Before using the Security Instrument, it's important to understand its features. It's designed to be used with more riders than a standard bottle carrier, so you can transport multiple items at once. The instrument is made of durable materials and is designed to withstand rough handling.

Borrower agrees that should the Security Instrument and/or the note secured thereby not be eligible for insurance under the National Housing Act within SIXTY DAYS from the date hereof, Lender may, in its option and notwithstanding anything in Paragraph 9, require immediate payment in full of all sums secured by the Security Instrument. A written statement of any authorized agent of the Securitry Funded Subsidiary to the date hereof, detailing its intent to insure the note secured by the Security Instrument, shall be deemed conclusive proof of such insurability. Notwithstanding the foregoing, this option may not be exercised by Lender when the unavailability of insurance is solely due to Lender's failure to renew a mortgage insurance premium to the Securitry Fund.

18. Moreover, upon payment of all sums secured by this Security Instrument, Lender shall release the Security Interest in without charge to Borrower. Borrower shall pay any recording costs.

9. Grounds for Acceleration of Debt.

0 3 8 9 | 2 8 0

- (a) **Default.** Lender may, except as limited by regulations issued by the Secretary in the case of payment defaults, require immediate payment in full of all sums secured by this Security Instrument if:
- (i) Borrower defaults by failing to pay in full any monthly payment required by this Security Instrument prior to or on the due date of the next monthly payment, or
 - (ii) Borrower defaults by failing, for a period of thirty days, to perform any other obligations contained in this Security Instrument.
- (b) **Sale Without Credit Approval.** Lender shall, if permitted by applicable law and with the prior approval of the Secretary, require immediate payment in full of all the sums secured by this Security Instrument if:
- (i) All or part of the Property is otherwise transferred (other than by devise or descent) by the Borrower, and
 - (ii) The Property is not occupied by the purchaser or grantee as his or her primary or secondary residence, or the purchaser or grantee does not occupy the Property but his or her credit has not been approved in accordance with the requirements of the Secretary.
- (c) **No Waiver.** If circumstances occur that would permit Lender to require immediate payment in full, but Lender does not require such payments, Lender does not waive its rights with respect to subsequent events.
- (d) **Regulations of HUD Secretary.** In many circumstances regulations issued by the Secretary will limit Lender's rights, in the case of payment defaults, to require immediate payment in full and foreclose if not paid. This Security Instrument does not authorize acceleration or foreclosure if not permitted by regulations of the Secretary.

10. Reinstatement. Borrower has a right to be reinstated if Lender has required immediate payment in full because of Borrower's failure to pay an amount due under the Note or this Security Instrument. This right applies even after foreclosure proceedings are instituted. To reinstate the Security Instrument, Borrower shall tender in a lump sum all amounts required to bring Borrower's account current including, to the extent they are obligations of Borrower under this Security Instrument, foreclosure costs and reasonable and customary attorney's fees and expenses properly associated with the foreclosure proceeding. Upon reinstatement by Borrower, this Security Instrument and the obligations that it secures shall remain in effect as if Lender had not required immediate payment in full. However, Lender is not required to permit reinstatement if: (i) Lender has accepted reinstatement after the commencement of foreclosure proceedings within two years immediately preceding the commencement of a current foreclosure proceeding; (ii) reinstatement will preclude foreclosure on different grounds in the future, or (iii) reinstatement will adversely affect the priority of the lien created by this Security Instrument.

11. Borrower Not Released; Forbearance By Lender Not a Waiver. Extension of the time of payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successor in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

12. Successors and Assigns Bound; Joint and Several Liability; Co-Signers. The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 9.b. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey that Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the term of this Security Instrument or the Note without that Borrower's consent.

13. Notices. Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

14. Governing Law; Severability. This Security Instrument shall be governed by Federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

15. Borrower's Copy. Borrower shall be given one conformed copy of this Security Instrument.

16. Assignment of Rents. Borrower unconditionally assigns and transfers to Lender all the rents and revenues of the Property. Borrower authorizes Lender or Lender's agents to collect the rents and revenues and hereby directs each tenant of the Property to pay the rents to Lender or Lender's agents. However, prior to Lender's notice to Borrower of Borrower's breach of any covenant or agreement in the Security Instrument, Borrower shall collect and receive all rents and revenues of the Property as trustee for the benefit of Lender and Borrower. This assignment of rents constitutes an absolute assignment and not an assignment for additional security only.

