THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

**UNIFORM COVENANTS.** Borrower and Lender covenant and agree as follows:

**1. Payment of Principal and Interest; Prepayment and Late Charges.** Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

**2. Funds for Taxes and Insurance.** Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum ("Funds") for: (a) yearly taxes and assessments which may attain priority over this Security Instrument as a lien on the Property; (b) yearly leasehold payments or ground rents on the Property, if any; (c) yearly hazard or property insurance premiums; (d) yearly flood insurance premiums, if any; (e) yearly mortgage insurance premiums, if any; and (f) any sums payable by Borrower to Lender, in accordance with the provisions of Paragraph 8, in lieu of the payment of mortgage insurance premiums. These items are called "Escrow Items." Lender may, at any time, collect and hold Funds in an amount not to exceed the maximum amount a lender for a federally related mortgage loan may require for Borrower's escrow account under the Federal Real Estate Settlement Procedures Act of 1974 as amended from time to time, 12 U.S.C. § 2601 et seq. ("RESPA"), unless another law that applies to the Funds sets a lesser amount. If so, Lender may, at any time, collect and hold Funds in an amount not to exceed the lesser amount. Lender shall apply the Funds to pay the Escrow Items. Lender may not charge Borrower for holding and applying the Funds, annually analyzing the escrow account, or verifying the Escrow Items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. However, Lender may require Borrower to pay a one-time charge for an independent real estate tax reporting service used by Lender in connection with this loan, unless applicable law provides otherwise. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Borrower and Lender may agree in writing, however, that interest shall be paid on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds, showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for all sums secured by this Security Instrument.

Borrower shall make up the deficiency in no more than twelve monthly payments, at Lender's sole discretion.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender. The insurance proceeds shall be applied to the sums secured by Lender or Lender's security until the repair is completed or the insurance proceeds are used up, whichever occurs first. The insurance proceeds shall be applied to the sums secured by Lender or Lender's security until the repair is completed or the insurance proceeds are used up, whichever occurs first. **5. Hazard or Property Insurance.** Borrower shall keep the improvements now existing or hereafter erected on the property insured against loss by fire, hazards included within the term "extended coverage," and by other hazards, including floods or flooding, for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonable. If Borrower fails to maintain coverage described above, Lender may, at Lender's option, obtain coverage to protect Lender's rights in the property in accordance with Paragraph 7.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (b) contest(s) in good faith the lien by, or defends against enforcement of the lien in, legal proceedings which in the Lender's opinion operate to prevent the enforcement of the lien; or (c) secures from the holder of the lien an agreement to subordinate the lien to a debt held by the Lender.

4. **Charges:** Lien. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this Paragraph. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments.

**Washington Mutual****ADJUSTABLE RATE RIDER  
(12-MTA Index - Payment and Rate Caps)**

03-2341-003304722-6

THIS ADJUSTABLE RATE RIDER is made this 14th day of September, 1999, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Adjustable Rate Note (the "Note") to Washington Mutual Bank, FA (the "Lender") of the same date and covering the property described in the Security Instrument and located at:

13348 STEPHEN DRIVE, PALOS PARK, IL 60464  
(Property Address)

408762  
THIS RIDER CONTAINS PROVISIONS ALLOWING FOR CHANGES IN MY INTEREST RATE AND MY MONTHLY PAYMENT. MY MONTHLY PAYMENT INCREASES WILL HAVE LIMITS WHICH COULD RESULT IN THE PRINCIPAL AMOUNT I MUST REPAY BEING LARGER THAN THE AMOUNT I ORIGINALLY BORROWED, BUT NOT MORE THAN 125% OF THE ORIGINAL AMOUNT (OR \$ 264,062.50). MY INTEREST RATE CAN NEVER EXCEED THE LIMIT STATED IN THE NOTE AND RIDER. A BALLOON PAYMENT MAY BE DUE AT MATURITY.

