ADJUSTABLE RATE RIDER 33-4
(1-1 Year Treasury Index—Rate Caps)

THIS ADJUSTABLE RATE RIDER is made this 30th day of September, 1988, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust, or Security Deed (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Adjustable Rate Note (the "Note") to Illinois Mortgage Associates, Ltd., (the "Lender") of the same date and covering the property described in the Security Instrument and located at:

1052 Second Avenue, Des Plaines, IL 60016
(Property Address)

THE NOTE CONTAINS PROVISIONS ALLOWING FOR CHANGES IN THE INTEREST RATE AND THE MONTHLY PAYMENT. THE NOTE LIMITS THE AMOUNT THE BORROWER'S INTEREST RATE CAN CHANGE AT ANY ONE TIME AND THE MAXIMUM RATE THE BORROWER MUST PAY.

ADDITIONAL COVENANTS. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

A. INTEREST RATE AND MONTHLY PAYMENT CHANGES

The Note provides for an initial interest rate of 7.625%. The Note provides for changes in the interest rate and the monthly payments, as follows:

4. INTEREST RATE AND MONTHLY PAYMENT CHANGES

(A) Change Dates

The interest rate I will pay may change on the first day of October, 1989, and on that day every 12 month thereafter. Each date on which my interest rate could change is called a "Change Date."

(B) The Index

Beginning with the first Change Date, my interest rate will be based on an Index. The "Index" is the weekly average yield on United States Treasury securities adjusted to a constant maturity of 1 year(s), as made available by the Federal Reserve Board. The most recent Index figure available as of the date 45 days before each Change Date is called the "Current Index."

If the Index is no longer available, the Note Holder will choose a new index which is based upon comparable information. The Note Holder will give me notice of this choice.

(C) Calculation of Changes

Before each Change Date, the Note Holder will calculate my new interest rate by adding two and one-half percentage points (2.50%) to the Current Index. The Note Holder will then round the result of this addition to the nearest one-eighth of one percentage point (0.125%). Subject to the limits stated in Section 4(D) below, this rounded amount will be my new interest rate until the next Change Date.

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal that I am expected to owe at the Change Date in full on the maturity date at my new interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment.

(D) Limits on Interest Rate Changes

The interest rate I am required to pay at the first Change Date will not be greater than 9.625% or less than 7.625%. Thereafter, my interest rate will never be increased or decreased on any single Change Date by more than two percentage points (2.00%) from the rate of interest I have been paying for the preceding 12 months. My interest rate will never be greater than 13.625.%

(E) Effective Date of Changes

My new interest rate will become effective on each Change Date. I will pay the amount of my new monthly payment beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes again.

(F) Notice of Changes

The Note Holder will deliver or mail to me a notice of any changes in my interest rate and the amount of my monthly payment before the effective date of any change. The notice will include information required by law to be given me and also the title and telephone number of a person who will answer any question I may have regarding the notice.

B. TRANSFER OF THE PROPERTY OR A BENEFICIAL INTEREST IN BORROWER

Uniform Covenant 17 of the Security Instrument is amended to read as follows:

Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument. Lender also shall not exercise this option if: (a) Borrower causes to be submitted to Lender information required by Lender to evaluate the intended transferee as if a new loan were being made to the transferee; and (b) Lender reasonably determines that Lender's security will not be impaired by the loan assumption and that the risk of a breach of any covenant or agreement in this Security Instrument is acceptable to Lender.

By SIGNING THIS NOTE, Borrower accepts to the terms and conditions contained in this Adjustable Rate
Rider.

If Lender exercises the option to require immediate payment in full, Lender shall give Borrower notice of acceleration
writing.

To the extent permitted by applicable law, Lender may charge a reasonable fee as a condition to Lender's consent to
the loan assumption. Lender may also require the transferee to sign an assumption agreement that is acceptable to Lender
and that obligates the transferee to keep all the promises and agreements made in the Note and in this Security instrument.
Borrower will continue to be obligated under the Note and this Security instrument unless Lender releases Borrower in
full.

If Lender exercises the right to accelerate the Note and this Security instrument made in the Note and in this Security instrument,
Borrower must pay all sums secured by this Security instrument. If Borrower fails to pay these sums prior to the expiration
of this period, Lender may invoke any remedies permitted by this Security instrument without further notice or demand
from Borrower. Lender may invoke any remedies permitted by this Security instrument without further notice or demand

Paragraph 4(D) (Limits on Interest Rate Changes) shall be amended to read as follows:

(D) Limits on Interest Rate Changes

ADDENDUM TO ADJUSTABLE RATE NOTE, RIDER AND SECURITY AGREEMENT

This Agreement, made on September 30, 1988, between _____

Amando G. Gonzalez and Vicki M. Gonzalez, his wife _____
hereinafter referred to as BORROWER, and Illinois Mortgage Associates, Ltd. its successors
and or assigns _____, hereinafter referred to as LENDER.

