A.	Interest	Rute	and	M	wihiy	Paymont	Changes
----	----------	------	-----	---	-------	---------	---------

The Note has an "Initial Interest Rate" of %. The Note interest rate may be increased or decreased on the 8,125 lst day of the meath beginning on , 19 88 and on that day of the month every month(s) thereafter. Changes in the interest rate are governed by changes in an interest rate index called the "Index". The Index is the: [Check one box to indicate Index.] (1) 🗖 * The weekly average yield on Upited States Treasury securities adjusted to a constant maturity of vear(s), as made available by the Federal Reserv. Poard. (2) M * The weekly nuction average (invertment) yield on six month United States Trensury Bills.

In no event over the full term of the Note will the interest rate be increased more than Five and 7/8percentage %) from the Initial Rate of Interest. 5.875 Before each Change Date the Note Holder will calculate the new interest rate by adding Three and 1/2 %) to the Current 1.0 x. However, the rate of interest that is required to be paid percentage points (3.5 shall never be increased or decreased on any single Change Date by more than One %) from the rate of interest currently being paid.

If the Interest rate changes, the amount of Berrower's monthly payments will change as provided in the Note. Increases in the interest rate will result in higher payments. Decreases in the interest rate will result in lower payments.

It could be that the loan secured by the Security Instrument is subject to a law which sets maximum loan charges and that law is interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then: (i) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (ii) any sums already collected from me which exceeded permitted limits will be refunded to me. The Lender may choose to make this refund by reducing the principal I owe under the Note or byking a direct payment to me.

C. Prior Liens

If Lender determines that all or any part of the sums secured by this Security Instrument are subject to lien which has priority over this Security Instrument, Londer may send Borrower a notice identifying that lien. Borrower shall promptly act with regard to that lien as provided in paragraph 4 of the Security Instrument or shall promptly scoure an agreement in form satisfactory to Lender subordinating that lien to this Security Instrument.

D. Transfer of the Property

If there is a transfer of the Property subject to paragraph 17 of the Security Instrument, Lender may require (1) an increase in the current Note interest rate, or (2) an increase in (or removal of) the limit on the amount of any one interest rate change (if there is a limit), or (3) an increase in the limit on the amount of interest rate change over the full term of the Note, or all of these, as a condition of Lender's waiving the option to accelerate grovided in paragrafit 13

By signing this, Borrower agrees to all of the above.

*If more than one box is checked, or if no box is checked, and Lender and Borrower do not otherwise agree in writing, the first index named will apply to Notes with Change Date one year or more apart and the Second index will apply to Notes with Change Dates less than one year apart.

ADJUSTABLE RANGOFFIC ALTGORGORGOSAVINGS" MORTGAGE CONVERSION FICE ALTGORGORGOSAVINGS

Loan Number: 000989236

THIS ADJUSTABLE RATE MORTGAGE CONVERSION RIDER is made this 21st day of April, 1988, and is incorporated into and shall be deemed to amend and supplement the Mortgage (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Adjustable Rate Note (the "Note") to Citicorp Savings of Illinois, a Federal Savings and Loan Association (the "Lender") and covering the property described in the Security Instrument located at:

ADDITIONAL COVENANTS: In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender agree as follows:

The 'd) istable Rate Note Conversion Rider to Borrower's Note contains previsions that allow the Borrower to convert the Adjustable Rate Note to a fixed rate Note. That Rider provides as follows:

A. Fixed Interest Rate Option

1. Option to Convert to Fixed Rate.

I have an option, the "Conversion Option") which I can exercise to convert the interest rate I am required to pay by the Note from an Adjustable Rate to a Fixed Rate calculated under Section A (4) below for the remaining term of my Loan unless sections A(1) or A(2) of this Rider will not permit me to do so.

The conversion can only take place on a date specified by the Note Holder during the period of time (the "Conversion Period") beginning on the <u>Second</u> Change Date and ending on the <u>Tenth</u> Change Date of my Note. Each date or which my adjustable interest rate can convert to a new fixed rate is called a "Conversion Date". I can convert my interest rate only on one of these Conversion Dates.

