The rents, issues and profits so received by said Assignee shall be applied in such order as it may determine, on account of the following:

1. Reasonable expenses and attorneys' fees incurred by said Assignee, in connection with the execution of this Agreement, or which may hereafter, from time to time, be so incurred in connection therewith.

The rights and powers of the Assignee hereunder may be assigned by instrument in writing to any subsequent holder of the Note secured by said Mortgage, and such assignee and any successive assignees are hereby given the same rights and powers as the Assignee named herein.

The Assignor hereby agrees to save, defend, indemnify and hold harmless Assignee from and against any and all liability which may arise or has arisen with respect to the holding and refunding of any and all security deposits tendered by any and all tenants, whether under written or oral agreement, at the premises, unless the security deposits are specifically held and maintained by Assignee.
