## ADJUSTABLE RATE RIDER ARM-G PERIODIC CAP

Loan No. 0-812204-0

THIS ADJUSTABLE RATE RIDER dated **JUNE 24, 1989** changes and adds to the Mortgage, Deed of Trust, or Security Deed (the "Security Instrument") I signed this day. The Security Instrument secures my Note (the "Note") to

**GREAT WESTERN MORTGAGE CORPORATION, A DELAWARE CORPORATION**

(the "Lender"),

also signed this day, and covers my property as described in the Security Instrument and located at

**37 FIRST STREET,  
WHEELING, ILLINOIS 60090**

(Property Address)

ATTENTION: THE NOTE CONTAINS PROVISIONS ALLOWING FOR CHANGES IN MY INTEREST RATE AND MY MONTHLY PAYMENT. THE NOTE LIMITS THE MINIMUM AND MAXIMUM INTEREST I MUST PAY, AND HAS THE POTENTIAL FOR NEGATIVE AMORTIZATION.

The amount of my scheduled monthly payment could be less than the amount required to pay the interest due after a rate change for that payment period. If so, the Note Holder will subtract the amount of my scheduled monthly payment from the amount of interest that I owe for that month and will add the difference to the outstanding principal balance of my loan. This occurrence is known as negative amortization. This unpaid interest is called "deferred interest". Under the Note, I must pay interest on the amount added to the principal balance at the same rate of interest I am required to pay on the outstanding loan balance each month.

### INTEREST RATE AND MONTHLY PAYMENT CHANGES

The Note provides for changes in my interest rate and my monthly payments as follows:

|                          |          |                                 |                         |
|--------------------------|----------|---------------------------------|-------------------------|
| Initial Interest Rate    | 9.750%   | First Interest Rate Change Date | 10/01/89                |
| Initial Monthly Payment* | \$481.13 | Periodic Rate Change Limit      | 2.000 Percentage Points |
| First Payment Due Date   | 08/01/89 | Payment Due Date                | 1ST                     |
| Maturity Date            | 07/01/19 | First Payment Change Date       | 08/01/90                |

Uniform Covenant 13 of the Security Instrument is deleted.

## C. LEGISLATION AFFECTING LENDER'S RIGHTS

Lender may not change for holding and applying the Funds, analyzing the account or verifying the escrow items, unless Lender pays Borrower's interest on the Funds and applicable law permits Lender to make such a change, provided, however, that Lender may impose upon Borrower at closing a fee to compensate a third party who shall be responsible for the incurrence and payment of real estate taxes without thereby becoming obligated to pay Borrower interest on the Funds.

## 9. FUNDS FOR TAXES AND INSURANCE

The third sentence in the second paragraph of Uniform Covenant 2 of the Security Instrument is changed to read as follows:

Lender may not change for holding and applying the Funds, analyzing the account or verifying the escrow items, unless Lender pays Borrower's interest on the Funds and applicable law permits Lender to make such a change, provided, however, that Lender may impose upon Borrower at closing a fee to compensate a third party who shall be responsible for the incurrence and payment of real estate taxes without thereby becoming obligated to pay Borrower interest on the Funds.

## A. TRANSFER OF THE PROPERTY OR OF A BENEFICIAL INTEREST IN BORROWER

(The Note Holder is called the "Lender"; I am called the "Borrower".)

Lender and agrees as of, as

ADDITIONAL COVENANTS. In addition to the covenants and agreements made in the Security Instrument, I further

if the calculation of payment change described in Section 2(f) would result in a greater change than the increase or decrease to the monthly payment may occur, I will pay the amount of the change described in Section 2(f) which would result in a greater change.

(c) Limitation on Changes in the Monthly Payment. The increases and decreases which occur to the monthly payment on the Payment Change Date will not exceed 7% of the previous monthly payment, except on the tenth (10th) anniversary of the First Payment Due Date, and on each fifth (5th) anniversary during the remaining term of the loan. On the tenth (10th) anniversary and each fifth (5th) anniversary, the increase or decrease to the monthly payment may exceed 7% of the previous monthly payment.

