This conveyance is intended to constitute a security agreement as required under the Uniform Commercial Code as enacted in the State of Illinois. This Mortgage is made for the purpose of securing (i) the full and punctual payment of the debt evidenced by the certain promissory note (the "Note") of even date with this Mortgage, made by Borrower, as "Maker" payable to the order of Lender, as "Holder," in the principal face amount of ONE MILLION ONE HUNDRED SIXTY-TWO THOUSAND AND NO HUNDREDS (10,25%) per annum and final maturity being on or before January 1, 2011 together with any and all renewals, modifications, consolidations and extensions of the indebtedness evidenced by the Note, any and all additional advances made by Lender to protect or preserve the Property or the security interest hereby created in the Property, and (ii) the full performance of all of the provisions, agreements, covenants, and obligations herein contained (collectively, the "Secured Obligations").

Should the Secured Obligations be paid according to the tenor and effect hereof when the same shall become due and payable, and should Borrower perform all covenants herein contained in a timely manner, then this Mortgage is satisfied, and Lender shall execute a proper deed of release at the expense of Borrower.

To protect the security of this Mortgage, Borrower hereby covenants and agrees with Lender

as follows:

4261063

(c) Subject to Section 1.04 hereof, Borrower shall pay or cause to be paid all taxes, liens, assessments, dues, fines, fees, impositions, and public charges, general and special (collectively, "impositions"), levied or assessed against the Property and shall provide Lender receipts evidencing such payments. Borrower shall promptly pay or cause to be paid all charges made by utility companies, whether public or private, for services furnished or used in connection with the Property. Nothing contained herein shall require the payment

(b) In the event of the passage of any federal, state, local, municipal, or other governmental law, order, rule or regulation, subsequent to the date hereof, imposing a tax (other than state or federal income tax) on debts secured by mortgages or deeds of trust, Borrower shall pay or cause to be paid any such tax upon receipt of written notice from Lender that the same is due. If Borrower shall fail to make such prompt payment or if any such federal, state, local, municipal, or other governmental law, order, rule or regulation prohibits Borrower from making such payment or would penalize Lender if Borrower makes such payment, then the entire balance of the Secured Obligations shall immediately become due and payable at the option of Lender, and Borrower shall have one hundred (100) days to pay the same to Lender, without prepayment premium.

(a) Borrower shall make the payments due under the Note promptly as each payment becomes due and shall pay all other sums required to be paid by Borrower under this Mortgage and the other Loan Documents, at the times and in accordance with provisions of said Note, this Mortgage, and the other Loan Documents.

1.02 Payment of Note and Impositions.

(d) Borrower has obtained or will obtain when required by law all certificates of occupancy, permits, licenses, and other authorizations required for the operation of the Property.

(c) All taxes due and payable on the Property have been paid.

(b) Borrower covenants that Borrower is lawfully seized and possessed of the Property and holds marketable and fully insurable fee simple absolute title to the same and has good right to convey the same subject only to those matters expressly set forth in Schedule 1 attached hereto and by this reference made a part hereof (the "Permitted Encumbrances"); and Borrower does warrant and will forever defend the title to the Property against the claims of all persons whomsoever, subject to the Permitted Encumbrances.

(a) Borrower has the full power and corporate authority to execute, deliver, and perform Borrower's obligations under the Note and this Mortgage. (The foregoing, together with any other instrument and amendments of any of the foregoing, are referred to herein collectively as the "Loan Documents"). The execution and delivery of the Loan Documents have been authorized by all requisite corporate action on the part of Borrower.

In order to induce Lender to lend the funds to Borrower which are evidenced by the Note and secured hereby, Borrower represents, warrants and covenants as follows:

1.01 Representations and Warranties of Borrower.

BORROWER'S COVENANTS

ARTICLE I

393-1924

Such other insurance in such form and in such amounts as may from time to time be reasonably required by Lender against other insurable hazards and casualties which at the time are commonly insured against in the case of properties of similar character and location to the and the Improvements.

(vi)

Workers compensation insurance.

(v)

Title insurance in the original principal amount of the face insuring that this Mortgage is a first-priority lien against the Land and Improvements, subject only to the Permitted Encumbrances.

(iv)

Flood insurance, if the Land is located within the 100-year flood plain.

(iii)

Comprehensive general liability insurance against claims for personal injury or death to any number of persons or for property damage liability in an amount not less than Two Million Dollars (\$2,000,000) (combined single limit).

(ii)

Extended Coverage fire and casualty property insurance on the Improvements in an amount equal to one hundred percent (100%) of the insurable value of the Property.

(i)

(a) Borrower shall procure and maintain or cause to be procured and maintained for the benefit of Lender, at no expense to Lender, insurance policies issued by such insurance companies, in such amounts, in such form and substance, and with such expiration dates as are acceptable to Lender, providing the following types of insurance covering the Property:

1.03 Insurance and Casualty.

(d) Borrower shall keep the Property free from all liens and claims of every kind and shall protect the title and possession of the same so that this Mortgage shall be a first lien thereon until the Secured Obligations are paid, or if a foreclosure sale shall occur hereunder, so that the purchaser at said sale shall acquire good, marketable, and fully insurable title in fee simple to the Property free and clear of all encumbrances except those set forth on the Permitted Encumbrances. Borrower shall have the right, after prior notice to Lender, to contest by appropriate legal proceedings diligently conducted in good faith by Borrower, without cost or expense to Lender, the validity of any lien or charge against the Property provided that Borrower shall furnish to Lender security satisfactory to Lender against any loss or injury by reason of such contest or delay. (ii) Borrower shall prosecute such contest with due diligence, and (iii) such contest enjoins a foreclosure against the Property and execution of a judgment against Borrower and Lender.

or discharge of any such Imposition by Borrower for so long as Borrower shall in good faith and at no expense to Lender contest the amount or validity thereof by appropriate legal proceedings, provided such contest must prevent (i) the collection thereof or other realization thereon and the sale or forfeiture of the Property or any part thereof to satisfy the same (and Borrower shall post a bond if required by law in connection with such contest) and (ii) the enforcement thereof against Borrower or the Property or any part thereof, and provided Borrower shall have first deposited with Lender, in escrow, such sums or other security as Lender may reasonably require to assure Lender of the availability of sufficient funds to pay such Imposition if and when same is finally determined to be due.

