the Association to execute the contract. The contract provides that Western shall provide labor, material, equipment, and services for bonded concrete overlay on balconies, door sill replacement, joint sealant at corner columns, sealant of joint above and below exposed concrete slab on North and South walls at all floors, and sealant of joint along both edges of exposed concrete columns at East and West ends of exposed slab on North and South walls.

3. The total contract price of \$310,272 is divided by the contract into phases as follows:

Phase I - - \$159,182

Phase II - - \$151,090.

4. On September 29, 1988, Western completed under the contract all work required to be done for Phase I. The Owner knowingly permitted Western to make the Phase I improvements.

5. The Association has part made payment to Western on account of the Phase I portion of the contract work.

6. Consequently there is due, unpaid, and owing Western, after allowing all credits, the balance of One Hundred Two Thousand Seventy-Nine Dollars (\$102,079), for which with
