5. Hazard or Property Insurance. Borrower shall keep the improvements now existing
or hereafter erected on the Property insured against loss by fire, hazards included within the
term "extended coverage" and any other hazards, including floods or flooding, for which Lender
requires insurance. This insurance shall be maintained in the amounts and for the periods that
Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower
subject to Lender's approval which shall not be unreasonably withheld. If Borrower fails to
maintain coverage described above, Lender may, at Lender's option, obtain coverage to protect
Lender's rights in the Property in accordance with Paragraph 7.

All insurance policies and renewals shall be acceptable to Lender and shall include a
standard mortgage clause. Lender shall have the right to hold the policies and renewals. If
Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and
renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier
and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be
applied to restoration or repair of the Property damaged, if the restoration or repair is
economically feasible and Lender's security is not lessened. If the restoration or repair is not
economically feasible or Lender's security would be lessened, the insurance proceeds shall be
applied to the sums secured by this Security Instrument, whether or not then due, with any
excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days
a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may

TOGETHER WITH all the improvements now or hereafter erected on the property, and all easements, appurtenances, and fixtures now or hereafter a part of the property. All replacements and additions shall also be covered by this Security Instrument. All of the foregoing is referred to in this Security Instrument as the "Property."

BORROWER COVENANTS that Borrower is lawfully seized of the estate hereby conveyed and has the right to mortgage, grant and convey the Property and that the Property is unencumbered, except for encumbrances of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANTS. Borrower and Lender covenant and agree as follows:

1. Payment of Principal and Interest; Prepayment and Late Charges. Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. Funds for Taxes and Insurance. Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum ("Funds") for: (a) yearly taxes and assessments which may attain priority over this Security Instrument as a lien on the Property; (b) yearly leasehold payments or ground rents on the Property, if any; (c) yearly hazard or property insurance premiums; (d) yearly flood insurance premiums, if any; (e) yearly mortgage insurance premiums, if any; and (f) any sums payable by Borrower to Lender, in accordance with the provisions of Paragraph 8, in lieu of the payment of mortgage insurance premiums. These items are called "Escrow Items." Lender may, at any time, collect and hold Funds in an amount not to exceed the maximum amount a lender for a federally related mortgage loan may require for Borrower's escrow account under the federal Real Estate Settlement Procedures Act of 1974 as amended from time to time, 12 U.S.C. § 2601 et seq. ("RESPA"), unless another law that applies to the Funds sets a lesser amount. If so, Lender may, at any time, collect and hold Funds in an amount not to exceed the lesser amount. Lender may estimate the amount of Funds due on the basis of current data and reasonable estimates of expenditures of future Escrow Items or otherwise in accordance with applicable law.

The Funds shall be held in an institution whose deposits are insured by a federal agency, instrumentality, or entity (including Lender, if Lender is such an institution) or in any Federal Home Loan Bank. Lender shall apply the Funds to pay the Escrow Items. Lender may not charge Borrower for holding and applying the Funds, annually analyzing the escrow account, or verifying the Escrow Items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. However, Lender may require Borrower to pay a

judgment could result in forfeiture of the Property or otherwise materially impair the lien created by this Security Instrument or Lender's security interest. Borrower may cure such a default and reinstate, as provided in Paragraph 18, by causing the action or proceeding to be dismissed with a ruling that, in Lender's good faith determination, precludes forfeiture of the Borrower's interest in the Property or other material impairment of the lien created by this Security Instrument or Lender's security interest. Borrower shall also be in default if Borrower, during the loan application process, gave materially false or inaccurate information or statements to Lender (or failed to provide Lender with any material information) in connection with the loan evidenced by the Note, including, but not limited to, representations concerning Borrower's occupancy of the Property as a principal residence. If this Security Instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.

7. Protection of Lender's Rights in the Property. If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this Paragraph 7, Lender does not have to do so.

Any amounts disbursed by Lender under this Paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note

LOAN NO.: 03-2261-002038176-0

16. Borrower's Copy. Borrower shall be given one conformed copy of the Note and of this Security Instrument.

17. Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

21. **Acceleration; Remedies.** Lender shall give notice to Borrower prior to acceleration following Borrower's breach of any covenant or agreement in this Security Instrument (but not prior to acceleration under Paragraph 17 unless applicable law provides otherwise). The notice shall specify: (a) the default; (b) the action required to cure default; (c) a date, not less than 30 days from the date the notice is given to Borrower, by which the default must be cured; and (d) that failure to cure the default on or before the date specified in the notice may result in acceleration of the sums secured by this Security Instrument, foreclosure by judicial proceeding and sale of the Property. The notice shall further inform Borrower of the right to reinstate after acceleration and the right to assert in the foreclosure proceeding the non-existence of a default or any other defense of Borrower to acceleration and foreclosure. If the default is not cured on or before the date specified in the notice, Lender at its option may require immediate payment in full of all sums secured by this Security Instrument without further demand and may foreclose this Security Instrument by judicial proceeding. Lender shall be entitled to collect all expenses incurred in pursuing the remedies provided in this Paragraph 21, including, but not limited to, reasonable attorneys' fees and costs of title evidence.