*solely attributable to the Property

(c) Prior to the expiration date of each policy maintained pursuant to this Paragraph 1.03, a certificate of renewal or replacement thereof satisfactory to Lender shall be delivered to Lender. If requested by Lender, Borrower shall deliver to Lender receipts evidencing the payment for all such insurance policies and renewals or replacements. The delivery of any insurance policy or certificate hereunder shall constitute an assignment of all unearned premiums as further security for the Secured Obligations. In the event of a public sale or any other transfer or assignment of title to the Property in extinguishment or partial extinguishment of the Secured Obligations, all right, title and interest of Borrower in and to all insurance policies then in force shall pass to the purchaser or to Lender, as the case may be, and Lender is hereby appointed by Borrower as its attorney-in-fact (said appointment being coupled with an interest and irrevocable) to effect such transfer by assigning any such policy to said purchaser or to Lender, as the case may be, without accounting to Borrower for any unearned premiums thereon.

Each insurance company is hereby authorized and directed to make payment for all such losses directly to Lender, rather than to Borrower and Lender jointly. In the event any insurance company fails to disburse directly and solely to Lender but disburses instead either solely to Borrower or to Borrower and Lender jointly, Borrower shall receive such proceeds in trust for Lender and shall endorse and transfer such proceeds to Lender immediately. Upon the failure of Borrower to endorse and transfer such proceeds as aforesaid, Lender may execute such endorsements or transfers in and in the name of Borrower, and Borrower hereby appoints Lender as Borrower's agent and attorney-in-fact so to do (said appointment being coupled with an interest and irrevocable). After deducting from said insurance proceeds all of the expenses incurred by Lender in the collection and administration of such sums, including reasonable attorneys' fees (together with appellate counsel fees, if any), Lender shall apply the net proceeds either to the payment of the Secured Obligations without prepayment premium or to the repair and/or restoration of the Improvements, pursuant to subparagraph (d) below without affecting the security interest created hereby. Lender shall not be responsible for any failure to collect any insurance proceeds due under the terms of any policy regardless of the cause of such failure.

If any Event of Default shall have occurred and be continuing, Lender is hereby authorized and empowered, at its option, to adjust or compromise any loss under any hazard insurance policies maintained pursuant to this Paragraph 1.03 and to collect and receive the proceeds from any such policy.

(b) Borrower shall promptly notify Lender of any damage to or destruction of the Property, generally describing the nature and extent of such damage or destruction. So long as there exists no Event of Default (as hereinafter defined) hereunder, Borrower shall have the right to adjust or compromise any loss and may choose to rebuild the Improvements pursuant to subparagraph (d) below, or to apply the insurance proceeds to repayment of the Secured Obligations, without imposition of a prepayment premium. Borrower shall have thirty (30) days in which to notify Lender in writing of such election. If no Event of Default has occurred and is continuing, upon compliance with subparagraph (d) below, Lender shall make the insurance proceeds available to Borrower if Borrower shall have chosen to rebuild. Should Lender make available to Borrower any funds received from casualty insurance, Borrower shall repair, restore, replace, or rebuild any part of the Property affected or damaged strictly in accordance with the provisions of subparagraph (d) hereof; provided, however, that the insufficiency of any insurance proceeds to defray the expenses of such restoration shall not relieve Borrower of its obligation to restore.

Such insurance policies shall not be terminable without thirty (30) days' prior written notice to Lender and shall be evidenced by original policies, certified copies of policies, or (in Lender's sole and absolute discretion) certificates of insurance deposited with Lender, to be held by Lender until the Secured Obligations have been fully paid and discharged. Lender shall be named as loss payee and mortgagee under the policies described in subparagraph (i) above and as an additional insured under the policy required by subparagraph (ii) above.

3931924

*Notwithstanding the foregoing provisions of this subsection, Lender shall give to Borrower 30 days written notice and opportunity to cure prior to any acceleration resulting from Borrower's failure diligently to pursue the Work; provided, however, that such notice and cure shall be in lieu of any which would otherwise have been due as a result thereof under Section 4.01 hereof.

WNY

1.04 Monthly Deposits. To further secure the payment of Impositions, utilities, and insurance premium charges, at Lender's sole option and in its sole discretion, upon written notice from Lender, following the occurrence of any material Event of Default, Borrower shall be required to deposit with Lender, on the due date of each monthly installment under the Note, a sum which, in the estimation of Lender, shall be necessary to pay such charges at least thirty (30) days before they become due, said deposits to be held by

If an Event of Default shall occur hereunder, or if Borrower shall fail diligently to pursue and complete the Work, Lender may, at its sole option and in its sole discretion, accelerate the indebtedness secured hereby and apply any undischarged Proceeds and any of Borrower's deposits pursuant to Section 1.04 below against the balance of the Secured Obligations. If Lender shall elect not to accelerate the Secured Obligations but to apply such Proceeds to the principal payment due under the Note at maturity or to monthly payments thereunder, regular monthly payments thereunder shall continue to be due without reduction or interruption until the Secured Obligations have been paid in full. Lender shall have no obligation to pay interest to Borrower on any amounts held by Lender pursuant to this subparagraph. Provided that no Event of Default shall have occurred and be continuing, Borrower shall have ninety (90) days in which to reinstate the indebtedness secured hereby if Lender shall accelerate such indebtedness pursuant to this Section, but regular monthly payments shall continue to be due without deduction or interruption until the same is paid in full.*

