Such Future Advances, with interest thereon, shall be secured by this Mortgage when evidenced by promissory notes stating that said notes are secured hereby. At no time shall the principal amount of the indebtedness secured by this Mortgage, not including sums advanced in accordance herewith to protect the security of this Mortgage, exceed the original amount of the Note plus **57,400.00**

(31) Notice to Borrower. Any notice to the Borrower provided for in the note or Mortgage shall be deemed given when it is deposited in the United States mail, postage prepaid, addressed to the Borrower at the address of the Borrower as it appears in Lender's records pertaining to the loan evidenced by the note at the time notice is given.

(32) General Provisions. (a) This Mortgage applies to, insures to the benefit of, and binds, all parties hereto, their heirs, legatees, devisees, administrators, executors, successors and assigns. (b) The term "Lender" shall mean the owner and holder (including a pledgee) of any note secured hereby, whether or not named as Lender herein. (c) Wherever the context so requires, the masculine gender includes the feminine and neuter, the singular number includes the plural, and vice versa. (d) Captions and paragraph headings used herein are for convenience only, are not a part of this agreement and shall not be used in construing it.

(33) Adjustable Rate Mortgage Provisions. Paragraphs 2 and 8 of the promissory note which this Mortgage secures are set forth below and incorporated herein:

"2. I agree that the interest rate on this Note will be adjusted on each Interest Rate Adjustment Date, as defined below, to be equal, following such date until the next Interest Rate Adjustment Date, to the sum of (i) the most recently available monthly weighted average cost of funds of members of the Federal Home Loan Bank of San Francisco, as computed from statistics tabulated and published by the Federal Home Loan Bank of San Francisco (such monthly weighted average cost of funds being hereafter referred to as the "Index"); plus (ii) **2.500** percentage points.

(a) Interest Rate Adjustments. Changes in the interest on this Note will become effective commencing on **MAY 20, 1986**, and on the same date of each month thereafter, each of which dates is called an "Interest Rate Adjustment Date". No adjustment to the interest rate on any Interest Rate Adjustment Date shall result in an interest rate that is greater than **15.250** % per annum or less than **5.250** % per annum, provided, that following the sale or transfer of the real property described in the Mortgage identified below that occurs subsequent to **MAY 20, 1986**, adjustments to the interest rate on any subsequent Interest Rate Adjustment Date shall not result in an interest rate that is more than 7 percentage points greater or less than the interest rate in effect at the time of such sale or transfer.

(b) Payment Adjustments. The monthly payment amount shall be adjusted on **DECEMBER 20, 1986** and on the same date each **12th** month thereafter, each of which dates is called a "Payment Adjustment Date". If an interest rate change has been made on an Interest Rate Adjustment Date, the amount of the regular monthly principal and interest payments will be adjusted on the next Payment Adjustment Date so as to be sufficient to amortize the remaining principal balance as of the Due Date. Except as provided below, during the 12-month period following the date of this first monthly payment and during each 12-month period thereafter (each of which 12-month period is called a "Loan Year") no increase or decrease in a monthly payment will be greater than 7½% of (i) the amount of the first regular monthly payment in the case of the first Loan Year, or (ii) the amount of the last regularly scheduled payment of the immediately preceding Loan Year in the case of each Loan Year after the first Loan Year.

(c) Principal Balance Adjustments. Any adjustment to the interest rate results in a monthly payment being less than the amount of interest accrued for a month either because of an interest rate adjustment or because of the 7½% limitation on increases or decreases in the monthly payment amount, such accrued but unpaid interest will be added monthly to the unpaid principal balance and will thereafter bear interest at the interest rate that is from time to time payable on this Note. Notwithstanding any other provisions of this Note, including the 7½% limitation contained in the preceding sub-

paragraph (b), commencing on **DECEMBER 20, 1990** and on the same date every five years thereafter, the amount of the regular monthly principal and interest payments on this Note will be adjusted to be sufficient so as to amortize the remaining principal balance as of the Due Date at the then current rate of interest if such interest were to continue in effect until the Due Date.

(d) Waiver of Increases. Interest rate increases on such Interest Rate Adjustment Dates are at the holder's option, but if the holder does not invoke a permissible interest rate increase in whole or in part, this will not constitute a waiver of the holder's right later to invoke such an increase, subject to the other provisions of this Note.

(e) Alternative Index. If, at any time during the term of this Note, the Index is no longer available or is otherwise unpublished, the holder may select an alternative published index over which the holder has no control, in which case such alternative index will become the Index provided in paragraph 2 of this Note. Holder shall next determine the adjustment to the loan factor provided in paragraph 2 of this Note based upon the value of the substituted index as of the last preceding Interest Rate Adjustment Date on which the prior Index was available or the date of this Note, whichever occurs later, such that the sum of the substituted index and the adjusted loan factor equal the sum of the prior Index and the loan factor set forth in paragraph 2 of this Note as of such date. The most recent value of the substituted index, as announced from time to time, and such adjusted loan factor shall become the Index and the loan factor for purposes of paragraph 2 of this Note.

(f) Notices. Notices of any change in the interest rate or amount of the regular monthly installment shall be deemed given by the holder when deposited in the United States mail, postage prepaid, addressed to the maker, or, to the persons shown on the holder's records as transferees at the time of giving notice."

"8. The principal amount due on this Note may be prepaid in whole or in part, at any time."
