**False Statements.** Any warranty, representation or statement made or furnished to Lender by or on behalf of Borrower or any Grantor under this Agreement or the Related Documents is false or misleading in any material respect at the time made or furnished, or becomes false or misleading at any time thereafter.

**Defective Collateralization.** This Agreement or any of the Related Documents ceases to be in full force and effect (including failure of any collateral document to create a valid and perfected security interest or lien) at any time and for any reason.

**Death or Insolvency.** The death of Borrower or the dissolution or termination of Borrower's existence as a going business, the insolvency of Borrower, the appointment of a receiver for any part of Borrower's property, any assignment for the benefit of creditors, any type of creditor workout, or the commencement of any proceeding under any bankruptcy or insolvency laws by or against Borrower.

**Creditor or Forfeiture Proceedings.** Commencement of foreclosure or forfeiture proceedings, whether by judicial proceeding, self-help, repossession or any other method, by any creditor of Borrower, any creditor of any Grantor against any collateral securing the Indebtedness, or by any governmental agency. This includes a garnishment, attachment, or levy on or of any of Borrower's accounts, including deposit accounts, with Lender. However, this Event of Default shall not apply if there is a good faith dispute by Borrower or Grantor, as the case may be, as to the validity or reasonableness of the claim which is the basis of the creditor or forfeiture proceeding, and if Borrower or Grantor gives Lender written notice of the creditor or forfeiture proceeding and furnishes reserves or a surety bond for the creditor or forfeiture proceeding satisfactory to Lender.

**Events Affecting Guarantor.** Any of the preceding events occurs with respect to any Guarantor of any of the Indebtedness or any Guarantor dies or becomes incompetent, or revokes or disputes the validity of, or liability under, any Guaranty of the Indebtedness. Lender, at its option, may, but shall not be required to, permit the Guarantor's estate to assume unconditionally the obligations arising under the guaranty in a manner satisfactory to Lender, and, in doing so, cure the Event of Default.

**Adverse Change.** A material adverse change occurs in Borrower's financial condition, or Lender believes the prospect of payment or performance of the Indebtedness is impaired.

**Insecurity.** Lender, in good faith, deems itself insecure.

**Right to Cure.** If any default, other than a Default on Indebtedness, is curable and if Borrower or Grantor, as the case may be, has not been given a notice of a similar default within the preceding twelve (12) months, it may be cured (and no Event of Default will have occurred) if Borrower or Grantor, as the case may be, after receiving written notice from Lender demanding cure of such default: (a) cures the default within fifteen (15) days; or (b) if the cure requires more than fifteen (15) days, immediately initiates steps which Lender deems in Lender's sole discretion to be sufficient to cure the default and thereafter continues and completes all reasonable and necessary steps sufficient to produce compliance as soon as reasonably practical.

**Breach of Construction Contract.** The Improvements are not constructed in accordance with the Plans and Specifications or in accordance with the terms of the Construction Contract.

**Cessation of Construction.** Prior to the completion of construction of the Improvements and equipping of the Project, the construction of the Improvements or the equipping of the Project is abandoned or work thereon ceases for a period of more than ten (10) days for any reason, or the Improvements are not completed for purposes of final payment to the General Contractor prior to the completion date represented by Borrower to Lender, regardless of the reason for the delay.

**Transfer of Property.** Sale, transfer, hypothecation, assignment, or conveyance of the Property or the Improvements or any portion thereof or interest therein by Borrower or any Grantor without Lender's prior written consent.

**Condemnation.** All or any material portion of the Property is condemned, seized, or appropriated without compensation, and Borrower does not within thirty (30) days after such condemnation, seizure, or appropriation, initiate and diligently prosecute appropriate action to contest in good faith the validity of such condemnation, seizure, or appropriation.

**EFFECT OF AN EVENT OF DEFAULT; REMEDIES.** Upon the occurrence of any Event of Default and at any time thereafter, Lender may, at its option, but without any obligation to do so, and in addition to any other right Lender may have, do any one or more of the following without notice to Borrower: (a) Cancel this Agreement; (b) Institute appropriate proceedings to enforce the performance of this Agreement; (c) Withhold further disbursement of Loan Funds; (d) Expend funds necessary to remedy the default; (e) Take possession of the Property and continue construction of the Project; (f) Accelerate maturity of the Note and/or Indebtedness and demand payment of all sums due under the Note and/or Indebtedness; (g) Bring an action on the Note and/or Indebtedness; (h) Foreclose Lender's Mortgage or Deed of Trust, if any, on the Property in any manner available under law; and (i) Exercise any other right or remedy which it has under the Note or Related Documents, or which is otherwise available at law or in equity or by statute.

**COMPLETION OF IMPROVEMENTS BY LENDER.** If Lender takes possession of the Property, it may take any and all actions necessary in its judgment to complete construction of the Improvements, including but not limited to making changes in the Plans and Specifications, work, or materials and entering into, modifying or terminating any contractual arrangements, subject to Lender's right at any time to discontinue any work without liability. If Lender elects to complete the Improvements, it will not assume any liability to Borrower or to any other person for completing the Improvements or for the manner or quality of construction of the Improvements, and Borrower expressly waives any such liability. Borrower irrevocably appoints Lender as its attorney-in-fact, with full power of substitution, to complete the Improvements, at Lender's option, either in Borrower's name or in its own name. In any event, all sums expended by Lender in completing the construction of the Improvements will be considered to have been disbursed to Borrower and will be secured by the collateral for the Loan. Any such sums that cause the principal amount of the Loan to exceed the face amount of the Note will be considered to be an additional Loan to Borrower, bearing interest at the Note rate and being secured by the collateral. For these purposes, Borrower assigns to Lender all of its right, title and interest in and to the Project Documents; however Lender will not have any obligation under the Project Documents unless Lender expressly hereafter agrees to assume such obligations in writing. Lender will have the right to exercise any rights of Borrower under the Project Documents upon the occurrence of an Event of Default. All rights, powers, and remedies of Lender under this Agreement are cumulative and alternative, and are in addition to all rights which Lender may have under applicable law.