In the event any one or more of the above conditions is not satisfied, Lender may choose, at its sole option and in its sole discretion, to accelerate the indebtedness due hereunder and to apply the Proceeds against the balance due under the Note, without payment premium, and to the other Secured Obligations. Lender may, in its sole discretion, instead elect to apply the Proceeds either to the principal payment due under the Note at maturity or to monthly payments thereunder, and, in such event, if such application does not repay the Note in full, regular monthly payments thereunder shall continue to be due without reduction or interruption until the Secured Obligations have been paid in full.

(iii) the Proceeds are at least equal to the fixed price of the Work as set forth in the proposed contract for the restoration or reconstruction of the Property. (As an alternative to this clause (iv), Borrower may either deposit with Lender funds in the amount by which such fixed price exceeds the Proceeds or commence the Work at its own expense, and Lender shall have no obligation to release the Proceeds until Borrower shall have demonstrated to Lender's reasonable satisfaction that the Proceeds are sufficient to complete the Work.)

(ii) sufficient funds, including the Proceeds, are available to perform the Work and that the Work can be completed prior to the maturity of the Note;

(i) the Improvements may be reconstructed in accordance with all applicable zoning, building code, and other governmental requirements and that, upon completion of the Work, the condition of the Improvements will be at least equal in value and general utility to that which existed on the date of this Mortgage;

(d) Subject to subparagraph (b) above, upon the occurrence of damage to or destruction of the Improvements which results in the need for repair, rebuilding, or restoration work to be performed on the material Event of Default has occurred and is continuing hereunder, Borrower shall use the amount by which the proceeds of all insurance policies, judgments, settlements, or awards exceed the cost, if any, to Lender for the recovery thereof (the "Proceeds") for the Work so long as Borrower shall have delivered evidence reasonably satisfactory to Lender that:

1.06 Further Assurances. At any time, and from time to time, upon the reasonable request by Lender, Borrower shall make, execute, and deliver or cause to be made, executed, and delivered, to Lender and, where appropriate, cause to be recorded and/or filed, and from time to time thereafter to be re-recorded and/or refiled, at such time and in such offices and places as shall be deemed desirable by Lender, any and all such other and further mortgages, deeds of trust, security agreements, financing statements, continuation statements, instruments of further assurance, certificates and other documents, as may, in the opinion of Lender, be necessary or desirable in order to effectuate, complete, or perfect, or to continue and preserve, the obligation of Borrower under the Note and under this Mortgage and the security interest created by this Mortgage as a first and prior security interest, upon the title in and to all of the Property. Upon any failure by Borrower so to do, Lender may make, execute, deliver, record, file, and/or refile or re-record any and all such mortgages, deeds of trust, security agreements, financing statements, continuation statements, instruments and other documents for and in the name of Borrower, and Borrower hereby appoints Lender as Borrower's agent and attorney-in-fact so to do (said appointment being coupled with an interest and irrevocable). The lien hereof will automatically attach, without further act, to all after-acquired property attached to and/or used in connection with or in the operation of the Property or any part thereof.

1.05 Care of Improvements, Fixtures and Equipment. Borrower shall ensure that the Improvements, Fixtures, and Equipment are kept in good order, repair and condition (reasonable wear and tear excepted), shall maintain any parking lots and facilities and all access easements to the Land with paving kept in good condition and parking lots clearly striped, shall comply with all provisions pertaining to, and shall do or cause to be done all things necessary (including payment of ad valorem taxes, if any, thereon to preserve all easements of a material nature serving or used in connection with the Property, shall not commit or permit any material waste thereof, and restrictions (public or private) affecting the Property, shall not commit or permit any material waste thereof, and shall not demolish, tear down, remove or materially alter the structural character of any portion thereof, without the prior written consent of Lender, which shall not be unreasonably withheld.

Lender free of interest to Borrower and free of any lien or claim on the part of Borrower or its creditors, as part of the security of Lender, and to be used by Lender to pay current impositions, utilities and insurance premiums on the Property as the same accrue and are payable. If said deposits are insufficient to pay the impositions and insurance premiums and other similar charges in full, Borrower shall deposit with Lender such additional sum or sums as may be required in order for Lender to pay such impositions and insurance premiums and other similar charges in full; provided, however, that Lender shall have no obligation to procure, and shall not be liable for any failure to procure, insurance on the Property. Upon any default in the provisions of any of the Loan Documents, or any instrument evidencing, securing or in any way relating to the Secured Obligations, Lender may apply any money in the fund resulting from said deposits to the payment of the Secured Obligations, in such manner as it may elect. If Lender shall have elected to apply such money to the principal payment due under the Note at maturity or to monthly payments thereunder, regular monthly payments thereunder shall continue to be due without reduction or interruption until the Secured Obligations shall have been paid in full.

