(B) **Line of Credit Loan.** This Mortgage secures a Line of Credit Loan Agreement. Borrower will enjoy access to that Line of Credit during the first one hundred twenty-one (121) Billing Cycles assigned to Borrower's Account. Each Billing Cycle will be approximately one month. (Borrower's initial Billing Cycle may be less than one month.) The Revolving Line of Credit Term of the Agreement is therefore approximately ten (10) years long. Borrower agrees to repay the principal amount of the Loans advanced during the Revolving line of Credit Term of the Agreement during the twenty (20) years commencing at the close of the Revolving Line of Credit Term. This repayment term is referred to herein and in the Agreement as the Closed-End Repayment Term. The total term of the Agreement secured by this Mortgage is therefore approximately thirty (30) years.

(C) **Agreed Periodic Payments.** During the Revolving Line of Credit Term and for the one hundred twenty-first (121st) Billing Cycle, Borrower agrees to pay on or before the payment due date shown on each periodic Billing Statement the Minimum Payment Due for that Billing Cycle. The minimum payment due is the sum of the following charges accrued or incurred in the Billing Cycle: (1) Finance Charges; (2) premiums for Optional Credit Life and/or Disability Insurance; (3) the Annual Fee; (4) all other fees and charges incurred pursuant to the Agreement except fees and charges charged to Borrower's Account at the inception of the Agreement as permitted by Paragraphs 11(B) and (C) of the Agreement; (5) principal necessary to reduce the Outstanding Balance of Borrower's account to Borrower's Credit Limit; and (6) any past due payments. The payment due date for each Billing Cycle is approximately twenty-five (25) days after the close of the Billing Cycle. During the Closed-end Repayment Term, Borrower agrees to pay on or before the payment due date shown on each Periodic Billing Statement a minimum payment due computed in the same way as above, plus 1/240th of Borrower's initial Closed-End Principal Balance (The Principal Balance Due from Borrower to Lender at the end of the Revolving Line of Credit Term).

(D) **Interest During the Revolving Line of Credit Term.** Borrower agrees to pay interest (a "Finance Charge") on the Outstanding Principal Balance of Borrower's Equity Source Account during the Revolving Line of Credit Term as determined by the Agreement.

The rate of interest ("Annual Percentage Rate") will be determined and will vary based upon a "Reference Rate". This Reference Rate shall be the prime rate of interest as published in the Money Rates Section of the Wall Street Journal on the first business day of each month, regardless of when such rates were quoted by the Commercial Banks to the Wall Street Journal. If any such Reference Rate includes the prime rate or base rate of interest quoted by Citibank, N.A., the Reference rate, if necessary, will be adjusted to negate such inclusion. The Reference Rate is defined by the Wall Street Journal as the base rate on corporate loans at large U.S. Money Center Commercial Banks. In the event more than one Reference Rate is published by the Wall Street Journal for any applicable day, the lowest rate so published shall apply (unless the lowest rate is due solely to a rate quoted by Citibank, N.A. for such applicable day, in which event the next lowest rate shall apply). In the event such a Reference Rate ceases to be published by the Wall Street Journal, the Reference Rate shall be the average of the quoted base rates on Corporate Loans at the five largest National Banks in the United States, measured by total of assets, such measurement to be taken annually on the last business day of each preceding calendar year. At no time will Citibank, N.A. be considered one of the five National Banks. In the event such Banks cease to quote a base rate, Citicorp will select a comparable Reference Rate outside its control and readily verifiable by Borrower.

The Reference Rate so determined shall be effective for any Billing Cycle that begins in that month. However, the Reference Rate effective for Borrower's initial Billing Cycle shall be determined in one of two ways. If Borrower's initial Billing Cycle Billing Date occurs in the same month as the effective date of this Agreement, the Reference Rate shall be the one determined on the first business day of the preceding month. If Borrower's initial Billing Cycle Billing Date occurs in the month after the effective date of this Agreement, the Reference Rate shall be the one determined on the first business day of the month in which the effective date of this Agreement occurs.

Borrower rate of interest ("Annual Percentage Rate") shall be the Reference Rate plus a "Margin" of ONE AND 1/2 percent (1.25%) for the applicable Billing Cycle.