22. **Release.** Upon payment of all sums secured by this Security Instrument, Lender shall release this Security Instrument to Borrower. Borrower shall pay any recordation costs. Lender may charge Borrower a fee for releasing this Security Instrument, but only if the fee is paid to a third party for services rendered and the charging of the fee is permitted under applicable law.

23. **Waiver of Homestead.** Borrower waives all right of homestead exemption in the Property.

24. **Riders to this Security Instrument.** If one or more riders are executed by Borrower and recorded together with this Security Instrument, the covenants and agreements of each such rider shall be incorporated into and shall amend and supplement the covenants and agreements of this Security Instrument as if the rider(s) were a part of this Security Instrument. **ADJUSTABLE RATE RIDER
(12-MTA Index - Payment and Rate Caps)**

03-2261-002038176-0
VT990158

THIS ADJUSTABLE RATE RIDER is made this 2nd day of JULY 1999, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Adjustable Rate Note (the "Note") to Washington Mutual Bank, FA (the "Lender") of the same date and covering the property described in the Security Instrument and located at:

17307 TAMAR, TINLEY PARK, IL 60477

(Property Address)

THIS RIDER CONTAINS PROVISIONS ALLOWING FOR CHANGES IN MY INTEREST RATE AND MY MONTHLY PAYMENT. THE MONTHLY PAYMENT INCREASES WILL HAVE LIMITS WHICH COULD RESULT IN THE PRINCIPAL BALANCE UP TO 125% OF THE ORIGINAL AMOUNT (OR \$ 176,250.00) AND IN A BALLOON PAYMENT BEING DUE AT MATURITY. THE BORROWER'S INTEREST RATE CAN NEVER EXCEED THE LIMIT STATED IN THE NOTE AND RIDER.

ADDITIONAL COVENANTS. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

A. INTEREST RATE AND MONTHLY PAYMENT CHANGES

Interest will be charged on unpaid principal until the full amount of principal has been paid. I will pay interest at the higher of the yearly rate of 7.450% ("Stated Interest Rate") or the Current Index plus the Margin (both as defined below) until the first of the month following closing. Thereafter, the interest rate will be the Stated Interest Rate, subject to change in accordance with Section 4 of this Note.

The Note provides for changes in the interest rate and the monthly payments as follows:

"4. INTEREST RATE AND MONTHLY PAYMENT CHANGES

(A) Change Dates

The interest rate I will pay may further change on the 1st day of August, 1999, and on that day every month thereafter. Each date on which my interest rate could change is called a "Change Date".

(B) The Index

Beginning with the first Change Date, my interest rate will be based on an Index. The "Index" is the Twelve-Month Average, determined as set forth below, of the annual yields on actively traded United States Treasury Securities adjusted to a constant maturity of one year as published by the Federal Reserve Board in the Federal Reserve Statistical Release entitled "Selected Interest Rates (G.13)" (the "Monthly Yields"). The Twelve-Month Average is determined by adding together the Monthly Yields for the most recently available twelve months and dividing by 12.

The most recent Index figure available as of the date 15 days before each Change Date is called the "Current Index".

If the Index is no longer available, the Note Holder will choose a new index which is based upon comparable information. The Note Holder will give me notice of this choice.

(C) Interest Rate Change

Before each Change Date, the Note Holder will calculate my new interest rate by adding Three & Forty-Five-Hundredths percentage points 3.450 % ("Margin") to the Current Index. The Note Holder will then round the result of this addition to the nearest one thousandth of one percentage point (0.001%). Subject to the limits stated in Section 4(D) below, this rounded amount will be my new interest rate until the next Change Date. In the event a new Index is selected, pursuant to paragraph 4(B), a new Margin will be determined. The new Margin will be the difference between the average of the old Index for the most recent three year period which ends on the last date the Index was available plus the Margin on the last date the old Index was available and the average of the new Index for the most recent three year period which ends on that date (or if not available for such three year period, for such time as it is available). The difference will be rounded to the next higher 1/8 of 1%.

