CONVERSION/ASSUMPTION RIDER

This Rider is made this 15th day of December, 19 87, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust, or Deed to Secure Debt (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Note to FIRST FEDERAL SAVINGS & LOAN ASSOCIATION (the "Lender") of the same date (the "Note") and covering the Property described in the Security Instrument and located at,

1747 White Street, Des Plaines, Illinois 60018
(Property Address)

provided the Borrower is not in default under any of the terms of the Mortgage and Note referred to herein, and provided the property which is security for this note and the Borrowers herein meet the then standards of the Federal Home Loan Mortgage Corporation applicable to loan sales, the Association hereby grants to the Borrower the following option, to wit:

At any time during the first five (5) years of this loan, the Borrower may request, by written notice to the Association, a modification of the interest rate charged herein. Upon exercise of this option, the Association agrees to do the following:

- A. Modify the interest rate charges on this loan to an interest rate which shall be one-half percent (1/2%) over the then quoted Federal Home Loan Mortgage Corporation's Sixty (60) Day Mandatory Commitment Rate for single family homes based upon the most recent published index.
1. Also, if Borrower exercises the Conversion Option within the first five years, the interest rate will never be more than 8.0% above the initial rate of 9.0 %.
- B. Borrower and Lender agree that if the Federal National Mortgage Association or the Federal Home Loan Mortgage Corporation buy all or some of the Lender's rights under the mortgage upon conversion, the cost incurred by the Borrower prior to the modification of the note shall be One (1) Per Cent of the unpaid balance.
- C. If at the time of the exercise of this option, the Federal Home Loan Mortgage Corporation's Sixty (60) Day Mandatory Commitment Rate referred to herein is not in use, the Association is authorized to choose, at its discretion, another comparable index.

ASSUMABILITY

Upon sale of the subject property the Borrower may elect to have his existing balance and rate assumed. If the purchaser applies and meets our then prevailing credit standards, an assumption may be effected. Upon completion of the assumption agreement and upon receipt of a 1% assumption fee, the mortgage shall be considered assumed and the previous owner's liability released. Once the conversion privilege has been exercised this assumption provision is null and void. This paragraph supercedes section "D" on the Adjustable Rate Loan Rider.

Dated this 15 day of December, 19 87.

ADJUSTABLE RATE RIDER

(Cost of Funds Index — Payment and Rate Caps)

21140 9

THIS ADJUSTABLE RATE RIDER is made this 15th day of December, 1987, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Adjustable Rate Note (the "Note") to FIRST FEDERAL SAVINGS AND LOAN ASSOCIATION OF DES PLAINES (the "Lender") of the same date and covering the property described in the Security Instrument and located at:

1747 White Street, Des Plaines, Illinois 60018

(Property Address)

THE NOTE CONTAINS PROVISIONS ALLOWING FOR CHANGES IN THE INTEREST RATE AND THE MONTHLY PAYMENT. THE BORROWER'S MONTHLY PAYMENT INCREASES MAY BE LIMITED AND THE INTEREST RATE INCREASES ARE LIMITED.

ADDITIONAL COVENANTS. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

A. INTEREST RATE AND MONTHLY PAYMENT CHANGES

The Note provides for changes in the interest rate and the monthly payments, as follows:

2. INTEREST

(A) Interest Rate

Interest will be charged on unpaid principal until the full amount of principal has been paid. I will pay interest at a yearly rate of 9.0%. The interest rate I will pay may change.

The interest rate required by this Section 2 is the rate I will pay both before and after any default described in Section 7(B) of this Note.

(B) Interest Change Dates

The interest rate I will pay may change on the first day of February, 1991, and on that day every 12th/36th month thereafter. Each date on which my interest rate could change is called an "Interest Change Date." The new rate of interest will become effective on each Interest Change Date. Also, if borrower exercises the conversion option within the first five years the interest rate will never be higher than 8.0% above the initial rate of 9.0%.

(C) Interest Rate Limit

My interest rate will never be less than 9.0%. My interest rate will never be greater than 13.0%.

*Effective with 1st change date

On the first Change Date, and on all succeeding Change Dates, the maximum that the interest rate may increase or decrease is three percent (3%) subject to the limitations set forth in this paragraph.

(D) The Index

Beginning with the first Interest Change Date, my interest rate will be based on an Index. The "Index" is the National Monthly Median Cost of Funds for FSLIC-Insured Institutions as made available by the Federal Home Loan Bank of Chicago. The most recent Index figure available as of the date 45 days before each Interest Change Date is called the "Current Index."

If the Index is no longer available, the Note Holder will choose a new index, which is based upon comparable information. The Note Holder will give me notice of this choice.

(E) Calculation of Interest Rate Changes

Before each Interest Change Date, the Note Holder will calculate my new interest rate by adding two and one quarter percentage points (2.25%) to the Current Index. The Note Holder will then round the result of this addition to the nearest one-eighth of one percentage point (0.125%). Subject to the limit stated in Section 2(C) above, the rounded amount will be my new interest rate until the next Interest Change Date.

3. PAYMENTS

(A) Time and Place of Payments

I will pay principal and interest by making payments every month.

I will make my monthly payments on the 10th day of each month beginning on February 10, 1988. I will make these payments every month until I have paid all of the principal and interest and any other charges described below that I may owe under this Note. My monthly payments will be applied to interest before principal. If, on January 10, 2018, I still owe amounts under this Note, I will pay those amounts in full on that date, which is called the "maturity date."

