World Bank and UNDP were to "lead and coordinate" members, and provided initial resources for the World Bank's work and early UNDP support for the establishment of GEF. It is appropriate that the World Bank and UNDP have been given the lead role in this process, as is provided in the Assessment. In addition to their work in related fields, the World Bank and UNDP will be able to draw on their extensive experience in environmental issues.

**Section 11.** It is an offence for any person to commit any act or omission which contravenes any provision of this Act or any rule or regulation made under this Act, or any order made by the appropriate authority under this Act, or any order made by the appropriate authority under any other law for the time being in force relating to the protection of the environment.

Another "problem" is the MODERN BANK, Inc. issue. The new "loan" creates the same theory and consequences as the GILDED 1% issue, together with the same practicalities and the same difficulties.
