Uniform Covenants, Borrower and Lender covenant and agree as follows:

1. **Payment of Principal and Interest; Propayment and Late Charges.** Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any propayment and late charges due under the Note.

2. **Funds for Taxes and Insurance.** Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum ("Funds") equal to one-twelfth of: (a) yearly taxes and assessments which may attain priority over this Security Instrument; (b) yearly household payments or ground rents on the Property, if any; (c) yearly hazard insurance premiums; and (d) yearly mortgage insurance premiums, if any. These items are called "escrow items." Lender may estimate the Funds due on the basis of current data and reasonable estimates of future escrow items.

The Funds shall be held in an institution the deposits or accounts of which are insured or guaranteed by a federal or state agency (including Lender if Lender is such an institution). Lender shall apply the Funds to pay the escrow items. Lender may not charge for holding and applying the Funds, analyzing the account or verifying the escrow items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge.

A charge assessed by the Lender in connection with Borrower's entering into this Security Agreement to pay the cost of an independent tax reporting service shall not be a charge for purposes of the preceding sentence.

Borrower and Lender may agree in writing that interest shall be paid on the Funds. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for the sums secured by this Security Instrument.

If the amount of the Funds held by Lender, together with the future monthly payments of Funds payable prior to the due dates of the escrow items, shall exceed the amount required to pay the escrow items when due, the excess shall be, at Borrower's option, either promptly repaid to Borrower or credited to Borrower on monthly payments of Funds. If the amount of the Funds held by Lender is not sufficient to pay the escrow items when due, Borrower shall pay to Lender any amount necessary to make up the deficiency in one or more payments as required by Lender.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender. If under Paragraph 19 the Property is sold or acquired by Lender, Lender shall apply, no later than immediately prior to the sale of the Property or its acquisition by Lender, any Funds held by Lender at the time of application as a credit against the sums secured by this Security Instrument.

3. **Application of Payments.** Unless applicable law provides otherwise, all payments received by Lender under Paragraphs 1 and 2 shall be applied: first, to late charges due under the Note; second, to propayment charges due under the Note; third, to amounts payable under Paragraph 2; fourth, to interest due; and last, to principal due.

4. **Charges; Liens.** Borrower shall pay all taxes, assessments, charges, fines and impositions attributable to the Property which may attain priority over this Security Instrument, and household payments or ground rents, if any. Borrower shall pay these obligations in the manner provided in Paragraph 2, or if not paid in that manner, Borrower shall pay them on time directly to the person owed payment. Borrower shall promptly furnish to Lender all notices or accounts to be paid under this paragraph. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (b) contests in good faith the lien by, or defends against enforcement of the lien in, legal proceedings which in the Lender's opinion operate to prevent the enforcement of the lien or forfeiture of any part of the Property; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within 10 days of the giving of notice.

5. **Hazard Insurance.** Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in Paragraphs 1 and 2 or change the amount of the payments. If under Paragraph 19 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

6. **Preservation and Maintenance of Property; Households.** Borrower shall not destroy, damage or substantially change the Property, allow the Property to deteriorate or commit waste. If this Security Instrument is on a leasehold, Borrower shall comply with the provisions of the lease, and if Borrower acquires fee title to the Property, the leasehold and fee title shall not merge unless Lender agrees to the merger in writing.

7. **Protection of Lender's Rights in the Property; Mortgage Insurance.** If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorney's fees and entering on the Property to make repairs. Although Lender may take action under this Paragraph 7, Lender does not have to do so.

Any amounts disbursed by Lender under this Paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, those amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

If Lender required mortgage insurance as a condition of making the loan secured by this Security Instrument, Borrower shall pay the premiums required to maintain the insurance in effect until such time as the requirement for the insurance terminates in accordance with Borrower's and Lender's written agreement or applicable law.

8. **Inspection.** Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give Borrower notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

9. **Condemnation.** The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condemner offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in Paragraphs 1 and 2 or change the amount of such payments.

10. **Borrower Not Released; Forbearance By Lender Not a Waiver.** Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

11. **Successors and Assigns Bound; Joint and Several Liability; Co-signers.** The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of Paragraph 17. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) in co-signing this Security Instrument only to mortgage, grant and convey that Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without that Borrower's consent.

12. **Loan Charges.** If the loan secured by this Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.

13. **Legislation Affecting Lender's Rights.** If enactment or expiration of applicable laws have the effect of rendering any provision of the Note or this Security Instrument unenforceable according to its terms, Lender, at its option, may require immediate payment in full of all sums secured by this Security Instrument and may invoke any remedies permitted by Paragraph 19. If Lender exercises this option, Lender shall take the steps specified in the second paragraph of Paragraph 17.

14. **Notice.** Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

15. **Governing Law; Severability.** This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

16. **Borrower's Copy.** Borrower shall be given one conformed copy of the Note and of this Security Instrument.

