(4) That time is of the essence hereof, and if default be made in performance of any covenant herein contained or in making any payment under said note or obligation or any extension or renewal thereof, or if proceedings be instituted to enforce any other lien or charge upon the mortgaged premises or any part thereof, or upon the filing of any proceeding under the National Bankruptcy Act by or against the Mortgagor, or if the Mortgagor shall make an assignment for the benefit of his creditors or if his property be placed under control of or in custody of any court or officer of the government, or if the Mortgagor abandon any of the mortgaged premises, then and in any of said events, the Mortgagor is hereby authorized and empowered, at its option, and without affecting the lien hereby created or the priority of said lien or any right of the Mortgagor hereunder to declare, without notice to the Mortgagor, that the Mortgagor is in default hereof, and in such event the Mortgagor shall be deemed to have agreed to pay to the Mortgagor immediately due and payable, whether or not such default be remedied by the Mortgagor, and apply towards the payment of said mortgage indebtedness any indebtedness of the Mortgagor, and said Mortgagee may also, without offering the several parts separately; (5) That upon the commencement of any foreclosure proceeding hereunder, the court in which such bill is filed may at any time, either before or after the sale, and without notice to the Mortgagor, or any party claiming under him, and without regard to the solvency of the Mortgagor or the then value of the mortgaged premises, or whether the same shall then be occupied by the owner of the equity of redemption as a homestead, appoint a receiver with power to manage and rent and collect the rents, issues and profits of the mortgaged premises during the pendency of such foreclosure suit and the statutory period of redemption, and such rents, issues and profits when collected, may be applied before as well as after the Master's sale, towards the payment of the indebtedness, costs, taxes, insurance or other items necessary for the protection and preservation of the mortgaged premises, including the expenses of such sale, but if no deed is issued, until the expiration of the full period allowed by statute for redemption, whether there be redemption or not, and until the issuance of deed in case of redemption, there shall be allowed and included as an additional indebtedness in the decree of sale all expenditures and expenses together with interest accrued thereon at the rate payable from time to time on outstanding principal under the Note unless payment of interest at such rate would be contrary to applicable law, in which event such amount shall bear interest at the highest rate permissible under applicable law which may be paid or incurred by or on behalf of the Mortgagor for attorney's fees, appraiser's fees, appraiser's fees, outlays for exhibits attached to pleadings, documentary and expert evidence, stenographer's fees, Master's fees and commissions, court costs, publication costs and costs (which may be estimated as to and included items to be expended for the entry of the decree) of procuring all such abstracts of title, title searches, examinations and reports, guaranty policies, Torrens certificates and similar data and assurances with respect to title as the Mortgagor may reasonably deem necessary for the protection of the mortgagee, together with interest as herein provided shall be immediately due and payable by the Mortgagor in connection with (a) any proceeding, including probate or bankruptcy proceedings to which either party thereto shall be a party by reason of this mortgage or the note hereby secured; (b) preparation for the commencement of any suit for the foreclosure hereof after the accrual of the right to foreclosure, whether or not actually commenced and (c) preparation for the defense of or intervention in any suit or proceeding or any threatened or contemplated suit or proceeding, which might affect the mortgaged premises or the security hereof, in the event of a foreclosure sale of the mortgaged premises there shall first be paid out of the proceeds thereof all of the aforesaid items, then the entire indebtedness whether due and payable by the terms hereof or not and the interest due thereon up to the date of such sale, and the surplus, if any, shall be paid to the Mortgagor, and the purchaser shall not be obliged to see to the payment of the purchase money.