WHEREAS, LENDER has approved a mortgage loan in the amount of _____
One hundred Twenty Two Thousand Four Hundred and no/100ths _____
Dollar U.S. \$ 122,400.00 to BORROWER to purchase and
refinance property located at 1053 Second Avenue, Des Plaines, IL 60016; and

WHEREAS, LENDER currently holds the first mortgage on said property;

NOW THEREFORE, it is agreed that the Note of even date herewith evidencing
the above described loan shall be amended in the following respects and as to
those respects only:

1. The rate of interest shall be 7.625 % per annum until 10-1-89,
on which date the interest rate shall be changed according to the change date
stated in the Note with changes made in accordance to paragraph 4 of the Note.

2. Should the borrower(s) elect to convert this loan into a fixed rate
loan, they will be able to do so subject to the following terms and conditions:

A. OPTION TO CONVERT TO FIXED RATE; CONDITIONS TO OPTION

1. Except as provided in Section A 2 below and notwithstanding anything to
the contrary in the Note or the Rider, I may choose to convert my adjustable
rate interest payments to a fixed rate. The first date I may exercise this
option is at any time.

If I choose to make this conversion, I must give the Lender notice that I
am doing so at least 45 days before the next scheduled monthly payment due date.
I also must sign and give to the Lender a document, in any form that the Lender
may require, changing the terms of the Note as necessary to give effect to the
conversion. Beginning with the Effective Conversion Date, if such conversion
has been chosen, my interest rate will be equal to the Federal Home Loan
Mortgage Corporation's 60 day mandatory delivery rate for 30-year, fixed rate
mortgages that was in effect as of the date that notification is given to the
Lender, plus 3/8 of one percent (.375%). If such required Net Yield is not
available, the Lender will determine my new, fixed interest rate by using a
comparable figure. Borrower must execute and deliver to Lender the documents
required by Lender evidencing conversion to fixed rate.

2. If the unpaid principal balance of my loan on the Effective Conversion
Date will be greater than the original principal amount of my loan, Lender may
require that a qualified real estate appraiser, chosen by the Lender, prepare an
appraisal report on the value of the secured property. If the unpaid principal
balance of my loan on the Effective Conversion Date will be an amount greater
than 95% of the value of the property securing my loan, as established by the
appraisal report, I will not have the option to convert my adjustable rate
interest payments described in Section A above unless I pay the Lender an amount
sufficient to reduce the unpaid principal balance to that amount. If a new
appraisal is required, the Borrower will be responsible for the appraisal
expense in addition to the conversion fee.

B. DETERMINATION OF NEW PAYMENT AMOUNT

If I choose to convert to a fixed rate of interest as provided in Section
A, the Lender will then determine the amount of my monthly payment that would be
sufficient to repay the unpaid principal balance of my loan I am expected to owe
on the Effective Conversion Date in full on the maturity date at my new interest
rate in substantially equal payments. The result of this calculation will be
the new amount of my monthly payment (the "New Payment Amount").

UNOFFICIAL COPY

374381

- C. PAYMENT OF NEW-PAYMENT AMOUNT: CONTINUATION OF FIXED RATE
Beginning with my first monthly payment that becomes due after the
effective conversion date, I will, if I have chosen the recurring conversion,
pay the new payment amount as my monthly payment, and the interest rate
will not change from the fixed rate established as of the effective conversion
date.
For choosing to convert my adjustable interest rate payments to fixed rate
payments, as provided above, I will pay the lender a conversion fee equal to
\$500.00 at the time I submit my notice to elect conversion to a fixed rate
loan.

D. PAYMENT OF CONVERSION FEE
Before the date of my first monthly payment that becomes due after the
effective conversion date, the lender will deliver to me a notice of my new
monthly payment.

E. NOTICE TO LENDER

- F. DELINQUENCY
Before the date of my first monthly payment that becomes due after the
effective conversion date, the lender will deliver to me a notice of my new
monthly payment.
- THE LOAN HAS BEEN DELINQUENT ONE TIME OR MORE IN THE PREVIOUS TWELVE MONTHS.
THE MORTGAGOR MAY NOT EXERCISE THIS OPTION IF THE LOAN IS DELINQUENT OR IF
THE SUBJECT PROPERTY MUST BE OWNER OCCUPIED AT THE TIME OF CONVERSION.
- H. FEDERAL HOME LOAN MORTGAGE CORPORATION ELIGIBILITY REQUIREMENTS
The subject property must be owner occupied at the time of conversion.

