NOW, THEREFORE, in order to further secure the payment of the indebtedness of Assignor to Assignee evidenced by the Note, and secured by the Mortgage, and in further consideration of the sum of TEN AND NO/100 DOLLARS (\$10.00) in hand paid by Assignee to Assignor, the receipt and sufficiency of which are hereby acknowledged, Assignor does hereby sell, assign, transfer and set over unto Assignee all of the leases, rents, issues, profits and income of, from or pertaining to the Property. This Assignment shall include any and all leases or rental agreements that may now be in effect, specifically including without limitation, those leases set forth in Exhibit "B" attached hereto and by this reference made a part hereof, as well as any future or additional leases or rental agreements, and any renewals or extensions of the same, that may be entered into by Assignor. Assignor hereby agrees to execute and deliver such further assignments of said leases or rental agreements as Assignee may from time to time require.

This Assignment is absolute and effective immediately and without possession. Notwithstanding the foregoing, Assignor shall have a license to receive, collect and enjoy the rents, issues, profits and income accruing from the Property until a default beyond the expiration of any applicable notice and cure period has occurred under the Note, the Mortgage or any other instrument evidencing or securing the Note. Upon the occurrence of a default beyond the expiration of any applicable notice and cure period, the license shall cease automatically, without need of notice, possession, foreclosure or any other act or procedure, and all leases, rents, issues, profits and income assigned hereby shall thereafter be payable to Assignee.

PROVIDED ALWAYS, however, that if Assignor shall pay unto Assignee the indebtedness evidenced by the Note, and if Assignor shall duly, promptly and fully perform, discharge, execute, effect, complete, comply with and abide by each of the agreements, conditions and covenants of the Note, the Mortgage, this Assignment and all other instruments executed by Assignor to and in favor of Assignee as further evidence of or as additional security for the indebtedness evidenced by the Note (hereinafter referred to as the "Loan Documents"), then this Assignment and the estates and interests hereby granted and created shall terminate.

1. In furtherance of the foregoing Assignment, Assignor:

A. Represents and warrants that it is the owner in fee simple of the Property and has good title to the leases, rents, income, issues, and profits hereby assigned and good right to assign the same, and that no other person, entity, firm or corporation has any right, title or interest therein; that Assignor has not previously sold, assigned, transferred, mortgaged or pledged said rents, issues, profits, income and

leases of the Property; and that payment of any of the same has not otherwise been anticipated, waived, released, discounted, set off or otherwise discharged or compromised.

B. Agrees and warrants that, without the prior written consent of Assignee and except as otherwise provided for in the Mortgage, the terms of any and all leases will not be amended, altered, modified or changed in any manner whatsoever, nor will they be surrendered or cancelled, nor will any proceedings for dispossession or eviction of any lessee under said leases be instituted by Assignor.

C. Agrees and warrants that no request will be made of any lessee to pay any rent, and no rent will be accepted by Assignor, for more than one (1) month in advance of the date such rent becomes due and payable under the terms of any and all leases, it being agreed between Assignor and Assignee that rent shall be paid as provided in said leases and not otherwise. The foregoing shall not prevent Assignor from charging and collecting security deposits from each tenant leasing space on the Real Property.

D. Authorizes Assignee, by and through its employees or agents, at its option, after the occurrence of a default under this Assignment beyond the expiration of the applicable notice and cure period provided for in the Mortgage or after the occurrence of a default under the Note, the Mortgage or any of the other Loan Documents beyond the expiration of any applicable notice and cure period contained therein, to enter upon the Property and to collect, in the name of Assignor, as its lawful attorney, or in its own name as Assignee, any rents, income or profits accrued but unpaid and/or in arrears at the date of such default, as well as the rents, income or profits thereafter accruing and becoming payable during the period of the continuance of the said default or any other default. To this end, Assignor further agrees that it will cooperate with and facilitate, in all reasonable ways, Assignee's collection of said rents, income or profits and will, upon request by Assignee, execute a written notice to each tenant, occupant or licensee directing said tenant, occupant or licensee to pay directly to Assignee all income, rents and profits due and payable under said leases; provided, however, that Assignee may notify said tenant, occupant or licensee of the effectiveness of this Assignment without giving notice to Assignor or requesting Assignor to give such notice or join in such notice.