If I want to exercise the Conversion Option, I must first meet certain conditions. Those conditions are that: (a) I am not in default or foreclosure under the Note or the Security Instrument on the date I give the Lender notice that I want to exercise the Conversion Option, or on the date the Lender receives my signed Notice of Conversion; (b) I am not in default or foreclosure under the Note or the Security Instrument on the date on which my interest rate converts from an adjustable rate to a fixed rate (the "Conversion Date"); (c) I have not been assessed for more than one (1) late charge in the twelve (12) months immediately preceding the late I give the Lender notice that I want to exercise the Conversion Option, and I am not assessed a late charge from the time I give such notice to the Conversion Date; (d) within the times described below in Section A(2) I (i) give Lender notice of my desire to exercise the Conversion Option; (ii) pay a non-refundable fee (the "Conversion Fee") equal to \$ 250,00 (iii) properly complete and return to the Lender the Notice of Conversion after I obtain from the Lender the information necessary to complete it; and (iv) I give Lender any additional documents and meet any additional requirements that may be necessary for exercise of the Conversion Option; and (e) no assumption of my loan has occurred. (If my loan is assumed, as may be permitted under certain conditions specified in an Assumption Certificate that may have been delivered to me by the Lender, my loan will no langer be convertible to a fixed rate loan). My rights under this Rider are not assignable.

2. Exercise of Conversion Option

I may not begin the conversion process earlier than the month immediately preceding the Second Change Date. My last opportunity to begin the conversion process is the month immediately preceding the Final Change Date to occur during the Conversion Period. I may begin the conversion process during any month between these months.

To begin the conversion process in a particular month, I must telephone Lender during regular business hours sometime from the opening of business on the first business day of that month through the close of business on the fourth business day of that month at Lender's Customer Service Department (312-977-5770) or at such other number as Lender may advise me. Lender will advise me of the fixed rate then available to me and give me instructions on completing my Notice of Conversion.

3702383

UNOFFICIAL COPYS

If I decide to exercise my Conversion Option, I must complete my Notice of Conversion and return it to Lender together with the Conversion Fee. The properly completed and signed Notice of Conversion and the Conversion Fee MUST be received by Lender no later than the seventh business day of that month. The Notice of Conversion and Conversion Fee must be received by Lender at its office specified during my telephone conversation required above. Delivery to one of Lender's other offices does not satisfy this delivery requirement, and may result in a delay that will render my attempted exercise of my Conversion Option null and void.

3. Effective Date of Fixed Interest Rate.

If I satisfy all of the conditions for exercising the Conversion Option described in Section A(2) above, the new fixed interest rate will go into effect on the first day of the month following Lender's receipt of the Netice of Conversion and Conversion Fee. This date is called the "Conversion Date". If I do not satisfy all of these conditions for exercising my Conversion Option, or I improperly complete or sign my Notice of Conversion, any attempted exercise of my Conversion Option will be of no effect. If I have timely satisfied all of these conditions for exercising my Conversion Option, I may cancel my exercise of my Conversion Option by notice signed by all Borrowers and received by Lender before the Conversion Date. If I do cancel however, my Conversion Option will become null and void, and my Note will remain an adjustable rate note until maturity.

4. Calculation of Fixed Rate

My new fixe, interest rate will be determined as of the close of the Federal National Mortgage Association's last business day of the month immediately preceding the month in which I deliver my Notice of Conversion and Conversion Fee to Lender, and will be equal to the Federal National Mortgage Association's 30 year A/A 60 day delivery required not yield for fixed rate morigages as quoted with no commitment fee (the "FNMA 60-Day Rate") plus 1.00 percentage roints (the "Margin").

If the FNMA 60-Day Rate is not available when I exercise my Conversion Option, Note Holder will choose a substitute rate which is based on comparable information. If I exercise my Conversion Option, any limits on interest rate changes on any Change Date or over the full term of my Note will not apply when the North rate is established. However, the fixed interest rate will not exceed a maximum rate of 14.000 %.

5. Determination of New Payment Amount.

If I choose to exercise the Conversion Option, the Nete Holder will determine the amount of the monthly payment that would be sufficient to repay the unpaid principal I am expected to owe on the Conversion Date in full on the maturity date at ray new fixed interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment. Beginning with my first monthly payment after the Conversion Date, I will pay the new amount as my monthly payment until the maturity date.

B. Transfer of the property or a Beneficial Interest in Borrover,

If the adjustable interest rate of my Note is converted to a fixed rate under this Conversion Option, all of the assumption rights available under the terms of any Assumption Certificate provided to me to supplementing the Note and Security Instrument will terminate on the Conversion Date, and the terms under which I may be required to pay in fall all amounts I owe under the Note which are described in the section of the Note captioned "Uniform Secured Note" shall continue to be in full force and effect without exception.
