Adjustable Rate Mortgage Conversion Rider CITICORPO

Citicorp Savings of Illinois
A Federal Savings and Loan Association

Loan Number: 001016815

THIS ADJUSTABLE RATE MORTGAGE CONVERSION RIDER is made this

JULY
, 1988, and is incorporated into and shall be deemed to amend and supplement the Mortgage (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Adjustable Rate Note (the "Note") to Citicorp Savings of Illinois, A Federal Savings and Loan Association (the "Lender"). Borrower is referred to herein as "I", "me", "my" and "mine". Lender or any one who takes the Adjustable Rate Note by transfer and who is entitled to receive payments under the Note is referred to herein as "Note Holder". This covers the property described in the Security Instrument located at:

1949 LARKDALE DRIVE, GLENVIEW, ILLINOIS 60025

ADDITIONAL CONNANTS: In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender agree as follows:

The Adjustable Rate Note Conversion Rider to Borrower's Note contains provisions that allow the Borrower to convert the Adjustable Rate Note to a Fixed & a Note. That Rider provides as follows:

A. Fixed Interest Rate Option.

1. Option to Convert to Fixed Race. I have an option (the "Conversion Option"), which I can exercise to convert the interest rate I am required to pay by the Note from an Adjustable Rate to a Fixed Rate calculated under Section A(4) below for the remaining term of my Loan unless Sections (11) or A(2) of this Rider will not permit me to do so.

The conversion can only take place on a date specified by the Note Holder during the period of time (the "Conversion Period") beginning on the ST Change Date and ending on the STH Change Date of my Note. Each date on which my adjustable interest rate can convert to a new fixed rate is called a "Conversion Date". I can convert my interest rate only on one of these Conversion Dates.

If I want to exercise the Conversion Option, I must first neel certain conditions. Those conditions are that: (a) I am not in default or foreclosure under the Note or the Security Instrument on the date I give the Note Holder notice that I want to exercise the Conversion Option, or on the date the Note Holder receives my signed Notice of Conversion; (b) I am not in default or foreclosure under the Note or the Security Instrument on the date on which my interest rate converts from an adjustable rate to a fixed rate (the "Conversion Date"); (c) I have not been assessed for more than one (1) late charge in the twelve (12) months immediately preceding the date I give the Note Holder notice that I want to exercise the Conversion Option, and I am not assessed a late charge from the time I give such notice to the Conversion Date; (d) within the times described below in Section A(2) I (i) give Note Holder notice of my desire to exercise the Conversion Option; (ii) pay a non-refundable fee (the "Conversion Fee") equal to \$ 250.00 (iii) properly complete and return to the Note Holder the Notice of Conversion after I obtain from the Note Holder the information necessary to complete it; and (iv) I give Note Holder any additional documents and meet any additional requirements that may be necessary for exercise of the Conversion Option; and (e) no assumption of my loan has occurred. (If my loan is assumed, as may be permitted under certain conditions specified in an Assumption Ce tific te that may have been delivered to me by the Lender, my loan will no longer be convertible to a fixed rate loan). My rights under this Pades are not assignable.

2. Exercise of Conversion Option. I may not begin the conversion process earlier than the month immediately preceding the FIRST Change Date. My last opportunity to begin the conversion process is the month immediately preceding the Final Change Date to occur during the Conversion Period. I may begin the conversion process during any month between these months.

To begin the conversion process in a particular month, I must telephone Note Holder during regular business hours some time from the opening of business on the first business day of that month through the close of business on the fourth business day of that month at Note Holder's Customer Service Department (977-5770) or at such other number as Note Holder may advise me. Note Holder will advise me of the fixed rate then available to me and give me instructions on completing my Notice of Conversion.

If I decide to exercise my Conversion Option, I must complete my Notice of Conversion and return it to Note Holder together with the Conversion Fee. The properly completed and signed Notice of Conversion and the Conversion Fee MUST be received by Note Holder no later than the seventh business day of that month. The Notice of Conversion and Conversion Fee must be received by Note Holder at its office specified during my telephone conversation required above. Delivery to one of Note Holder's other offices does not satisfy this delivery requirement, and may result in a delay that will render my attempted exercise of my Conversion Option null and void.

