2. Grantors shall pay before any penalty attaches all general taxes, and shall pay special taxes, special assessments, water charges, sewer service charges, and other charges against the premises when due, and shall, upon written request, furnish to Trustee or to Beneficiary duplicate receipts therefor. 3. Grantors shall keep all buildings and improvements now or hereafter situated on said premises insured against loss or damage by fire, lightning or windstorm under policies providing for payment by the insurance companies of money sufficient either to pay the cost of replacing or repairing the same or to pay in full the indebtedness secured hereby, all in companies satisfactory to the Beneficiary, under insurance policies payable, in case of loss or damage, to Trustee for the benefit of the Beneficiary, such rights to be evidenced by the standard mortgage clause to be attached to each policy, and shall deliver all policies, including additional and renewal policies, to Beneficiary, and in case of insurance about to expire, shall deliver renewal policies not less than ten days prior to the respective dates of expiration.

4. In case of default herein, Trustee or Beneficiary may, but need not, make any payment or perform any act hereinbefore required of Grantors in any form and manner deemed expedient, and may, but need not, make full or partial payments of principal or interest on prior encumbrances, if any, and purchase, discharge, remove, settle any tax lien or other prior lien or title or claim thereto, or redeem from any tax sale or forfeiture affecting said premises or cancel any tax or prior lien or title or claim thereto, or settle any tax lien or other prior lien or title or claim thereto, or redeem from any tax sale or forfeiture affecting said premises or cancel any tax or assessment. All money paid for any of the purposes herein authorized and all expenses paid or incurred in connection therewith, including attorney's fees, and any other money advanced by Trustee or Beneficiary to protect the mortgaged premises and the lien hereof, shall be so much additional indebtedness secured hereby and shall become immediately due and payable without notice and with interest thereon at the annual percentage rate stated in the Loan Agreement this Trust Deed secures. Inaction of Trustee or Beneficiary shall never be considered as a waiver of any right accruing to them on account of any default hereunder on the part of Grantors.

5. The Trustee or Beneficiary hereby secured making any payment hereby authorized relating to taxes or assessments, may do so according to any bill, statement or estimate procured from the appropriate public office without inquiry into the accuracy of such bill, statement or estimate or into the validity of any tax or assessment, sale, forfeiture, tax lien or title or claim thereto.

6. Grantors shall pay each item of indebtedness herein mentioned, both principal and interest, when due according to the terms hereof. At the option of Beneficiary, and without notice to Grantors, all unpaid indebtedness secured by this Trust Deed shall, notwithstanding anything in the Loan Agreement or in this Trust Deed to the contrary, become due and payable (a) immediately in the case of default in making payment of any installment on the Loan Agreement, or (b) when default shall occur and continue for three days in the performance of any other agreement of the Grantors herein contained, or (c) immediately if all or part of the premises are sold or transferred by the Grantors without Beneficiary's prior written consent.

7. When the indebtedness hereby secured shall become due whether by acceleration or otherwise, Beneficiary or Trustee shall have the right to foreclose the lien hereof. In any suit to foreclose the lien hereof, there shall be allowed and included as additional indebtedness in the decree for sale all expenditures and expenses which may be paid or incurred by or on behalf of Trustee or Beneficiary for attorney's fees, Trustee's fees, appraisers' fees, outlay for documentary and expert evidence, stenographers' charges, publication costs and costs (which may be estimated as to items to be expended after entry of the decree of procuring all such documents of title, title searches and examinations, guarantees, policies, Torrens certificates, and similar data and assurances with respect to title as Trustee or Beneficiary may deem to be reasonably necessary either to prosecute such suit or to evidence to bidders at any sale which may be had pursuant to such decree the true condition of the title or the value of the premises. All expenditures and expenses of the kind in this paragraph mentioned shall become so much additional indebtedness secured hereby and immediately due and payable, with interest thereon at the annual percentage rate stated in the Loan Agreement this Trust Deed secures, when paid or incurred by Trustee or Beneficiary in connection with (a) any proceeding, including probate and bankruptcy proceedings, to which either of them shall be a party, either as plaintiff, claimant or defendant, by reason of this trust deed or any indebtedness hereby secured; or (b) preparations for the commencement of my suit for the foreclosure hereof after accrual of such suit; (c) to foreclose whether or not actually commenced; or (c) preparations for the defense of any threatened suit or proceeding which might affect the premises or the security hereof, whether or not actually commenced.

8. The proceeds of any foreclosure sale of the premises shall be distributed and applied in the following order of priority: First, on account of all costs and expenses incident to the foreclosure proceedings, including all such items as are mentioned in the preceding paragraph hereof; second, all other items which under the terms hereof constitute secured indebtedness additional to that evidenced by the Loan Agreement, with interest thereon as herein provided; third, all principal and interest remaining unpaid on the note; fourth, any surplus to Grantors, their heirs, legal representatives or assigns, as their rights may appear.

