

THIS ADJUSTABLE RATE RIDER is made this 15<sup>TH</sup> day of MAY, 19 89, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Adjustable Rate Note (the "Note") to INVESTORS SAVINGS BANK, F.S.B., A UNITED STATES OF AMERICA CORPORATION ITS SUCCESSORS AND/OR ASSIGNS (the "Lender") of the same date and covering the property described in the Security Instrument and located at:

105 EAST PARK STREET, ARLINGTON HEIGHTS, ILLINOIS 60005  
 (Property Address)

**THE NOTE CONTAINS PROVISIONS ALLOWING FOR CHANGES IN THE INTEREST RATE AND THE MONTHLY PAYMENT. THE NOTE LIMITS THE AMOUNT THE BORROWER'S INTEREST RATE CAN CHANGE AT ANY ONE TIME AND THE MAXIMUM RATE THE BORROWER MUST PAY.**

**ADDITIONAL COVENANTS.** In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

**A. INTEREST RATE AND MONTHLY PAYMENT CHANGES**

The Note provides for an initial interest rate of 9.8750%. The Note provides for changes in the interest rate and the monthly payments, as follows:

**4. INTEREST RATE AND MONTHLY PAYMENT CHANGES**

**(A) Change Dates**

The interest rate I will pay may change on the first day of MAY, 19 92, and on that day every 12th month thereafter. Each date on which my interest rate could change is called a "Change Date."

**(B) The Index**

Beginning with the first Change Date, my interest rate will be based on an Index. The "Index" is the weekly average yield on United States Treasury securities adjusted to a constant maturity of 1 year, as made available by the Federal Reserve Board. The most recent Index figure available as of the date 45 days before each Change Date is called the "Current Index."

If the Index is no longer available, the Note Holder will choose a new index which is based upon comparable information. The Note Holder will give me notice of this choice.

**(C) Calculation of Changes**

Before each Change Date, the Note Holder will calculate my new interest rate by adding TWO AND SEVEN EIGHTHS percentage points (2.8750%) to the Current Index. The Note Holder will then round the result of this addition to the nearest one-eighth of one percentage point (0.125%). Subject to the limits stated in Section 4(D) below, this rounded amount will be my new interest rate until the next Change Date.

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal that I am expected to owe at the Change Date in full on the maturity date at my new interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment.

**(D) Limits on Interest Rate Changes**

The interest rate I am required to pay at the first Change Date will not be greater than 11.8750% or less than 7.8750%. Thereafter, my interest rate will never be increased or decreased on any single Change Date by more than TWO percentage points (2.00%) from the rate of interest I have been paying for the preceding twelve months. My interest rate will never be greater than 13.8750%.

**(E) Effective Date of Changes**

My new interest rate will become effective on each Change Date. I will pay the amount of my new monthly payment beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes again.

**(F) Notice of Changes**

The Note Holder will deliver or mail to me a notice of any changes in my interest rate and the amount of my monthly payment before the effective date of any change. The notice will include information required by law to be given me and also the title and telephone number of a person who will answer any question I may have regarding the notice.

**B. TRANSFER OF THE PROPERTY OR A BENEFICIAL INTEREST IN BORROWER**

Uniform Covenant 17 of the Security Instrument is amended to read as follows:

**Transfer of the Property or a Beneficial Interest in Borrower.** If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument. Lender also shall not exercise this option if: (a) Borrower causes to be submitted to Lender information required by Lender to evaluate the intended transferee as if a new loan were being made to the transferee; and (b) Lender reasonably determines that Lender's security will not be impaired by the loan assumption and that the risk of a breach of any covenant or agreement in this Security Instrument is acceptable to Lender.

To the extent permitted by applicable law, Lender may charge a reasonable fee as a condition to Lender's consent to the loan assumption. Lender may also require the transferee to sign an assumption agreement that is acceptable to Lender and that obligates the transferee to keep all the promises and agreements made in the Note and in this Security Instrument. Borrower will continue to be obligated under the Note and this Security Instrument unless Lender releases Borrower in writing.