1261921

Borrower shall notify Lender immediately upon obtaining knowledge of the institution, or the proposed, contemplated or threatened institution, of any action or proceeding for the taking through condemnation of the Property or any part thereof. Lender is hereby authorized, at its option, to commence, appear in, and prosecute, through counsel selected by Lender, in its own or in the name of Borrower, any action or proceeding relating to any condemnation, and to settle or compromise any claim in connection therewith;

1.08 Condemnation. Subject to the second paragraph of this Section 1.08, if any substantial (in Lender's sole and absolute judgment) portion of the Land or Improvements shall be damaged or taken through condemnation (which term, when used in this Mortgage, shall include any damage or taking by any governmental authority, any quasi-governmental authority, any party having the power of condemnation or eminent domain, or any transfer by private sale in lieu thereof), either temporarily or permanently, the Secured Obligations shall, at the option of Lender, become immediately due and payable, and Borrower shall pay the entire condemnation proceeds to Lender, up to the amount of the Secured Obligations.

Borrower waives all rights now or hereafter conferred by statute or otherwise to any abatement, suspension, deterrent, diminution, or reduction of any sum secured hereby and payable by Borrower.

- (i) any damage to or destruction of or any condemnation or similar taking of the Property or any part thereof;
- (ii) any restriction or prevention of or interference with any use of the Property or any part thereof;
- (iii) any title defect or encumbrance or any eviction from the Land or the Improvements or any part thereof by title paramount or otherwise;
- (iv) any claim which Borrower has, or might have, against Lender;
- (v) any default or failure or the part of Lender to perform or comply with any of the terms hereof or of any other agreement with Borrower; or
- (vi) any other occurrence whatsoever.

All sums payable by Borrower shall be paid without notice (except as otherwise expressly provided herein) demand, counterclaim, setoff, deduction, or defense and without abatement, suspension, diminution or otherwise affected by reason of:

(c) All attorney's fees (including appellate counsel fees) and other costs and expenses incurred by Lender in any suit, action, legal proceeding or dispute of any kind in which Lender is made a party or appears as party plaintiff or defendant affecting the Secured Obligations (provided, however, that the subject of such litigation is not a claim based on the gross negligence or willful misconduct of Lender hereunder or that of its agents or employees), this Mortgage, or the security interest created hereby, or the Property, including, but not limited to, the exercise of the power of sale contained in this Mortgage, any condemnation action involving the Property or any action to protect the security hereof. (a) Borrower has furnished to Lender the Environmental Site Assessment (the "Report") dated June 22, 1990, prepared by Professional Service Industries, Inc.. Except as may be set forth in the Report, to the best of Borrower's actual knowledge, the Land and Improvements are free from pesticides, pollutants, contaminants, chemicals, petroleum products, asbestos radioactive materials, or other hazardous wastes or toxic materials (collectively, "Hazardous Materials"), including but not limited to materials subject to regulation under the Comprehensive Environmental Response, Compensation, and Liability Act (Superfund or CERCLA), 42 U.S.C. §§ 9601 et seq., the Resource Conservation and Recovery Act (the Solid Waste Disposal Act or RCRA), 42 U.S.C. §§ 6901 et seq., the Clean Air Act (42 U.S.C. § 1601 et seq.), the Safe Drinking Water Act (21 U.S.C. § 349; 42 U.S.C. §§ 201 and 300f through 300j-9), the Toxic Substances Control Act (15 U.S.C. § 2601 et seq.), or any other applicable federal or state law now or hereafter enacted relating to hazardous waste disposal (collectively, "Environmental Laws"). Borrower warrants and represents to Lender that to the best of Borrower's actual knowledge, except as is set forth in the Report, there is no Environmental Complaint (as hereinafter defined), pending or, to Borrower's actual knowledge, threatened which involves the Land or Improvements. Borrower shall not manufacture, generate, store, handle, dispose, or otherwise deal with, or cause or permit any tenant of the Land or Improvements to manufacture, generate, store, handle, discharge, deposit, or otherwise deal with any Hazardous Materials on the Property (except for quantities present in appropriate containers and except for automotive fluids necessarily on the Land in connection with the use of the Land and Improvements as a trucking facility, all which Borrower warrants and covenants will be stored, handled, used, and disposed of properly). Borrower represents that, except as may be set forth in the Report, no underground tanks or piping other than drainage piping and utilities servicing the Property are present on the Land. Borrower shall not allow a lien relating to any Hazardous Materials to be imposed or remain on the Land or Improvements pursuant to any law, order, rule, or regulation of the United States, any state or local government, or any agency thereof, as hereinafter amended. If it shall be determined that Borrower, any predecessor in title to or possession of the Property, any tenant of the Property, or any other person caused or permitted any such discharge or disposal for which Borrower, Lender, or any subsequent owner of the Property would be liable, Borrower shall act promptly to clear the Land or Improvements of such Hazardous Materials. If such action is not instituted and completed within such periods of time as may be allowed to

provided, however, that so long as there exists no Event of Default on the part of Borrower hereunder or under any of the Loan Documents, Borrower shall have the right to prosecute, settle, or compromise any such claim, subject to Lender's prior written approval. Borrower hereby assigns to Lender all such compensation, awards, damages, claims, rights of action and proceeds and the right thereto. If any Event of Default shall have occurred hereunder and be continuing, Lender is authorized, at its option, to collect and receive all such compensation, awards or damages and to give proper receipts and acquittances therefor without any obligation to question the amount of any such compensation, awards or damages. After deducting from said condemnation proceeds all of its reasonable expenses incurred in the collection and administration of such sums, including attorneys' fees (together with appellate counsel fees, if any), Lender may, subject to Borrower's rights under Paragraph 1.03(d) above, apply the net proceeds or any part thereof, either (i) to the payment of the Note (without imposition of any prepayment fee) and the Secured Obligations, or (ii) to the repair and/or restoration of the improvements in accordance with Paragraph 1.03(d) hereof, or (iii) for any other purposes or objects for which Lender is entitled to advance funds under this Mortgage, all without affecting the lien of this Mortgage; and any balance of such monies then remaining shall be paid to Borrower or any other person or entity lawfully entitled thereto. Borrower shall execute such further assignment of any compensation awards, damages, claims, rights of action and proceeds as Lender may require. If, prior to the receipt by Lender of such award or proceeds, the Property or any part thereof shall have been sold under the power of sale herein granted, Lender shall have the right to receive such award or proceeds to the extent of any unpaid amount of the Secured Obligations following such sale, with interest thereon, and to the extent of attorney's fees (including appellate counsel fees), costs and disbursements incurred by Lender in connection with the collection of such award or proceeds.

