Louisville, KY 40202

#### III. NOTIFICATION

Under the Illinois Environmental Protection Act, owners of real property may be held liable for costs related to the release of HERENGUUS MUSIERUS.

Section 22.2(f) \( \) The Act states:

"Notwithstanding any other provision or rule of law, and subject only to the defenses set forth in subsection (j) of this Section, the following persons shall be liable for all costs of removal or remedial action incurred by the State of Illinois as a result of a release or substantial threat of a release of a hazardous substance:

(1) The owner and operator of a facility or vessel from which there is a release or substantial threat of release of a hazardous

substance:

- (2) Any person who at the time of disposal, transport, storage or treatment of a hazardous substance owned or operated the facility or vessel used for such disposal, transport, treatment or storage from which there was a release or substantial threat of a release of any such
- (3) Any person who by contract, agreement, or otherwise has arranged with another party or entity for transport, storage, disposal or treatment of hazardous substances owned, controlly a or possessed by such person at a facility there is a release or substantial threat of a release of such hazardous substances; and
- (4) Any person who accepts or accepted any hazardes substances for transport to dispusal, storage or treatment facilities or sites from which there is a release or a substantial threat of a release of a hazardous substance."

2. Section 4(q) of the Act states:

"The Agency shall have the authority to provide notice to any terson who may be liable pursuant to Section 22.2(f) of this Act for a release or a substantial threat of a release of a hazardous substance. Such notice shall include the identified response action and an opportunity for such person to perform the response senion."

3. Section 22,2(k) of the Act states:

"If any person who is liable for a release or substantial threat of release of a hazardous substance fails without sufficient cause to provide removal or remedial action upon or in accordance with any order of the Board or any court, such person may be liable to the State for punitive damages ir, an I mount at least equal to, and not more than 3 times, the amount of any costs incurred by the State of Illinois as result of such failure to take such removal or remedial action. The punitive damage imposed by the Board shall be in addition to any costs recovered from such poisson pursuant to this Section and in addition to any other penalty or relief provided by this Act or any other law."

4. Section 22, 18(a) of the Act states:

"Notwithstanding any other provision or rule or law, except as provided otherwise in subsection (1), the owner or operator, or both, of an underground storage tank shall be liable for all costs of preventive action, corrective action and enforcement action incurred by the State of Illinois as a result of a release or a substantial threat of release of petroleum from an underground according mak."

5. The text of the statutes set out above is subject to change by amendment. Persons using this form may upone it to reflect changes in the text of the statutes cited, but no disclosure statement shall be invalid merely because it sets forth an obsolete of superseded version of such text.

#### IV. ENVIRONMENTAL INFORMATION

Resulatory Information During Current Ownership
1. Has the transferor ever conducted operations on the property which involved the generation, manutacture, processing, transportation, treatment, storage or handling of "hazardous substances", as defined by the Illinois Environmental Protection Act? This question shall not be applicable for consumer goods stored or handled by a retailer in the same form, approximate amount, concentration and manner as they are sold to consumers, provided that such retailer does not engage in any commercial mixing (other than paint mixing or unting of consumer sized containers). finishing, refinishing, servicing, or cleaning operations on the property. XX

Yes . No. 2. Has the transferor ever conducted operations on the property which involved the processing, storage or handling of petroleum, other than that which was associated directly with the transferor's vehicle usage?

Yes

3. Has the transferor ever conducted operations on the property which involved the generation, transportation, storage, treatment or disposal of "hazardous or special wastes", as defined by the federal Resource Conservation and Recovery Act and the Illinois Environ-

4. Are there any of the following specific units (operating or closed) at the property which are or wi	ere used by	the trans	feror to