(b) Calculation of Changes. The new payment will be calculated approximately 60 days prior to the Payment Change Date by using the interest rate which is then in effect and the loan balance which would be an amount which would be sufficient to repay the loan balance used in the calculation over the remaining term of the loan at the new interest rate. I substantially equal payments.

## 2. METHOD OF COMPUTING CHANGES IN THE MONTHLY PAYMENT

(a) Change Date. My monthly payment will change on the first Payment Change Date shown on the front of this Rider and annually thereafter. The date the payment will change is called the "Payment Change Date".

(b) Calculation of Changes. The new payment will be calculated approximately 60 days prior to the Payment Change Date by using the interest rate which is then in effect and the loan balance which would be an amount which would be sufficient to repay the loan balance used in the calculation over the remaining term of the loan at the new interest rate. I substantially equal payments.

(c) Limitation on Changes in the Monthly Payment. The increases and decreases which occur to the monthly payment on the Payment Change Date will not exceed 7% of the previous monthly payment, except on the tenth (10th) anniversary of the First Payment Due Date, and on each fifth (5th) anniversary during the remaining term of the loan. On the tenth (10th) anniversary and each fifth (5th) anniversary, the increase or decrease to the monthly payment may exceed 7% of the previous monthly payment.

(d) Limits on Interest Rate Changes. Changes to the interest rate I am required to pay are limited as follows:

(i) My interest rate in the first loan year (the period from the beginning of this loan to the twelfth (12th) Payment Due Date) may not be changed. The initial interest rate on this loan is the rate in effect on the date of the assumption. The Note Holder may also reduce the Minimum Rate up to five percentage points (5.0%) above the interest rate in effect on the date of the assumption. The Note Holder may also reduce the Minimum Rate up to five percentage points (5.0%) below the interest rate in effect on the date of the assumption. The Note Holder may increase or decrease the Maximum Rate and the Minimum Rate each time the property is sold and the loan is assumed, however, the Periodic Rate Change Limit may not be changed. The Note Holder, however, may choose not to change the Maximum Rate or Minimum Rate each time the property is sold and the loan is assumed. The Note Holder's choice whether to change the Maximum Rate or Minimum Rate will be made at the time the Note Holder consents to the sale and assumption.

(ii) My interest rate during the term of the loan will not be greater than the Maximum Rate nor less than the Minimum Rate shown on the front of this Rider (unless the property securing this loan is sold and the loan is assumed, however, the Periodic Rate Change Limit may not be changed). My interest rate in the last month of the previous loan year by more than the Periodic Rate Change Limit. My interest rate in each of the twelve month periods (an year) following the first loan year may not change from my interest rate in the last month of the previous loan year by more than the Periodic Rate Change Limit.

(iii) My interest rate during the term of the loan will not be greater than the Maximum Rate nor less than the Minimum Rate shown on the front of this Rider (unless the property securing this loan is sold and the loan is assumed, however, the Periodic Rate Change Limit may not be changed). Sale of the property and assumption of my loan require the Note Holder's consent.

## METHOD OF COMPUTING INTEREST RATE CHANGES

(a) Change Date. The interest rate I will pay will change on the first Interest Rate Change Date shown on the front of this Rider and on every Payment Due Date thereafter.

(b) The index. Beginning with the first Interest Rate Change Date, my interest rate will be based on an index. The "index" is the monthly weighted average cost of savings borrowings and advances by the Federal Home Loan Bank of San Francisco (called the "Bank") to eligible District Members of the Bank, based on statistics tabulated and published by the Bank during the term of the loan. If the index becomes unavailable, the Note Holder (as defined in the Note) may select another comparable index to permit interest rate changes. Each published update of the index is called the "Current Index".

