"Current Index" means the most recent Index figure available 30 days before the Change Date. If the Index (as defined above) is no longer available, Lender will use as a new Index any index prescribed by the Secretary (as defined in Paragraph 7(B)). Lender will give Borrower notice of the new Index.

#### (C) Calculation of Interest Rate Changes

Before each Change Date, Lender will calculate a new interest rate by adding a margin of **TWO AND THREE-FOURTHS** percentage point(s) (**2.750 %**) to the Current Index and rounding the sum to the nearest one-eighth of one percentage point (0.125%). Subject to the limits stated in Paragraph 5(D) of this Note, this rounded amount will be the new interest rate until the next Change Date.

#### (D) Limits on Interest Rate Changes

The existing interest rate will never increase or decrease by more than one percentage point (1.0%) on any single Change Date. The interest rate will never be more than five percentage points (5.0%) higher or lower than the initial interest rate stated in Paragraph 2 of this Note.

#### (E) Calculation of Payment Change

If the interest rate changes on a Change Date, Lender will calculate the amount of monthly payment of principal and interest which would be necessary to repay the unpaid principal balance in full at the Maturity Date at the new interest rate through substantially equal payments. In making such calculation, Lender will use the unpaid principal balance which would be owed on the Change Date if there had been no default in payment on the Note, reduced by the amount of any prepayments to principal. The result of this calculation will be the amount of the new monthly payment of principal and interest.

#### (F) Notice of Changes

Lender will give notice to Borrower of any change in the interest rate and monthly payment amount. The notice must be given at least 25 days before the new monthly payment amount is due, and must set forth (i) the date of the notice, (ii) the Change Date, (iii) the old interest rate, (iv) the new interest rate, (v) the new monthly payment amount, (vi) the Current Index and the date it was published, (vii) the method of calculating the change in monthly payment amount, and (viii) any other information which may be required by law from time to time.

#### (G) Effective Date of Changes

A new interest rate calculated in accordance with Paragraphs 5(C) and 5(D) of this Note will become effective on the Change Date. Borrower shall make a payment in the new monthly amount beginning on the first payment date which occurs at least 25 days after Lender has given Borrower the notice of change required by Paragraph 5(F) of this Note. Borrower shall have no obligation to pay any increase in the monthly payment amount calculated in accordance with Paragraph 5(E) of this Note for any payment date occurring less than 25 days after Lender has given the required notice. If the monthly payment amount calculated in accordance with Paragraph 5(E) of this Note decreased, but Lender failed to give timely notice of the decrease and Borrower made any monthly payment amounts exceeding the payment amount which should have been stated in a timely notice, then Borrower has the option to either (i) demand the return to Borrower of any excess payment, with interest thereon at the Note rate (a rate equal to the interest rate which should have been stated in a timely notice), or (ii) request that any excess payment, with interest thereon at the Note rate, be applied as payment of principal. Lender's obligation to return any excess payment with interest on demand is not assignable even if this Note is otherwise assigned before the demand for return is made.

## 6. BORROWER'S RIGHT TO PREPAY

Borrower has the right to pay the debt evidenced by this Note, in whole or in part, without charge or penalty, on the first day of any month. Lender shall accept prepayment on other days provided that Borrower pays interest on the amount prepaid for the remainder of the month to the extent required by Lender and permitted by regulations of the Secretary. If Borrower makes a partial prepayment, there will be no changes in the due date or in the amount of the monthly payment unless Lender agrees in writing to those changes.

## 7. BORROWER'S FAILURE TO PAY

#### (A) Late Charge for Overdue Payments

If Lender has not received the full monthly payment required by the Security Instrument, as described in Paragraph 4(C) of this Note, by the end of fifteen calendar days after the payment is due, Lender may collect a late charge in the amount of **Four** percent (**4.00 %**) of the overdue amount of each payment.

#### (B) Default

If Borrower defaults by failing to pay in full any monthly payment, then Lender may, except as limited by regulations of the Secretary in the case of payment defaults, require immediate payment in full of the principal balance remaining due and all

Borrower shall also be in default if Borrower, during the loan application process, gave materially false or inaccurate information or statements to Lender (or failed to provide Lender with any material information) in connection with the loan evidenced by the Note, including, but not limited to, representations concerning Borrower's occupancy of the Property as a principal residence. If this Security Instrument is on a leasehold, Borrower shall comply with the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and fee title shall not be merged unless Lender agrees to the merger in writing.

