THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANTS. Borrower and Lender covenant and agree as follows:

- 1! Payment of Principal and Interest; Prepayment and Late Charges. Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.
- 2. Funds for Taxes and Insurance. Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum ("Funds") for: (a) yearly taxes and assessments which may attain priority over this Security instrument as a ilen on the Property; (b) yearly leasehold payments or ground rents on the Property, if any; (c) yearly hazard or property insurance premiums; (d) yearly flood insurance premiums, if any; (e) yearly mortgage insurance premiums, if any; and (f) any sums payable by Borrower to Lender, in accordance with the provisions of paragraph 8, in flou of the payment of mortgage insurance premiums. These items are called "Escrow Items." Lender may, at any time, collect and hold Funds in an amount not to exceed the maximum amount a lender for a federally related mortgage lean may require for Borrower's escrow account under the federal Real Estate Settlement Procedures Act of 1974 as amended from time to time, 12 U.S.C. 9 2601 et seq. ("RESPA"), unless another law that applies to the Funds sets a lesser amount. If so, Lender may, at any time, collect and hold Funds in an amount not to exceed the lesser amount. Lender may estimate the amount of Funds due on the basis of current data and reasonable estimates of expenditures of future Escrow Items or otherwise in accordance with applicable law.

The Funds shall be held in an institution whose deposits are insured by a federal agency, instrumentality, or entity (including Lendur, if Lender is such an institution) or in any Federal Home Lean Bank. Lender shall apply the Funds to pay the Escrew items. Lender may not charge Borrower for helding and applying the Funds, annually analyzing the escrew account, or varilying the Escrew items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make Just a charge. However, Lender may require Borrower to pay a one-time charge for an independent real estate to reporting service used by Lender in connection with this lean, unless applicable law provides otherwise. Unless an agramment is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Borrower and Lender may agree in writing, however, that interest shall be paid on the funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds, showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are piedged as additional security for all sums secured by this Security instrument.

If the Funds held by Lender excent the amounts permitted to be held by applicable law, Lender shall account to Borrower for the excess Funds in accordance with the requirements of applicable law. If the amount of the Funds held by Lender at any time is not sufficient to pry the Escrow items when due, Londer may so notify Borrower in writing, and, in such case Borrower shall pay to Londer the amount necessary to make up the deficiency. Borrower shall make up the deficiency in no more than twoive monthly payments, at Lender's sole discretion.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender. If, under paragraph 21, Lender, shall acquire or sell the Property, Lender, prior to the acquisition or sale of the Property, shall apply any Funds held by Lender at the time of acquisition or sale as a credit against the sums secured by this Security Instrument.

- 3. Application of Payments. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this paragraph. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments.

Borrower shall promptly discharge any lien which has priority over this Sec in'ty instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner r.cc_ptable to Lender; (b) contests in good faith the lien by, or defends against enforcement of the lien in, legal proceeding, which in the Lender's opinion operate to prevent the enforcement of the lien; or (c) secures from the holder of the lien (i) agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any period the Property is subject to a lien which may attain priority over this Security Instrument. Lender may give Borrower a notice identifying the lien. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. Borrower shall be in default if any forfoliture action or proceeding, whether civil or criminal, is begun that in Lender's good faith judgment could result in forfoliture of the Property or otherwise materially impair the ilen created by this Security Instrument or Londer's security interest. Borrower may cure such a default and relination, as provided in paragraph 18, by causing the action or proceeding to be dismissed with a ruling that, in Lender's good faith determination, precludes forfoliture of the Borrower's interest in the Property or other material impairment of the ilen created by this Security Instrument or Londer's security interest. Borrower shall also be in default if Borrower, during the loan application process, gave materially fairs or inaccurate information or statements to Lender (or failed to provide Londer with any material information) in columnication with the loan evidenced by the Note, including, but not limited to, representations concerning Borrower's occupancy of the Property as a principal residence. If this Security Instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the f

If substantially equivalent mortgage insurance coverage is not available. Borrower shall pay to Lender each month a sum equal to one-twelfth of the yearly mortgage insurance premium being paid by Borrower when the insurance coverage lapsed or ceased to be in effect. Lender will accept, use and retain these payments as a loss reserve in lieu of mortgage insurance. Loss reserve payments may no longur on required, at the option of Lender, if mortgage insurance coverage (in the amount and for the periods that Lender requires) provided by an insurer approved by Lender again becomes available and is obtained.