1261924

- (i) If Borrower receives a first notice of a Hazardous Discharge or Environmental Complaint and does not give Lender notice of the same within five (5) business days of the date Borrower first receives said notice; or
- (ii) If the State, EPA, or any other state or federal agency asserts or creates a lien upon any or all of the Property by reason of the occurrence of a Hazardous Discharge or Environmental Complaint or otherwise and Borrower fails promptly to remedy the problem or to post security adequate to protect Lender's interest in the Property; or

(d) In addition to those events hereinafter specified, the occurrence of any of the following events shall constitute an Event of Default under this Mortgage, entitling Lender to all of the rights and remedies provided herefor:

(1) Without limiting Lender's rights under this Mortgage, Lender shall have the right, but not the obligation, to exercise any of its rights as may be provided for elsewhere in this Mortgage or to enter onto the Land or Improvements or to take such other actions as it deems necessary or advisable to clean up, remove, resolve, or minimize the impact of or otherwise deal with, any such Hazardous Discharge or Environmental Complaint upon its receipt or any notice from any person or entity, including, without limitation, the State, EPA, the Corps, the Coast Guard or Borrower, asserting the happening of a Hazardous Discharge or Environmental Complaint which, if true, could result in any order, suit, or other action against Borrower and/or the Property, or any portion thereof, by any governmental agency or otherwise which, in Lender's sole and absolute discretion, could jeopardize its security under this Mortgage or any portion thereof or result in liability to Lender, if Borrower has an obligation to remedy such circumstances pursuant to subparagraph 1.09(a) or otherwise has a legal obligation to remedy the same and has not immediately commenced or is not diligently pursuing either (i) the cure or correction, in form, scope and substance acceptable to Lender in its sole and absolute discretion and acceptable to the agency or entity asserting the happening of the Hazardous Discharge or Environmental Complaint, of the event which constitutes the basis for the Hazardous Discharge or Environmental Complaint, and its continuing diligently to pursue such cure or correction to completion, or (ii) proceedings for an injunction, a restraining order, declaratory judgment, or other appropriate remedy preventing such agency or entity from pursuing such claim, which relief is granted within fifteen (15) business days of the date on which Borrower first receives notice of the claim; provided that in such event, Borrower shall have posted a bond, letter of credit or other security reasonably satisfactory in form, substance and amount to Lender to secure the proper and complete cure or correction of the event which constitutes the basis for the claim.

(b) If Borrower receives any notice of (i) the happening of any event involving the release, spill, discharge, or cleanup of any Hazardous Materials on or from the Land or Improvements, or any portion thereof, or caused by Borrower, any predecessor in title or possession, any tenant of the Property or any other person (a "Hazardous Discharge"), or (ii) any complaint, order, citation or notice with regard to air emissions, water discharges, or any other environmental, health or other matter relating to Hazardous Materials affecting the Land or Improvements, or any portion thereof, or its or Borrower's operations on the Land (an "Environmental Complaint") from any person or entity, including without limitation, the State of Illinois (the "State"), the United States Environmental Protection Agency ("EPA"), the United States Army Corps of Engineers (the "Corps"), or the United States Coast Guard (the "Coast Guard"), then Borrower shall immediately give written notice of same to Lender and shall promptly comply with Borrower's obligations under law with regard to such Hazardous Discharge or Environmental Complaint.

(a) enter upon and take possession of the Property;

1.13 Actions By Lender to Preserve Property. Should Borrower fail to make any payment or to do any act which failure would constitute a Default under the Loan Documents, subject to any applicable notice and cure periods set forth in the Mortgage, Lender, in its own discretion, without obligation so to do, without notice to or demand upon Borrower and without releasing Borrower from any obligation, may make or do the same in such manner and to such extent as Lender may deem necessary or advisable to protect the security hereof. In connection therewith (without limiting their general powers), Lender shall have and is hereby given the right, but not the obligation, to:

1.12 Subrogation. To the extent permitted by the applicable insurance policies, Borrower waives any and all right to claim or recover against Lender or its officers, employees, agents and representatives, for loss of or damage to Borrower, the Property, Borrower's property or the property of others under Borrower's control from any cause insured against or required to be insured against under Paragraph 1.13 above.

1.11 Use of the Property and Compliance with Applicable Laws. Unless required by applicable law or unless Lender has otherwise agreed in writing, Borrower shall not allow changes in the nature of the occupancy or use for which the Improvements were included at the time this Mortgage was executed which will result in decreasing the value of the Property. If Borrower wishes to change the use of the Property or to modify it to include other uses Borrower shall furnish Lender with an appraisal evidencing that no diminution in the value of the Property will ensue from such change. Borrower shall not initiate or acquiesce in a change in the zoning classification of the Land or subject the Land to restrictive covenants without Lender's prior written consent (which may be withheld at Lender's discretion). Borrower shall at all times comply with all laws, ordinances, orders, rules, regulations and requirements of all governmental authorities now or hereafter affecting or pertaining in any way to the Property or any part thereof or the use and operation thereof. Borrower shall keep in full force and effect at all times such federal, state, municipal and other governmental approvals, licenses and certificates as may be necessary from time to time to comply with all zoning, subdivision, environmental, air quality, flood hazard, fire safety, and other governmental requirements (whether now existing or hereinafter enacted or adopted) relating to the Property or Borrower's use and occupancy thereof and shall furnish Lender on request proof of such compliance.