It is understood and agreed that conversion option is subject to approval
by the Federal Home Loan Mortgage Corporation and agreement to purchase this
loan by same. Upon loan conversion, loan must meet all eligibility requirements of
the Federal Home Mortgage Corporation and agreement to purchase this
loan amounts, loan to value ratios, debt to income ratios, condominiums and PUD.

Any amount disbursed by Lender under this paragraph, if Lender does not have to do so, becomes additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Rate and shall be payable, with interest, upon notice from Lender to Borrower requiring payment.

7. Protection of Lender's Rights in the Property. If Borrower fails to perform the covenants and agreements contained in this Note or if any significant default occurs in the business of the Borrower, Lender may proceed in bankruptcy, probate, or condemnation of all or any part of the property of Borrower to protect the value of the property over which Lender has priority of payment.

Within three business days of the date of this Agreement, any application of proceeds to principal, shall not exceed or post-pone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments, if the borrower's right to any insurance policies and proceeds resulting under paragraph 19 the property is required by Lender. Borrower shall pass to the extent of the sum received by this Security from damage to the property prior to the acquisition of the property by Lender.

of the property damaged, if the restoration of repair is economically feasible and Lender's security is not lessened. If the correctional action is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums accrued by Lender's security whether or not the due, with any excess paid to Borrower. If Borrower abandons the property, or does not answer within 30 days a notice from Lender that the insurance has failed to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to resolve his/her property or to pay sums accrued by the Security Instrument, whether or not then due. The 30-day period will begin

All insurance policies shall be renewable at reasonable rates and shall include a standard moratorium clause, automaticity provision, and renegeable premium.

5. Hazard Insurance. Borrower shall keep the insurance now existing or hereinafter created on the Property of the kind, nature and amount as follows:

Borrower shall promptly disclose any information necessary to determine whether this Security Instrument has priority over the other obligations of the Debtor.

3. Application of Amendments. Unless application of the amendments otherwise provides, all payments received by Lender under the paragraphs 1 and 2 shall be applied first, to amounts payable under paragraph 2; thereafter, to principal due and last, to unpaid interest due.

Upon demand in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender. If under Paragraph 19 the Property is sold or acquired by Lender, any Funds held by Lender at the time of any transfer of the title of the Property to Lender, shall be used to pay the sum accrued by this Security Instrument.

If the sum of the Funds held by Lender, together with the future monthly payments of Funds payable prior to this Security instrument, exceeds the amount required to pay the escrow items when due, the excess shall be paid by Borrower, either personally or through a Borrower's attorney, if the escrow items exceed the amount of the Funds held by Lender.

Lender pays a Horwower interest to the Funds and applicable permits under a lease or other arrangement. Lender may agree to pay Horwower interest to the Funds and applicable permits under a lease or other arrangement. 2. Runholders take a tax deduction for ground rents or leasehold payments made to the Noteholder.

UNIFORM CONTRACTS Borrower and Lender covenants and agree as follows:

1. Payment of Principal and Interest; Prepayment and Late Charges. Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

UNOFFICIAL COPY

If Lender required mortgage insurance as a condition of making the loan secured by this Security Instrument, Borrower shall pay the premiums required to maintain the insurance in effect until such time as the requirement for the insurance terminates in accordance with Borrower's and Lender's written agreement or applicable law.

8. Inspection. Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give Borrower notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

9. Condemnation. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condemnor offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of such payments.

10. Borrower Not Released; Forbearance By Lender Not a Waiver. Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

11. Successors and Assigns Bound; Joint and Several Liability; Co-signers. The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 17. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey that Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without that Borrower's consent.

12. Loan Charges. If the loan secured by this Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.

13. Legislation Affecting Lender's Rights. If enactment or expiration of applicable laws has the effect of rendering any provision of the Note or this Security Instrument unenforceable according to its terms, Lender, at its option, may require immediate payment in full of all sums secured by this Security Instrument and may invoke any remedies permitted by paragraph 19. If Lender exercises this option, Lender shall take the steps specified in the second paragraph of paragraph 17.

14. Notices. Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

15. Governing Law; Severability. This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

16. Borrower's Copy. Borrower shall be given one conformed copy of the Note and of this Security Instrument.

17. Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

18. Borrower's Right to Reinstate. If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earlier of: (a) 5 days (or such other period as applicable law may specify for reinstatement) before sale of the Property pursuant to any power of sale contained in this Security Instrument; or (b) entry of a judgment enforcing this Security Instrument. Those conditions are that Borrower: (a) pays Lender all sums which then would be due under this Security Instrument and the Note had no acceleration occurred; (b) cures any default of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees; and (d) takes such action as Lender may reasonably require to assure that the lien of this Security Instrument, Lender's rights in the Property and Borrower's obligation to pay the sums secured by this Security Instrument shall continue unchanged. Upon reinstatement by Borrower, this Security Instrument and the obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under paragraphs 13 or 17.
