tenant is in default thereunder; provided, however, that any Lease may be cancelled if at the time of the cancellation thereof a new Lease is entered into on substantially the same terms or more favorable terms as the cancelled Lease.

**BENEFICIARY FURTHER COVENANTS** with Assignee that (A) all Leases shall be written on the standard form of lease which has been approved by Assignee; (B) no material changes may be made to the Assignee-approved standard lease without the prior written consent of Assignee; (C) all Leases shall provide that they are subordinate to the Mortgage and that the tenant agrees to attorn to Assignee; (D) unless otherwise approved by Assignee, each Lease shall contain a provision requiring continuous operations of tenant's business on the premises, and shall contain a prohibition against tenant operating a competing business at or near the Mortgaged Property; (E) none of the Leases shall contain any option to purchase, any right of first refusal to lease (unless the foregoing prohibition regarding rights of first refusal to lease would be in conflict with existing retail practices in the local market area, in which event Mortgagor shall use reasonable efforts to include such provision in a Lease to a new Tenant) or purchase, any right to terminate the lease term (except in the event of the condemnation, demolition or destruction of all or substantially all of the Mortgaged Property), any non-disturbance or similar recognition agreement, any requirement that the Assignor rebuild the Mortgaged Property in connection with a casualty or condemnation of any portion of the Mortgaged Property or any other similar provisions which adversely affect the Mortgaged

Property or which might adversely affect the rights of the Assignee, and (F) each tenant shall conduct business only in that portion of the Mortgaged Property covered by its lease. Upon request, Assignor shall furnish Assignee with executed copies of all Leases.

THIS ASSIGNMENT is made on the following terms, covenants and conditions:

1. Present Assignment. Assignor does hereby absolutely and unconditionally assign to Assignee Assignor's right, title and interest in all current and future Leases and Rents, it being intended by Assignor that this assignment constitutes a present, absolute and unconditional assignment and not an assignment for additional security only. Such assignment to Assignee shall not be construed to bind Assignee to the performance of any of the covenants, conditions, or provisions contained in any such Lease or otherwise to impose any obligation upon Assignee. Assignor agrees to execute and deliver to Assignee such additional instruments, in form and substance satisfactory to Assignee, as may hereinafter be requested by Assignee to further evidence and confirm said assignment. Nevertheless, subject to the terms of this paragraph, Assignee grants to Assignor a revocable license to operate and manage the Mortgaged Property and to collect the Rents. Assignor shall hold the Rents, or a portion thereof, sufficient to discharge all current sums due on the Debt for use in the payment of such sums. Upon an Event of Default (as defined in the Mortgage), the license granted to Assignor herein shall automatically be revoked by Assignee and Assignee shall immediately be entitled to receive and apply all Rents, whether or not Assignee enters upon and takes control of the Mortgaged Property. Assignee is hereby granted and assigned by Assignor the right, at its option, upon the revocation of the license granted herein to enter upon the Mortgaged Property in person, by agent or by court-appointed receiver to collect the Rents. Any Rents collected after the revocation of the license herein granted may be applied toward payment of the Debt in such priority and proportion as Assignee, in its discretion, shall deem proper.

2. Remedies of Assignee. Upon or at any time after an Event of Default, Assignee may, at its option, without waiving such Event of Default, without notice and without regard to the adequacy of the security for the Debt, either in person or by agent, with or without bringing any action or proceeding, or by a receiver appointed by a court, take possession of the Mortgaged Property and have, hold, manage, lease and operate the Mortgaged Property on such terms and for such period of time as Assignee may deem proper and either with or without taking possession of the Mortgaged Property in its own name, demand, sue for or otherwise collect and receive all Rents, including those past due and unpaid, with full power to make from time to time all alterations, renovations, repairs or replacements thereto or thereof as may seem proper to Assignee and may apply the Rents to the payment of the following in such order and proportion as Assignee in its sole discretion may determine, any law, custom or use to the contrary notwithstanding: (a) all expenses of managing and securing the Mortgaged Property, including, without being limited thereto, the salaries, fees and wages of a managing agent and such other employees or agents as Assignee may deem necessary or desirable and all expenses of operating and maintaining the Mortgaged Property, including, without being limited thereto, all taxes, charges, claims, assessments, water charges, sewer rents and any other liens, and

premiums for all insurance which Assignee may deem necessary or desirable, and the cost of all alterations, renovations, repairs or replacements, and all expenses incident to taking and retaining possession of the Mortgaged Property; and (b) the Debt, together with all costs and attorneys' fees. In addition to the rights which Assignee may have herein, upon the occurrence of an Event of Default, Assignee, at its option, may either require Assignor to pay monthly in advance to Assignee, or any receiver appointed to collect the Rents, the fair and reasonable rental value for the use and occupation of such part of the Mortgaged Property as may be in possession of Assignor or require Assignor to vacate and surrender possession of the Mortgaged Property to Assignee or to such receiver and, in default thereof, Assignor may be evicted by summary proceedings or otherwise. Additionally, upon the occurrence of an Event of Default, Assignee shall have the right to establish a lock box for the deposit of all Rents and other receivables of Assignor relating to the Mortgaged Property. For purposes of paragraphs 1 and 2 hereof, Assignor grants to Assignee its irrevocable power of attorney, coupled with an interest, to take any and all of the aforementioned actions and any or all other actions designated by Assignee for the proper management and preservation of the Mortgaged Property. The exercise by Assignee of the option granted it in this paragraph and the collection of the Rents and the application thereof as herein provided shall not be considered a waiver of any default by Assignor under the Note, the Mortgage, the Leases, this Assignment or the other Loan Documents.