E. Authorizes Assignee, upon such entry, at its option, to take over and assume the management, operation and maintenance of the Property and to perform all acts necessary and proper and to expend such sums out of the income of the Property as in Assignee's sole discretion may be reasonable or necessary in connection therewith, in the same manner and to the same extent as Assignor theretofore might do. Assignor hereby releases all claims against Assignee arising out of such management, operation and maintenance, excepting the liability of Assignee to account as hereinafter set forth and except for Assignee's gross negligence or willful misconduct.

F. Agrees to execute, upon the request of Assignee, any and all other instruments requested by Assignee to effectuate these presents or to accomplish any other purpose deemed by Assignee to be necessary or appropriate in connection with these presents.

G. Agrees and acknowledges that nothing in this Assignment shall be construed to limit or restrict in any way the rights and powers granted to Assignee in the Note, the Mortgage or any of the other Loan Documents the collection and application of the rents, issues and profits as described herein shall not constitute a waiver of any default which might at the time of application or thereafter exist under the Note, the Mortgage or any of the other Loan Documents, and the exercise by Assignee of the rights herein provided shall not prevent Assignee's exercise of any rights provided under the Note, the Mortgage or any of the other Loan Documents.

2. Assignee may, after the occurrence of a default beyond the expiration of any applicable notice and cure period as provided above as hereinabove provided, from time to time, appoint and dismiss such agents or employees as shall be necessary or reasonable for the collection of the rents, issues and profits derived from the Property and for the proper care and operation of the Property, and Assignor hereby grants to Assignee the authority to give such agents or employees so appointed full and irrevocable authority on Assignor's behalf to manage the Property and to do all acts relating to such management, including, without limitation, the entry into and execution of new leases in the name of Assignor or otherwise, the alteration or amendment of existing leases, the authorization to repair or replace any items necessary in order to maintain the building or buildings and chattels incidental thereto in good and tenantable condition, and the effectuation of such alterations or improvements as in the judgment of Assignee may be reasonable or necessary to maintain or increase the income from the Property.

Assignee shall have the sole control of such agents or employees, whose remuneration shall be paid out of the rents, issues and profits as hereinabove provided, at the rate of compensation accepted in the community wherein the Property is situated and Assignor hereby expressly releases Assignee from any liability to Assignor for the acts of such agents or employees and agrees that Assignee shall not be liable for the acts or negligence of such agents or employees or to account for monies that may come into the possession of such agents or employees.

3. Assignee shall, after payment of all proper charges and expenses enumerated under Paragraph 2 above, and after retaining sufficient sums to meet taxes, assessments, utilities and insurance coverages in requisite amounts (including liability, fire and extended coverage), credit the net income received by it from the Property, by virtue of this Assignment, to any amounts due and owing to Assignee by Assignor under and pursuant to the terms of the Note and the Mortgage, but the manner of the application of such net income shall be determined in the sole discretion of Assignee. Assignee shall make a reasonable effort to collect rents, income and profits, reserving, however, within its sole discretion, the right to determine the method of collection and the extent to which enforcement of the collection of delinquent rents, income and profits shall be prosecuted. Notwithstanding the foregoing, no such credit shall be given by Assignee for any sum or sums received from the rents, issues and profits of the Property until the money collected is actually received by Assignee at its principal office as stated above (or at such other place as Assignee shall designate in writing), and no credit shall be given for any uncollected rents or other uncollected amounts or bills, nor shall credit be given for any rents, issues and profits derived from the Property under any order of court or by operation of law until such amounts are actually received by Assignee at its principal offices as stated above. The net amount of income received by Assignee hereunder and applied by Assignee to the amounts due and owing by Assignor shall not serve to cure any default under the Note, the Mortgage or any of the other Loan Documents, nor shall any amounts received by Assignee hereunder be in full satisfaction of the indebtedness evidenced by the Note unless such amounts are sufficient to pay such indebtedness in full (including any prepayment premiums, late payment charges and advancements) in accordance with the terms of the Note.