ADDITIONAL COVENANTS. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

**A. INTEREST RATE AND MONTHLY PAYMENT CHANGES**

Interest will be charged on unpaid principal until the full amount of principal has been paid. I will pay interest at a yearly rate of 4.550 %. The interest rate I will pay will change in accordance with Section 4 of the Note.

Section 4 of the Note provides for changes in the interest rate and the monthly payments as follows:

99929302

Page 10 of 19

03-2341-003304722-6

**"4. INTEREST RATE AND MONTHLY PAYMENT CHANGES****(A) Change Dates**

The interest rate I will pay may further change on the 1st day of November, 1999, and on that day every month thereafter. Each date on which my interest rate could change is called a "Change Date".

**(B) The Index**

Beginning with the first Change Date, my interest rate will be based on an Index. The "Index" is the Twelve-Month Average, determined as set forth below, of the annual yields on actively traded United States Treasury Securities adjusted to a constant maturity of one year as published by the Federal Reserve Board in the Federal Reserve Statistical Release entitled "Selected Interest Rates (G.13)" (the "Monthly Yields"). The Twelve-Month Average is determined by adding together the Monthly Yields for the most recently available twelve months and dividing by 12.

The most recent Index figure available as of the date 15 days before each Change Date is called the "Current Index".

If the Index is no longer available, the Note Holder will choose a new index which is based upon comparable information. The Note Holder will give me notice of this choice.

**(C) Interest Rate Change**

Before each Change Date, the Note Holder will calculate my new interest rate by adding Three percentage points 3.000 % ("Margin") to the Current Index. The Note Holder will then round the result of this addition to the nearest one thousandth of one percentage point (0.001%). Subject to the limits stated in Section 4(D) below, this rounded amount will be my new interest rate until the next Change Date. In the event a new Index is selected, pursuant to paragraph 4(B), a new Margin will be determined. The new Margin will be the difference between the average of the old Index for the most recent three year period which ends on the last date the Index was available plus the Margin on the last date the old Index was available and the average of the new Index for the most recent three year period which ends on that date (or if not available for such three year period, for such time as it is available). The difference will be rounded to the next higher 1/8 of 1%.

**UNOFFICIAL COPY**

99929302 Page 11 of 19

03-2341-003304722-6

**(D) Interest Rate Limit**

My interest rate will never be greater than 10.550 % ("Cap"), except that following any sale or transfer of the property which secures repayment of this Note after the first interest rate Change Date, the maximum interest rate will be the higher of the Cap or 5 percentage points greater than the interest rate in effect at the time of such sale or transfer.

**(E) Payment Change Dates**

Effective every year commencing November 1, 2000, and on the same date each twelfth month thereafter ("Payment Change Date"), the Note Holder will determine the amount of the monthly payment that would be sufficient to repay the projected principal balance I am expected to owe as of the Payment Change Date in full on the maturity date at the interest rate in effect 45 days prior to the Payment Change Date in substantially equal payments. The result of this calculation is the new amount of my monthly payment, subject to Section 4(F) below, and I will make payments in the new amount until the next Payment Change Date unless my payments are changed earlier under Section 4(H) of the Note.

**(F) Monthly Payment Limitations**

Unless Section 4(H) and 4(I) below apply, the amount of my new monthly payment, beginning with a Payment Change Date will be limited to 7 1/2% more or less than the amount I have been paying.

**(G) Changes in My Unpaid Principal Due to Negative Amortization or Accelerated Amortization**

Since my payment amount changes less frequently than the interest rate and since the monthly payment is subject to the payment limitations described in Section 4(F), my monthly payment could be less or greater than the amount of the interest portion of the monthly payment that would be sufficient to repay the unpaid principal I owe at the monthly payment date in full on the maturity date in substantially equal payments. For each month that the monthly payment is less than the interest portion, the Note Holder will subtract the monthly payment from the amount of the interest portion and will add the difference to my unpaid principal, and interest will accrue on the amount of this difference at the current interest rate. For each month that the monthly payment is greater than the interest portion, the Note Holder will apply the excess towards a principal reduction of the Note.

