2. That the Court finds that the assessment as divided above is appropriate, notwithstanding the fact that only a portion of the property originally assessed remains subject to this Special Assessment, because the assessment as divided provides for assessments against those lots, tracts and parcels that will actually benefit from the assessment.

3. That to the extent not covered within the legal descriptions of the lots, tracts and parcels subject to the divided assessment, as set forth above, the property originally assessed is no longer subject to this Special Assessment proceeding.

4. That the Warrant to Collect previously issued to the Village of Tinley Park is hereby modified in accordance with this Division Order.