(c) Calculation of Changes. The Note Holder will determine each changed interest rate by adding the Rate Differential shown on the front of this Rider to the most recently published Current Index. The sum of the Current Index and the Rate Differential is the interest rate that will apply to my loan until the next month's interest rate change.

The Note Holder may choose not to increase my interest rate even if an increase is permitted because of an increase in the Current Index. The Note Holder is not required to give me advance notice of interest rate changes.

NON-UNIFORM COVENANTS, Borrower and Lender further covenant and agree as follows:  
19. Acceleration: Remedial. Lender shall give notice to Borrower prior to acceleration following Borrower's breach of any covenant or agreement in the Security Instrument (but not prior to acceleration under paragraphs 13 and 17 unless applicable law provides otherwise). The notice shall specify: (a) the default; (b) the action required to cure the default; (c) a date, not less than 30 days from the date the notice is given to Borrower, by which the default must be cured; and (d) that failure to cure the default on or before the date specified in the notice may result in acceleration of the sums secured by this Security Instrument; foreclosure by judicial proceeding and sale of the Property. The notice shall further inform Borrower of the right to rescind after acceleration and the right to assert in the foreclosure proceeding the non-est defense of any other, defense of Borrower to acceleration and foreclosure. If the default is not cured on or before the date specified in the notice, Lender at his option may require immediate payment in full of all sums secured by this Security Instrument without charge to Borrower, and then to the sums secured by this Security Instrument. Lender shall release this Security Instrument with charge to Borrower. Borrower shall pay any recordation costs.  
20. Lender for Foreclosure. Upon acceleration under paragraph 19 or abandonment of the Property and at any time prior to the expiration of any period of redemption following judicial sale, Lender (in person, by agent or by judicially appointed receiver) shall be entitled to enter upon, take possession of and manage the Property and to collect the rents of the Property including those payable by Lender or the receiver shall be entitled to collect the rents of the Property and collection of rents, including, but not limited to, receiver's fees, premiums on receiver's bonds and reasonable attorneys' fees, and then to the sums secured by this Security Instrument.

If Lender required mortgage insurance as a condition of making the loan secured by this Security Instrument, Borrower shall pay the premiums required to maintain the insurance in effect until such time as the requirement for the insurance terminates in accordance with Borrower's and Lender's written agreement or applicable law.

8. **Inspection.** Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give Borrower notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

9. **Condemnation.** The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condemnor offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of such payments.

10. **Borrower Not Released; Forbearance By Lender Not a Waiver.** Extension of the time for payment or modification or amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

11. **Successors and Assigns Bound; Joint and Several Liability; Co-signers.** The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 12. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey that Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without that Borrower's consent.

12. **Loan Charges.** If the loan secured by this Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected on or to be collected in connection with the loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.

13. **Legislation Affecting Lender's Rights.** If enactment or expiration of applicable laws has the effect of rendering any provision of the Note or this Security Instrument unenforceable according to its terms, Lender, at its option, may require immediate payment in full of all sums secured by this Security Instrument and may invoke any remedies permitted by paragraph 19. If Lender exercises this option, Lender shall take the steps specified in the second paragraph of paragraph 17.

14. **Notice.** Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

15. **Governing Law; Severability.** This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

16. **Borrower's Copy.** Borrower shall be given one conformed copy of the Note and of this Security Instrument.

17. **Transfer of the Property; or a Beneficial Interest in Borrower.** If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

18. **Borrower's Right to Reinstate.** If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earlier of: (a) 5 days for such other period as applicable law may specify for reinstatement) before sale of the Property pursuant to any power of sale contained in this Security Instrument; or (b) entry of a judgment enforcing this Security Instrument. Those conditions are that Borrower: (a) pays Lender all sums which then would be due under this Security Instrument and the Note had no acceleration occurred; (b) cures any default of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees; and (d) takes such action as Lender may reasonably require to ensure that the lien of this Security Instrument, Lender's rights in the Property and Borrower's obligation to pay the sums secured by this Security Instrument shall continue unchanged. Upon reinstatement by Borrower, this Security Instrument and the obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under paragraphs 13 or 17.