Finance Charges will be assessed on a daily basis by applying the Daily Periodic Rate (the "Daily Periodic Rate" is the Annual Percentage Rate applicable to that Billing Cycle, divided by 365) to the Daily Principal Balance on Borrower's Equity Source Account for each day of the Billing Cycle in which there is an Outstanding Principal Balance.

(E) **Interest During the Closed-End Repayment Term.** Borrower agrees to pay interest (a "Finance Charge") during the Closed-End Term on the Outstanding Principal Balance of Borrower's Equity Source Account which has not been paid beginning on the day after the Conversion Date and continuing until the full Outstanding Principal Balance has been paid. Borrower's Outstanding Principal Balance at the beginning of the Closed-End Repayment Term is that sum disclosed on the periodic Billing Statement for Borrower's One Hundred Twenty First (121st) Billing Cycle as the Outstanding Principal Balance and is referred to herein as the "Initial Closed-End Principal Balance". If Borrower has used Equity Source Account Checks that have not been posted to Borrower's account as of the Conversion Date, and those checks are subsequently paid by Lender, Borrower's Initial Closed-End Principal balance will be increased on subsequent periodic Billing Statements to reflect such Loans.

The rate of interest (Annual Percentage Rate) during the Closed-End Repayment Term will be determined and will vary based upon the Reference Rate described in the Agreement and in Paragraph 1(D) hereof.

The "Current Reference Rate" is the most recent Reference Rate available sixty (60) days prior to each "Change Date", (defined below).

Each day on which the interest rate effective during the Closed-End Repayment Term may change, and the first day of the Closed-End Repayment Term, is a "Change Date". Interest rate changes during the Closed-End Repayment Term may occur on the first day of the Closed-End Repayment Term and on the same day of the month every twelve (12) months thereafter.

The interest rate effective on the First Change Date will be the Current Reference Rate plus a margin of ONE AND 1/2 percent (1.25%). On each succeeding Change Date, Lender will determine the Current Reference Rate, and the new interest rate will be equal to the Current Reference Rate, plus the Margin.

Each new interest rate will become effective with each Change Date, and will be reflected in the payment due immediately after that Change Date.

2. Funds for Taxes and Insurance. Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day periodic payments are due under the Agreement until the Agreement is paid in full, a sum ("funds") equal to one-twelfth of: (a) yearly taxes and assessments which may attain priority over this Mortgage; (b) yearly household payments or ground rents on the property, if any; (c) yearly hazard insurance premiums; and (d) yearly mortgage insurance premiums, if any. These items are called "escrow items." Lender may estimate the funds due on the basis of current data and reasonable estimates of future escrow items.

The funds shall be held in an escrow account the deposits or amounts of which are insured or guaranteed by a federal or state agency (including Lender) if Lender is such an institution) and Lender may apply the funds to pay the escrow items. Lender may not charge for holding and applying the funds, analyzing the account or verifying the escrow items, unless Lender pays Borrower interest on the funds and applicable law permits Lender to make such a charge. Borrower and Lender may agree in writing that interest shall be paid on the funds. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the funds. Lender shall give to Borrower, without charge, an annual accounting of the funds showing credits and debits to the funds and the purpose for which each debit to the funds was made. The funds are pledged as additional security for the sums secured by this Mortgage.

If the amount of the funds held by Lender, together with the future monthly payments of funds payable prior to the due dates of the escrow items, shall exceed the amount required to pay the escrow items when due, the excess shall be, at Borrower's option, either promptly repaid to Borrower or credited to Borrower on monthly payments of funds. If the amount of the funds held by Lender is not sufficient to pay the escrow items when due, Borrower shall pay to Lender any amount necessary to make up the deficiency in one or more payments as required by Lender.

Upon payment in full of all sums secured by this Mortgage, Lender shall promptly refund to Borrower any funds held by Lender. If under paragraph 20, the property is sold or acquired by Lender, Lender shall apply, no later than immediately prior to the sale of the property or its acquisition by Lender, any funds held by Lender at the time of application as a credit against the sums secured by this Mortgage.

The above and foregoing provisions contained in this paragraph 2 relating to payment by Borrower to Lender of funds in escrow shall be excused so long as Borrower is required on the date hereof, and continues after the date hereof, to make comparable payment of funds in escrow to the holder of a Note secured by a mortgage or similar security agreement on the property, which such mortgage or similar security agreement has priority over this mortgage. Borrower agrees to provide Lender with proof of payment of such funds in escrow.