9. Upon, or at any time after the filing of a bill to foreclose this trust deed, the court in which such bill is filed may appoint a receiver of said premises. Such appointment may be made either before or after sale, without notice, without regard to the insolvency or insolvency of Grantors at the time of application for such receiver and without regard to the then value of the premises or whether the same shall be then occupied as a homestead or not and the Trustee hereunder may appoint such a receiver. Such receiver shall have the power to collect the rents, issues and profits of said premises during the pendency of such foreclosure suit and, in case of a sale and deficiency, during the full statutory period of redemption, whether then be redemption or not, as well as during any further times when Grantors, except for the intervention of such receiver, would be entitled to collect such rents, issues and profits, and all other powers which may be necessary or are usual in such cases for the protection, possession, control, management and operation of the premises during the whole of said period. The Court from time to time may authorize the receiver to apply the net income in his hands to payment in whole or in part of: (1) The indebtedness secured hereby, or by any decree foreclosing this Trust Deed, or (2) special assessment or other lien which may here become superior to the lien hereof or of such decree, provided such application is made prior to foreclosure sale; (2) the deficiency in case of a sale and deficiency.

10. The Trustee or Beneficiary has the option to demand that the balance due on the note secured by this trust deed be paid in full on the third anniversary of the loan date of the loan and annually on each subsequent anniversary date. If the option is exercised, Grantors shall be given written notice of the election at least 90 days before payment in full is due. If payment is not made when due, Trustee or Beneficiary has the right to exercise any remedies permitted under this trust deed.

11. No action for the enforcement of the lien or of any provision hereof shall be subject to any defense which would not be good and available to the party interposing same in an action at law upon the note hereby secured.

12. Trustee or Beneficiary shall have the right to inspect the premises at all reasonable times and access thereto shall be permitted for that purpose.

13. Trustee has no duty to examine the title, location, existence, or condition of the premises, nor shall Trustee be obligated to record this trust deed or to exercise any power herein given unless expressly obligated by the terms hereof, nor be liable for any acts or omissions hereunder, except in case of gross negligence, or misconduct and Trustee may require indemnities satisfactory to Trustee before exercising any power herein given.

14. Upon presentation of satisfactory evidence that all indebtedness secured by this Trust Deed has been fully paid, either before or after maturity, the Trustee shall have full authority to release this trust deed, the lien hereof, by proper instrument.

15. In case of the resignation, inability or refusal to act of Trustee, the Beneficiary shall have the authority to appoint a Successor in Trust. Any Successor in Trust hereunder shall have the identical title, powers and authority as are herein given to Trustee.

16. This Trust Deed and all provisions hereof, shall extend to and be binding upon Grantors and all persons claiming under or through Grantors, and the word "Grantors" when used herein shall include all such persons and all persons liable for the payment of the indebtedness or any part thereof, whether or not such person shall have executed the Loan Agreement or this Trust Deed. If Lender required mortgage insurance as a condition of making the loan secured by this Security Instrument, Borrower shall pay the premiums required to maintain the insurance in effect until such time as the requirement for the insurance terminates in accordance with Borrower's and Lender's written agreement or applicable law.

8. Inspection. Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give Borrower notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

9. Condemnation. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condemnor offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of such payments.

10. Borrower Not Released; Forbearance By Lender Not a Waiver. Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

11. Successors and Assigns Board; Joint and Several Liability; Co-signers. The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 17. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey that Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without that Borrower's consent.

12. Loan Charges. If the loan secured by this Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.

13. Legislation Affecting Lender's Rights. If enactment or expiration of applicable laws has the effect of rendering any provision of the Note or this Security Instrument unenforceable according to its terms, Lender, at its option, may require immediate payment in full of all sums secured by this Security Instrument and may invoke any remedies permitted by paragraph 19. If Lender exercises this option, Lender shall take the steps specified in the second paragraph of paragraph 17.

14. Notices. Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

15. Governing Law; Severability. This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

16. Borrower's Copy. Borrower shall be given one conformed copy of the Note and of this Security Instrument.

17. Transfer of the Property or a Beneficial Interest In Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

18. Borrower's Right to Reinstate. If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earlier of: (a) 5 days (or such other period as applicable law may specify for reinstatement) before sale of the Property pursuant to any power of sale contained in this Security Instrument; or (b) entry of a judgment enforcing this Security Instrument. Those conditions are that Borrower: (a) pays Lender all sums which then would be due under this Security Instrument and the Note had no acceleration occurred; (b) cures any default of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees; and (d) takes such action as Lender may reasonably require to assure that the lien of this Security Instrument, Lender's rights in the Property and Borrower's obligation to pay the sums secured by this Security Instrument shall continue unchanged. Upon reinstatement by Borrower, this Security Instrument and the obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under paragraphs 13 or 17.
