Any application of the proceeds to the principal shall not exceed the amount of the due date of the monthly payments, which are referred to in Paragraph 2, or change the amount of such payments. Any excess proceeds over an amount required to pay all outstanding indebtedness under the Note and this Security Instrument shall be paid to the entity legally entitled thereto.

**8. Fees.** Lender may collect fees and charges authorized by the Secretary.

**9. Grounds for Acceleration of Debt.**

(a) **Default.** Lender may, except as limited by regulations issued by the Secretary in the case of payment defaults, require immediate payment in full of all sums secured by this Security Instrument if:

(i) Borrower defaults by failing to pay in full any monthly payment required by this Security Instrument prior to or on the due date of the next monthly payment, or

(ii) Borrower defaults by failing, for a period of thirty days, to perform any other obligations contained in this Security Instrument.

(b) **Sale Without Credit Approval.** Lender shall, if permitted by applicable law and with the prior approval of the Secretary, require immediate payment in full of all the sums secured by this Security Instrument if:

(i) All or part of the Property is otherwise transferred (other than by devise or descent) by the Borrower, and

(ii) The Property is not occupied by the purchaser or grantee as his or her primary or secondary residence, or the purchaser or grantee does so occupy the Property but his or her credit has not been approved in accordance with the requirements of the Secretary.

(c) **No Waiver.** If circumstances occur that would permit Lender to require immediate payment in full, but Lender does not require such payments, Lender does not waive its rights with respect to subsequent events.

(d) **Regulations of the Secretary.** In many circumstances regulations issued by the Secretary will limit Lender's rights in the case of payment defaults to require immediate payment in full and foreclose if not paid. This Security Instrument does not authorize acceleration or foreclosure if not permitted by regulations of the Secretary.

**10. Reinstatement.** Borrower has a right to be reinstated if Lender has required immediate payment in full because of Borrower's failure to pay an amount due under the Note or this Security Instrument. This right applies even after foreclosure proceedings are instituted. To reinstate the Security Instrument, Borrower shall tender in a lump sum all amounts required to bring Borrower's account current including, to the extent they are obligations of Borrower under this Security Instrument, foreclosure costs and reasonable and customary attorneys' fees and expenses properly associated with the foreclosure proceeding. Upon reinstatement by Borrower, this Security Instrument and the obligations that it secures shall remain in effect as if Lender had not required immediate payment in full. However, Lender is not required to permit reinstatement if: (i) Lender has accepted reinstatement after the commencement of foreclosure proceedings within two years immediately preceding the commencement of a current foreclosure proceeding, (ii) reinstatement will preclude foreclosure on different grounds in the future, or (iii) reinstatement will adversely affect the priority of the lien created by this Security Instrument.

**11. Borrower Not Released; Forbearance By Lender Not a Waiver.** Extension of the time of payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successor in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

**12. Successors and Assigns Bound; Joint and Several Liability; Co-Signers.** The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 9.d. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey that Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forgive or make any accommodations with regard to the term of this Security Instrument or the Note without that Borrower's consent.

**13. Notice.** Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

**14. Governing Law; Severability.** This Security Instrument shall be governed by Federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

**15. Borrower's Copy.** Borrower shall be given one conformed copy of this Security Instrument.

**16. Assignment of Rents.** Borrower unconditionally assigns and transfers to Lender all the rents and revenues of the Property. Borrower authorizes Lender or Lender's agents to collect the rents and revenues and hereby directs each tenant of the Property to pay the rents to Lender or Lender's agents. However, prior to Lender's notice to Borrower of Borrower's breach of any covenant or agreement in the Security Instrument, Borrower shall collect and receive all rents and revenues of the Property as trustee for the benefit of Lender and Borrower. This assignment of rents constitutes an absolute assignment and not an assignment for additional security only.

If Lender gives notice of breach to Borrower: (a) all rents received by Borrower shall be held by Borrower as trustee for benefit of Lender only, to be applied to the sums secured by the Security Instrument; (b) Lender shall be entitled to collect and receive all of the rents of the Property; and (c) each tenant of the Property shall pay all rents due and unpaid to Lender or Lender's agent on Lender's written demand to the tenant.

Borrower has not executed any prior assignment of the rents and has not and will not perform any act that would prevent Lender from exercising its rights under this paragraph 16.