I will make my monthly payments at 749 LEE STREET, DES PLAINES, ILLINOIS 60016 or at a different place if required by the Note Holder.

(B) Amount of My Initial Monthly Payments

434.50

Each of my initial monthly payments will be in the amount of U.S. \$. This amount may change.

(C) Payment Change Dates

My monthly payment may change as required by Section 3(D) below beginning on the 10th day of February, 1991, and on that day every 12th/36th month thereafter. Each of these dates is called a "Payment Change Date." My monthly payment will also change at any time Section 3(F) or 3(G) below requires me to pay the Full Payment.

卷之三

If Lender exercises the option to require immediate payment in full, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums accrued by this Security instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security instrument without further notice or demand on Borrower.

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Adjustable Rate Rider.

Unforeseen Circumstances Clause 17 of the Security Instrument is amended to read as follows:

TRANSFER OF THE PROPERTY OR A BENEFICIAL INTEREST IN BORROWER

The Note Holder will deliver or mail to me a copy of any changes in the amount of my monthly payment before the effective date of any change. The notice will contain the interest rate or rates applicable to my loan for each month prior notice of any change. The notice will also include information relating to my right to prepay the note.

4. NOTICE OF CHANGES

Full payment as my monthly payment until my monthly payment changes again. I will also begin paying the full payment as my monthly payment on the final Payment Change Date.

On the 5th Payament Cheque Date used on each succeeding 5th Payement Cheque Date thereafter, I will begin paying the sum payable as my monthly advances due, until my monthly advances due begin daily up to the Full Payment as

(c) Required Full Payment
Repay my then unpaid principal balance in full on the maturity date at my current interest rate in accordance with my monthly payments. The new monthly payment will be in an amount which would be sufficient to repay my then unpaid principal balance in full in one or more installments. I will instead pay a new monthly payment. If so, on the date that my paying my monthly payment would cause me to exceed the maximum amount I can borrow. My unpaid principal amount equal to one hundred twenty-five percent (125%) of the principal amount I originally borrowed. My unpaid principal could exceed that maximum amount due to the principal amounts I can never exceed a maximum amount equal to one hundred twenty-five percent (125%) of the principal paid per period, can never exceed a maximum amount equal to one hundred twenty-five percent (125%) of the principal paid per period, can never exceed a maximum amount equal to one hundred twenty-five percent (125%) of the principal paid per period, can never exceed a maximum amount equal to one hundred twenty-five percent (125%) of the principal paid per period.

 The Note holder will be liable to pay principal until the rate required by Section 2 above.

 The Note holder will subtract the payments. If so, each month date in full on the maturity date in substantially equal

(E) Additions to My Unpaid Principal
Effective with 2nd Change date
At least 30 days before each Payment Change Date, the Note Holder will calculate the amount of the monthly payment that would be sufficient to repay the unpaid principal that I am expected to owe at the Payment Change Date in full on the maturity date in substantiality equal installments at the interest rate in effect on the Payment Change Date. The result of this calculation will reflect the Note Holder's estimate of the monthly payment due the Note Holder on the Payment Change Date.

(D) Calculation of Allowable Payment Changes

I will pay the amount of my monthly payment each month beginning on each Payment Date or as provided in Section 3(f) or (g) below.

If Lender required mortgage insurance as a condition of making the loan secured by this Security Instrument, Borrower shall pay the premiums required to maintain the insurance in effect until such time as the requirement for the insurance terminates in accordance with Borrower's and Lender's written agreement or applicable law.

8. Inspection. Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give Borrower notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

9. Condemnation. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condemnor offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of such payments.

10. Borrower Not Released; Forbearance By Lender Not a Waiver. Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

11. Successors and Assigns Bound; Joint and Several Liability; Co-signers. The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 17. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey that Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without that Borrower's consent.

12. Loan Charges. If the loan secured by this Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.

13. Legislation Affecting Lender's Rights. If enactment or expiration of applicable laws has the effect of rendering any provision of the Note or this Security Instrument unenforceable according to its terms, Lender, at its option, may require immediate payment in full of all sums secured by this Security Instrument and may invoke any remedies permitted by paragraph 19. If Lender exercises this option, Lender shall take the steps specified in the second paragraph of paragraph 17.

14. Notices. Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

15. Governing Law; Severability. This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

16. Borrower's Copy. Borrower shall be given one conformed copy of the Note and of this Security Instrument.

17. Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security instrument without further notice or demand on Borrower.

18. Borrower's Right to Reinstate. If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earlier of: (a) 5 days (or such other period as applicable law may specify for reinstatement) before sale of the Property pursuant to any power of sale contained in this Security Instrument; or (b) entry of a judgment enforcing this Security Instrument. Those conditions are that Borrower: (a) pays Lender all sums which then would be due under this Security Instrument and the Note had no acceleration occurred; (b) cures any default of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees; and (d) takes such action as Lender may reasonably require to assure that the lien of this Security Instrument, Lender's rights in the Property and Borrower's obligation to pay the sums secured by this Security Instrument shall continue unchanged. Upon reinstatement by Borrower, this Security Instrument and the obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under paragraphs 13 or 17.

Any amounts disbursed by Lender under this Paragraph 7 shall become additional debt of Borrower secured by this Security interest. Unless Borrower and Lender agree to other terms of payment, like amounts shall bear interest from the date of disbursement at the Rate until paid, upon notice from Lender to Borrower requesting payment.

7. Protection of Landlord's Rights in the Property; Adverse Insurance.