17. **Transfer of the Property or a Beneficial Interest in Borrower.** If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal laws as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay those sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

18. **Borrower's Right to Reinstate.** If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earlier of: (a) 5 days (or such other period as applicable law may specify for reinstatement) before sale of the Property pursuant to any power of sale contained in this Security Instrument; or (b) entry of a judgment enforcing this Security Instrument. Those conditions are that Borrower: (a) pays Lender all sums which then would be due under the Security Instrument and the Note had no acceleration occurred; (b) cures any default of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorney's fees; and (d) takes such action as Lender may reasonably require to assure that the lien of this Security Instrument, Lender's rights in the Property and Borrower's obligation to pay the sums secured by this Security Instrument shall continue unchanged. Upon reinstatement by Borrower, this Security Instrument and the obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under Paragraphs 13 or 17.

(A) Conversion Request. The conversion procedure begins when I notify the Lender in writing of my request to convert my loan. I must send my request to the Lender either by certified or express mail. Upon receipt of my written request and the conversion fee in certified funds, the Lender will send me a Modification Agreement, which I will sign and return to the Lender by a specified due date. Cancellations will not be allowed after receipt by the Lender of the signed Modification Agreement.

4. CONVERSION PROCEDURE

(C) The maximum Conversion Interest Rate is the same as the Maximum Interest Rate stated in the Promissory Note.

(B) The Lender has the right to select a more current FNMA yield.

determining my Conversion Interest Rate by using a comparable figure.

(A) The fixed interest rate in effect on my loan for conversion is called the "Conversion Interest Rate." The Conversion Interest Rate will be calculated as a fixed rate of 6.25% to the Federal National Mortgage Association ("FNMA") required not to exceed the rate for fixed rate mortgages covered by the applicable 60-day mandatory delivery requirements ("FNMA yield"), and rounding the result to the nearest one-eighth of one percent (0.125%). If my mortgage has a 30-year term, FNMA yield will mean the relevant yield on 30-year fixed rate mortgages; if my mortgage has a 15-year or shorter term, FNMA yield will mean the relevant yield on 15-year fixed rate mortgages. If the required FNMA yield is not available, the Lender will determine my Conversion Interest Rate by using a comparable figure.

1. CONVERSION INTEREST RATE

To qualify to exercise my conversion option, I must pay the conversion fee in certified funds, and sign the Modification Agreement. I also must be current on my loan, and must not have had any delinquencies of 30 days or more during the preceding 12 months.

2. CONVERSION CONDITIONS

I can make a written request to convert my loan to a fixed rate loan only during the Conversion Period, which begins on the due date of the 13th regularly scheduled monthly payment, and ends on the due date of the 60th regularly scheduled monthly payment. If the option is not exercised within this period, the loan will remain an adjustable rate loan for the remainder of its original term.

1. CONVERSION PERIOD

ADDITIONAL COVENANTS. In addition to the covenants and agreements made in the Security Instrument and the Rider, Borrower and Lender further covenant and agree as follows:

This Addendum to Rider to Security Instrument is made this 29th day of MARCH, 1990, and is incorporated into and shall be deemed to amend and supplement the Rider to Security Instrument (the "Rider"), dated the same date as this Addendum and given by the undersigned (the "Borrower") to secure Borrower's Promissory Note, with Addendum to Promissory Note, to FIRST NATIONAL BANK, A FEDERAL SAVINGS BANK (the "Lender") and dated the same date as this Addendum to Promissory Note (the "Note"), covering the property described in the Security Instrument and located at:

After the Conversion Date, my loan is no longer transferable. The Modification Agreement will contain a provision covering the Due-on-Sale clause in the Note.

5. DUE-ON-SALE

Modification Agreement. If the Lender approves my request to convert, the Lender and I will prepare a Modification Agreement, modifying the Promissory Note. Under the Modification Agreement, the Conversion Interest Rate will go into effect on the Conversion Date. As a result of the new interest rate, the amount of my monthly payment will change, beginning on the first calendar day of the month following the Conversion Date, and will remain the same for the remaining term of the loan. My new monthly payment will be an amount sufficient to repay my loan based on the Conversion Interest Rate, outstanding principal balance on the Conversion Date, and the remaining term of the loan. The remaining term of the loan after conversion will be the same as before conversion.

(D) Modification Agreement, modifying the Promissory Note. Under the Modification Agreement, the Conversion Interest Rate will go into effect on the Conversion Date. As a result of the new interest rate, the amount of my monthly payment will change, beginning on the first calendar day of the month following the Conversion Date, and will remain the same for the remaining term of the loan. My new monthly payment will be an amount sufficient to repay my loan based on the Conversion Interest Rate, outstanding principal balance on the Conversion Date, and the remaining term of the loan. The remaining term of the loan after conversion will be the same as before conversion.

(C) Term Limit. The Conversion Interest Rate quoted in my Modification Agreement will be valid for a specified period of time beginning on the Registration Date. If the Lender requests any supplementary information, I must provide it within the period. If I do not provide the information within the time allotted, I will not be able to convert at the Conversion Interest Rate specified in the Modification Agreement, and my conversion fee will not be refunded.