**(H) Limit on My Unpaid Principal; Increased Monthly Payment**

My unpaid principal can never exceed a maximum amount equal to 125% of the principal amount original borrowed. In the event my unpaid principal would otherwise

99929302 Page 12 of 19

exceed that 125% limitation, I will begin paying a new monthly payment until the next Payment Change Date notwithstanding the 7 1/2% annual payment increase limitation. The new monthly payment will be an amount which would be sufficient to repay my then unpaid principal in full on the maturity date at my interest rate in effect the month prior to the payment due date in substantially equal payments.

**(I) Required Full Monthly Payment**

On the FIFTH anniversary of the due date of the first monthly payment, and on that same day every FIFTH year thereafter, the monthly payment will be adjusted without regard to the payment cap limitation in Section 4(F).

**(J) Notice of Changes**

The Note Holder will deliver or mail to me a notice of any changes in the amount of my monthly payment before the effective date of any change. The notice will include information required by law to be given me and also the title and telephone number of a person who will answer any questions I may have regarding the notice.

**(K) Failure to Make Adjustments**

If for any reason Note Holder fails to make an adjustment to the interest rate or payment amount as described in this Note, regardless of any notice requirement, I agree that Note Holder may, upon discovery of such failure, then make the adjustment as if they had been made on time. I also agree not to hold Note Holder responsible for any damages to me which may result from Note Holder's failure to make the adjustment and to let the Note Holder, at its option, apply any excess monies which I may have paid to partial prepayment of unpaid "Principal."

**B. TRANSFER OF THE PROPERTY OR A BENEFICIAL INTEREST IN BORROWER**

Covenant 17 of the Security Instrument is amended to read as follows:

Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument. Lender also shall not

exercise this option if: (a) the request to assume is made after one year following recordation of the Deed of Trust, (b) Borrower causes to be submitted to Lender information required by Lender to evaluate the intended transferee as if a new loan were being made to the transferee; (c) Lender reasonably determines that Lender's security will not be impaired by the loan assumption and that the risk of a breach of any covenant or agreement in this Security Agreement or other obligations related to the Note or other loan document is acceptable to Lender, (d) Assuming party executes Assumption Agreement acceptable to Lender at its sole choice and discretion, which Agreement may include an increase to Cap as set forth below and (e) payment of Assumption Fee if requested by Lender.

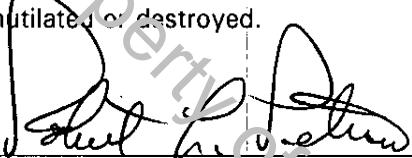

To the extent permitted by applicable law, Lender may charge a reasonable fee as a condition to Lender's consent to the loan assumption, and Lender may increase the maximum interest rate limit to the higher of the Cap or 5 percentage points greater than the interest rate in effect at the time of the transfer. Lender may also require the transferee to sign an assumption agreement that is acceptable to Lender and that obligates the transferee to keep all the promises and agreements made in the Note and in this Security Instrument. Borrower will continue to be obligated under the Note and this Security Instrument unless Lender has entered into a written assumption agreement with transferee and formally releases Borrower.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Adjustable Rate Rider. Borrower agrees to execute any document necessary to reform this Agreement to accurately reflect the terms of the Agreement between Borrower and Beneficiary or if the original Note, Trust Deed or other document is lost, mutilated or destroyed.

LOAN NO.: 03-2341-003304722-6

This CONDITIONAL RIGHT TO MODIFY MARGIN RIDER (12-MTA - Payment and Rate Caps) ("Rider") is made this 14th day of September, 1999 and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed (the "Security Instrument") of the same date given by the undersigned (the "Borrower", "I", "me", or "my") to secure Borrower's Adjustable Rate Note (12-MTA - Payment and Rate Caps) (the "Note") to Washington Mutual Bank, FA (the "Lender") of the same date and covering the property described in the Security Instrument (the "Property") and located at:

13348 STEPHEN DRIVE, PALOS PARK, IL 60464  
(Property Address)

*4108742*  
**ADDITIONAL COVENANTS.** In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

**1. Conditional Right to Modify Margin**

**A. General**

If the conditions described in Section 1(B) below are fulfilled in all respects, I will be able to exercise an option to reduce the Margin of the Note that is then in effect. The reduction of the Margin is called the "Modification".

