Any application of the proceeds to the principal shall not affect the payment of the monthly payments, which are referred to in paragraph 2, or change the amount of such payments. Any excess proceeds over an amount required to pay all outstanding indebtedness under the Note and this Security Instrument shall be paid to the entity legally entitled thereto.

8. Fees. Lender may collect fees and charges authorized by the Secretary.

9. Grounds for Acceleration of Debt.

(a) **Default.** Lender may, except as limited by regulations issued by the Secretary in the case of payment defaults, require immediate payment in full of all sums secured by this Security Instrument if:

(i) Borrower defaults by failing to pay in full any monthly payment required by this Security Instrument prior to or on the due date of the next monthly payment, or

(ii) Borrower defaults by failing, for a period of thirty days, to perform any other obligations contained in this Security Instrument.

(b) **Sale Without Credit Approval.** Lender shall, if permitted by applicable law and with the prior approval of the Secretary, require immediate payment in full of all the sums secured by this Security Instrument if:

(i) All or part of the Property is otherwise transferred (other than by devise or descent) by the Borrower, and

(ii) The Property is not occupied by the purchaser or grantee as his or her primary or secondary residence, or the purchaser or grantee does so occupy the Property but his or her credit has not been approved in accordance with the requirements of the Secretary.

(c) **No Waiver.** If circumstances occur that would permit Lender to require immediate payment in full, but Lender does not require such payments, Lender does not waive its rights with respect to subsequent events.

(d) **Regulations of the Secretary.** In many circumstances regulations issued by the Secretary will limit Lender's rights in the case of payment defaults to require immediate payment in full and foreclose if not paid. This Security Instrument does not authorize acceleration or foreclosure if not permitted by regulations of the Secretary.

10. reinstatement. Borrower has a right to be reinstated if Lender has required immediate payment in full because of Borrower's failure to pay an amount due under the Note or this Security Instrument. This right applies even after foreclosure proceedings are instituted. To reinstate the Security Instrument, Borrower shall tender in a lump sum all amounts required to bring Borrower's account current including, to the extent they are obligations of Borrower under this Security Instrument, foreclosure costs and reasonable and customary attorneys' fees and expenses properly associated with the foreclosure proceeding. Upon reinstatement by Borrower, this Security Instrument and the obligations that it secures shall remain in effect as if Lender had not required immediate payment in full. However, Lender is not required to permit reinstatement if: (i) Lender has accepted reinstatement after the commencement of foreclosure proceedings within two years immediately preceding the commencement of a current foreclosure proceeding, (ii) reinstatement will preclude foreclosure on different grounds in the future, or (iii) reinstatement will adversely affect the priority of the lien created by this Security Instrument.

11. Borrower Not Released; Forbearance By Lender Not a Waiver. Extension of the time of payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successor in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

12. Successors and Assigns Bound; Joint and Several Liability; Co-Signers. The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 9.b. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey that Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the term of this Security Instrument or the Note without that Borrower's consent.

13. Notices. Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

14. Governing Law; Severability. This Security Instrument shall be governed by Federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

15. Borrower's Copy. Borrower shall be given one conformed copy of this Security Instrument.

16. Assignment of Rents. Borrower unconditionally assigns and transfers to Lender all the rents and revenues of the Property. Borrower authorizes Lender or Lender's agents to collect the rents and revenues and hereby directs each tenant of the Property to pay the rents to Lender or Lender's agents. However, prior to Lender's notice to Borrower of Borrower's breach of any covenant or agreement in the Security Instrument, Borrower shall collect and receive all rents and revenues of the Property as trustee for the benefit of Lender and Borrower. This assignment of rents constitutes an absolute assignment and not an assignment for additional security only.

If Lender gives notice of breach to Borrower: (a) all rents received by Borrower shall be held by Borrower as trustee for benefit of Lender only, to be applied to the sums secured by the Security Instrument; (b) Lender shall be entitled to collect and receive all of the rents of the Property; and (c) each tenant of the Property shall pay all rents due and unpaid to Lender or Lender's agent on Lender's written demand to the tenant.

Borrower has not executed any prior assignment of the rents and has not and will not perform any act that would prevent Lender from exercising its rights under this paragraph 16.

Lender shall not be required to enter upon, take control of or maintain the Property before or after giving notice of breach to Borrower. However, Lender or a judicially appointed receiver may do so at any time there is a breach. Any application of rents shall not cure or waive any default or invalidate any other right or remedy of Lender. This assignment of rents of the Property shall terminate when the debt secured by the Security Instrument is paid in full.

Any anomalies disturbed by Lender under this paragraph shall become an additional debt of Borrower and be secured by this Security Instrument. The amounts shall bear interest from the date of disbursement, at the Note rate, and in the option of Lender, shall be immediately due and payable.