**6. Condemnation.** The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in place of condemnation, are hereby assigned and shall be paid to Lender to the extent of the full amount of the indebtedness that remains unpaid under the Note and this Security Instrument. Lender shall apply such proceeds to the reduction of the indebtedness under the Note and this Security Instrument, first to any delinquent amounts applied in the order provided in paragraph 3, and then to prepayment of principal. Any application of the proceeds to the principal shall not extend or postpone the due date of the monthly payments, which are referred to in paragraph 2, or change the amount of such payments. Any excess proceeds over an amount required to pay all outstanding indebtedness under the Note and this Security Instrument shall be paid to the entity legally entitled thereto.

**7. Charges to Borrower and Protection of Lender's Rights in the Property.** Borrower shall pay all governmental or municipal charges, fines and impositions that are not included in paragraph 2. Borrower shall pay these obligations on time directly to the entity which is owed the payment. If failure to pay would adversely affect Lender's interest in the Property, upon Lender's request Borrower shall promptly furnish to Lender receipts evidencing these payments.

If Borrower fails to make these payments or the payments required by paragraph 2, or fails to perform any other covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, for condemnation or to enforce laws or regulations), then Lender may do and pay whatever is necessary to protect the value of the Property and Lender's rights in the Property, including payment of taxes, hazard insurance and other items mentioned in paragraph 2.

Any amounts disbursed by Lender under this paragraph shall become an additional debt of Borrower and be secured by this Security Instrument. These amounts shall bear interest from the date of disbursement, at the Note rate, and at the option of Lender, shall be immediately due and payable.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (b) contests in good faith the lien by, or defends against enforcement of the lien in, legal proceedings which in the Lender's opinion operate to prevent the enforcement of the lien; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within 10 days of the giving of notice.

**8. Fees.** Lender may collect fees and charges authorized by the Secretary.

**9. Grounds for Acceleration of Debt.**

(a) **Default.** Lender may, except as limited by regulations issued by the Secretary, in the case of payment defaults, require immediate payment in full of all sums secured by this Security Instrument if:

- (i) Borrower defaults by failing to pay in full any monthly payment required by this Security Instrument prior to or on the due date of the next monthly payment, or
- (ii) Borrower defaults by failing, for a period of thirty days, to perform any other obligations contained in this Security Instrument.

(b) **Sale Without Credit Approval.** Lender shall, if permitted by applicable law (including Section 341(d) of the Garn-St. Germain Depository Institutions Act of 1982, 12 U.S.C. 1701j-3(d)) and with the prior approval of the Secretary, require immediate payment in full of all sums secured by this Security Instrument if:

5. Occupancy, Preservation, Maintenance and Protection of the Property; Borrower's Loan Application; Leasesholds. Borrower shall occupy, establish, and use the Property as Borrower's principal residence within sixty days after the execution of this Security Instrument (or within sixty days of a later sale or transfer of the Property) and shall continue to occupy the Property as Borrower's principal residence for at least one year after the date of occupancy unless Lessees determine that reoccupation will result in undue hardship for Borrower, or unless circumstances exist which are beyond Borrower's control. Borrower shall notify Lender of any encroaching circumstances within ten days of becoming aware of such circumstances. Borrower shall not commit waste or destroy, damage or substantially change the Property if the Property is vacant or the loan is repossessed or abandoned. Lender may inspect the Property if the Property is vacant or the loan is repossessed or abandoned. Lender may take reasonable action to protect and preserve such vacant or abandoned Property.

In the event of foreclosure of this Security Instrument or other transfer of title to the Property that extinguishes the indebtedness, all right, title and interest of Borrower in and to insurance policies in force shall pass to the purchaser.

In the event of loss, Borrower shall give Lender immediate notice by mail. Lender may make proof of loss if not made promptly by Borrower. Each insurance company so accrued is hereby authorized and directed to make payment for such loss directly to Lender, instead of to Borrower and to Lender jointly. All or any part of the insurance proceeds may be applied by Lender, at its option, either (a) to the reduction of the indebtedness under the Note and Security Instruments, first to any delinquent amounts applied in the order in Paragraph 3, and then to preparation of principal, or (b) to the restoration or repair of the damaged Property. Any application of the proceeds to the principal shall not exceed the amount of the monthly payments which are referred to in Paragraph 2, or change the amount of such payments. Any excess insurance proceeds over an amount required to pay all outstanding indebtedness under the Note and this Security Instrument shall be paid to the entity legally entitled thereto.