If Lender gives notice of breach to Borrower: (a) all rents received by Borrower shall be held by Borrower as trustee for benefit of Lender only, to be applied to the sums secured by the Security Instrument; (b) Lender shall be entitled to collect and receive all of the rents of the Property; and (c) each tenant of the Property shall pay all rents due and unpaid to Lender or Lender's agent on Lender's written demand to the tenant.

Borrower has not executed any prior assignment of the rents and has not and will not perform any act that would prevent Lender from exercising its rights under this paragraph 16.

Lender shall not be required to enter upon, take control of or maintain the Property before or after giving notice of breach to Borrower. However, Lender or a judicially appointed receiver may do so at any time there is a breach. Any application of rents shall not cure or waive any default or invalidate any other right or remedy of Lender. This assignment of rents of the Property shall terminate when the debt secured by the Security Instrument is paid in full.

7. **Condemnation.** The proceeds of any award or damages, direct or consequential, in connection with any condemnation or other taking of the property, or for conveyance in place of condemnation, are hereby assigned and shall be paid to the Note and this Security Interest.

Any amounts disbursed by Lender under this Paragraph shall become an additional debt of Borrower and be secured by this Deed of Trust.

hazard insurance and other items mentioned in Paragraph 2.

If Borrower fails to make these payments or the payments required by Paragraph 2, or fails to perform any other covenants and agreements contained in this Security Agreement, or there is a legal proceeding begun against Borrower, or if any of the above events occur, Lender may exercise any of the powers set forth in this Agreement.

6. **Chargés to Borrower and Protection of Lender's Rights in the Property.** Borrower shall pay all governmental charges to Borrower and protection of Lender's rights in the property, if failure to pay would adversely affect Lender's interest in the property, upon Lender's request.

sitions of the lease. If Borrower acquires fee title to the Property, the leasehold and fee title shall not be merged unless Lender agrees to the merger in writing.

be held by Lender and shall include loss payable clauses in favor of Lender and in a form acceptable to Lender.

This insurance shall be maintained in the amounts and for the periods that lender requires. Borrower shall also insure all improvements on the property, whether now in existence or hereafter built, against loss by fire and other risks as may be specified by lender. The insurance policies shall be carried with companies acceptable to lender, and shall name lender as additional insured.

4. Fire, Flood and Other Hazard Insurance: Borrower shall insure all improvements on the Property, whether now in existence or subsequently created, against any hazards, including fire, for which Lender receives insurance.

THIRD, to imprecise due under the Note; **FOURTH**, to amorphization of the Note; **FIFTH**, to lattice changes due under the Note.

SECOND: To any taxes, special assessments or ground rents, and fire, flood and other hazards insurance premiums, as required.

3. Application of Payments. Payments under paragraphs 1 and 2 shall be applied by Lender as follows:

Borrower, Immediately prior to or forceclosure sale of the Property or its Acquisition by Lender, Borrower's account shall be credited with any balance remaining for all instalments for items (a), (b) and (c).

Secrecy, each unit shall be in an amount equal to one-half the amount of one-monthly charge measured by the full annual moratorium premium prior to the date of the last payment due on the principal.

Annual mortgage insurance premium is to be paid by Lender to the Secretary, or (ii) a monthly installment of the mortgage premium if the entire mortgage premium is to be paid by Lender to the Secretary. Each monthly installment of the mortgage premium shall also include either: (i) an adjustment of the

Each monthly payment for items (a), (b) and (c) shall equal one-twelfth of the annual amount, as reasonably estimated by Lender, plus an amount sufficient to maintain an accumulated balance of not more than one-twelfth of the monthly payment before an item would be due under the estimated maturity.

Figure 4 illustrates the performance of the proposed method in terms of the number of iterations required to converge to a solution. The results are presented for three different values of α : 0.01, 0.05, and 0.1. The x-axis represents the number of iterations, and the y-axis represents the error. The error is calculated as the difference between the ground truth and the estimated value.
