5. **Hazard or Property Insurance.** Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards, including floods or flooding, for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld. If Borrower fails to maintain coverage described above, Lender may, at Lender's option, obtain coverage to protect Lender's rights in the Property in accordance with paragraph 7.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 21 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

6. **Occupancy, Preservation, Maintenance and Protection of the Property; Borrower's Loan Application; Leasehold.** Borrower shall occupy, establish, and use the Property as Borrower's principal residence within sixty days after the execution of this Security Instrument and shall continue to occupy the Property as Borrower's principal residence for at least one year after the date of occupancy, unless Lender otherwise agrees in writing, which consent shall not be unreasonably withheld, or unless extenuating circumstances exist which are beyond Borrower's control. Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate, or commit waste on the Property. Borrower shall be in default if any forfeiture action or proceeding, whether civil or criminal, is begun that in Lender's good faith judgment could result in forfeiture of the Property or otherwise materially impair the lien created by this Security Instrument or Lender's security interest. Borrower may cure such a default and reinstate, as provided in paragraph 18, by causing the action or proceeding to be dismissed with a ruling that, in Lender's good faith determination, precludes forfeiture of the Borrower's interest in the Property or other material impairment of the lien created by this Security Instrument or Lender's security interest. Borrower shall also be in default if Borrower, during the loan application process, gave materially false or inaccurate information or statements to Lender (or failed to provide Lender with any material information) in connection with the loan evidence by the Note, including, but not limited to, representations concerning Borrower's occupancy of the Property as a principal residence. If this Security Instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.

7. **Protection of Lender's Rights in the Property.** If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 7, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

8. **Mortgage Insurance.** If Lender required mortgage insurance as a condition of making the loan secured by this Security Instrument, Borrower shall pay the premiums required to maintain the mortgage insurance in effect. If, for any reason, the mortgage insurance coverage required by Lender lapses or ceases to be in effect, Borrower shall pay the premiums required to obtain coverage substantially equivalent to the mortgage insurance previously in effect, at a cost substantially equivalent to the cost to Borrower of the mortgage insurance previously in effect, from an alternate mortgage insurer approved by Lender. If substantially equivalent mortgage insurance coverage is not available, Borrower shall pay to Lender each month a sum equal to one-twelfth of the yearly mortgage insurance premium being paid by Borrower when the insurance coverage lapsed or ceased to

Losses received by the Borrower may no longer be required, at the option of Lender, if mortgagor's insurance coverage (in the amount and for the period of time of a loss) taking of the Property, the proceeds of which shall be applied to the sum secured by this Security instrument, in lieu of condominium, or for conveyance in lieu of condominium, or for damages of any award or claim for damages, direct or consequential, in connection with any proceedings or action taken of or prior to an inspection specifying reasonable cause for the inspection.
9. Payments. Lender or its agent may make reasonable entries upon and inspectors of the Property. Lender shall give Borrower notice at the time of or prior to an inspection specifying reasonable cause for the inspection.
10. Condemnation. The proceeds of any award or claim for damages, direct or consequential, in connection with any proceedings or action taken of or prior to an inspection specifying reasonable cause for the inspection.
11. Insurance. Lender will accept, use and retain these payments in lieu of mortgage instrument, in lieu of condominium, or for conveyance in lieu of condominium, or for damages of any award or claim for damages, direct or consequential, in connection with any proceedings or action taken of or prior to an inspection specifying reasonable cause for the inspection.
12. Successors and Assigns; Joint and Several Liability; Cognovit. The covenants and agreements of this Security instrument shall be applied to the sum secured by this Security instrument, in lieu of mortgage instrument, in the amount and for the period of time of a loss, taking of the Property, the proceeds of which shall be applied to the sum secured by this Security instrument, in lieu of condominium, or for damages of any award or claim for damages, direct or consequential, in connection with any proceedings or action taken of or prior to an inspection specifying reasonable cause for the inspection.
13. Lien on Chattels. If the loan secured by this Security instrument is subject to a law which makes loans charges, Lender may exercise his right under the Note to foreclose on his chattels, or any such loan charges shall be reduced by the amount necessary to reduce the charge and the law is finally interpreted so that the holder or other lender is subject to a law which makes loans charges, Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be traced as a partial prepayment without any payment to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower; Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to the principal lender; and (b) any sums already collected from Borrower which exceed permitted limits, will be refunded to Lender or to the principal lender, less: (a) any such loan charges shall be reduced by the amount necessary to reduce the charge and the law is finally interpreted so that the holder or other lender is subject to a law which makes loans charges, Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower.
14. Notices. Any notice to Borrower provided for in this Security instrument shall be given by delivery to the Property owner or by mailing to the address known to Lender or by other address Lender designates by notice to Lender. Any notice to Lender shall be given by first class mail to any other address Borrower uses of another method. The notice shall be directed to the Property address by first class mail unless applicable law requires use of another method. The notice shall be given by delivery to the Property address Lender's address known to Lender or by other address Lender designates by notice to Lender. Any notice provided for in this Security instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.
15. Governing Law; Severability. This Security instrument shall be governed by federal law and the Note is declared void without the application of state conflict-of-laws provisions. To this end the provisions of this Security instrument and the Note are declared void without the application of state conflict-of-laws provisions. In the event that any provision of this Security instrument or clause of this Note which can be construed to violate the Property is located, all the other provisions of this Security instrument and the Note are declared void.

16. Borrower's Copy. Borrower shall be given one conforming copy of the Note and of this Security Instrument.
17. Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower, if all or any part of the Note and of this Security Instrument, is sold or transferred) by Lender, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise of such right would violate federal law as of the date of transfer.
18. Borrower's Right to Detain. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument. If Lender exercises this option, Lender shall provide a period of not less than 30 days from the date the notice is delivered or mailed to the Borrower to pay all sums secured by this Security Instrument.
19. Sale of Note; Change of Loan Servicer. The Note or a partial interest in the Note (together with this Security Instrument) may be sold one or more times without prior notice to Borrower. A sale may result in a change in the entity (known as the "Loan Servicer") that collects payments due under the Note and this Security Instrument. There also may be one or more changes of the Loan Servicer under the Note and this Security Instrument. These changes will not apply in the case of a transfer under paragraph 17.
20. Hazardous Substances. Borrower shall not cause or permit the presence, use, disposal, storage, or release of any hazardous substances on or in the Property and any Hazardous Substances defined below.
21. Acceleration; Remedies.