(1) That in the case of failure to perform any of the covenants herein, the Mortgagor's behalf everything so covenanted; that the Mortgagor may also do any act it may deem necessary to protect the interest hereof, that the Mortgagor will repay upon demand any moneys paid or disbursed by the Mortgagee for any of the above purposes and such moneys to either party with interest thereon from the date of disbursement at the rate payable from time to time on outstanding principal under the Note unless payment of interest at such rate would be contrary to applicable law, in which event such amount shall bear interest at the highest rate permissible under applicable law and the Mortgagor shall become so much additional indebtedness hereby secured and may be included in any decree foreclosing this mortgage and be paid out of the rents or proceeds of sale of the mortgaged premises if not otherwise paid; that it shall not be obligatory upon the Mortgagee to inquire into the validity of any lien, encumbrance, or claim in advancing moneys as above authorized, but nothing herein contained shall be construed as requiring the Mortgagee to advance any moneys for any purpose not to do any act hereunder; and that Mortgagee shall not incur any personal liability because of anything it may do or omit to do hereunder; (2) That it is the intent hereof to secure payment of said note whether the entire amount shall have been advanced to the Mortgagor at the date hereof or at a later date, or having been advanced, shall have been repaid in part and further advances made at a later date, which advances shall in no event operate to make the principal sum of the indebtedness greater than the original principal amount plus any amount or amounts that may be added to the mortgage indebtedness under the terms of this mortgage for the purpose of protecting the mortgaged premises and the Mortgagor's liability thereon; (3) That in the event the ownership of the mortgaged premises or any part thereof becomes vested in a person other than the Mortgagor, the Mortgagee may, without notice to the Mortgagor, deal with such successor or successors in interest with reference to this mortgage and the debt hereby secured in the same manner as with the Mortgagor and may foreclose to sue or may extend or upon the debt hereby secured; (5) That upon the commencement of any foreclosure proceeding hereunder, the court in which such bill is filed may at any time, either before or after the sale, and without notice to the Mortgagor, or any party claiming under him, and without regard to the solvency of the Mortgagor or the then value of the mortgaged premises, or whether the same shall then be occupied by the owner of the equity of redemption as a homestead, appoint a receiver with power to manage and rent and collect the rents, issues and profits of the mortgaged premises during the pendency of such foreclosure suit and the statutory period of redemption, and such rents, issues and profits when collected, may be applied before as well as after the Master's sale, towards the payment of the indebtedness, costs, taxes, insurance or other items necessary for the protection and preservation of the mortgaged premises, including the expenses of such sale, but if no deed is issued, until the expiration of the full period allowed by statute for redemption, whether there be redemption or not, and until the issuance of deed in case of redemption, there shall be allowed and included as an additional indebtedness in the decree of sale all expenditures and expenses together with interest accrued thereon at the rate payable from time to time on outstanding principal under the Note unless payment of interest at such rate would be contrary to applicable law, in which event such amount shall bear interest at the highest rate permissible under applicable law which may be paid or incurred by or on behalf of the Mortgagor for attorney's fees, appraiser's fees, appraiser's fees, outlays for exhibits attached to pleadings, documentary and expert evidence, stenographer's fees, Master's fees and commissions, court costs, publication costs and costs (which may be estimated as to and included items to be expended for the entry of the decree) of procuring all such abstracts of title, title searches, examinations and reports, guaranty policies, Torrens certificates and similar data and assurances with respect to title as the Mortgagor may reasonably deem necessary for the protection of the mortgagee, together with interest as herein provided shall be immediately due and payable by the Mortgagor in connection with (a) any proceeding, including probate or bankruptcy proceedings to which either party thereto shall be a party by reason of this mortgage or the note hereby secured; (b) preparation for the commencement of any suit for the foreclosure hereof after the accrual of the right to foreclosure, whether or not actually commenced and (c) preparation for the defense of or intervention in any suit or proceeding or any threatened or contemplated suit or proceeding, which might affect the mortgaged premises or the security hereof, in the event of a foreclosure sale of the mortgaged premises there shall first be paid out of the proceeds thereof all of the aforesaid items, then the entire indebtedness whether due and payable by the terms hereof or not and the interest due thereon up to the date of such sale, and the surplus, if any, shall be paid to the Mortgagor, and the purchaser shall not be obliged to see to the payment of the purchase money.