4. Fire, Flood and Other Hazard Insurance. Borrower shall insure all improvements on the Property, whether now in existence or subsequently erected, against any hazards, casualties, contingencies, including fire, for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. Lender shall be held harmless from any loss resulting from damage to the Property by fire or other causes, except as provided in the policy. The insurance policies shall be issued by companies approved by Lender.

Second, to the taxes, special assessments or profound rents and fire, flood and other hazard

The Escrow Funds are pledged as additional security for all sums secured by this Security Instrument. If Borrower tends to Lender the full payment of all such sums, Borrower's account shall be credited with the balance remaining for Lender to pay to the Secretery, and Lender shall promply refund any excess funds to Borrower. Immediatly prior to a foreclosure sale of the Property or its acquisition by Lender, Borrower's account shall be credited with any balance remaining for all instalments for items (a), (b), and (c).

If the amounts held by Lender for Escrow items exceed the amounts permitted to be held by RESPA, Lender shall account to Borrower for the excess funds as required by RESPA. If the amounts of funds held by Lender at any time are not sufficient to pay the Escrow items when due, Lender may notify the Borrower and require Borrower to make up the shortage as permitted by RESPA.

**13. Notices.** Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

**14. Governing Law; Severability.** This Security Instrument shall be governed by Federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

**15. Borrower's Copy.** Borrower shall be given one conformed copy of the Note and of this Security Instrument.

**16. Hazardous Substances.** Borrower shall not cause or permit the presence, use, disposal, storage, or release of any Hazardous Substances on or in the Property. Borrower shall not do, nor allow anyone else to do, anything affecting the Property that is in violation of any Environmental Law. The preceding two sentences shall not apply to the presence, use, or storage on the Property of small quantities of Hazardous Substances that are generally recognized to be appropriate to normal residential uses and to maintenance of the Property.

Borrower shall promptly give Lender written notice of any investigation, claim, demand, lawsuit or other action by any governmental or regulatory agency or private party involving the Property and any Hazardous Substance or Environmental Law of which Borrower has actual knowledge. If Borrower learns, or is notified by any governmental or regulatory authority, that any removal or other remediation of any Hazardous Substances affecting the Property is necessary, Borrower shall promptly take all necessary remedial actions in accordance with Environmental Law.

As used in this paragraph 16, "Hazardous Substances" are those substances defined as toxic or hazardous substances by Environmental Law and the following substances: gasoline, kerosene, other flammable or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials. As used in this paragraph 16, "Environmental Law" means federal laws and laws of the jurisdiction where the Property is located that relate to health, safety or environmental protection.

**NON-UNIFORM COVENANTS.** Borrower and Lender further covenant and agree as follows:

**17. Assignment of Rents.** Borrower unconditionally assigns and transfers to Lender all the rents and revenues of the Property. Borrower authorizes Lender or Lender's agents to collect the rents and revenues and hereby directs each tenant of the Property to pay the rents to Lender or Lender's agents. However, prior to Lender's notice to Borrower of Borrower's breach of any covenant or agreement in the Security Instrument, Borrower shall collect and receive all rents and revenues of the Property as trustee for the benefit of Lender and Borrower. This assignment of rents constitutes an absolute assignment and not an assignment for additional security only.

If Lender gives notice of breach to Borrower: (a) all rents received by Borrower shall be held by Borrower as trustee for benefit of Lender only, to be applied to the sums secured by the Security Instrument; (b) Lender shall be entitled to collect and receive all of the rents of the Property; and (c) each tenant of the Property shall pay all rents due and unpaid to Lender or Lender's agent on Lender's written demand to the tenant.

Borrower has not executed any prior assignment of the rents and has not and will not perform any act that would prevent Lender from exercising its rights under this paragraph 17.