1.10 Limit of Validity. If payment of any of the Secured Obligations, at the time of payment shall be due, shall involve transcending the limits of validity prescribed by an applicable usury statute or any other applicable law, then the obligation to be fulfilled shall be reduced to the limit of such validity, so that in no event shall any exaction be possible under this Mortgage that is in excess of the current limit of such validity, but such obligation shall be fulfilled to the limit of such validity.

(c) Borrower and Lender have executed a separate Indemnity Agreement Regarding Hazardous Materials, of even date herewith.

(iii) If the State, EPA or any other state or federal agency files any proceeding against Borrower the Property or Lender for damages or cleanup costs related to a Hazardous Discharge or Environmental Complaint involving the Property.

1.15 Due-on-Sale; Changes in Ownership and Subordinate Financing. Borrower hereby acknowledges to Lender that the identity of Borrower continues to be a material circumstance upon which Lender has relied in connection with, and which constitute valuable consideration to Lender for, the extending to Borrower of the Secured Obligations and that any change in such identity could materially impair or jeopardize the security granted by Borrower to Lender by this mortgage. Borrower therefore covenants and agrees with Lender, as part of the consideration for the extending to Borrower of the Secured Obligations, that upon sale, transfer or further encumbrance of all or any part of the Property or any interest therein without Lender's prior written consent, Lender may, in its sole and absolute discretion, declare the entire principal amount of the Secured Obligations, or any unpaid part thereof, together with any and all interest accrued thereon, and any other sums advanced under this Mortgage, at once due and payable without notice to Borrower and regardless of the stipulated date of maturity. This Paragraph 1.15 shall apply to each and every sale, transfer, conveyance or encumbrance, regardless of whether or not Lender has consented or waived its rights (which it shall not be deemed to have done unless in writing), whether by action or inaction, in connection with any previous sale, transfer, conveyance, or encumbrance, whether one or more. Without limiting the foregoing, Borrower acknowledges that Lender shall not be obliged to consent to any transfer of the Property or any assumption of the Secured Obligations, except upon such terms and conditions as Lender, in its sole and absolute discretion, may deem appropriate, including but not limited to payment of an assumption fee in the amount of one and one-half percent (1.5%) of the Secured Obligations. Nothing contained in the foregoing shall be construed to prohibit Borrower's letting the Land and Improvements to Watkins Motor Lines, Inc., pursuant to the Lease.

1.14 Inspections. Lender and its agents, representatives and workmen are authorized to enter at any reasonable time upon reasonable notice (except that no notice shall be required if an Event of Default shall have occurred and be continuing) upon or in any part of the Land or the Improvements for the purpose of inspecting same and for the purpose of performing any of the acts it is authorized to perform under the terms of this Mortgage or any of the Loan Documents, giving due consideration to the interests of any tenant of the Land or Improvements.

Any amounts disbursed by Lender pursuant to this Paragraph 1.13, with interest thereon, shall become a portion of the Secured Obligations. Unless the parties agree to other terms of payment, such amounts shall be payable upon notice from Lender to Borrower requesting payment thereof and shall bear interest from the date of disbursement at the interest rate set forth in the Note as applicable after a default thereunder. Borrower shall have the right to repay such amounts in whole or in part at any time. Nothing contained in this Paragraph 1.13 shall require Lender to do any act or incur any expense.

Any security deposits held by Lender shall not bear interest unless required by applicable law.

2.01 Assignment of Rents and Leases. Borrower hereby grants, conveys, assigns, and transfers to Lender all of the Leases and all security deposits in connection therewith as security for the Secured Obligations and hereby gives to and confers upon Lender the right, power and authority to collect such Rents. Borrower hereby appoints Lender as Borrower's true and lawful attorney-in-fact (such appointment being coupled with an interest and irrevocable), at the option of Lender at any time and from time to time, to demand, receive and enforce payment, to give receipts, releases and satisfactions, and to sue, in the name of Borrower or of Lender, for all such Rents and apply the same to the Secured Obligations. The assignment of Rents, Leases and security deposits in this Article II is intended to be an absolute, present assignment from Borrower to Lender and not merely the passing of a security interest; provided, however, that so long as there shall exist no Event of Default (as hereinafter defined) on the part of Borrower, Borrower shall have, and is hereby granted, a license and the right (i) to collect, but not more than thirty (30) days prior to accrual, all such rents, issues and profits from the Property and to retain, use and enjoy the same, and (ii) to maintain the security deposits in a separate, identifiable account in a bank acceptable to Lender. Nothing contained herein shall be deemed to constitute Lender as a mortgagee-in-possession in the absence of its actually taking possession of the Property.

4.05 Application of the Proceeds of Sale. The proceeds of any foreclosure sale of the Property shall be distributed and applied in the following order of priority: FIRST, on the account of all costs and expenses incident to the foreclosure proceedings, including all such items as are mentioned in Paragraph 4.03 hereof; SECOND, all other items which under the terms hereof constitute indebtedness additional to that evidenced by the Note, with interest thereon as herein provided; THIRD, all principal and interest remaining unpaid on the Note; FOURTH, any balance to Borrower, its legal representatives, successors or assigns, as its rights may appear.