## ADDENDUM TO ADJUSTABLE RATE RIDER (Fixed Rate Conversion Option)

7 1 5 2 3

THIS ADDENDUM TO ADJUSTABLE RATE RIDER is made this 1ST day of MAY, 19 89 and is incorporated into and shall be deemed to amend and supplement the Adjustable Rate Rider (the "Rider") to the Mortgage, Deed of Trust or Security Deed (the "Security Instrument"), each dated the same date as this Addendum and given by the undersigned (the "Borrower") to secure Borrower's Adjustable Rate Note with Addendum To Adjustable Rate Note to INVESTORS SAVINGS BANK, F.S.B., a United States of America corporation (the "Lender") and dated the same date as this Addendum (the "Note"), covering the property described in the Security Instrument and located at:

105 EAST PARK STREET, ARLINGTON HEIGHTS, ILLINOIS 60005  
(Property Address)

**ADDITIONAL COVENANTS.** In addition to the covenants and agreements made in the Security Instrument and the Rider, Borrower further covenants and agrees as follows:

**A. FIXED INTEREST RATE OPTION**

The Note provides for the Borrower's option to convert from an adjustable interest rate to a fixed interest rate, as follows:

**1. Option to Convert to Fixed Rate**

I have a Conversion Option which I can exercise unless I am in default or this Section A1 will not permit me to do so. The "Conversion Option" is my option to convert the interest I am required to pay by the Note from an adjustable rate to a fixed rate. The conversion can take effect on any date ("Conversion Date") which is at least one year after the date of this Note and less than six years after the date of this Note.

If I want to exercise the Conversion Option, I must first meet certain conditions. Those conditions are that:

- (a) I must notify the Note Holder, in writing, of my decision to convert to a fixed interest rate, and must arrange with a representative of the Note Holder for an appointment to sign and deliver this notice personally;
- (b) I must pay the Conversion Fee to the Note Holder when I notify the Note Holder of my decision to convert; the Conversion Fee is one percent (1%) of the principal I owe on that date;
- (c) If either the Fixed Rate, or the highest interest rate which has been in effect on this Note, is more than two percent (2%) per annum greater than the initial adjustable rate on this Note, I must qualify under the Note Holder's underwriting rules then in effect for a fixed rate loan, in the sum of the principal I owe on the date I notify the Note Holder of my decision to convert, at the Fixed Rate. To permit the Note Holder to determine whether I qualify, I must provide to the Note Holder, at my expense:
  - (i) a new loan application; and
  - (ii) a new credit report; and
  - (iii) new employment and income verifications and, if I am self-employed, if I own all or a partial interest in my employer, or if I am relying on commissions or bonuses to qualify, signed copies of my federal income tax returns for the two most recent years; and
  - (iv) if I am relying on any other income to qualify, all other documents required to verify that income under the Note Holder's underwriting rules then in effect.
- (d) I must execute and deliver to the Note Holder the agreements required by the Note Holder to reflect the conversion of this Note from an adjustable rate to the Fixed Rate, and pay for all credit reports needed under Section A1(c); I must arrange with a representative of the Note Holder for an appointment to satisfy this condition;
- (e) This Note must not have been delinquent during the twelve (12) month period ending on the date I notify the Note Holder of my decision to convert, nor at any time between that date and the date on which I satisfy all of these conditions; and
- (f) I must actually occupy and intend to continue occupying all or part of the property described in the mortgage securing this Note as my primary residence, and must provide to the Note Holder a written statement certifying that I satisfy this condition.

If I must qualify under paragraph A1(c) but I fail to qualify, or if I elect to convert but fail to meet any other condition in this Section A1, my Conversion Fee (minus the cost of all credit reports) will be refunded and I will retain the right to convert at a later date. My right to convert to a fixed rate will automatically expire unless the Conversion Date occurs less than six years after the date of this Note.

**2. Calculation of Fixed Rate**

Provided that I have met all of the conditions of Section A1, this Note will bear interest at the Fixed Rate, from the Conversion Date until this Note is paid in full. The Conversion Date is the first day of the calendar month after I have satisfied all of the conditions in Section A1.