Lender shall not be required to enter upon, take control of or maintain the Property before or after giving notice of breach to Borrower. However, Lender or a judicially appointed receiver may do so at any time there is a breach. Any application of rents shall not cure or waive any default or invalidate any other right or remedy of Lender. This assignment of rents of the Property shall terminate when the debt secured by the Security Instrument is paid in full.

A new interest rate calculated in accordance with Paragraphs (c) and (D) of this Rider will become effective on the Change Date. Borrower shall make a payment in the new monthly amount beginning on the first payment date which occurs at least 25 days after Lender has given Borrower the notice of changes required by Paragraph (F) of this Rider. Borrower shall have no obligation to pay any increase in the monthly payment amount calculated in accordance with Paragraph (E) of this Rider for any payment date occurring less than 25 days after Lender has given the required notice. If the monthly payment calculated in accordance with Paragraph (E) of this Rider is reduced to give timely notice of the decrease and Borrower made any monthly payment exceeding the payment amount which should have been stated in a timely notice, then Borrower has the option to either (i) demand the return to Borrower of any excess payment, with interest thereon at the Note rate (a rate equal to the interest rate which has been applied as payment of principal. Lender's obligation to return any excess payment which interest on demand is not assignable even if the Note is otherwise assigned before the demand for return is made.

(G) Effective Date of Changes

Lender will give notice to Borrower of any change in the interest rate and monthly payment amount. The notice must be given at least 25 days before the new monthly payment amount is due, and must set forth (i) the date of the notice, (ii) the Change Date, (iii) the old interest rate, (iv) the new interest rate, (v) the new monthly payment amount, (vi) the Current Index and the day it was published, (vii) the method of calculating monthly payment amount, and (viii) any other information which may be required by law from time to time.

#### (E) Notice of Changes

If the interest rate which is paid be necessary to repay the unpaid principal balance in full at the maturity date at the new interest rate which subsistantially equal payments. In making such calculation, Lennder will use the unpaid principal balance which would be owed on the Change Date if there had been no default in payment on the Note, reduced by the amount of any prepayments to principal. The result of this calculation will be the amount of the new monthly payment or principal and interest.

#### (E) Calculation of Payment Change

The excess interest rate will never increase or decrease by more than one percentage point (1.0%) on any single Curing Date. The interest rate will never be more than five percentage points (5.0%) higher or lower than the initial interest rate, as stated in Paragraph 2 of the Note.

(D) Effects of interest rate changes

(2.750 Per centage points) % to the Current Index and rounding the sum to the nearest one-eighth of one percentage point (0.125%). Subject to the limits stated in paragraph (D) of this Rider, this rounded amount will be the new interest rate until the next Change Date.

TWO AND THREE-FOURTHS

Before each Change Date Lender will calculate a new interest rate by adding a margin of

accrued interest. Lender may choose not to exercise this option without waiving its rights in the event of any subsequent default. This Note does not authorize acceleration when not permitted by HUD regulations. As used in this Note, "Secretary" means the Secretary of Housing and Urban Development or his or her designee.

## (C) Payment of Costs and Expenses

If Lender has required immediate payment in full, as described above, Lender may require Borrower to pay costs and expenses including reasonable and customary attorneys' fees for enforcing this Note to the extent not prohibited by applicable law. Such fees and costs shall bear interest from the date of disbursement at the same rate as the principal of this Note.

## 8. WAIVERS

Borrower and any other person who has obligations under this Note waive the rights of presentment and notice of dishonor. "Presentment" means the right to require Lender to demand payment of amounts due. "Notice of dishonor" means the right to require Lender to give notice to other persons that amounts due have not been paid.

## 9. GIVING OF NOTICES

Unless applicable law requires a different method, any notice that must be given to Borrower under this Note will be given by delivering it or by mailing it by first class mail to Borrower at the property address above or at a different address if Borrower has given Lender a notice of Borrower's different address.

Any notice that must be given to Lender under this Note will be given by first class mail to Lender at the address stated in Paragraph 4(B) or at a different address if Borrower is given a notice of that different address.

FHA Case No.

131:9765200- 734

THIS CONDOMINIUM RIDER is made this 2nd day of April,

and (ii) Borrower's obligation under Paragraph 4 of this Security Instrument to maintain hazard insurance coverage on the Property as provided by the Owner's Association policy. Borrower shall give Lender prompt notice of any lapse in required hazard insurance coverage and of any loss occurring from a hazard.