3835205

4. Assignee shall not be obligated to perform or discharge any obligation under the leases hereby assigned or under or by reason of this Assignment, and Assignor hereby agrees to indemnify and hold Assignee harmless against any and all liability, loss or damage which Assignee might incur under the leases or under or by reason of this Assignment and of and from any and all claims and demands whatsoever which may be asserted against Assignee by

reason of any alleged obligation or undertaking on Assignee's part to perform or discharge any of the terms of such leases, except for claims and demands arising by reason of Assignee's gross negligence or willful misconduct.

5. In the event, however, that Assignor shall, with the consent of Assignee, reinstate the indebtedness evidenced by the Note completely in good standing, having complied with all the terms, covenants and conditions of the Note, the Mortgage, this Assignment and all of the other Loan Documents, then, in such event, Assignee shall return possession of the Property to Assignor, and Assignor shall remain in possession of the Property unless and until another default occurs under the Note, the Mortgage, this Assignment or any of the other Loan Documents beyond the expiration of any applicable notice and cure period, at which time Assignee may, at its option, again take possession of the Property under authority of and pursuant to the terms and provisions of this Assignment.

6. Assignor hereby covenants and agrees that Assignor has not executed any prior assignment of any of Assignor's rights assigned hereunder; that Assignor will not accept rent under any lease covering any portion of the Property for more than one month in advance of the date on which rent becomes due and payable and that the form of lease used in regard to the Property shall be subject to the approval of Assignee in accordance with the terms and conditions of the Mortgage. The foregoing shall not prevent Assignor from charging and collecting security deposits from each tenant leasing space on the Real Property.

7. This Assignment is executed and delivered as additional security for a loan transaction negotiated and consummated in Cook County, Illinois and is to be construed according to the laws of the State of Illinois, and the laws of the United States.

8. Upon request by Assignee, at any time, Assignor will deliver a written notice to each of the tenants and lessees of the Property, which notice shall inform such tenants and lessees of this Assignment and instruct them that upon receipt of notice by them from Assignee of the existence of a default by Assignor under the Note, the Mortgage or any of the other Loan Documents, all rent due thereafter shall be paid directly to Assignee.

9. This Assignment shall remain in full force and effect as long as the indebtedness evidenced by the Note remains unpaid in whole or in part.

10. The provisions of this Assignment shall inure to the benefit of the successors and assigns of Assignee, and shall be binding upon Assignor, its successors and assigns. The creation of

rights and powers under this Assignment in favor of, or available to, Assignee shall, in no way whatsoever, be construed to impose concomitant duties or obligations on Assignee in favor of Assignor except as expressly set forth herein.

11. It is understood and agreed that a complete release or satisfaction of the aforesaid Mortgage shall operate as a complete release or satisfaction of all of Assignee's rights and interest hereunder, and that satisfaction of said Mortgage shall operate to satisfy this Assignment.

12. As used herein, the phrase "reasonable attorneys' fees" shall mean fees charged by attorneys selected by Assignee based upon such attorneys' then prevailing hourly rates as opposed to any statutory presumption specified by any statute then in effect in the State of Illinois.

13. This Assignment is executed by Assignor, not personally but as Trustee as aforesaid, in the exercise of the power and authority conferred upon and vested in it, as such Trustee (and the undersigned hereby warrants that it possesses full power and authority to execute this instrument), and it is expressly understood and agreed that nothing herein contained shall be construed as creating liability on Assignor, personally to perform any covenant either express or implied herein contained, all such liability, if any, being expressly waived by every person now or hereafter claiming any right or security hereunder.

IN WITNESS WHEREOF, the Assignor has duly executed this Assignment on the date first above written.