The Fixed Rate is calculated by adding 0.500 percent per annum to the Conversion Index, and rounding that sum to the next highest one-eighth of one percent. The Conversion Index is the required net yield posted by the Federal Home Loan Mortgage Corporation ("FHLMC") for thirty (30) year, fixed rate conventional loans under FHLMC's 60 day mandatory delivery commitment program, on the date I satisfy all of the conditions in Section A1. I acknowledge that the limits on interest rate changes set forth in Section 4(D) of this Note do not apply to the Fixed Rate. If the Conversion Index is not available, the Note Holder will determine the Fixed Rate by using a comparable index. The maximum interest rate will not exceed 13.8750 %.

**3. Determination of New Payment Amount**

If I exercise the Conversion Option, the Note Holder will determine the amount of the monthly payment that would be sufficient to repay in full the unpaid principal I am expected to owe on the Conversion Date, by the maturity date, at my new Fixed Rate, in substantially equal payments. The result of this calculation will be the new amount of my monthly payment. Beginning with my first monthly payment after the Conversion Date, I will pay the new amount as my monthly payment until the maturity date.

**B. TRANSFER OF THE PROPERTY OR A BENEFICIAL INTEREST IN BORROWER**

If Borrower exercises the Conversion Option under the Note as stated in Section A of this Addendum To Adjustable Rate Rider, the amendment to Uniform Covenant 17 of the Security Instrument contained in the Rider shall cease to be in effect, and the provisions of Uniform Covenant 17 of the Security Instrument shall instead be in effect, starting on the Conversion Date, as follows:

**Transfer of the Property or a Beneficial Interest in Borrower.** If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal laws as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Addendum To Adjustable Rate Rider.

OCCUPANCY RIDER TO SECURITY INSTRUMENT

FOR VALUE RECEIVED, the undersigned ("Borrower") agrees that the following provisions shall be incorporated into the Security Instrument (which may be a deed of trust, mortgage, security deed or other security instrument) as well as the Promissory Note of the same date which is secured by said Security Instrument. During such time that the provisions of said Security Instrument or Promissory Note, the provisions of this Rider shall prevail and shall supersede any such inconsistent provisions.

If the Federal Home Loan Mortgage Corporation ("FHLMC"), the Federal National Mortgage Association ("FNMA"), or any other third party buys all or some of Lender's rights under said Security Instrument and Promissory Note, this Rider will no longer have any force or effect. If, thereafter, FHLMC, FNMA, or any other third party should transfer said Security Instrument and Promissory Note to Lender or Lender's successor in interest or assigns, the provisions of this Rider shall thereupon be reinstated.

OWNER-OCCUPANCY REQUIREMENT

As an inducement for Lender to make the loan secured by the Security Instrument, Borrower has agreed to:

- (1) occupy, as Borrower's primary residence, the real property commonly known as 105 EAST PARK STREET, ARLINGTON HEIGHTS, ILLINOIS 60005 ("Real Property") within 30 days of the date the Security Instrument is recorded and
(2) continue to occupy said Real Property through the one-year anniversary date of the recordation of the Security Instrument. Lender may waive this one-year occupancy requirement if Lender, in its sole discretion, determines that Borrower failed to meet this requirement for reasons beyond his or her control.

Borrower acknowledges that Lender would not have agreed to make the loan if the Real Property were not to be owner-occupied and that the interest rate set forth on the face of the Promissory Note, as well as other terms of the loan, were determined as a result of Borrower's representation that the Real Property would be owner-occupied.

Borrower further acknowledges that, among other things, purchasers of loans (including agencies, associations and corporations created by the federal and state governments for the purchases of loans) typically require that properties securing loans acquired by such purchasers be owner occupied, and will reject loans for which the security properties are not owner-occupied; the risks involved and the costs of holding and administering a loan are often higher in the case of a loan where the security property is not owner-occupied; and, if and when Lender makes a loan on non-owner-occupied property, Lender typically makes such a loan on terms different from those of loans secured by owner-occupied properties.