(ii) **Recoverable Taxes** to make these payments for the payables required by paragraph 2, or taxes to perform any other agreements and arrangements contained in this Schedule, or taxes to a legal proceeding which may subsequently affect Lender's rights in the Property (such as a proceeding in bankruptcy), or taxes to protect the value of the Property and Lender's rights in the Property, including payment of taxes, hazard insurance and other items mentioned in paragraph 2.

b. **Chargers to Borrower and Protection of Lender's Rights in the Property.** Borrower shall pay all governmental or municipal charges, fines and liabilities that are not included in Paragraph 2. Borrower shall pay these obligations on time and in full prior to the date when it is owed the payment. If failure to pay would adversely affect Lender's interest in the property, upon Lender's request, Borrower shall promptly furnish to Lender receipts evidencing these payments.

In the event of foreclosure of this Security Instrument or other transfer of title to the Property by the executors, heirs

In the event of loss, Borrower shall give Lender immediate notice by mail. Lender may make proof of loss if not made promptly by Borrower. Each insurance company concerned is hereby authorized and directed to make payment for such loss directly to Lender, instead of to Borrower and to Lender jointly. All or any part of the insurance proceeds may be applied by Lender, at his option, either (a) to the reduction of the indebtedness under the Note and the Security instrument, first to pay Lender, or (b) to the reduction of the indebtedness under the Note and the Security instrument, first to pay Lender, or (c) to the reduction of the indebtedness under the Note and the Security instrument, first to pay Lender, or (d) to the reduction of the indebtedness under the Note and the Security instrument, first to pay Lender, or (e) to the reduction of the indebtedness under the Note and the Security instrument, first to pay Lender, or (f) to the reduction of the indebtedness under the Note and the Security instrument, first to pay Lender, or (g) to the reduction of the indebtedness under the Note and the Security instrument, first to pay Lender, or (h) to the reduction of the indebtedness under the Note and the Security instrument, first to pay Lender, or (i) to the reduction of the indebtedness under the Note and the Security instrument, first to pay Lender, or (j) to the reduction of the indebtedness under the Note and the Security instrument, first to pay Lender, or (k) to the reduction of the indebtedness under the Note and the Security instrument, first to pay Lender, or (l) to the reduction of the indebtedness under the Note and the Security instrument, first to pay Lender, or (m) to the reduction of the indebtedness under the Note and the Security instrument, first to pay Lender, or (n) to the reduction of the indebtedness under the Note and the Security instrument, first to pay Lender, or (o) to the reduction of the indebtedness under the Note and the Security instrument, first to pay Lender, or (p) to the reduction of the indebtedness under the Note and the Security instrument, first to pay Lender, or (q) to the reduction of the indebtedness under the Note and the Security instrument, first to pay Lender, or (r) to the reduction of the indebtedness under the Note and the Security instrument, first to pay Lender, or (s) to the reduction of the indebtedness under the Note and the Security instrument, first to pay Lender, or (t) to the reduction of the indebtedness under the Note and the Security instrument, first to pay Lender, or (u) to the reduction of the indebtedness under the Note and the Security instrument, first to pay Lender, or (v) to the reduction of the indebtedness under the Note and the Security instrument, first to pay Lender, or (w) to the reduction of the indebtedness under the Note and the Security instrument, first to pay Lender, or (x) to the reduction of the indebtedness under the Note and the Security instrument, first to pay Lender, or (y) to the reduction of the indebtedness under the Note and the Security instrument, first to pay Lender, or (z) to the reduction of the indebtedness under the Note and the Security instrument, first to pay Lender.

Fourth, to amortization of the principal of the Note; fifth, to late charges due under the Note;

- 3. Application of Premiums: All payments under paragraphs 1 and 2 shall be applied by Lemder as follows:
- First, to the monthly mortgage insurance premium to be paid by Lemder to the Secretary or to the monthly charge by the Secretary.
- Second, to the monthly insurance premium to be paid by Lemder to the Secretary or to the monthly charge by the Secretary.
- Third, to the monthly insurance premium to be paid by Lemder to the Secretary or to the monthly charge by the Secretary.
- Fourth, to any taxes, special assessments, leasehold payments or ground rents, and fire, flood and other hazard insurance premiums, as required;

If Borrower fails to pay all sums secured by this Security Instrument, Lender may sue for all sums remaining due under this instrument.

As used in this Security Instrument, "Secretary" means the Secretary of Housing and Urban Development or his or her designee. Without Security Interest in instruments issued by the Secretary are insured under programs which require delivery of payment by the Secretary to the full amount due to the Secretary, or if this Security instrument is held by the Secretary, each monthly charge shall be in an amount equal to one-twelfth of one-half percent of the outstanding principal balance due on the Note.

Each monthly instalment for items (a), (b), and (c) shall equal one-twelfth of the annual amounts, as reasonably estimated by Lender, plus an amount sufficient to maintain an additional balance of not more than one-twelfth of the estimated annual amounts, as reasonable monthly instalments collected in trust to pay items (a), (b), and (c) before they become due.
