deposits or the like pursuant to any of the provisions thereof, whether as rents or otherwise (except sums payable directly to any person other than the lessor thereunder);

III

Covenants

3.1 Present Assignment. Notwithstanding that this Assignment of Leases and Rents provides for a present assignment of leases and rents, Assignor may collect the Rents and manage the Mortgaged Premises in the same manner as if this Assignment of Leases and Rents had not been given, but only if and so long as a Default (as defined herein) has not occurred. In the event of a Default, such right of Assignor to collect the Rents and to manage the Mortgaged Premises shall thereupon automatically terminate.

3.2 Power Coupled with Interest. This Assignment of Leases and Rents confers upon Lender a power coupled with an interest and cannot be revoked by Assignor.

3.3 No Other Assignment. Assignor warrants and represents and covenants that it is the sole owner of the lessor's entire interest in the Leases and has full right to assign the Leases and the rents due or to become due thereunder, that there has been no previous assignment and, without Lender's prior written consent as to form and substance, Assignor will permit no future assignment (as collateral or otherwise) of the lessor's right, title and interest in any of the Leases (other than pursuant to the Other Lien Agreements), that the Leases are valid and enforceable in accordance with their terms and have not been altered, modified or amended in any manner whatsoever, that the lessees are not in default under the Leases and have no defenses, set-offs or counterclaims against the lessor under the Leases, that no rent reserved in the Leases has been assigned or anticipated and that no rent for any period subsequent to the date hereof has been collected in advance of the time when the said rent becomes or would become due under the terms of the Leases.

3.3 Management. At all times until this Assignment of Leases and Rents is released or until the assignment granted hereby is exercised by Lender and at all times thereafter during which Lender is not in actual or constructive possession of the Mortgaged Premises, Mortgagor and Guarantor shall cause the Mortgaged Premises to be managed in accordance with sound business practices and cause to be performed all obligations imposed upon them under the Leases and not do or permit to be done anything to impair the security thereof. Mortgagor and Guarantor shall not permit any of the Rents to be collected in advance, except that any monthly rent due and payable under the Leases may be collected up to 15 days in advance. Mortgagor and Guarantor shall not or permit any party to alter, modify, amend, change or default under the terms of any of the Leases or the Guaranties, or give

any consent, concession or waiver under any of the Leases or exercise any option of the lessor permitted by the terms of any of the Guaranties or accept the surrender thereof or consent to any assignment or subletting under any of the Leases, or convey or transfer or suffer or permit a conveyance or transfer of the premises demised by any or all of the Leases or of any interest therein so as to effect directly or indirectly, promptly or remotely, a merger of the estates and rights of, or termination or elimination of, the obligations of lessees thereunder, without the prior written consent of the Lender. Mortgagor and Guarantor shall not make any other assignment of any interest in any other Leases or the Rents accruing from such Leases or from the Mortgaged Premises, or subordinate any of the Leases to any mortgage or other encumbrance, or permit, consent or agree to such subordination without the prior written consent of the Lender. Mortgagor and Guarantor shall cause prompt action, including legal proceedings, for enforcement of any of the Leases and all other remedies available to lessor thereunder to be commenced against any delinquent lessee as soon as reasonably necessary to protect such lessor's interest or immediately upon written request from Lender, and in the event Lender requests that a specific action be taken, to cause such action to be promptly taken. Mortgagor and Guarantor shall at the direction of Lender give any consent to exercise any option or election granted to the lessor under any of the Leases. Mortgagor and Guarantor shall execute and deliver, at the reasonable written request of Lender, all such further assurances and assignments as Lender from time to time shall require.

3.4 Execution of Leases. Mortgagor and Guarantor shall not permit any Leases to be made of all or any portion of the Mortgaged Premises except as provided in the Mortgage.

3.5 Notice of Lessor's Default. Mortgagor and Guarantor shall cause notice to be given to Lender of any default by the lessor under any of the Leases promptly upon the occurrence of such default, but in all events in sufficient time to afford to Lender an opportunity to cure any such default prior to the lessee under the subject Lease having any right to terminate the Lease by reason of such default. Each of the Leases shall contain a provision requiring the lessee thereunder to notify Lender of any default by lessor thereunder and granting Lender an opportunity for a reasonable time after such notice to cure such default prior to any right accruing to the lessee to terminate such Lease.

3.6 Lender to be Creditor of Lessee. Lender shall be and be deemed to be the creditor of each lessee in assignments for the benefit of creditors and bankruptcy, reorganization, insolvency, dissolution, receivership, or probate proceedings affecting such lessee (without any obligation on the part of Lender, however, to file or make timely filings of claims in such

proceedings or otherwise to pursue creditor's rights therein). Mortgagor and Guarantor hereby assign to Lender any and all Damages and any and all money received in connection with such assignment for the benefit of creditors or in any such bankruptcy, reorganization, insolvency, dissolution, receivership or probate proceeding, with an option to Lender to apply reduction of the indebtedness (in inverse order of maturity) secured by or to be paid under the Mortgage. Mortgagor and Guarantor hereby appoint Lender as their respective irrevocable attorney-in-fact to appear in any action and/or collect any such money, award or payment.

IV

Defaults and Remedies

4.1 Defaults. Each of the following shall constitute a default ("Default") under this Assignment of Leases and Rents:

4.1(a) The untruth of any representation made by Mortgagor or Guarantor herein, the failure by Mortgagor and Guarantor to perform in a full and timely manner any of their obligations under this Assignment of Leases and Rents of the Note or the breach of any of Mortgagor's or Guarantor's covenants contained in this Assignment of Leases and Rents;

4.1(b) The occurrence of any Default (as therein defined) under the Note, any of the Prior Lien Agreements or the Other Lien Agreements;

4.1(c) The default by the lessor under any of the Leases.