The period of time between the Note Date (as defined below) and the first interest rate Change Date under the Note is called the "Initial Period". Even if I meet all of the conditions for a Modification, my Margin and interest rate will not be reduced during the Initial Period. The effect and the effective date of a Modification is described in Section 1(D) below.

**B. Conditions for Making the Modification**

The Modification may occur, at my option, but subject to the provisions of this Rider, under either of two separate circumstances.

99929302 Page 16 of 19

03-2341-003304722-6

The first type of Modification is where my "Loan to Value Ratio" as of the effective date of the Modification is equal to 80% or less. My Loan to Value Ratio is, in the case of a loan to finance the purchase of the Property, equal to the unpaid principal balance due under the Note divided by the original sales price or appraised value, whichever is lower, of the Property as of the Note Date. My Loan to Value Ratio is, in the case of any other loan, equal to the unpaid principal balance due under the Note divided by the original appraised value of the Property as of the Note Date. This type of Modification is called the "80% Modification". Subject to the conditions described below, an 80% Modification may occur once I make a sufficient number of payments on the Note to reduce my Loan to Value Ratio to 80% or less. If I wish the 80% Modification to occur sooner, I may make additional principal payments on the Note or I may make one or more partial prepayments on the Note. An increase in the appraised value of the Property following the Note Date will not result in the 80% Modification occurring any sooner. In order to be eligible for the 80% Modification, I must meet all of the following conditions: (i) I must have made all payments due under the Note and the Security Instrument in full within thirty (30) days of their due dates from the time of the Note Date until the effective date of the 80% Modification, but this condition will not apply for more than the last twelve (12) consecutive payments due under the Note and the Security Instrument prior to the effective date of the 80% Modification; (ii) my Loan to Value Ratio as of the effective date of the 80% Modification must be 80% or less; (iii) I must request the 80% Modification in writing as provided in Section 1(E) below; (iv) I must continue to own and occupy the Property as my residence as of the effective date of the 80% Modification; (v) there must not be any subordinate financing liens on the Property as of the effective date of the 80% Modification; and (vi) I must sign all documentation relating to the 80% Modification or these conditions as may be specified by the Note Holder (as defined below).

The second type of Modification is where the unpaid principal balance due under the Note is reduced to 75% or less of the appraised value of the Property immediately prior to the effective date of the Modification. This type of Modification is called the "75% Modification". Subject to the conditions described below, a 75% Modification may occur as a result of an increase in the appraised value of the Property following the Note Date. In order to be eligible for the 75% Modification, I must meet all of the following conditions: (i) the unpaid principal balance due under the Note must be equal to 75% or less of the appraised value of the Property immediately prior to the effective date of the 75% Modification, as determined exclusively and finally by an appraisal report ("Appraisal Report") performed by an appraiser selected by the Note Holder; (ii) the effective date of the 75% Modification must occur after the twenty-fourth

(24th) scheduled payment due date under the Note; (iii) I must request the 75% Modification in writing as provided in Section 1(E) below; (iv) I must have paid to the Note Holder the dollar amount specified by the Note Holder for the preparation of the Appraisal Report; (v) I must have made all payments due under the Note and the Security Instrument in full within thirty (30) days of their due dates for at least the last twenty four (24) consecutive payments due under the Note and the Security Instrument prior to the effective date of the 75% Modification; (vi) I must continue to own and occupy the Property as my residence as of the effective date of the 75% Modification; (vii) there must not be any subordinate financing liens on the Property as of the effective date of the 75% Modification; and (viii) I must sign all documentation relating to the 75% Modification or these conditions as may be specified by the Note Holder. If I request a 75% Modification, I will pay to the Note Holder the dollar amount specified by the Note Holder for the preparation of the Appraisal Report whether or not the 75% Modification is made. If I make a subsequent request for a 75% Modification, I will be required to pay for an additional Appraisal Report.