3. Application of Payments. Unless applicable law provides otherwise, all payments received by Lender under the Agreement and this Mortgage shall be applied, first to the Finance Charge stated in Borrower's oldest past due periodic Billing Statement, if any, and then (during the Closed-End Repayment Term) to the fraction of the Initial Closed-End Principal Balance due for the same Periodic Billing Statement. Payments will then be applied similarly to Finance Charges and the fraction of the Initial Closed-End Principal Balance due on the next oldest past due statement, and then to successive past due statements, until all past due Finance Charges and the fraction of the Initial Closed-End Principal Balance due are fully paid. The balance of Borrower's payments will next be applied to the amounts stated due on the current periodic Billing Statement in the following order: (1) insurance premiums billed and past due; (2) any Annual Fee which is due and payable; (3) any other charge, excluding insurance premiums, authorized by the Agreement; (4) Finance Charges billed but not past due; (5) insurance premiums billed but not yet past due as of the current statement; and (6) payment of any Outstanding Principal Balance. Any balance of payment will be applied to payment of all Finance Charges which accrue after the Periodic Billing Statement date and prior to the date payment was received by Lender. Any remaining amount will create a credit balance. Charges incurred pursuant to paragraph 7 hereof will be treated as Finance Charges for purposes of application of payments only.

4. Charges; Liens. Borrower shall pay all taxes, assessments, charges, fines and impositions attributable to the property which may attain priority over this Mortgage, and leasehold payments or ground rents, if any. Borrower shall pay these obligations in the manner provided in paragraph 2, or if not paid in that manner, Borrower shall pay them on time directly to the person owed payments. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this paragraph. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments.

5. Hazard Insurance. Borrower shall keep the improvements now existing or hereafter erected on the property insured against loss by fire, hazard, included within the term "extended coverage" and any other hazards for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the property damages, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Mortgage, whether or not then due, with any excess paid to Borrower. If Borrower abandons the property, or does not answer within thirty (30) days a notice from Lender that the insurance carrier has offered to settle a claim, the Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the property or to pay sums secured by this Mortgage, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 20, the property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Mortgage immediately prior to the acquisition.

6. Preservation and Maintenance of Property; Leaseholds. Borrower shall not destroy, damage or substantially change the property, allow the property to deteriorate or commit waste. If this Mortgage is on a leasehold, Borrower shall comply with the provisions of the lease, and if Borrower acquires fee title to the property, the leasehold and fee title shall not merge unless Lender agrees to the merger in writing.

17. Prior Mortgage, trust deed or similar security instrument affecting title to property which has or may have priority over rights in the property (such as a proceeding in bankruptcy, probate, for condemnation or enforcement of law or regulations), unless Borrower has taken action under this Mortgage to keep such property from being disposed of by a court, paying reasonable attorney fees and entering on the property to make repairs. Any amounts disbursed by Lender under this Mortgage shall become additional debt of Borrower secured by this Mortgage.

18. Default.

(a) The occurrence of any of the following events shall constitute a default by Borrower under this Mortgage: (1) failure to pay when due any sum of money due under the Agreement or pursuant to this Mortgage, or the Security Agreement; (2) failure to perform, keep or observe any term, provisions, conditions, covenant, warranty or representation contained in, the Agreement, the Mortgage, or in the Security Agreement which is required to be performed, kept or observed by Borrower; (3) occurrence of a default or an event of default under any agreement, instrument, or document before, now or at any time hereafter delivered by or on Borrower's behalf to Lender; (4) occurrence of a default or an event of default under any agreement, instrument or document before, now or at any time hereafter delivered to Lender by any guarantor of Borrower's obligations under the Agreement, the Mortgage, or the Security Agreement; (5) if the property that is the subject of this Mortgage, or the beneficial interest in any land trust holding title to that property, is attached, seized, subject to a writ of distress warrant, or is levied upon or becomes subject to any lien or comes within possession of any receiver, trustee, custodian or assignee for benefit of creditors, or if such property or beneficial interest is encumbered or suffers such an encumbrance or claim of lien (except such encumbrances that are expressly subordinate to this Mortgage); (6) the filing of any petition under any Section or Chapter of the Bankruptcy Reform Act of 1978 or any similar law by Borrower or against Borrower and such petition is not dismissed within 30 days, or if Borrower shall be declared incompetent, or if a conservator shall be appointed for any or all of Borrower's assets, including the property; (7) Borrower defaults in, or an action is filed alleging a default in any other obligation of Borrower to creditors other than Lender; (8) Lender receives actual knowledge that Borrower made any material misrepresentation or omitted any material information in the Agreement, Mortgage, the Security Agreement, or in Borrower's application for the Agreement.