Accordingly, in the event the Real Property is not occupied as Borrower's primary residence within 30 days of the recordation of the Security Instrument and through the one-year anniversary date of the recordation of the Security Instrument, the holder of the Promissory Note may, solely at the holder's option, either:

- (a) declare all sums owed under the Promissory Note and secured by the Security Instrument to be immediately due and payable, or
(b) if the loan's interest rate is fixed, increase the interest rate set forth in the Promissory Note by one percentage point (1.00%), effective the date the Security Instrument was recorded, with all subsequent monthly payments adjusted accordingly; or if the loan's interest rate is adjustable, increase the interest rate, the margin and the limits on adjustments to the interest rate by one-half of one percentage point (.50%), effective the date the Security Instrument was recorded, with all subsequent monthly payments adjusted accordingly.

Notwithstanding the above, in no event shall any of the provisions contained herein result in an interest rate in excess of the maximum permitted by law.

If any court of competent jurisdiction determines that any term, covenant, condition or provision herein, or the application thereof to any circumstance is invalid, void or unenforceable, the same shall be deemed severable from the remainder and shall in no way affect any other term, covenant or provision or the application thereof to circumstances other than those to which it is held invalid

The rights of the Lender hereunder shall be in addition to any other rights of Lender under the Security Instrument or as allowed by law.

Instrument. (Check applicable boxes)

This Security Instrument, the covenants and agreements of this Security Instrument as if the rider(s) were a part of this Security Instrument supplement the covenants and agreements of this Security Instrument.

23. Riders to this Security Instrument. If one or more riders are executed by Borrower and recorded together with this Security Instrument, Borrower waives all right of homestead exemption in the Property.

22. Waiver of Homestead. Borrower shall pay any recordation costs.

21. Release. Upon payment of all sums secured by this Security Instrument, Lender shall release this Security Instrument without charge to Borrower. Borrower shall pay any recordation costs.

20. Lender in Possession. Upon acceleration under paragraph 19 or abandonment of the Property and at any time prior to the expiration of any period of redemption following judicial sale, Lender (in person, by agent or by judicially appointed receiver) shall be entitled to enter upon, take possession of and manage the Property and to collect the rents of the Property including those past due. Any rents collected by Lender or the receiver shall be applied first to payment of the receiver's bonds and reasonable attorney's fees, and then to the sums secured by this Security Instrument.

19. Acceleration; Remedies. Lender shall give notice to Borrower prior to acceleration following Borrower's breach of any covenant or agreement in this Security Instrument (but not prior to acceleration under paragraphs 13 and 17 unless applicable law provides otherwise). The notice shall specify: (a) the default; (b) the action required to cure the default; (c) a date, not less than 30 days from the date the notice is given to Borrower, by which the default must be cured; and (d) that failure to cure the default on or before the date specified in the notice may result in acceleration of the sums secured by this Security Instrument without further demand and may foreclose this Security Instrument by judicial proceeding. Lender shall be entitled to collect all expenses incurred in pursuing the remedies provided in this paragraph 19, including, but not limited to, reasonable attorney's fees and costs of title evidence.

18. Acceleration; Remedies. Lender shall give notice to Borrower prior to acceleration following Borrower's breach of any covenant or agreement in this Security Instrument (but not prior to acceleration under paragraphs 13 and 17 unless applicable law provides otherwise). The notice shall specify: (a) the default; (b) the action required to cure the default; (c) a date, not less than 30 days from the date the notice is given to Borrower, by which the default must be cured; and (d) that failure to cure the default on or before the date specified in the notice may result in acceleration of the sums secured by this Security Instrument without further demand and may foreclose this Security Instrument by judicial proceeding. Lender shall be entitled to collect all expenses incurred in pursuing the remedies provided in this paragraph 19, including, but not limited to, reasonable attorney's fees and costs of title evidence.

If Lender required mortgage insurance as a condition of making the loan secured by this Security Instrument, Borrower shall pay the premiums required to maintain the insurance in effect until such time as the requirement for the insurance terminates in accordance with Borrower's and Lender's written agreement or applicable law.

**8. Inspection.** Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give Borrower notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

**9. Condemnation.** The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condemnor offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of such payments.

**10. Borrower Not Released; Forbearance By Lender Not a Waiver.** Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

**11. Successors and Assigns Bound; Joint and Several Liability; Co-signers.** The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 17. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey that Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without that Borrower's consent.

