LUST Incident No. 941578
LUST Technical File

Dear Sir/Madam:

The Illinois Environmental Protection Agency ("Illinois EPA") has reviewed the Low Priority Groundwater Monitoring Completion Report submitted for the above-referenced incident. This information was dated September 15, 1998; was received by the Agency September 16, 1998; and was prepared by Tetra Tech EM, Inc.

The Low Priority Groundwater Monitoring Completion Report and associated Professional Engineer Certification indicate that the groundwater sampling results do not confirm an exceedence of applicable indicator contaminant groundwater quality standards or groundwater objectives as a result of the underground storage tank release in accordance with Section 57.7(c)(2)(D) of the Environmental Protection Act and 35 Illinois Administrative Code Section 732.403(e).

Based upon the certification by Carol L. Nissen, a Registered Professional Engineer of Illinois, and pursuant to Section 57.10 of the Environment Protection Act ("Act") (415 ILCS 5/57.10), your request for a no further remediation determination is granted under the conditions and terms specified in this letter.

Issuance of this No Further Remediation Letter ("Letter"), based on the certification of the Registered Professional Engineer, signifies that: (1) all statutory and regulatory corrective action requirements applicable to the occurrence have been complied with; (2) all corrective action concerning the occurrence has been completed; and (3) no further remediation concerning the occurrence is necessary for the protection of human health, safety and the environment. Pursuant to Section 57.10(d) of the Act, this Letter shall apply in favor of the following persons:

1. Thornton Oil Corporation;
2. The owner and operator of the UST(s);
3. Any parent corporation or subsidiary of the owner or operator of the UST(s);
4. Any co-owner or co-operator, either by joint-tenancy, right of survivorship, or any other party sharing a legal relationship with the owner or operator to whom the letter is issued;
5. Any holder of a beneficial interest of a land trust or inter vivos trust, whether revocable or irrevocable;
6. Any mortgagee or trustee of a deed of trust of the owner of the site or any assignee, transferee, or any successor-in-interest of the owner of the site;
7. Any successor-in-interest of such owner or operator;
8. Any transferee of such owner or operator whether the transfer was by sale, bankruptcy proceeding, partition, dissolution of marriage, settlement or adjudication of any civil action, charitable gift, or bequest; or
9. Any heir or devisee of such owner or operator.

This Letter, including all attachments, must be filed within 45 days of its receipt as a single instrument with the Office of the Recorder or Registrar of Titles in the County where the above-referenced site is located. This Letter shall not be effective until officially recorded by the Office of the Recorder or Registrar of Titles of the applicable County in accordance with Illinois law so that it forms a permanent part of the chain of title for the above-referenced property. Within 30 days of this Letter being recorded by the Office of the Recorder or Registrar of Titles of the applicable county, a certified copy of this Letter, as recorded, shall be obtained and submitted to the Illinois EPA. For recording purposes, it is recommended that the Leaking Underground Storage Tank Environmental Notice attached to this Letter be the first page of the instrument filed.

CONDITIONS AND TERMS OF APPROVAL

LEVEL OF REMEDIATION AND LAND USE LIMITATIONS

1. Remediation objectives for the above-referenced site described in the Leaking Underground Storage Tank Environmental Notice of this Letter were not established because the site is classified as "Low Priority" as identified in Section 57.7(b)(4) of the Environmental Protection Act and 35 Illinois Administrative Code Section 732.303(a).

2. As a result of the release from the underground storage tank(s) associated with the above-referenced incident, the site described in the attached Leaking Underground Storage Tank Environmental Notice of this Letter shall not be used in a manner inconsistent with the following land use limitation: The groundwater under the site shall not be used as a potable water supply.
3. The land use limitation specified in this Letter may be revised if:
 - a) Further investigation or remedial action has been conducted that documents the attainment of objectives appropriate for the new land use; and
 - b) A new Letter is obtained and recorded in accordance with Title XVII of the Act and regulations adopted thereunder.

PREVENTIVE, ENGINEERING, AND INSTITUTIONAL CONTROLS

4. Preventive: The groundwater under the site described in the attached Leaking Underground Storage Tank Environmental Notice of this Letter shall not be used as a potable supply of water.

Engineering: None.

Institutional: This Letter shall be recorded as a permanent part of the chain of title for the site described in the attached Leaking Underground Storage Tank Environmental Notice.

The ordinance(s) adopted and administered by the local unit of government that restricts the present and future use of groundwater in the City shall be monitored for any changes to these ordinance(s), that may affect the ability of these ordinance(s) to act as an institutional control.

5. Failure to establish, operate, and maintain controls in full compliance with the Environmental Protection Act, applicable regulations, and the approved corrective action plan may result in voidance of this Letter.

OTHER TERMS

6. Any contaminated soil or groundwater that is removed, excavated, or disturbed from the above-referenced site must be handled in accordance with all applicable laws and regulations.

8. Pursuant to Section 57.10(e) of the Act (415 ILCS 5/57.10(e)), should the Illinois EPA seek to void this Letter, the Illinois EPA shall provide notice to the current title holder and to the owner or operator at the last known address. The notice shall specify the cause for the voidance, explain the provisions for appeal, and describe the facts in support of this cause. Specific acts or omissions that may result in the voidance of this Letter include, but shall not be limited to:

- a) Any violation of institutional controls or industrial/commercial land use restrictions;
- b) The failure to operate and maintain preventive or engineering controls or to comply with any applicable groundwater monitoring plan;
- c) The disturbance or removal of contamination that has been left in-place in accordance with the Corrective Action Plan or Completion Report;
- d) The failure to comply with the recording requirements for the Letter;
- e) Obtaining the Letter by fraud or misrepresentation; or
- f) Subsequent discovery of contaminants, not identified as part of the investigative or remedial activities upon which the issuance of the Letter was based, that pose a threat to human health or the environment.

Within 35 days after the date of mailing of this final decision, the owner or operator may petition for a hearing before the Illinois Pollution Control Board (Board) to contest the decision of the Illinois EPA. (For information regarding the filing of an appeal, please contact the Board at 312/814-3620.) However, the 35-day period for petitioning for a hearing may be extended for a period of time not to exceed 90 days by written notice provided to the Board from the owner or operator and the Illinois EPA within the 35-day initial appeal period. (For information regarding the filing of an extension, please contact the Illinois EPA's Division of Legal Counsel at 217/782-5544.)
