In the event of any default at any time under the terms of this Assignment, the Note, the Mortgage, the guaranty or any other instrument constituting additional security for the Note, which default is not cured within the time (if any) permitted by the Note, the Mortgage, the guaranty or such other instrument, Assignee may, at its option, receive and collect all such rents, income and profits as they become due, from the Premises and under all leases of all or any part of the Premises. Assignee shall thereafter continue to receive and collect all such rents, income and profits, as long as such default or defaults shall exist, and during the pendency of any foreclosure proceedings, and if there is

The parties further agree as follows:

10. That none of the rents for any portion of the Premises shall be waived, released, reduced, discounted or otherwise discharged or compromised by Assignor, other than in the ordinary course of business.

9. That Assignor will not assign any of the rents, income or profits from the Premises to any person other than Assignee.

8. That no rent has been paid by any of the Lessees under the Leases for more than one month in advance, and Assignor shall not collect any of the rents, income or profits arising or accruing under the Leases for more than one month in advance.

7. That Assignor shall not permit any lease to become subordinate to any lien other than the lien of the Mortgage or any junior mortgage expressly permitted under the Mortgage.

6. That Assignor shall timely and fully perform all of Assignor's covenants and obligations as Lessor under the Leases, and Assignor shall give prompt notice to Assignee of any notice received by Assignor or its agents claiming that a default has occurred under any of the Leases on the part of the Assignor, together with a complete copy of any such notice.

5. That there are no defaults now existing under any of the Leases and there exists no state of facts which, with the giving of notice or lapse of time or both, would constitute a default under any of the Leases.

4. That Assignor shall not cause any Leases to be entered into (other than apartment Leases in the ordinary course), terminated or modified in any material respect without the prior written consent of the Assignee. All Leases (whether now or hereafter entered into) expressly provide or shall expressly provide that the same are subordinate to the lien of the Mortgage and the rights of Assignee thereunder.

3. That there are currently no leases or tenancies of the Premises except those, if any, described on the Lease Schedule.

2. That those Leases, if any, described on the Lease Schedule are to the best of Assignor's knowledge after due inquiry valid and enforceable in accordance with their terms and have not been altered, modified, amended, terminated, cancelled, renewed or surrendered nor have any of the terms and conditions thereof been waived in any manner whatsoever except as heretofore approved in writing by Assignee.

1. That the sole ownership of the entire Lessor's interest in the Leases is vested in Assignor, and that Assignor has not, and shall not, perform any acts or execute any other instruments which might prevent Assignee from fully exercising its rights under any of the terms, covenants and conditions of this Assignment.

under any of the Leases, or for any waste of the Premises by any Lessee under any of the Leases or any other person, or for any dangerous or defective condition of the Premises or for any negligence in the management, upkeep, repair or control of the Premises resulting in loss or injury or death to any Lessee, licensee, employee or stranger. Without limiting the foregoing, it is hereby understood and agreed that in the exercise of the powers herein granted the Assignee, no liability shall be asserted or enforced against Assignee, all such liability being hereby expressly waived and released by the Assignor and all parties claiming by, through or under Assignor. Assignor shall and does hereby agree to indemnify the Assignee for and to hold it harmless of and from any and all liability, loss or damage which it may or might incur under the Leases or under or by reason of this Assignment and of all claims and demands whatsoever which may be asserted against it by reason of any alleged obligations or undertakings on its part to perform or discharge any of the terms, covenants or agreements contained in said Leases. Should the Assignee incur any such liability, loss or damage under the Leases or under or by reason of this Assignment, or in the defense of any such claims or demands, the amount thereof, including costs, expenses and reasonable attorneys' fees, shall be secured hereby, and Assignor shall reimburse Assignee therefor forthwith upon demand.

Waiver of or acquiescence by Assignee in any default by the Assignor, or failure of the Assignee to insist upon strict performance by the Assignor of any covenants, conditions or agreements in this Assignment, shall not constitute a waiver of any subsequent or other default or failure, whether similar or dissimilar. The rights and remedies of Assignee under this Assignment are cumulative and are not in lieu of, but are in addition to any other rights or remedies which Assignee shall have under the Mortgages, the Note or any other document or instrument constituting additional security for the Note, or at law or in equity. If any term of this Assignment, or the application thereof to any person or circumstances, shall, to any extent, be invalid or unenforceable, the remainder of this Assignment, or the application of such term to persons or circumstances other than those as to which it is invalid or unenforceable, shall not be affected thereby, and each term of this Assignment shall be valid and enforceable to the fullest extent permitted by law.

Any notices which may be given pursuant to this Assignment shall be sufficient and shall be deemed served if mailed postage prepaid, certified or registered mail, return receipt requested, to the above-described addresses of the parties hereto, or to such other address as a party may request in writing. Any time period provided in the giving of any notice hereunder shall commence upon the second business day following the date such notice is deposited in the mail.

The terms "Assignor" and "Assignee" shall be construed to include the heirs, personal representatives, successors and assigns thereof. The gender and number used in this Assignment are used as a reference term only and shall apply with the same effect whether the parties are of the masculine or feminine gender, corporate or other form, and the singular shall likewise include the plural. The liability of all persons executing this Assignment shall be joint and several in all respects.

This Assignment may not be amended, modified or changed nor shall any waiver of any provisions hereof be effective, except only by an instrument in writing and signed by the party against whom enforcement of any waiver, amendment, change, modification or discharge is sought.