- 3. Effective Date of Fixed Interest Rate. If I satisfy all of the conditions for exercising the Conversion Option described in Section A(2) above, the new fixed interest rate will go into effect on the first day of the month following Note Holder's receipt of the Notice of Conversion and Conversion Fee. This date is called the "Conversion Date". If I do not satisfy all of these conditions for exercising my Conversion Option, or I improperly complete or sign my Notice of Conversion, any attempted exercise of my Conversion Option will be of no effect. If I have timely satisfied all of these conditions for exercising my Conversion Option. I may cancel my exercise of my Conversion Option by notice signed by all Borrowers and received by Note Holder before the Conversion Date. If I do cancel however, my Conversion Option will become null and void, and my Note will remain an adjustable rate note until maturity.
- 4. Calculation of Fixed Rate. My new fixed interest rate will be determined as of the close of the Federal National Mortgage Association's last business day of the month immediately preceding the month in which I deliver my Notice of Conversion and Conversion Fee to Note Holder, and will be equal to the Federal National Mortgage Association's 30 year A/A 60 day delivery required net yield for fixed rate mortgages as quoted with no commitment fee (the "FNMA 60-Day Rate") plus 1.000 percentage points (the "Margin").

If the FNMA 30-Day Rate is not available when I exercise my Conversion Option, Note Holder will choose a substitute rate which is based on comparable information. If I exercise my Conversion Option, any limits on interest rate changes on any Change Date or over the full term of my Note will not apply when the fixed rate is established. However, the fixed interest rate will not exceed a maximum rate of 14.000 %.

- 5. Determination of Itey Payment Amount. If I choose to exercise the Conversion Option, the Note Holder will determine the amount of the monthly payment that would be sufficient to repay the unpaid principal I am expected to owe on the Conversion Date in full on the maturity date at my new fixed interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment. Beginning with my first monthly payment after the Conversion Date, I will pay the new amount as my monthly rayment until the maturity date.
- B. Transfer of the property or a Bene icial Interest in Borrower. If the adjustable interest rate of my Note is converted to a fixed rate under this Conversion Option, all of the assumption rights available under the terms of any Assumption Certificate provided to me supplementing the Note and Security instrument will terminate on the Conversion Date, and the terms under which I may be required to pay in full all amounts I owe under the Note which are described in the section of the Note captioned "Uniform Secured Note" shall continue to be in full force and effect without exception.

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Adjustable Rate Mortgage Conversion Rider.

Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum ("Funds") equal to one-twelfth of: (a) yearly taxes and assessments which may attain priority over this Security Instrument; (b) yearly lensehold payments or ground rents on the Property, if any; (c) yearly hazard insurance premiums; and (d) yearly mortgage insurance premiums, if any. The Funds shall be held in an institution the deposits or accounts of which are insured or guaranteed by a federal or state agency (including Lender is such an institution). Lender shall apply the Funds to pay the escrow items. Lender may not charge for holding and applying the Funds, analyzing the account or verifying the escrow items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. Borrower and Lender may agree in writing that interest shall be paid on the Funds. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or carnings on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pleased as additional security for the sums secured by this Security Instrument.

If the amplet of the Funds held by Lender, together with the future monthly payments of Funds payable prior to the due dates of the excrew items, shall exceed the amount required to pay the excrew items when due, the excess shall be, at Borrower's option, either promptly repaid to Borrower or credited to Borrower on monthly payments of Funds. If the amount of the Funds held by Lender is not will creat to pay the excrew items when due, Borrower shall pay to Lender any amount necessary to make up the deficiency in one or more payments as required by Lender.

Borrower shall pay these obligations in the manner provided in paragraph 2, (c) i not paid in that manner. Borrower shall pay them on time directly to the person owed payment. Borrower shall promptly in this to Lender all notices of amounts to be paid under this paragraph. If Borrower makes these payments directly, Borrower and I promptly furnish to Lender receipts evidencing the payments.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. Lender's actions may include paying any sums secured by a lien which has priority over this Security instrument, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 7, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the diability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings and lost any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this ken rity Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. - 12. Loan Charges. If the loan secured by this Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest of other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Porrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.
- 13. Legislation Affecting Lender's Rights.  - 16. Borrower's Copy. Borrower shall be given one conformed copy of the Note and of this Security in an ment.

However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

The notice shall further inform Borrower of the right to reinstate after acceleration and the right to assert in the foreclosure proceeding the non-existence of a default or any other defense of Borrower to acceleration and foreclosure.
