ADJUSTABLE RATE RIDER TO MORTGAGE

This ADJUSTABLE RATE RIDER TO MORTGAGE is made this 7th day of July, 1987 and is incorporated into and shall be deemed to amend and supplement the mortgage of the same date ("Mortgage") given by the undersigned ("Borrower") to secure the Borrower's Adjustable Rate Note ("Note") to The First National Bank of Chicago ("Lender") of the same date and covering the property described in the Mortgage and located at:

6 N. Lincoln, Park Ridge, IL 60068

(Property Address)

THE NOTE CONTAINS PROVISIONS ALLOWING FOR CHANGES IN THE INTEREST RATE AND THE MONTHLY PAYMENT.

The Note provides for an initial interest rate of 9.000 % and a first Change Date of January 01, 1993. Section 4 of the Note provides for changes in the interest rate and the monthly payments, as follows:

"4. INTEREST RATE AND MONTHLY PAYMENT CHANGES"

(A) General.

The interest rate I pay will change based on movements of the Index (described in Section 4(C)) and rate change limitations (described in Section 4(C)).

(B) Change Dates.

The interest rate I pay may change on the first Change Date and on every January 1 and July 1 thereafter. Each day on which my interest rate could change is called a "Change Date". Since interest is collected in arrears, the amount of my monthly payment may change on each February 1 and August 1 after the first Change Date.

(C) The Index.

Beginning with the first Change Date, my interest rate will be based on an index. Although the Index value on the first Change Date cannot be predicted, the Index value for the month of May, 1987 was 7.240 36.

The "index" is the monthly average yield, expressed as a percent per annum, for six month certificates of deposit (CDs) traded in the secondary market, as published in the Federal Reserve's statistical release H-15 and the Federal Reserve Bulletin and as available from the Lender and the Federal Reserve Bank of Chicago. The new rate for each six month period will be based on the most recent Index available at the end of the month preceding the Change Date. If the Index is no longer available, the Note Holder will choose a new index and will give me notice of this choice.

(D) Calculation of Changes.

Before each Change Date, the Note Holder will calculate my new interest rate by adding 2.6 percentage points to the Index. The Note Holder will then apply the limits in Section 4(E). The result will be my new interest rate until the next Change Date.

With each interest rate change, the Note Holder will determine the new amount of the monthly payment necessary to repay my loan in substantially equal payments by the maturity date. I will be notified of each change in my interest rate and loan payment in accordance with Section 4(G).

(E) Limits on Interest Rate Changes.

On the first Change Date, the interest rate will not increase or decrease from the initial rate set forth in Section 2 by more than 4.000 percentage points. On any Change Date after the first Change Date, the interest rate will not increase or decrease from the rate in effect by more than one (1) percentage point or by less than one-tenth of one (0.1%) percentage point.

During the life of the loan, the interest rate will not increase from the initial rate set forth in Section 2 by more than 5.000 percentage points.

(F) Effective Date of Changes.

My new interest rate will become effective on each Change Date. I will pay the amount of my new monthly payment on the first monthly payment date after each Change Date until the amount of my monthly payment changes again.

(G) Notice of Changes.

The Note Holder will mail me a notice of any rate change at least 25 days before there is a change in my monthly payment. This notice will include all information required by law."

By signing this ADJUSTABLE RATE RIDER TO MORTGAGE, Borrower agrees to all the terms hereof.

8. Inspection. Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give Borrower notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

9. Condemnation. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of such payments.

10. Borrower Not Released; Forbearance By Lender Not a Waiver. Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.

13. Legislation Affecting Lender's Rights. If enactment or expiration of applicable laws has the effect of rendering any provision of the Note or this Security Instrument unenforceable according to its terms, Lender, at its option, may require immediate payment in full of all sums secured by the Security Instrument and may invoke any remedies permitted by paragraph 19. If Lender exercises this option, Lender shall take the steps specified in the second paragraph of paragraph 17.

To this end the provisions of this Security Instrument and the Note are declared to be severable.

16. Borrower's Copy. Borrower shall be given one conformed copy of the Note and of this Security Instrument.

However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

18. Borrower's Right to Reinstate. If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earlier of: (a) 5 days (or such other period as applicable law may specify for reinstatement) before sale of the Property pursuant to any power of sale contained in this Security Instrument, or (b) entry of a judgment enforcing this Security Instrument.