4.04 Receiver. Upon or at any time after the filing of a suit to foreclose this Mortgage, the court in which such suit is filed may appoint a receiver of the Property. Such appointment may be made either before or after sale, with or without notice, without regard to the solvency or insolvency of Borrower at the time of application for such receiver and without regard to the then value of the Property. Such receiver shall have the power to collect the Rents of said Property during the pendency of such foreclosure suit and, in case of a sale and a deficiency, during the full statutory period of redemption if any, whether there be redemption or not, as well as during any further time when Borrower, except for the intervention of such receiver, would be entitled to collect such Rents and all other powers which may be necessary or are usual in such cases for the protection, possession, control, management and operation of the Property during the whole or in part of: (a) the time may authorize the receiver to apply and receive in his hands in payment in whole or in part of: (a) the indebtedness secured hereby, or by any decree foreclosing this Mortgage, or any tax, special assessment or other lien which may be or become superior to the lien hereof or of such decree, provided such application is made prior to the foreclosure sale or (b) deficiency in case of a sale and deficiency. Upon, or at any time after the filing of a suit to foreclose this Mortgage, the court in which such suit is filed shall also have full power to enter an order placing Lender in possession of the Property with the same powers hereinabove granted to a receiver and, in such event, Lender will have all other rights and privileges of a mortgagee in possession under law.

may be had pursuant to such decree the true condition of the title to or the value of the Property. All expenditures and expenses of the nature in this Paragraph 4.03 mentioned shall become additional indebtedness secured by this Mortgage and bearing interest at the Default Rate specified in the Note, when paid or incurred by Mortgagee in connection with (a) any proceeding, including probate and bankruptcy proceedings, to which Borrower or Lender shall be a party, either as plaintiff, claimant or defendant, by reason of this Mortgage or any indebtedness hereby secured; or (b) preparations for the commencement of any suit for the foreclosure hereof after accrual of such right to foreclose, whether or not actually commenced; or (c) preparations for the defense of any threatened suit or proceeding which might affect the Property or the security hereof, whether or not actually commenced. In case, after legal proceedings are instituted to foreclose the lien of this Mortgage, lender is made of the entire indebtedness due hereunder, Lender shall be entitled to reimbursement for expenses incurred in connection with such proceedings, including such expenditures as are enumerated above, and such expenses shall be additional indebtedness secured by this Mortgage, and no such suit or proceedings shall be dismissed or otherwise disposed of until such fees, expenses and charges shall have been paid in full.

3934924

4.07 Waiver of Appraisal, Valuation, Etc. Borrower hereby waives and renounces all redemption, and exemption rights provided for by the Constitution and the laws of the United States or of the State of Illinois, or of any other state in and to the Property as against the enforcement or collection of the Secured Obligations, or any part thereof. In case of an Event of Default on the part of Borrower hereunder, neither Borrower nor anyone claiming through or under Borrower shall or will set up, claim or seek to take advantage of any moratorium, reinstatement, forbearance, appraisal, valuation, stay, extension, exemption, homestead, or redemption laws now or hereafter in force, in order to prevent or hinder the enforcement or foreclosure of this Mortgage, or the absolute sale of the Property, or the delivery of possession thereof immediately after such sale to the purchaser at such sale, and Borrower, for itself and its successors and all who may at any time claim through or under it, hereby waive the benefit of all such laws, and any and all right to have the assets subject to the security interest of this Mortgage marshalled upon any foreclosure or sale. Any purchaser of the Property upon any foreclosure hereunder shall have an absolute title in fee simple.

4.08 Leases. Lender is authorized, in its discretion, to foreclose this Mortgage subject to the rights of any tenants of the Improvements, and the failure to make any such tenants parties to any such foreclosure proceedings and to foreclose their rights will not be, nor be asserted to be by Borrower, a defense to any proceedings instituted by Lender to collect the Secured Obligations.

4.09 Discontinuance of Proceedings. In case Lender shall have proceeded to enforce any right, power or remedy under this Mortgage by receiver, entry or otherwise and such proceeding shall have been withdrawn, discontinued or abandoned for any reason, or shall have been determined adversely to Lender, then and in every such case:

- (a) Borrower and Lender shall be restored to their former positions and rights hereunder;
- (b) all rights, powers and remedies of Lender shall continue as if no such proceeding had been taken;

(c) each and every Event of Default declared or occurring prior or subsequent to such withdrawal, discontinuance or abandonment shall be deemed to be a continuing Event of Default;

(d) neither the Note, this Mortgage, nor the other Loans, Documents shall be affected by such withdrawal, discontinuance or abandonment; and

(e) Borrower shall pay all expenses incurred by the Lender, including attorneys' fees (including appellate counsel fees). If the Property shall be advertised for sale and not sold, then Borrower shall pay all costs in connection therewith including attorneys' fees.

4.10 Remedies Cumulative. No right, power, or remedy conferred upon or reserved to Lender by this Mortgage is intended to be exclusive of any other right, power or remedy, but each and every such right, power, and remedy shall be cumulative and concurrent and shall be in addition to any other right, power and remedy given hereunder or now or hereafter existing at law or in equity or by statute.

all without releasing, discharging, modifying, changing or affecting any such liability, without prejudice to Lender's right to exercise any such right, power or privilege or without affecting the security title, security interest or lien of this Mortgage. In the event of the sale or transfer by operation of law or otherwise of all or any part of the Property, Lender, without notice, is hereby authorized and empowered to deal with any such vendor or transferee with reference to the Property or the Secured Obligations, or with reference to any of the terms, covenants, conditions or agreements hereof, as fully and to the same extent as Lender might deal with the original parties hereto and without in any way releasing and/or discharging any liabilities, obligations or undertakings.