**C. Limits on Modification**

Either an 80% Modification or a 75% modification, but not both, may be made with respect to my Note. Only one Modification may be made with respect to my Note. Except as otherwise expressly provided in this Rider or the Note, or as I and the Note Holder may agree in writing, the Note may not be modified.

**D. Effect of Modification**

If I meet all of the conditions for an 80% Modification or a 75% Modification, the Margin that is otherwise then in effect will be reduced by six tenths of one percentage point (0.600%), but not to a Margin of less than 0%, effective as of the first interest rate Change Date that occurs at least fifteen (15) days after the fulfillment of the last of the applicable conditions (as determined by the Note Holder in its sole and absolute discretion). The reduction in the Margin may result in a reduction in the interest rate of the Note beginning with that interest rate Change Date. However, any reduction in the interest rate may be offset or limited, in whole or in part, (i) by an increase in the interest rate due to an increase in the Index, (ii) by an adjustment in the Margin under Section 4(C) of the Note, or (iii) if the Current Index plus the reduced Margin is six tenths of one percentage point (0.600%), or more above the Cap. The dates for payment changes under the Note will occur solely at the times set forth in the Note, and are unaffected by this Rider. If a Modification is made, my monthly payments may be reduced beginning on either the first or the second Payment Change Date (depending upon the timing of the Modification) that follows the first interest rate Change Date on which the interest

99929302

Page 18 of 19

03-2341-003304722-6

rate has been reduced as a result of the reduction in the Margin. However, any reduction in my monthly payments may be offset or limited, in whole or in part, by any of the factors that may offset or limit an interest rate reduction described above or by the monthly payment limitations and adjustments described in Sections 4(F), 4(H), 4(I) and 4(K) of the Note. Notwithstanding the preceding sentence, on the first Payment Change Date that follows the Modification, any adjustment to my monthly payment will be made without regard to the 7 1/2% monthly payment limitation described in Section 4(F) of the Note. Except as provided in this Rider, or as the Note Holder and I may agree in writing, interest rate and payment calculations under the Note will remain as provided in the Note.

**E. Notice to Note Holder of Request for Modification**

I will request a Modification by sending my request, in writing, to RETAIL CREDIT SERVICES, 400 EAST MAIN STREET - STA5RCS, STOCKTON, CA 95290

or to such other address as may be specified from time to time by the Note Holder. My request must contain my name, the Property address and my loan number, and I must state whether I am requesting an 80% Modification or a 70% Modification. No Modification will be considered or made unless I provide a written request under this Section 1(E). If I make any subsequent request for a Modification, I must once again provide a written request under this Section 1(E).

**2. Interpretation**

To the extent that any provisions of this Rider are inconsistent with the provisions of the Security Instrument, including any other riders thereto, the provisions of this Rider will prevail over and supersede the inconsistent provisions.

I understand that the Lender may transfer the Note and the Security Instrument. The Lender or anyone who takes the Note and Security Instrument by transfer and who is entitled to receive payments under the Note is called the "Note Holder". The date of the Note is called the "Note Date".

All capitalized terms used in this Rider that are not defined in this Rider will have the meanings given for those terms in the Note.

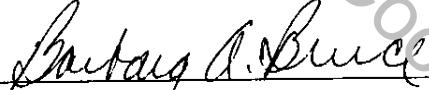

Except as provided in this Rider, or as the Note Holder and I agree in any other rider to the Security Instrument, the Security Instrument will remain in full force and effect.

BY SIGNING BELOW, Borrower accepts and agrees to the provisions of this Rider. Borrower agrees to execute any document requested by the Note Holder from time to time to reform this Rider to accurately reflect the terms of the agreement between Borrower and Note Holder or to replace the Note, Security Instrument or other document if any such document is lost, mutilated or destroyed.