**UNIFORM COVENANTS.** Borrower and Lender covenant and agree as follows:

- 1. Payment of Principal and Interest; Prepayment and Late Charges.** Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.
- 2. Funds for Taxes and Assessments.** Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day monthly payments and assessments which may accrue on the Property, including (a) yearly taxes and assessments on the Property or ground rents on the Property, if any; (b) yearly taxes and assessments on the Property; and (c) yearly taxes and assessments on the Property, if any; (d) yearly taxes and assessments on the Property; and (e) yearly taxes and assessments on the Property, if any. The Funds shall be held in an institution (the depository or accounts of which are insured or guaranteed by a federal or state agency (including Lender) if Lender is such an institution). Lender shall apply the Funds to pay the escrow items, unless Lender may not charge for holding and applying the Funds, analyzing the account or verifying the escrow items, unless Lender may agree in writing that interest shall be paid on the Funds. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or amounts on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for the sums secured by this Security Instrument.
- 3. Application of Payments.** Unless applicable law provides otherwise, all payments received by Lender under paragraph 1 and 2 shall be applied: first, to late charges due under the Note; second, to prepayment charges due under the Note; third, to amounts payable under paragraph 2; fourth, to interest due; and last, to principal due.
- 4. Changing Plans.** Borrower shall pay all taxes, assessments, charges, fines and impositions attributable to the Property which may remain payable over this Security Instrument, and late charges and ground rents, if any. Borrower shall pay these obligations in the manner provided in paragraph 2, or if not paid in that manner, Borrower shall pay them directly to the person owed payment. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this paragraph. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments.
- 5. Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender. (b) consists in good faith the lien by, or default, against enforcement of the lien or forfeiture of any part of the Property; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the lien is subject to a lien which may attach prior to or after the date of this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take action or more of the action set forth above within 10 days of the giving of notice.**
- 6. Hazard Insurance.** Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall be unreasonably withheld.
- 7. Insurance Policy and Renewals.** All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.
- 8. Restoration or Repair of the Property Damaged.** If the restoration or repair is economically feasible and Lender's security is not lessened, if the restoration or repair is not economically feasible or Lender's security is not lessened, the loan proceeds shall be applied to restoration or repair of the Property damaged. If the restoration or repair is economically feasible and Lender's security is not lessened, if the restoration or repair is not economically feasible or Lender's security is not lessened, the loan proceeds shall be applied to restoration or repair of the Property damaged. If the restoration or repair is economically feasible and Lender's security is not lessened, if the restoration or repair is not economically feasible or Lender's security is not lessened, the loan proceeds shall be applied to restoration or repair of the Property damaged.
- 9. Lender shall have the right to collect the insurance proceeds, whether or not then due. The 30-day period will begin when the notice is given.** Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 19 the Property is acquired by Lender, Borrower's right to any insurance proceeds and proceeds resulting from damage to the Property shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.
- 10. Restoration or Repair of the Property Damaged.** Borrower shall not destroy, damage or substantially change the Property to deteriorate or commit waste. If this Security Instrument is on a leasehold, and if Borrower acquires fee title to the Property, the leasehold and the title shall not merge until Lender agrees to the merger in writing.
- 11. Protection of Lender's Rights in the Property; Mortgage Laissez-Passe.** If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, the condemnation or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorney's fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 11, Lender does not have to do so.
- 12. Any amount disbursed by Lender under this paragraph 11 shall become additional debt of Borrower secured by this Security Instrument.** Lender and Lender agree to other terms of payment. These accounts shall bear interest from the date of disbursement of the Note and shall be payable, with interest, upon notice from Lender to Borrower regarding payment.