4.2 Exercise of this Assignment of Leases and Rents.

4.2(a) If the Default is a default in the payment or deposit of money and if Lender gives notice of such Default, which notice shall provide that such Default be cured within ten days, and, if such Default is not cured within such ten-day period, or if the Default is not a default in the payment or deposit of money and if Lender gives notice of such Default, which notice shall provide that such Default be cured within thirty days, and if such Default is not cured within said thirty-day period, Lender may, without further notice or demand, exercise the assignment hereby granted and, in the event of any Default, pursue its rights to collect the Rents and Income or manage the Mortgaged Premises, or both, and otherwise exercise its rights as provided in this Assignment of Leases and Rents, without regard to the adequacy of the security and without waiving any other remedy available to Lender and without waiving such Default;

4.2(b) In the event Lender elects to invoke any of its rights hereunder and thereafter, for any reason, relinquishes to Mortgagor or Guarantor such rights, this Assignment of Leases and Rents shall in no respect be terminated but instead remain in full force and effect until the indebtedness represented by the Note is paid in full, it being the intent of the parties that Lender shall, from time to time upon the occurrence of any Default under this Assignment of Leases and Rents, have all the rights granted hereby.

4.3 Nature of Remedies. No delay or omission on the part of Lender in the exercise of any remedy for a Default shall operate as a waiver thereof. The remedies available to Lender under this Assignment of Leases and Rents shall be in addition to, and exercisable in any combination with, any and all remedies available by operation of law and under the Note and the Other Lien Agreements. The said remedies shall be cumulative and concurrent, may be pursued separately, successively or together against Mortgagor, Guarantor and the Mortgaged Premises or any of them at the sole discretion of Lender and may be exercised as often as occasion therefor shall arise.

4.4 Application of Rents. Lender shall have the power to apply the Rents, Damages and Income, in such order as Lender may determine, to the payment of the indebtedness (in the inverse order of maturity) represented by the Note or any and all renewals, extensions, modifications or replacements thereof, and also toward the payment of all Advances (as defined in the Mortgage) and all expenses for the care and management of the Mortgaged Premises, including taxes, insurance, assessments, usual and customary commissions to a real estate broker for leasing real estate and collecting rents, and the reasonable expenses and fees of all attorneys, agents and servants, which expenses Lender may reasonably deem to be necessary to exercise the powers granted to the Lender hereunder. The receipt by Lender of any Rents and Income pursuant to this Assignment of Leases and Rents following a Default and the exercise of any remedies provided for in the Note or the Other Lien Agreements shall not cure such default or affect or prejudice the exercise of such remedies.

4.5 Limitation of Lender's Obligations. Lender's obligations as to any Rents actually collected shall be discharged by application of such rents for the purposes described in this Assignment of Leases and Rents. Lender shall not be liable for uncollected rents or for any claim for damages or set-offs arising out of Lender's management of the Mortgaged Premises other than for damages arising from Lender's gross negligence. Lender shall not be liable to any lessee for the return of any security deposit made under any Lease of any portion of the Mortgaged Premises unless Lender shall have received such security deposit from the lessor or such lessee. Lender shall not by reason of this Assignment of Leases and Rents

or the exercise of any right granted herein be obligated to perform any obligation of the lessor under any of the Leases, nor shall Lender be responsible for any act committed by the lessor, or any breach or failure to perform by the lessor with respect to any of the Leases. Nothing contained herein shall be deemed to have the effect of making the Lender a mortgagee in possession of the Mortgaged Premises or any part thereof.

4.6 Reimbursement. Mortgagor and Guarantor shall reimburse, indemnify and hold harmless Lender for and from any and all expenses, losses, damages and liabilities which Lender may incur by reason of this Assignment of Leases and Rents, any of the Leases, or expenses, losses, damages and liabilities incurred in exercising any of the rights granted in this Assignment of Leases and Rents. Any and all amounts due to Lender under this Section 4.6 shall be immediately due and payable, shall be added to the principal amount of the Note and secured by this Assignment of Leases and Rents and the Other Lien Agreements.

4.7 Authorization to Lessees. Each present and future lessee under any of the Leases is hereby authorized and directed to pay the rent payable thereunder to Lender upon written demand from Lender stating that a Default has occurred under this Assignment of Leases and Rents without inquiry as to whether any such default has occurred or whether Lender is rightfully entitled to such rent. Each of the Leases shall contain a provision in substance identical to the preceding sentence.

v

Miscellaneous

5.1 Modification of Loan Terms. If the time of payment of all indebtedness secured hereby or any part thereof be extended at any time or times, if the Note be renewed, modified or replaced or if any security for the Note be released, Mortgagor, any other parties now or hereafter liable therefor or interested in the Mortgaged Premises and Guarantor shall be held to consent to such extensions, renewals, modifications, replacements and releases, and their liability and the lien hereof and of the Other Lien Agreements shall not be released and the rights created hereby and thereby shall continue in full force, the right of recourse, if any, against all such parties being reserved by Lender.

5.2 Successors and Assigns. This Assignment of Leases and Rents shall inure to the benefit of and be binding upon the respective successors, assigns, heirs and legal representatives of Mortgagor, Guarantor and Lender and all persons and entities (including owners and lessees) which may hereafter obtain any interest in the Mortgaged Premises.
