WITHDRAWAL OF FILED NOTICE OF FEDERAL TAX LIEN

On January 21, 1999, a Notice of Federal Tax Lien, Document Number 99061681, was recorded with the Cook County Recorder of Deeds, Chicago, Illinois, against Kabayama Construction Inc., a Corporation, 1250 N. Central Park Avenue, Chicago, Illinois 60651-2213, Identifying Number [REDACTED].

The Notice of Federal Tax Lien was inadvertently filed in violation of the automatic stay imposed by 11 U.S.C. Section 362(a). Accordingly, that Notice of Federal Tax Lien is being withdrawn per the provisions of Section 6323 (j) of the Internal Revenue Code.

This notification does not release the lien imposed by IRC Section 6321 and does not discharge the taxpayer named above from liability for the unpaid assessments on the notice of Federal Tax Lien.

Bankruptcy Code Section 349(b) provides for the reinstatement of the Notice of Federal Tax Lien in the event of dismissal of the bankruptcy case.