(b) If Borrower is in default under the Agreement or this Mortgage, Lender may require Borrower to pay immediately the principal balance outstanding, any and all interest Borrower may owe on that amount, together with all other fees, costs or premiums charged to Borrower's account. The principal balance outstanding under the Agreement after default shall continue to accrue interest until paid at the rate provided for in the Agreement as if no default had occurred.

19. Transfer of the Property. If all or any part of the property, or an interest therein is sold or transferred by borrower or if the beneficial interest or any part thereof in any land trust holding title to the property is assigned, sold or transferred, or if the Borrower or the title holding trust enters into Articles of Agreement for Deed or any agreement for installment sale of the property or the beneficial interest in the title holding land trust, without Lender's prior written consent, excluding (a) the creation of a purchase money security interest for household appliances, (b) a transfer by devise, descent or by operation of law upon the death of a joint tenant, or (c) the grant of any leasehold interest of three (3) years or less not containing an option to purchase, Lender may, at Lender's option, declare all sums secured by this Mortgage to be immediately due and payable.

20. Acceleration; Remedies. Lender shall give notice to Borrower prior to acceleration following Borrower's breach of any covenant or agreement in this Mortgage but not prior to acceleration under subparagraphs 18(a), (5), (6) or (8) or paragraph 19 unless applicable law provides otherwise. The notice shall specify: (a) the default; (b) the action required to cure the default; (c) a date, not less than 30 days from the date the notice is given to Borrower, by which the default must be cured; and (d) that failure to cure the default on or before the date specified in the notice may result in acceleration of the sums secured by this Mortgage, foreclosure by judicial proceeding and sale of the property. The notice shall further inform Borrower of the right to reinstate after acceleration and the right to assert in the foreclosure proceeding the nonexistence of a default or any other defense of Borrower to acceleration and foreclosure. If the default is not cured on or before the date specified in the notice, Lender at its option may require immediate payment in full of all sums secured by this Mortgage without further demand and may foreclose this Mortgage by judicial proceeding. Lender shall be entitled to collect all expenses incurred in pursuing the remedies provided in this paragraph 20, including, but not limited to, reasonable attorneys' fees and costs of title evidence.

21. Lender in Possession. Upon acceleration under paragraph 20 or abandonment of the property and at any time prior to the expiration of any period of redemption following judicial sale, Lender (in person, by agent or by judicially appointed receiver) shall be entitled to enter upon, take possession of and manage the property and to collect the rents of the property including those past due. Any rents collected by Lender or the receiver shall be applied first to payment of the costs of management of the property and collection of rents, including, but not limited to, receiver's fees, premiums on receiver's bonds and reasonable attorneys' fees, and then to the sums secured by this Mortgage.

22. Release. Upon payment of all sums secured by this Mortgage, Lender shall release this Mortgage without charge to Borrower. Lender shall pay any recordation costs.

24. Trustee Exculpation. If this Mortgage is executed by an Illinois land trust, trustee executes this Mortgage as trustee as aforesaid, in the exercise of the power and authority conferred upon and vested in it as such trustee, and it is expressly understood and agreed by the Lender herein and by every person now or hereafter claiming any right or security hereunder that nothing contained herein or in the Agreement secured by this Mortgage shall be construed as creating any liability on the trustee personally to pay said Agreement or any interest that may accrue thereon, or any indebtedness accruing hereunder or to perform any covenants either express or implied herein contained, all such liability, if any, being expressly waived, and that any recovery on this Mortgage and the Agreement secured hereby shall be solely against and out of the property hereby conveyed by enforcement of the provisions hereof and of said Agreement, but this waiver shall in no way affect the personal liability of any individual co-maker or guarantor of said Agreement.