(D) Interest Rate Limit

My interest rate will never be greater than 11.450 % ("Cap"), except that following any sale or transfer of the property which secures repayment of this Note after the first interest rate Change Date, the maximum interest rate will be the higher of the Cap or 5 percentage points greater than the interest rate in effect at the time of such sale or transfer.

(E) Payment Change Dates

Effective every year commencing August 1, 2000, and on the same date each twelfth month thereafter ("Payment Change Date"), the Note Holder will determine the amount of the monthly payment that would be sufficient to repay the projected principal balance I am expected to owe as of the Payment Change Date in full on the maturity date at the interest rate in effect 45 days prior to the Payment Change Date in substantially equal payments. The result of this calculation is the new amount of my monthly payment, subject to Section 4(F) below.

(F) Monthly Payment Limitations

Unless Section 4(H) and 4(I) below apply, the amount of my new monthly payment, beginning with a Payment Change Date, will be limited to 7 1/2% more or less than the amount I have been paying.

(G) Changes in My Unpaid Principal Due to Negative Amortization or Accelerated Amortization

Since my payment amount changes less frequently than the interest rate and since the monthly payment is subject to the payment limitations described in Section 4(F), my monthly payment could be less or greater than the amount of the interest portion of the monthly payment that would be sufficient to repay the unpaid principal I owe at the monthly payment date in full on the maturity date in substantially equal payments. For each month that the monthly payment is less than the interest portion, the Note Holder will subtract the monthly payment from the amount of the interest portion and will add the difference to my unpaid principal, and interest will accrue on the amount of this difference at the current interest rate. For each month that the monthly payment is greater than the interest portion, the Note Holder will apply the excess towards a principal reduction of the Note.

(H) Limit on My Unpaid Principal; Increased Monthly Payment

My unpaid principal can never exceed a maximum amount equal to 125% of the principal amount original borrowed. In the event my unpaid principal would otherwise

99676789

that 125% limitation, I will begin paying a new monthly payment until the next Payment Change Date notwithstanding the 7 1/2% annual payment increase limitation. The new monthly payment will be an amount which would be sufficient to repay my then unpaid principal in full on the maturity date at my interest rate in effect the month prior to the payment due date in substantially equal payments.

(I) Required Full Monthly Payment

On the FIFTH anniversary of the due date of the first monthly payment, and on that same day every FIFTH year thereafter, the monthly payment will be adjusted without regard to the payment cap limitation in Section 4(F).

(J) Notice of Changes

The Note Holder will deliver or mail to me a notice of any changes in the amount of my monthly payment before the effective date of any change. The notice will include information required by law to be given me and also the title and telephone number of a person who will answer any questions I may have regarding the notice.

(K) Failure to Make Adjustments

If for any reason Note Holder fails to make an adjustment to the interest rate or payment amount as described in this Note, regardless of any notice requirement, I agree that Note Holder may, upon discovery of such failure, then make the adjustment as if they had been made on time. I also agree not to hold Note Holder responsible for any damages to me which may result from Note Holder's failure to make the adjustment and to let the Note Holder, at its option, apply any excess monies which may have paid to partial prepayment of unpaid "Principal."

B. TRANSFER OF THE PROPERTY OR A BENEFICIAL INTEREST IN BORROWER

Covenant 17 of the Security Instrument is amended to read as follows:

Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument. Lender also shall not

exercise this option if: (a) the request to assume is made after one year following recordation of the Deed of Trust, (b) Borrower causes to be submitted to Lender information required by Lender to evaluate the intended transferee as if a new loan were being made to the transferee; (c) Lender reasonably determines that Lender's security will not be impaired by the loan assumption and that the risk of a breach of any covenant or agreement in this Security Agreement or other obligations related to the Note or other loan document is acceptable to Lender, (d) Assuming party executes Assumption Agreement acceptable to Lender at its sole choice and discretion, which Agreement may include an increase to Cap as set forth below and (e) payment of Assumption Fee if requested by Lender.

To the extent permitted by applicable law, Lender may charge a reasonable fee as a condition to Lender's consent to the loan assumption, and Lender may increase the maximum interest rate limit to the higher of the Cap or 5 percentage points greater than the interest rate in effect at the time of the transfer. Lender may also require the transferee to sign an assumption agreement that is acceptable to Lender and that obligates the transferee to keep all the promises and agreements made in the Note and in this Security Instrument. Borrower will continue to be obligated under the Note and this Security Instrument unless Lender has entered into a written assumption agreement with transferee and formally releases Borrower.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.