3. No Liability of Assignee. Assignee shall not be liable for any loss sustained by Assignor resulting from Assignee's failure to let the Mortgaged Property after an Event of Default or from any other act or omission of Assignee in managing the Mortgaged Property after an Event of Default. Assignee shall not be obligated to perform or discharge any obligation, duty or liability under the Leases or under or by reason of this Assignment and Assignor shall, and hereby agrees, to indemnify Assignee for, and to hold Assignee harmless from, any and all liability, loss or damage which may or might be incurred under the Leases or under or by reason of this Assignment and from any and all claims and demands whatsoever, including the defense of any such claims or demands which may be asserted against Assignee by reason of any alleged obligations and undertakings on its part to perform or discharge any of the terms, covenants or agreements contained in the Leases. Should Assignee incur any such liability, the amount thereof, including costs, expenses and attorneys' fees, shall be secured hereby and by the Mortgage and the other Loan Documents and Assignor shall reimburse Assignee therefor immediately upon demand and upon the failure of Assignor to do so Assignee may, at its option, declare all sums secured hereby, the Note, the Mortgage and the other Loan Documents immediately due and payable. This Assignment shall not operate to place any obligation or liability for the control, care, management or repair of the Mortgaged Property upon Assignee, nor for the carrying out of any of the terms and conditions of the Leases; nor shall it operate to make Assignee responsible or liable for any waste committed on the Mortgaged Property by the tenants or any other parties, or for any dangerous or defective condition of the Mortgaged Property, including, without limitation, the presence of any Hazardous Substances (as defined in the Mortgage), or for any negligence in the management, upkeep, repair or control of the

Mortgaged Property resulting in loss or injury or death to any tenant, licensee, employee or stranger.

4. Notice to Tenants. Assignor hereby authorizes and directs the tenants named in the Leases or any other or future tenants or occupants of the Mortgaged Property upon receipt from Assignee of written notice to the effect that the Assignee is then the holder of the Note and that an Event of Default exists thereunder or under this Assignment, the Note, the Mortgage or the other Loan Documents to pay over to Assignee all Rents and to continue so to do until otherwise notified by Assignee.

5. Other Security. Assignee may take or release other security for the payment of the Debt, may release any party primarily or secondarily liable therefor and may apply any other security held by it to the reduction or satisfaction of the Debt without prejudice to any of its rights under this Assignment.

6. Other Remedies. Nothing contained in this Assignment and no act done or omitted by Assignee pursuant to the power and rights granted to Assignee hereunder shall be deemed to be a waiver by Assignee of its rights and remedies under the Note, the Mortgage or the other Loan Documents and this Assignment is made and accepted without prejudice to any of the rights and remedies possessed by Assignee under the terms thereof. The right of Assignee to collect the Debt and to enforce any other security therefor held by it may be exercised by Assignee either prior to, simultaneously with, or subsequent to any action taken by it hereunder.

7. No Mortgagee in Possession. Nothing herein contained shall be construed as constituting Assignee a "mortgagee in possession" in the absence of the taking of actual possession of the Mortgaged Property by Assignee. In the exercise of the powers herein granted Assignee, no liability shall be asserted or enforced against Assignee, all such liability being expressly waived and released by Assignor.

8. Conflict of Terms. In case of any conflict between the terms of this Assignment and the terms of the Mortgage, the terms of the Mortgage shall prevail.

9. No Oral Change. This Assignment and any provisions hereof may not be modified, amended, waived, extended, changed, discharged or terminated orally, or by any act or failure to act on the part of Assignor or Assignee, but only by an agreement in writing signed by the party against whom the enforcement of any modification, amendment, waiver, extension, change, discharge or termination is sought.

10. Certain Definitions. Unless the context clearly indicates a contrary intent or unless otherwise specifically provided herein, words used in this Assignment may be used interchangeable in singular or plural form and the word "Assignor" shall mean each Assignor and any subsequent owner or owners of the Mortgaged Property or any part thereof or any interest therein, the word "Assignee" shall mean Assignee and any subsequent holder of the

11. Non-Waiver. The failure of Assignee to insist upon strict performance of any term hereof shall not be deemed to be a waiver of any term of this Assignment. Assignor shall not be relieved of Assignor's obligations hereunder by reason of (i) failure of Assignee to comply with any request of Assignor or any other party to take any action to enforce any of the provisions hereof or of the Mortgage, the Note or the other Loan Documents, (ii) the release regardless of consideration, of the whole or any part of the Mortgaged Property, or (iii) any agreement or stipulation by Assignee extending the time of payment or otherwise modifying or supplementing the terms of this Assignment, the Note, the Mortgage or the other Loan Documents. Assignee may resort for the payment of the Debt to any other security held by Assignee in such order and manner as Assignee, in its discretion, may elect. Assignee may take any action to recover the Debt, or any portion thereof, or to enforce any covenant hereof without prejudice to the right of Assignee hereafter to enforce its rights under this Assignment. The rights of Assignee under this Assignment shall be separate, distinct and cumulative and none shall be given effect to the exclusion of the others. No act of Assignee shall be construed as an election to proceed under any one provision herein to the exclusion of any other provision.

12. Inapplicable Provisions. If any term, covenant or condition of this Assignment is held to be invalid, illegal or unenforceable in any respect, this Assignment shall be construed without such provision.

13. Duplicate Originals. This Assignment may be executed in any number of duplicate originals and each such duplicate original shall be deemed to be an original.