(B) Conversion Fee. The Conversion Fee is \$250.00. If I fail to submit my signed Modification Agreement to the Lender by the specified due date, the Lender will not guarantee the Conversion Interest Rate, and I will be required to pay an additional \$125.00 to the Lender to retrieve a Modification Agreement with the current Conversion Interest Rate. If I fail to return the Modification Agreement to the Lender by the second due date, I will forfeit all conversion fees paid. If I choose to convert at some time in the future, I will be required to pay the conversion fee again at that time. The conversion fee is refundable if the Lender disapproves my request to convert because my loan is not current, or has had one or more delinquencies within the last 12 months. The conversion fee is non-refundable if I have not submitted certain supplementary information requested by the Lender within the time allotted.

(A) Agreement to the Lender by the specified due date, the Lender will not guarantee the Conversion Interest Rate, and I will be required to pay an additional \$125.00 to the Lender to retrieve a Modification Agreement with the current Conversion Interest Rate. "MARGIN" The Margin is 2.8750%.
"FULLY INDEXED RATE" is the sum of the applicable index value plus the Margin.
"INTEREST RATE" means the annual rate of interest charged on the principal balance of the loan from time to time.
"INITIAL INTEREST RATE" means the interest rate charged as of the date this Note is executed as shown in Section 2.
"CHANGE DATE" means each date on which the interest rate could change, which is the date on which every TWELFTH regularly scheduled monthly payment is due.
"THEN CURRENT INTEREST RATE" means, for the period prior to the first interest adjustment date, the initial interest rate. "Thereafter," it means the interest rate after the most recent change date.
"PAYMENT ADJUSTMENT DATE" means the date on which each Payment Adjustment shall be effective, namely the first day of the month following each Change Date.
(B) INTEREST RATE ADJUSTMENTS:
I understand that on each Change Date, the Note Holder shall decrease, or may at its option, increase the interest rate as follows. Before each Change Date, the Note Holder will calculate the new interest rate by adding the Margin stated in the Loan Approval Letter and in Section 3(A) above, to the Current Index to arrive at the Fully Indexed Rate. The Note Holder then rounds the Fully Indexed Rate to the nearest one-eighth of one

"INDEX" MEANS THE WEEKLY AVERAGE YIELD ON UNITED STATES TREASURY SECURITIES ADJUSTED TO A CONSTANT MATURITY OF 1 YEAR, AS PUBLISHED BY THE FEDERAL RESERVE BOARD. IN THE EVENT SUCH INDEX IS NOT AVAILABLE, INDEX SHALL MEAN A SUBSTITUTE INDEX SELECTED BY NOTE HOLDER IN COMPLIANCE WITH FEDERAL LAW. "CURRENT INDEX" MEANS THE INDEX VALUE MADE AVAILABLE BY THE FEDERAL RESERVE BOARD 45 DAYS PRIOR TO EACH CHANGE DATE.

3. INTEREST RATE ADJUSTMENTS

(A) Definitions
"INTEREST RATE AND PAYMENT ADJUSTMENTS." The Promissory Note secured by this Security Instrument contains the following provisions:

A. ASSUMPTION
Lender will consent to a transfer of the property subject to the Security Instrument if (i) the credit of Borrower's successor in interest meets the Lender's then current underwriting criteria; (ii) Borrower's successor in interest has executed a written assumption agreement accepted in writing by Lender; and (iii) Borrower's successor in interest pays to Lender a assumption fee in an amount requested by Lender, which shall not exceed the amount requested by Lender for similar transactions.
B. INTEREST RATE AND PAYMENT ADJUSTMENTS. The following paragraph is hereby added to the Security Instrument:

Amended and Supplemental Provisions: In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

This Security Instrument Rider is attached to and made a part of a Security Instrument (Deed of Trust, Mortgage or Deed to Secure Debt) dated MARCH 29, 1990 given by the undersigned (the "Borrower") to secure Borrower's Note to FIRST NATIONWIDE BANK, A FEDERAL SAVINGS BANK (the "Lender") of the same date and shall be deemed to amend and supplement said Security Instrument;

4. PAYMENTS

(C) Amount of Monthly Payments. Monthly installments of principal and interest will be due on the first day of each month. Commencing on (date set forth in the Note), my monthly payments will be U.S. \$ (amount set forth in the Note), subject to adjustment as follows: as of each Change Date, the amount of the monthly installments of principal and interest will be increased or decreased to an amount sufficient to repay the remaining Principal Balance in full at the Then Current Interest Rate in substantially equal payments by the Final Payment Date ("Payment Adjustment"). Each Payment Adjustment shall be effective on the first day of the month following each Change Date.

Rate until the next Change Date. The interest rate will never be increased or decreased on any single Change Date by more than TWO percent from the rate of interest in effect during the preceding TWELVE months. The interest rate will never be more than 14.500%. It will never be less than 5% below initial interest rate.