Lender shall not be required to enter upon, take control of or maintain the Property before or after giving notice of breach to Borrower. However, Lender or a judicially appointed receiver may do so at any time there is a breach. Any application of rents shall not cure or waive any default or invalidate any other right or remedy of Lender. This assignment of rents of the Property shall terminate when the debt secured by the Security Instrument is paid in full.

**UNOFFICIAL COPY**

**7. Condemnation.** The proceeds of any award or claim for damages, director of condemned property or other taken for the benefit of any condemnor under the laws of the state in which the property is located, shall be paid to the condemnor to the extent of the full amount of the conveyance in place of condemnation, and shall be applied in the same manner as if it had been received by the condemnor under the laws of the state in which the property is located.

Any amounts due under this Paragraph shall become an additional debt of Borrower and be secured by this Security Instrument. These amounts shall bear interest from the date of disbursement, at the Note rate, and at the option of Lender, shall be immediately due and payable.

11. Diversification limits to which these proposed amendments may be applied, if any, and the period of time for which they may be applied, if any, shall be determined by the Board.

6. Charges to Borrower and Protection of Lender, Disputes in the Property. Borrower shall pay all disbursements or municipal charges, fines and impositions that are not included in the Paragrapgh 2. Borrower shall pay all disbursements or municipal charges, which is owed the City of Lender, failure to pay would adversely affect Lender's interest in the Property, upon Lender's request. Borrower shall promptly furnish to Lender receipts evidencing these payments.

**3. Pre-emption Clause and Merger Provisions of the Property, Leases and Instruments of the Project.** Borrower shall not have the right to merge or consolidate with any other company, whether or not directly or indirectly, without the prior written consent of Lender, which consent shall not be unreasonably withheld, delayed or refused. If Borrower acquires fee title to the Property, the leasehold and free title shall be merged unless the provisions of the lease, if Borrower acquires fee title to the Property, the leasehold and free title shall be merged unless the lease provides otherwise such acquisition of the lease is in default, Lender may take reasonable action to protect the interest of Lender in the Property.

In the event of reclassification of this Security Instrument or other transfer of title to the Property by the Debtor, all rights, title and interest of Borrower in and to insurance policies in force shall pass to the Purchaser.

4. **Fire, Flood and Other Hazard Insurance.** The owner shall insure all improvements on the Property, whether now in existence or subsequently erected, against any hazard, perils, and contingencies, including fire, for which Leander requires insurance or subsequently insures, and contains appropriate clauses in favor of, and in a form acceptable to, Leander.

Second, to ring taxes, special assessments, leasehold payments or ground rents, and fire, flood and other hazard insurance premiums, as required;

First, to the mortgagee must make payment of the principal and interest as provided by the instrument.

If Borrower, or any of its Subsidiaries, fails to pay any amounts due under the Note or any other instrument or agreement between Borrower and Lender, Lender may exercise all of the rights and remedies available to it under applicable law, including, without limitation, the right to foreclose on the Collateral, and to require immediate payment in full of all amounts due under the Note and all other amounts then due or thereafter becoming due under the Note or any other instrument or agreement between Borrower and Lender.

As used in this Security Instrument, "Secretary" means the Secretary of Housing and Urban Development or his or her designee. Also, "Secretary" means the Secretary of Housings and Urban Development under the Security Instruments issued by the Secretary.

In consideration of my borrowing, I promise to pay the item when due, when Borrower shall pay to Lender any amount necessary to make up the deficiency on or before the date the item becomes due.

If at any time the total of the payments held by Lender for items (a), (b), and (c), together with the future monthly payments for such items payable to Lender prior to the due dates of such items, exceeds by more than one-sixth the estimated payments required to pay such items when due, and if payments on the Note are current, then Lender shall either refund the excess or reallocate advances of credit to excess over one-sixth of the estimated payments to subsequent items.

Each monthly instalment for items (a), (b), and (c) shall equal one-twelfth of the annual amounts, as reasonably estimated by Lender, plus an amount sufficient to maintain an additional balance of not more than one-sixth of the estimated monthly amounts collected by Lender within a period ending one month before an item would become due in full. The full annual amount shall be accumulated by Lender until the item shall be paid in trust to pay items (a), (b), and (c) before they become delinquent.