**12. Loan Charges.** If the loan secured by this Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.

**13. Legislation Affecting Lender's Rights.** If enactment or expiration of applicable laws has the effect of rendering any provision of the Note or this Security Instrument unenforceable according to its terms, Lender, at its option, may require immediate payment in full of all sums secured by this Security Instrument and may invoke any remedies permitted by paragraph 19. If Lender exercises this option, Lender shall take the steps specified in the second paragraph of paragraph 17.

**14. Notices.** Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

**15. Governing Law; Severability.** This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

**16. Borrower's Copy.** Borrower shall be given one conformed copy of the Note and of this Security Instrument.

**17. Transfer of the Property or a Beneficial Interest in Borrower.** If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

**18. Borrower's Right to Reinstate.** If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earlier of: (a) 5 days (or such other period as applicable law may specify for reinstatement) before sale of the Property pursuant to any power of sale contained in this Security Instrument; or (b) entry of a judgment enforcing this Security Instrument. Those conditions are that Borrower: (a) pays Lender all sums which then would be due under this Security Instrument and the Note had no acceleration occurred; (b) cures any default of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees; and (d) takes such action as Lender may reasonably require to assure that the lien of this Security Instrument, Lender's rights in the Property and Borrower's obligation to pay the sums secured by this Security Instrument shall continue unchanged. Upon reinstatement by Borrower, this Security Instrument and the obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under paragraphs 13 or 17.

# UNOFFICIAL COPY

**UNIFORM COVENANTS** Borrower and Lender covenant and agree as follows:

- 1. Payment of Principal and Interest; Prepayment and Late Charges.** Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.
- 2. Funds for Taxes and Insurance.** Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum ("Funds") equal to one-twelfth of: (a) yearly taxes and assessments which may attain priority over this Security Instrument; and (d) yearly leasehold payments or ground rents on the Property, if any; (c) yearly hazard insurance premiums; and (d) yearly mortgage insurance premiums, if any. These items are called "escrow items." Lender may estimate the Funds due on the basis of current data and reasonable estimates of future escrow items. The Funds shall be held in an institution or accounts of which are insured or guaranteed by a federal or state agency (including Lender if Lender is such an institution). Lender shall apply the Funds to pay the escrow items. Lender may not charge for holding and applying the Funds, analyzing the account or verifying the escrow items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. A charge assessed by Lender in connection with Borrower's entering into this Security Instrument to pay the cost of an independent tax reporting service shall not be a charge for purposes of the preceding sentence. Borrower and Lender may agree in writing that interest shall be paid on the Funds. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for the sums secured by this Security Instrument. If the amount of the Funds held by Lender, together with the future monthly payments of Funds payable prior to the due dates of the escrow items, shall exceed the amount required to pay the escrow items when due, the excess shall be, at Borrower's option, either promptly repaid to Borrower or credited to Borrower on monthly payments of Funds. If the amount of the Funds held by Lender is not sufficient to pay the escrow items when due, Borrower shall pay to Lender any amount necessary to make up the deficiency in one or more payments as required by Lender.
- 3. Application of Payments.** Unless applicable law provides otherwise, all payments received by Lender under paragraphs 1 and 2 shall be applied: first, to late charges due under the Note; second, to prepayment charges due under the Note; third, to amounts payable under paragraph 2; fourth, to interest due; and last, to principal due.
- 4. Charge Lien.** Borrower shall pay all taxes, assessments, charges, fines and impositions attributable to the Property which may attain priority over this Security Instrument, and leasehold payments or ground rents, if any. Borrower shall pay them on time directly to the person used payment. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this paragraph. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments.
- 5. Hazard Insurance.** Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards for which Lender requires insurance. This insurance shall be maintained in the amount, and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower, subject to Lender's approval which shall not be unreasonably withheld.
- 6. Preservation and Maintenance of Property; Leaseholds.** Borrower shall not destroy, damage or substantially change the Property, allow the Property to deteriorate or commit waste. If this Security Instrument is on a leasehold, Borrower shall comply with the provisions of the lease, and if Borrower acquires fee title to the Property, the leasehold and fee title shall not merge unless Lender agrees to the merger in writing.
- 7. Protection of Lender's Rights in the Property; Mortgage Insurance.** If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 7, Lender does not have to do so.
- 8. Insurance.** Lender may take action under this paragraph 7, Lender does not have to do so. Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.