- (i) grant forbearance or an extension of time for the payment of all or any portion of the Secured Obligations;
- (ii) take other or additional security for the payment of the Secured Obligations;
- (iii) waive or fail to exercise any right granted herein or in the Note;
- (iv) release any part of the Property from the security title, security interest, or lien of this Mortgage;
- (v) consent to the filing of any bankruptcy, insolvency, or repleat affecting the Property;
- (vi) consent to the granting of any easement or other right affecting the Property;
- (vii) make or consent to any agreement subordinating the security title, security interest, or lien hereof; or
- (viii) take or omit to take any action whatsoever with respect to the Note, this Mortgage, the Property or any other Loan Document,

(b) No act or omission by Lender shall release, discharge, modify, change or affect the original liability under the Note, this Mortgage, the other Loan Documents, or any other obligation of Borrower or any subsequent purchaser of the Property or any part thereof, or preclude Lender from exercising any right, power or privilege hereinafter granted or intended to be granted upon the occurrence of an Event of Default then made or of any subsequent Default, or alter the security title, security interest or lien of this Mortgage except as expressly provided in an instrument or instruments executed by Lender. Without limiting the generality of the foregoing, Lender may:

- (a) No delay or omission of Lender to exercise any right, power or remedy accruing upon any breach or Default or Event of Default hereunder or under the Note or any of the other Loan Documents shall exhaust or impair any such right, power or remedy or shall be construed to be a waiver of or acquiescence in any such breach or default or Event of Default; and every right, power and remedy given by this Mortgage to Lender may be exercised from time to time and as often as may be deemed expedient by Lender. No consent or waiver, expressed or implied, by Lender to or of any Event of Default by Borrower hereunder shall be deemed or construed to be a consent or waiver or of any other Event of Default by Borrower hereunder. Failure on the part of Lender to complain of any act or failure to act or to declare an Event of Default, irrespective of how long such action or failure to act continues, shall not constitute a waiver by Lender of its rights hereunder or impair any rights, powers or remedies of Lender hereunder.

3931924

5.03 Notices, Demands and Requests. Any and all notices, elections, demands, or requests permitted or required to be made under this Mortgage shall be in writing, signed by the party giving such notice, election, demand or request, and shall be delivered personally or sent by registered, certified, or Express United States mail, postage prepaid, or Federal Express or any similar service requiring a receipt, to the other party at the address set forth below, or to such other party and at such other address within the continental United States of America as may have theretofore been designated in writing. The date of receipt of such notice, election or demand shall be the earliest of (i) the date of actual receipt of such notice, election or demand, (ii) three (3) days after the date of mailing thereof by registered or certified mail, (iii) one (1) day after the date of mailing

5.02 Advances and Future Advances. It is understood and agreed that the proceeds of the indebtedness evidenced by the Note may be advanced by the Lender at one time, or from time to time, and the Lender reserves the right to make additional advances of proceeds, from time to time, including the readvance of any sums previously repaid on the Note. In the event of the readvance by the Lender of any sums previously repaid on the Note, then, in such event, the Note shall be deemed to evidence, and this Mortgage shall be deemed to secure the repayment of, the proceeds last advanced under the Note by the Lender.

5.01 Lender's Powers. Without affecting the lien or security title of this Mortgage upon any portion of the Property not then or heretofore released as security for the full amount of all of the Secured Obligations, Lender may, at its option, at any time and from time to time, and without notice, release any person directly or contingently liable hereunder or under any of the Secured Obligations, extend the maturity or alter any of the terms of any of the Secured Obligations, grant other indulgences, release or reconvey, or cause to be released or reconveyed, any parcel, portion or all of the Property, take or release any other or additional security for any of the Secured Obligations, or make accommodations or other arrangements with debtors in relation thereto. This Mortgage is assignable by Lender to a subsequent holder of the Note, and any assignment hereof by Lender shall operate to vest in the assignee all rights and powers herein conferred upon and granted to Lender.

ARTICLE V

4.13 Proofs of Claim. In the case of any receivership, insolvency, bankruptcy, reorganization, arrangement, adjustment, composition or other proceedings affecting Borrower, its creditors, or its property, Lender, to the extent permitted by law, shall be entitled to file such proofs of claim and other documents as may be necessary or advisable in order to have the claims of Lender allowed in such proceedings for the outstanding amount of the Secured Obligations at the date of the institution of such proceedings and for any additional amount which may become due and payable by Borrower hereunder after such date.

4.12 Suits to Protect the Property. Lender shall have power to institute and maintain such suits and proceedings as Lender may deem expedient to prevent any impairment of the Property by any acts which may be unlawful or constitute an Event of Default under this Mortgage, to preserve or protect its interest in the Property and in the Rights arising therefrom, and to restrain the enforcement of or compliance with any legislation or other governmental enactment, rule or order that may be unconstitutional or otherwise invalid, if the enforcement of or compliance with such enactment, rule or order would impair the security hereunder or be prejudicial to the interest of Lender.

5.05 Additional Security. If the Secured Obligations are now or hereafter further secured by security agreements, chattel mortgages or other mortgages, security deeds, deeds of trust, pledges, contracts of guaranty, assignments of life insurance policies, or other security, Lender may at its option exhaust any one or more of items of security and the Property either simultaneously or independently, and in such order as it may determine.

5.07 Successors and Assigns. This Mortgage shall inure to the benefit of and be binding upon Borrower, Lender, and their respective successors, successors-in-title and permitted assigns. Whenever a reference is made in this Mortgage to Borrower or Lender, such reference shall be deemed to include a reference to the legal representatives, successors, successors-in-title and permitted assigns of Borrower or Lender, as the case may be.

5.08 Terminology - Capligns. 5.09 Severability.
